Lincoln: Not to worry. Once his body rots away, his bones will also be destroyed as well, that way, no trace of him ever remains.

Me: Awesome.

Varie: Perfect, and honestly, Babidi had it coming for a very long time, so good riddance to him.

Later it was time for Lincoln, Octavia and Stacy's 2nd mission.

Nico: Anyone else want to go with Lincoln, Stacy, and Octavia Melody? Besides Cheese, Rice, Wes, and Joe?

Emerald Goldenbraid: I'll come.

Grodd: So will I

Me: Okay.

Nanette: I'll go too.

Himiko: Me and the girls too.

Me: Okay. I have a feeling that like last time it will be a big and explosive one.

Nico: Me too. Anyone else?

Girl Jordan: I'll go too.

Nico: Okay.

Me: Lets go.

We were off.

We arrived.

Riku Asakura: Hey guys!

Lincoln: Guys, meet Rice, Wes, and Joe

Rice: Awesome to meet you. I'm Rice Fitzgerald.

Wes: I'm Wes Collins, leader of the Time Force Rangers.

Me: You may know them as the Timerangers.

Riku Asakura: Awesome!

Joe: I'm Joe Shimamura, Cyborg 009.

Me: Long story on that but it was a big adventure.

Riku: I see.

Emerald Goldenbraid: I'm Emerald Goldenbraid, Unicorn Knight of the Mysticons.

Grodd: And my name is Grodd, Former leader of the Legion of Doom.

Riku Asakura: It's an honor! And Himiko, girls good to see you.

Himiko: Same here.

Girl Jordan: I'm Jordan Rosato, But everyone calls me Girl Jordan.

Riku Asakura: Whoa! The Vendetta of Carnage. An honor.

Girl Jordan: Yeah.

Nanette: I'm Nanette Allbright, Ambassador of Izuku and friends.

Himiko: Yep.

Me: Awesome story there.

Cheese: I like chocolate milk.

Me: And this little guy is Cheese.

Riku Asakura: Oh wow the funniest little imaginary friend.

Me: Yep.

Riku: It's a great honor to meet-

Riku was interrupted by Cheese poking a carrot into him.

Cheese: I! FOUND! A! CARROT!

POKE POKE POKE POKE.

Me: Cheese cut that out. Cheese can't help it. He has a brain the size of an amoeba and he drives all our enemies bonkers.

Riku: Oh. But Mallow told me all about him doing all that and it's funny.

Me: He's really a great guy when you get to know him.

Himiko: Yeah and he makes everyone laugh.

Camie: He sure does.

Sirius: Yeah. We love him.

Lincoln: Yeah it's cool.

Riku: Octavia, what's your life like?

Octavia Melody: (British Accent) Well I am a celloist. I entertain with classical music at high class parties and events.

Sirius: Her music is really amazing.

Eli: It sure is.

Me: Yeah.

Octavia Melody: I love it too.

Nico: So, any of your enemies active right now?

The alarm went off and then we went to the computer and saw SKULL GOMORA!

Skull Gomora first appeared as summoned by Kei Fukuide to kill Laiha Toba's parents, to extract her Little Star. Afterwards the Kaiju vanished, as Kei had finished his objective.

Six years later, the Kaiju reappeared as he rampaged in Hoshiyama where Riku Asakura and Pega were living in. When the monster eyed Riku with his boss, he destroyed the building the two lived in with one mighty stomp. Afterwards, he kept rampaging on throughout the whole day, forcing the entire population to evacuate and leaving a path of destruction behind him, as he made his way west towards Kadono.

As night fell, the monster appeared at his destination and then disappeared shortly afterwards. It was soon revealed that Kei Fukuide used a Riser and the Kaiju Capsules of Gomora and Red King to transform into Skull Gomora to wreak havoc in Hoshiyama again once his capsules thawed out. As he set his sights on a fleeing crowd of people, a girl began to glow gold within his sight, but he was later confronted by Ultraman Geed.

During their fight, despite the fact that Geed held his ground, Skull Gomora gained the upper hand in their conflict and the status remained the same when they took their fight to a large artificial lake within the city. The fight went on for quite a while, then Geed's Color Timer began to flash after Skull Gomora unleashed his Skull Oscillation Wave on him at point blank range, knocking him down for quite a while.

Skull Gomora then turned his attention towards the citizens of the city again, but before he could attack them, Geed recovered and blocked the monster's path once more. Skull Gomora decided to end the fight with his Skull Oscillation Wave, but Geed stood his ground and gathered enough energy to fire the Wrecking Burst at the monster, destroying him.

That wasn't the last of Skull Gomora, however. After Kei killed Dada for his failure in capturing his target, Kei used his Kaiju Capsules and Riser to transform into Skull Gomora once again at night and rampaged throughout the city again the next day and once again, Riku transformed into Geed to stop him, only this time, Riku did so after overcoming his anxieties about being the son of Belial thanks to Pega's encouragement.

Due to some experience from the last time they fought, Geed had a lot more experience under his belt and actually gained the upper hand on the fusion monster by dodging his attacks precisely and attacked with poise. Soon afterwards, Skull Gomora channeled some energy into his foot and stomped it onto the ground, summoning fire balls that rushed toward the Ultra, only for him to summon his Geed Barrier to protect himself from the attack.

However, this left the Ultra wide open for Skull Gomora to head-butt him so hard, he was sent flying and crushed a building upon landing and once again, the fused Kaiju resumed his objective of finding the girl without finishing off the Ultra. And once again, Geed got back up after he realized that the Kaiju was after Eri. and interfered with the kaiju's rampage once more. The Ultra stood his ground against Skull Gomora and tried to push him away as he kept on going and only stopped when the Kaiju bit him on the shoulder.

Once he had him on a hold, Skull Gomora attempted to finish off Geed with a fire stream attack, but the Ultra kept hanging in there and charged up his Wrecking Burst. The battle finally ended when Geed used his strength to push his face up when the Kaiju finally launched his attack and then Geed laid down on the ground and fired his Wrecking Burst at Skull Gomora, destroying him once again. As Kei kept Skull Gomora's Kaiju Capsules, which were the first of seven that Kei needed, Riku obtained the Ultra Capsule for Ultraman Leo from Eri via her Little Star, resulting in her losing that said object, which gave her pyrokinesis and target for monsters and aliens.

Skull Gomora appeared much later in the Mitsuse Foothills where Ultraman Geed was fighting Tyrant, as his presence was detected by RE.M. He would later engage said Ultra as he attacked him from above after he let Ultraman Zero take care of the other chimera kaiju. After a little while, Geed transformed into his Solid Burning form and held the advantage over the chimera Kaiju with his power. Skull Gomora then noticed the Little Star hiding within Mayu and went after it, only for Geed to summon his Geed Claw and charged head on at Skull Gomora, and sent him crashing. Skull Gomora then fired his Flame Radiation at Geed, only for him to deflect it with the Geed Claw and finish him off with the Corkscrew Jamming, which he survived for a little while until he eventually blew up. Afterwards, Riku received Zero's Ultra Capsule from Mayu, which held promise to him to the future.

Me: WHOA! Skull Gomora! I remember that one.

Laiha: That monster is the one that helped Belial kill my parents!

Eli: Yikes!

Me: And caused lots of problems for future Ultraman too.

Nanette: Wait! I see something on his head.

We zoomed in and saw a figure and it was ALL FOR ONE!

Nanette: All For One!?

Nico: I knew he would return!

Me: Now we can finish him forever and end his reign of terror!

Riku: I was told all about him!

Nanette: I didn't face him on my day to shine with the Geats Riders. So this is gonna make up for it!

Stacy: I'm putting on my jumpsuit.

She snapped her fingers and her jumpsuit was aqua blue.

Me: Yeah!

Wes: TIME FOR TIME FORCE!

He transformed and was ready!

Nico: Lets go after them!

Me: YEAH!

We were off!

We were flying!

Nico: THERE!

We saw Skull Gomora!

Eli: KING GHIDORAH ARISE!

Eli raised his hand and then a massive explosion blasted out and exploded numerous times and formed into KING GHIDORAH!

Eli got on the middle head!

I flew in and grabbed All For One and smashed him into the ground!

Nanette: Remember me, dirtbag?!

Me: And me and us!?

Everyone landed there.

All For One: So you all are still alive J.D.

Me: Always will be. But you won't be! Because we're ending you forever. Just like when we killed Tomura and all your little fuckbuddies!

All For One: Too bad you didn't...

Me: YOU SHUT THE FUCK UP! Your lies have no power over us you Devil! This time we finish you for good!

Nanette: That's right!

All For One: (to Nanette) If I go down, at least your Gene Slammed form is going down with me!

Nanette: We'll see about that!

I powered down and I wasn't even the least exhausted!

Nico: WHOA! UNBELIEVABLE! HE DID IT! All For One is gone for good!

Nanette: WOW!

The terror of All For One was ended! This time forever!

Nico: We're not one yet!

Me: Right!

We blasted Skull Gomora all over!

But then waves of water hit him and burned him bad!

Me: What the?

We saw TAPU FINI!

Me: WHOA! Tapu Fini!

Nico: Where'd that come from?!

Me: I think I know! It's one of Dark Gale's gene-slammers!

I used Telepathy and gasped!

Me: That's Sugarcoat's sister Caramelcoat!

Nico: WHOA!

I went to face her!

Me: Sugarcoat calm down and lets talk!

All she did was charge at me.

But I dodged her.

Me: All right then.

I fired waves of lightning and blasted her.

I snapped my fingers and she reverted back and had golden hair and blue eyes and had Tapu Fini in the middle of her forehead and had blue angel wings and she had a blue version of Sugarcoat's cutie mark and the Emblem of Equestria on her arm.

I wrapped her in a blanket.

Caramelcoat: (Groans) What was the logical equation that hit me?

Me: Caramelcoat are you all right?

Caramelcoat: Who said that?

Me: It's J.D. Knudson.

Caramelcoat: What?

She saw me but in her eyes she only saw nothing but blurry vision.

Caramelcoat: I can't see you J.D. You know I'm very near sighted.

Me: I know. Hold on.

I called Sugarcoat and she came.

Sugarcoat: I'm here! Here you go sis.

She gave her a spare pairs of glasses.

Caramelcoat: Thank you.

She put them on.

Caramelcoat: Sugarcoat!

She hugged her.

Nico: Oh, you can't see without glasses?

Caramelcoat: No I can't. I'm very nearsighted. I can't see anything less than 1 millimeter from my face.

Me: Essentially she's blind as a bat. No offense to Lucy and all those that have bats.

Caramelcoat: You're right.

Me: You were turned into a Tapu Fini by Dark Gale.

Caramelcoat: (GASP) I remember! Elise smashed my glasses before I was injected!

She was in a dark blue suit and injected and then Elise took her glasses and smashed them. Caramelcoat turned into TAPU FINI! She flew out.

FLASHBACK ENDS

Caramelcoat: It was awful

Sugarcoat: But the logical thing is you're back.

Me: Yeah. We're in the process of destroying Dark Gale. We already destroyed 10 of their bases.

Nico: Yep.

Me: Lets get you some clothes. We're in the middle of a battle.

I snapped my fingers and she got blue clothes and a fireworks sword.

Caramelcoat: I look amazing!

Nico: You sure do!

Caramelcoat: Yeah! Lets get him!

We blasted Skull Gomora. But then a massive blast of lightning hit him.

Lincoln: WHOA! That wasn't me!

Girl Jordan: I think it was her!

We saw a girl with yellow hair, red eyes and black clothes and wings and had a tiara with Shocksquatch on it.

Me: (GASP) Sonya Shocksquatch!

Nico: Shocksquatch's embodiment!

Sonya Shocksquatch: (GRUNT) Thought you could use a hand.

Me: Thanks Sonya.

Sonya lost control and fired lightning at Grodd. He used his Psychic powers and sent the lightning back and smashed her down.

Me: WHOA! Never underestimate Grodd's power.

I fired the Antidote Ray and injected her.

Me: There!

Emerald Goldenbraid: Lets get her!

She used her ridewatch and fired waves of lightning and blasted her.

Girl Jordan fired waves of water and drenched her.

Grodd charged at her and smashed her down.

Me: Can't have Guerrilla Warfare without ACTUAL Gorilla power!

I used the powers of Donkey Kong and fired Coconuts.

BONK BONK BONK BONK BONK BONK BONK BONK!

Nico: (Imitating Patrick) DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 8 COCONUTS!

Rice: She sure did!

Caramelcoat: Like old times?

Sugarcoat: That would be fun and logical.

Caramelcoat and Sugarcoat: FIREWORK FURY MEGABLAST!

They fired waves of fireworks and blasted her down.

The antidote took effect and she was back to normal.

Sonya Shocksquatch: (Groans) What happ... OW! MY HEAD! What hit me!?

Nico: Long story.

Me: (Whistles innocently)

Eli: We got to finish this!

We fired waves of energy and blasted Skull Gomora and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

He was dead and I caught the Ultra Seed and purified it!

Me: YEAH! Skull Gomora you have failed this world!

Nico: YEAH!

Caramelcoat: That is for sure!

Nico: What is your role in Sonya's team?

Caramelcoat: I am the fireworks mage. I use fireworks to destroy our enemies. Outside the team I am the baker and make desserts.

Me: Nice! Pinkie Pie would love having you help her out.

Caramelcoat: I'm sure she would.

Me: Man what a battle!

Nanette: Yeah! Izuku and everyone are gonna flip!

Grodd: I'll see you guys for the usual battles later

Me: Thanks Grodd.

She snapped her fingers and reverted back and was back in her clothes.

Riku: Stacy, how did you spend the first week in your Gene Slammed form?

Stacy: I spent the first week shredding on the skate track. Long story.

Me: That is fun.

He teleported back

We later went back home.

We arrived

May: Hey guys! What happened!?

Me: Well it's a REALLY INTENSE battle.

We told them everything and they gasped!

Izuku: ALL FOR ONE CAME BACK!?

Nanette: Yeah and he is gone for good.

Me: Yep.

Qin: WOW! This definitely makes up for him not showing up on the Geats Big Day.

Me: Yeah it sure does!

Nico: Next time, Astro Boy, Marty, Maxxine, Roman Torchwick, Electro, and Ranamon should come.

Me: Good idea.

Qin: Yeah!

Lincoln: Awesome!

Camie: Yeah!

Izuku: Hopefully none of our enemies will appear.

Camie: Yeah.

At the Boardtrot, the Mane 8, and all of us except Misty and me and Dawn Venus Brightdawn are on the rollercoaster as they are cheering as they are going up high up at the tallest trail as they stopped for a moment.

Pipp: "Everypony say 'Zippercoaster'!"

She brought out her phone.

All: "Zippercoaster!"

Sunny realized somepony was missing in their group.

Sunny Starscout: "Wait, where's Misty?"

he others realized that Misty wasn't with them.

Twilight Sparkle: "Wasn't she with us?"

Sunset Shimmer: "I think she's still on the ground."

She pointed down as the others followed as they looked down and saw me, Misty and Dawn Venus Brightdaw nwaving to them on the ground.

Sunset Shimmer: "Misty! Shouldn't you be joining us?!"

Misty Brightdawn: "No thanks! You ponies have fun!"

Me: Misty is having some fears problems. So we're going to help her out!

Twilight Sparkle: Okay!

The Mane 8's ride went down at high speed as they screamed and cheered in excitement at the thrill. Misty frowned sadly as she looked at her friends having fun as she walked off.

We were with her.

Me: Misty we know you're scared but you can get through this.

Lincoln and Clyde had the same problems with rollercoasters.

Misty Brightdawn: Really?

Me: They sure did. At Phoenix Land before the big upgrade we had this scary roller coaster I based off of from Glove World. And they were scared too.

Dawn Venus Brightdawn: Wow! But yeah Misty. I've been on Rollercoasters before and I was scared at first. But I got over it. You can too.

Misty Brightdawn: Oh.

At the crazy mirrors, Misty was walking by with a sad look.

Misty Brightdawn: "Ugh! What's wrong with me? Just a huge, terrifying, rickety roller coaster."

She walked by the mirror before looking at herself that made her look like she was a kid.

Misty Brightdawn: "I don't want to be afraid anymore. I want to have fun."

Me: Misty being afraid of Rollercoasters is normal for people. It takes time to get used to it and conquer your fears.

Then suddenly, Misty heard a laugh, which startled her.

Unknown voice: "Too bad you're such a frightened, little scaredy-pony."

It was a voice that sounded like hers.

Misty Brightdawn: "I am not!"

Me: Huh?

But then she saw a reflection coming out with a shadow figure, which made her confused before it was revealed to be herself, but with red eyes.

Inner Misty: "Boo!"

Misty gasped as she rushed off as her other self laughed evilly as she came out of the mirror with a smirk.

Inner Misty: "Oh, you're not getting away that easily."

We caught up to her.

A bit later, Misty went up to the spinning cup rides while waiting in line as she gave a small nervous smile.

Misty Brightdawn: "This is fine. I'm totally having fun."

Dawn Venus Brightdawn: This is how I usually start out before a big rollercoaster. I go on the other rides first and work my way up.

Misty Brightdawn: Wow.

She saw her friends walking by while chattering, Hitch and Sunny were chatting together, Izzy was eating cotton candy, Sunset and Twilight were holding some popcorn while Zipp looked at her sister, who has a balloon with her face attached to it.

Lynn came back and THREW UP BIG TIME IN A TRASH CAN!

Me: EW! Lynn are you okay?

Lynn: (Groans) Yeah just went on the Zippercoaster again. I love it but it makes me throw up. This is my 38th time.

Me: Wow you've been keeping track?

Lynn: Yeah.

Me: Boy that must be one hell of an adrenaline rush!

Nico: It sure is!

Misty Brightdawn: "Aah!"

She rushes off to find a place to hide, but she then hides at a picture wall of a seapony as her head and hooves are poked out as she realizes where she was.

Misty Brightdawn: "Oh, come on!"

The rest of the Mane 8 are still looking around before Sunny spotted Misty.

Sunny Starscout: "Oh, there she is."

They walked up to the trembling Misty.

Sunny Starscout: "Hey, Misty."

Twilight Sparkle: "Trying to be a seapony?"

Misty Brightdawn: "Uh, not quite how I put it."

She was removing her hooves from her face.

Hitch Trailblazer: "We're gonna take another ride on the Zippercoaster. Wanna join?"

Before Misty could answer, Zipp came up beside her.

Zipp Storm: "Misty! It's so fun! It's got all these huge drops! Spinning corkscrews! Loop-the-loops!"

She held her cheeks with her hooves as her eyes sparkled in pure excitement.

Me: WOW!

Izzy Moonbow: "I thought I was gonna barf!"

Me: Okay Izzy we did NOT need to know that.

Sunset Shimmer: "Okay, let's go easy and not make Misty any more nervous."

Misty got out of her hole and ran up to a golden teacup.

Me: We're taking it slow and easy to help Misty conquer her fear.

Misty Brightdawn: "Yeah. But Thanks. But I am good with these teacups. They can really pick up some speed."

The others watched as she spun her cup around slowly as she then whined embarrassedly as she hid in her cup.

Sunny gave a concerned look.

Sunny Starccout: "Are you sure you don't want to come with us, Misty?"

Misty Brightdawn: "Uh, y-yup! I am totally good here. You ponies go have fun."

Me: We're taking it slow and easy

Sunset Shimmer: "Come on, Ponies. Misty isn't known for the thrills and extreme rides. Let's just leave her be."

The others nodded as they walked off.

Pipp Petals: "Okay, but we'll miss you, Misty.

She flew off to the others as Twilight stopped and look towards Misty.

Twilight Sparkle: "Misty, I know you're trying to be brave, but it's okay to be afraid."

Misty Brightdawn: "M-Me? Afraid?"

She spun around in the cup while Twilight flew up to keep up with her.

Misty Brightdawn: "I-I'm not afraid."

Me: Misty you told us earlier that you thought you were afraid of Roller Coasters.

Twilight Sparkle: "Yeah Misty, I can see it in your eyes. You're just a bit scared to go on a ride like the Zippercoaster. I understand that. And besides, you're not the first shy pony I know who went through similar things. Even Sunset knows it too."

Me: It's true. Rainbow Dash, Lincoln and Clyde went through the same thing too.

Rainbow Dash: Yeah I went through the same thing myself as well.

Misty Brightdawn: "O-Oh, right. I just… I don't know if I can do it. I mean, having been raised by Opaline, I really messed up my way to have fun or try new rides out when they look a bit… much."

Twilight Sparkle: "You never know unless you try. There are times when we must face our fears and push aside our doubts. But that is up to you to face them, to find the courage in your heart, like how I helped with Sunset before the first time. And many others before her."

Me: Let me tell you a big lesson I learned when I was go through fear issues. I helped Nico conquer his fear with this too. Turn your Biggest Fears into your most powerful weapon and then you can use those fears against your enemies in battle to conquer your greatest enemies. Including those fears that were put on yourself. That's what lead Nico to overpower his fear against Slappy and the darkness that was in himself.

Misty Brightdawn: Wow!

Me: I know.

Twilight Sparkle: Now, I better catch up with the others. I hope you have fun."

Twilight Flew off.

Misty Brightdawn: "Thanks, Twilight. And thanks J.D. That lesson is cool.

Me: It sure is.

Inner Misty: "So now you're hiding from your friends as well?"

Misty Brightdawn: "After all we've been through together, I just don't want them to think that I'm a…"

Inner Misty: "A pathetic, scared little filly?"

Misty Brightdawn: "Stop it!"

Me: Uh Misty? Who are you talking to?

Misty Brightdawn: My inner self! She keeps taunting me!

Me: Hmm.

I snapped my fingers and she appeared!

WE SAW TWO MISTY'S!?

WE GASPED!

Me: WHO IN THE NINE FUCKING LEVELS OF HELL ARE YOU!?

Inner Misty: Isn't it obvious? I'm her inner self. Her TRUE self.

Finn: Her true self?

Me: The very manifestation of the fears that live in her. Like how you had problems with that Fear Feaster.

Finn: Oh right!

Me: Just don't get in our way of helping Misty conquer her fears!

A bit later, me and Dawn and Misty were in a bumper cart bubble with a nervous look as she slowed down and avoided the bumps.

Misty Brightdawn: "Whoa. Whoa!"

She avoided the bumps as she looked out and saw the rest of her friends on the Zippercoaster

Me: WHOA! What an Adrenaline Rush!

Lynn threw up again.

Me: YUCK!

Dawn Venus Brightdawn: That makes 39.

Misty sighed sadly before she hit a bump.

Misty Brightdawn: "Aah!"

She saw her inner self in a cart as she gave an evil smile.

Misty Brightdawn: "Go away!"

She drove off with her inner self giving her an evil chuckle.

Me: Leave her alone you parasite!

* * *

At a big slide, Rufus slid down from it.

Rufus: "Whoa!"

He gave a laugh.

Me: Wow! This is fun!

I went down!

Me: WWEEEEEEEEEEEEEE!

I got down!

Me: YEAH! That was fun! Come on Misty! You can do it!

Misty was next as she gave a nervous look while she watched me slide down before her inner self appeared from above.

Inner Misty: "I'm still heeeere…~"

Misty Brightdawn: "GO AWAY!"

We caught her.

Me: Leave her alone you pest!

She raspberried me!

A bit later, Misty was walking by herself with an irritated look as she quickly put on her headphones before her inner self appeared behind her and she blew a raspberry.

Inner Misty: "You can't get rid of me, Misty."

Misty groaned as she walked faster as her inner self gave a sinister laugh.

Me: Boy this Inner Version of Misty is as Annoying as the Vengeance Express 6!

Misty continued walking until she stopped in front of the Zippercoaster as she saw her friends still riding on it as they screamed in delight as Misty's inner self circled her.

Inner Misty: "Face it, Misty. You're not brave enough to join the others like Twilight said you would. That's why you'll always be alone. Well, apart from me, of course. We're going to be best... friends... forever."

Me: I think not!

Misty shut her eyes tight while having a frown, knowing that her inner self was right that she was always afraid to even join her friends. But then she remembered what Twilight had told her earlier.

Twilight Sparkle: (In Misty's Head) "There are times when we must face our fears and push aside our doubts. But that is up to you to face them, to find the courage in your heart."

Me: (In Misty's head) Turn your Biggest Fears into your most powerful weapon and then you can use those fears against your enemies in battle to conquer your greatest enemies. Including those fears that were put on yourself.

Misty listened to Twilight's and my words as she took a breather before she spoke.

Misty BRightdawn: "I might seem a little quiet, but my strength is very real."

Her inner self backed away in surprise as Misty began to glow as her Cutie Mark glowed.

Misty Brightdawn: "When my cutie mark comes to life, my heart helps me feel!"

She shined bright as she faced her inner self with a determined look as her magic pushed her inner self back.

Misty's inner self rubbed her face before she looked up to Misty in shock as the glowing unicorn gave a determined look.

Misty Brightdawn: "That... is... it! I'm not going to let my fear hold me back anymore!"

Inner Misty: "What do you mean?"

Misty Brightdawn: "I'm gonna do what Twilight and J.D. said, face my fears! I am going to ride that roller coaster, and you're coming with me!"

Me: THAT A GIRL!

Dawn Venus Brightdawn: Lets do it!

She levitated her inner self and started dragging her to the Zippercoaster.

Me: Nico, We're ready!

Nico: All right!

Inner Misty: "No. No! NO!"

She started pawing the floor desperately to get away as Misty walked towards the Zippercoaster.

Inner Misty: "You can't! It's way too scary for me! I-I mean, you!"

The ponies in line saw Misty coming and glowing as they moved aside so that she, and unknowing to them, Inner Misty.

Posey turned as she saw Misty and us walking by.

Posey Bloom: "Um, excuse me? There's a line."

Me: Sorry Posey but we're on official Fear Conquering Business for Misty

Posey Bloom: Oh I get it!

Inner Misty: "Stop it! You hate roller coasters! You're making a big mistake!"

Misty went up to a cart and placed her inner self in with a crash as she jumped in next to her.

We got in too.

Misty Brightdawn: "We... are... doing this!"

Her inner self looked in shock.

Tyler Bowman: Take that!

Me: We're doing this!

Hitch Trailblazer: "Yeah, we are!"

We turned and saw Hitch behind us as he smiled and waved to Misty before she noticed the rest of her friends hopping into the car.

Sunset Shimmer: "Hey, Misty. Got room for more?"

She and Twilight got into a cart.

Me: I hope this can hold us.

Misty Brightdawn: "You're... You're coming with me?"

Inner Misty: "No!"

Twilight Sparkle: "Of course we are coming with you, Misty."

Lincoln: And I'll keep you company for this Misty.

Lynn: I'll be here too for the 40th time.

Sunny Starscout: "You didn't think we'd let you face your fears alone, did you?"

Izzy is still eating cotton candy.

Sunset Shimmer: "Friends stick together, Misty."

Me: That's right.

Twilight Sparkle: "And that includes helping you face your fears. You're not alone in this."

Me: That's right Misty.

Misty gave a warm smile with sparkling eyes at her friends' support before the roller coaster cart moved. She yelped as me, Lynn, Lincoln and Mane 8 then went up the ramp while Misty gave a nervous laugh.

Misty Brightdawn: "Okay, so I am a little scared."

She was covering her face while her inner self gave a panic expression.

Izzy Moonbow: "Ah, that's okay. Roller Coasters are a little scary."

Me: This is gonna be so awesome!

Pipp then started hyperventilating with a smile.

Pipp Petals: "This is my sixteenth ride, and I'm still scared!"

Lynn: This is my 40th ride and I'm not scared at all!

Sunset Shimmer: I'm Scared and this rides got nothing on Equestria World back in the human world."

She stated that this ride is even better than Equestria World back in the human world.

Twilight Sparkle: "Well, brace yourselves, everypony. Because we're about to go down!"

Me: HERE WE GO!

We all went down as they screamed in delight while Misty was covering her eyes while her inner self screamed in panic as we rode down the tracks.

Me: WWWEEEEEEEEEEEEEEEEEEEE!

Izzy Moonbow: "Whoa!"

Her cotton candy then hit her on the face on her chin and eyebrows.

Izzy Moonbow: "Ooh! Edible beard!"

She took a bit out of her chin.

Izzy Moonbow: "Yummy!"

The Mane 8, me, Lynn and Lincoln continued to scream in delight.

(Up Song)

(Izzy)

If you're down, down, down

Get back up, up, up

Never on your own

'Cause you've got us

The Mane 8, me, Lynn and Lincoln continued to ride the tracks as they then went into the loop de-loop while Misty continued to cover her eyes before she took a peak.

Lincoln: WEEEEEEEEEEEEEEEEEEEEEE!

If you're down, down, down

Just look up, up, up

You know that I got you

Even when it's tough

Misty screamed before she then placed her hooves on the railings to hold on before she opened her eyes as she then smiled as she and her friends got into a rainbow track as they got into a triple loop.

If you're down, down, down

Get back up, up, up

Never on your own

'Cause you've got us

Misty Brightdawn: "Whoo-hoo!"

Misty cheered with her hooves raised as the Mane 8, mine, Lynn and Lincoln's Cutie Marks then glowed together.

Lynn: YEAH! (TURNS GREEN AND SICK) (VOMITS!)

VOMIT HITS NICO!

SPLAT!

Nico: OH SICK!

Mixmaster: You okay boss?

Nico: I'll be fine but wow! Look at them go!

We went at 175 miles per hour!

I used the Evil Containment Wave and trapped Inner Misty!

Misty Brightdawn: "This is so fun! I don't know what I was afraid of!"

Her friends gave her smiles.

Me: I knew you could do it!

Twilight Sparkle: "Told ya! You never know unless you try things out and face your fears!"

Sunset Shimmer: "Well said, Twilight."

Lincoln: We're proud of you Misty!

If you have a wish, then let me hear it (hear it)

If you have a dream, then we believe it (we believe it)

It ain't over when you have each other

The Mane 8, Lynn, Lincoln and me saw the rainbow tracks glowed before they all blasted off into a magical rainbow trail into the sky as the Mane 8 screamed and cheered in delight as they flew in the air.

Me: WEEEEEEEEEEEEEEEEEEEEEE!

(Izzy)

If you're down, down, down

Just look up, up, up

You know that I got you

Even when it's tough

The Mane 8, Me, Lynn and Lincoln flew as they kept going into a magical rainbow loop in the sky as they kept cheering.

Me: WOOHOO!

Lynn: YEAH!

If you're down, down, down

Get back up, up, up...

Pipp then brought out her phone as Misty then levitated up in the air to give it a full view of them.

Pipp Petals: "Everypony say 'Zippercoaster'!"

All of us: "Zippercoaster!"

The Mane 8, me, Lynn and Lincoln cheered as the picture was taken with them all together, Misty found the courage in her and managed to face her fears with her friends by her side as they had a fun time together on the Zippercoaster.

We later came to a stop as the ride ended and got off.

Me: WOW! (Wobbly) What an adrenaline rush!

Misty Brightdawn: THAT WAS SO FUN!

G1 Jazz: How do you feel, little lady?

Misty Brightdawn: I feel better than ever before! I am ready to do more roller coasters!

Me: Yeah!

I then fell and Nico caught me.

Me: WHOA! Thanks.

Nico: No problem. Wow! You guys had a lot of fun!

Me: Yeah!

Eli: You okay bro?

Me: Just a huge adrenaline rush.

Lincoln: Yeah and Lynn barfed for the 40th time.

Nico: It hit me.

Lynn: Sorry Nico.

Slog: We're glad you conquered your fears, Misty.

Misty Brightdawn: I am too. Thanks guys.

Me: Aww it was nothing.

Qin: Yeah.

Rainbow Dash: But you all were really awesome!

Me: Yep.

Laney: Lets all have fun.

Me: Okay.

Dawn Venus Brightdawn: I'm proud of you little sis. You did great.

We went onto the rollercoaster again and again.

It was awesome.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Nico: How do you feel, Misty?

Misty Brightdawn: I feel so much better. Now that I've conquered my fear, I can ride rollercoasters more often.

Poromon: We had fun too. Also that's great!

Me: I hope you aren't going to try the Cardiac Arrest?

Misty Brightdawn: Nah. I'm gonna do the waterpark later on.

Me: Fair enough.

Camie: Yeah.

Me: Yep. Should be time for the main mission now.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, the arrogant musclebound bully, Jock Jockerson, he's come back from the dead and he's in the Kalos Region and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, arrogant musclebound bully, Jock Jockerson, he's come back from the dead and he's in the Kalos Region and he's causing havoc.

EVERYONE GASPED!

Qin: WHAT?! THAT ARROGANT MUSCLEBOUND BULLY IS BACK?! THAT'S IT! HE'S GOING TO DIE ONCE AGAIN!

May: I'll help out as well, Qin!

Lincoln: Ah ah ah, hold it, you two. We're not going to kill him again, he's not worth killing anymore, he's going straight to prison for the rest of his life, but not before I suck out all of his muscle mass, virility, testosterone, and physical strength and make him completely weak and thin as a twig, and since he's been turned into a 9'11" musclebound brute thanks to the muscle growth potion Pablo and Anderson had, I'll be sure to use the Min's Egyptian Virility Drain on him.

May (GROWLS) Aw, we wanted to kill him again.

Nico: Now, now, May, I think Lincoln made the right choice on that, and I also agree too.

Lincoln: Plus, I called Mr. and Mrs. Jockerson.

Just then, Mr. and Mrs. Jockerson arrived.

Mr. Jockerson: When Lincoln told us of Jock's return, we had to come here at once. There's no way in Hell we're ever going to forgive him, before you guys beat him, let me and my wife disown him.

Mrs. Jockerson: And like you said, it's best he lives the rest of his life in jail and sucked dry of all of his muscle mass, virility, testosterone, and physical strength. He's no longer our son anymore, and we're going to move here, our former home still carries reminders of that moron.

Mr. Jockerson: We also made sure to clean out his room and burn all his belongings as well, we want no trace of him ever.

Nico: That's a good idea. So, Lincoln, where's that jerk at?

Lincoln: He's at The Kalos Region in Vaniville Town.

Me: Which is our next stop.

Serena: My home town. It'll be good to see home again.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with that jerk. Jock Jockerson, your time is up! This is where we end your freedom here and now!

Then the previous group came.

Onyx: Can me, Dirty Bubble, Pinky & The Brain, Swordsman, Dr. Destiny, Jet, Waffle Woman, Rojo, Carmen Dillo and Box Ghost go with you guys?

Pinky: Nice job conquering your fears, Misty!

Misty Brightdawn: Thanks Pinky!

Nico: And yes you all can come with us.

Qin: Yeah!

Me: Wow! I am NEVER going to forget that.

Fuse Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: The last of the Olympus XII. Merukimon next.

Qin: Cool!

Nicole: Awesome!

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness, and she's coming after us at The Kalos Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the eleventh of The Midnight Princesses, Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

Laura Tempest: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Daydream Magic of The Indigo Lightning.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Kalos Region and take that stupid musclebound jerk, Jock Jockerson, down for good!

Lincoln: This is the last time we ever have to deal with that stupid jerk, this is where we end his freedom here and now, and once we got done with him, you're next, Irena Midnight Indigo Zap.

Laura Tempest: The suffering you've caused all those years ago can never be forgiven, Irena, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS

Flying City Fortress ready and we headed out to The Kalos Region to meet up with Don and hunt down and put a permanent end to the freedom of musclebound jerk, Jock Jockerson, and once we got done with him and throw him in prison forever, Laura Tempest and Lincoln are going to take out Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

We were off to Vaniville Town.

The TLPS Flying City Fortress arrived in the Kalos Region in Vaniville Town and we disembarked.

Me: Ah, we're here in The Kalos Region in Vaniville Town.

Serena: I wonder how mom has been doing.

Nico: This is our final stop on The Ridonculous Race.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Jock Jockerson who's come back and he's causing havoc once again. But, this time, we're gonna make sure that he goes to prison forever, and he's never getting out ever again.

Me: Yeah!

Brain: We should call Touch and Go.

Me: Okay.

We did so.

Mr. Touch: We're ready guys.

Mr. Go: We're ready for this too.

Nico: Yeah we are!

Mason Brown: What's that?

Avior: It's a Diggersby.

Lexi Bunny: Ooh That is a cool one.

Me: Go for it Lexi.

Lexi Bunny: Okay.

Lexi fired blasts of energy and blasted it down. Then she threw a Pokeball and caught it! The red Light came on and it clicked off and she caught it!

Me: Oh yeah!

Lexi Bunny: That was awesome!

Jet: Ready to see your Mom, Serena?

Serena: I sure am.

Ash: Lets go then.

We went to Serena's house.

At Serena's house, Grace was working in her garden.

Fletchling then started chirping.

Grace: What is it Fletchling?

Then she saw us.

Serena: Hey mom. I'm back.

Grace: Serena!

Serena and Grace hugged!

Ash: Hello Grace. Been a while.

Grace: Wow it's great to see you all here.

Thunderblast: We're visiting as part of the Ridonculous Race.

Me: Yeah and also we have so much to tell you about how far Serena and Ash have come.

We got to having some tea.

Grace: So you guys are destroying Dark Gale?

Me: We sure are. We are on Base 11 now.

Camie: 2 more to go.

Me: Well 1 left and then we go after Elise in the Solomon Islands.

Camie: Oh.

Grace: Wow.

Serena: Yep. We're doing really well. Also mom me and Ash...

They showed wedding rings.

Serena and Ash: We're engaged.

Grace gasped and then cheered!

Grace: OH SERENA!

She hugged her and Ash!

Grace: I always knew you two were special for each other.

WE CHEERED FOR THEM!

Nico: We're so happy for you two!

Rojo: And are one step closer to getting married!

Me: Yeah!

Serena: Thanks guys! We're excited.

Pikachu: We sure are excited.

Me: Yeah we are!

Lola: And yes Grace, Pikachu can talk now.

Me: Long story.

King Dedede: But right now, we're up against Jock Jockerson.

Grace: That bully with the Iron Maniac suit?

Me: That's him.

Eddy: Oh, we're not going to destroy it right way. No, we want to test how durable it is against our planned pranks against him!

Me: Yep.

Grace: Awesome! Also I saw a massive and huge disembodied brain floating around here.

Nico: Wait what!?

Me: A giant disembodied brain!? Was it Hector Con Carne?

Grace: I don't think so.

Box Ghost: Think it's Crocker's? He and Jock ARE Sullen 6 members.

Grace: No his brain is more rotten and mangled up. This was a brain with piercing red eyes.

Lincoln: (GASP) I know who she's talking about. It's Tyler's Akuma. His name is Master Brainwave. The Hypothetical Akuma of Tyler Bowman and he is a disembodied brain with intense lightning powers. He was made because of Jock Jockerson killing Tyler's friends and blowing Tyler up in a huge explosion leaving his brain as the only thing to survive. Now he wants revenge!

WE GASPED!

He showed a sketch of it and it was a HUGE floating disembodied brain with piercing red eyes and had a ferociously mad look!

Me: WHOA! And he was blown up like Hector Con Carne!

Major Dr. Ghastly: The Chief was blown up like that too!

Gyro Man: Besides, brains don't float on their own.

Me: Unless it's like in those horror and alien movies from the 50s and 60s.

Qin: Yeah those were creepy!

Major Dr. Ghastly: It looks like this brain can.

Me: Yeah. This is freaky though.

Lola: It sure is.

Camie: Yeah.

Me: I've seen ugly brains like this in movies and it was crazy.

Carmen Dillo: You might want to stay inside. Don't want to give Jock any leverage.

Me: Good idea.

Grace: Better head into the bunker basement. Be careful Serena.

Serena: I will.

Me: I have a better idea. You can take safety in the Estate.

Grace: Okay.

I teleported her into the World Tree Estate. She was gonna be safe.

Eli: He's over there.

We went to a hill and then we saw a HUGE HUMAN BRAIN! It was MASTER BRAINWAVE!

Master Brainwave: (Imitating Hector Con Carne) Once upon a time, there was a jillionaire playboy who was blown up in a tremendous explosion. His brain survived. Stomach too. And was attached to the body of a stupid circus bear! I am that brain. My name is Hector Con Carne and I will one day RULE THE WORLD! (EVIL LAUGHTER)

Me: Okay that was good.

Master Brainwave: Thanks.

Charmcaster: Tyler, is that you?

Master Brainwave: What's left of me anyway. Jock reduced me to Just A STUPID AND DISGUSTING BRAIN! I HATE THAT MOTHERFUCKER FREAK MORE THAN LIFE ITSELF!

Me: I hate him too Tyler. What he did to you was horrible!

Nico: At least you weren't turned into Oogie Boogie's Brain.

Lana: I would have eaten that!

Me: YUCK! Lana!

Lana: I would!

Waffle Woman: Tyler, Jock is too much of a moron to kill anymore. So, please calm down.

Me: Yeah he's all mostly braun and no brains.

Ed was about to lick Master Brainwave.

Edd: ED!?

Ed: Aww I always wanted to lick someones brain.

Eddy: You are really weird Lumpy!

Master Brainwave: Ed is funny though. But I won't calm down till Jock is dead.

Me: Then prepare to get a seizure!

I fired waves of lightning and electrocuted him and shorted him out.

Touch and Go charged at him and knocked him down.

Master Brainwave: My turn!

He fired waves of lightning and we dodged it and I fire waves of lightning and electrocuted him and electrocuted him more and knocked him down.

Me: Now this! NIGHTMARE STYLE NINJA ART: MESS HALL STAMPEDE!

I fired waves of darkness and it formed into a HUGE STAMPEDE OF PEOPLE COMING TO LUNCH!

But then...

HE WAS SQUISHED ALL OVER THE PLACE INTO PULP!

He was knocked out.

Stewie: Ok, his brain can NOT be more bigger than the one I have!

Me: His brain was much bigger than ANYONE's brain that we know.

Camie: Yeah!

Lola: Yeah that was funny though.

Major Dr. Ghastly: That happened to the chief once. He was squished like that too.

Dr. Destiny: We'll make a note to keep any zombies in our ranks away from him

Me: Okay then.

Qin: Good.

Nico: Now lets go after Jock and make that musclebound buttface pay.

Horsea: We don't even know where he is.

We then saw some missiles heading towards us.

Tundra Man: Now we do.

Bubbles then screamed and fired a sonic scream blast and redirected the missiles back and they hit Jock and he screamed!

Me: Nice one Bubbles!

Qin: Yeah!

Bubbles: That was cool!

Me: Time to destroy that buttfaced poo poo head!

?: Not before we destroy all of you!

We then saw our next target: Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

Laura Tempest: If it isn't Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

Irena Midnight Indigo Zap: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Irena. You all sought to destroy the world, and we weren't going to let that happen.

Irena Midnight Indigo Zap: (ENRAGED DEMONIC SCREAM) I HOPE THAT STUPID MUSCLEBOUND MORON DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Stop this madness Irena!

Irena Midnight Indigo Zap: (GASP) Mina! You're back!

Mina Midnight Sparkle: Yes I'm back. But this is not you!

She flew up to her.

Mina Midnight Sparkle: Morgana is using you Irena. You are only a pawn in her grand plan to destroy everything. Once you have outlived your purpose, she will kill you.

Irena Midnight Indigo Zap: (Crying) Mina I'm sorry (CLUTCHES HER HEAD) (SCREAMS)

Irena Midnight Indigo Zap disappeared in a tornado of indigo darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Irena!

Laura Tempest: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and take down Jock Jockerson before that stupid moron hurts someone else on his rampage.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Laura Tempest: And from what we saw, Irena's also going to summon her army of demons as well: The Dark Magic Indigo Lightning Madness Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down that stupid musclebound jerk, Jock Jockerson, along with Irena's army of Dark Magic Indigo Lightning Madness Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that stupid moron!

Tyler Bowman: Let's tear him apart!

Eli: He's over in that meadow there behind that hill.

Swordsman: Good thing Grace is in the Estate

Me: Yep.

Nico: Entrance time!

WE TOOK TO THE AIR TO PROCEED TOWARDS THE FINAL SHOWDOWN AGAINST THE STUPID MUSCLEBOUND MORON, JOCK JOCKERSON, AND THIS TIME, WE'RE GONNA MAKE SURE THAT HE STAYS IN PRISON, AND THIS TIME, FOREVER!

* * *

We were flying in the air, and we saw the massive damage Jock had done: buildings were trashed, cars were destroyed, lamp posts were bended, and there are a lot of cracks in the roads, and we saw our target: Jock Jockerson, and just as Lincoln said, he's been turned into a 9'11" massive musclebound hulking brute thanks to that muscle growth formula he stole from Pablo and Anderson, and he's wearing only a pair of ripped pants that got strained by the muscle mass growth.

Lincoln: I can't believe what that animal's done. Now, he's gonna pay.

Lincoln fired powerful blasts of elements and energy from his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings which hit Jock Jockerson and he roared like an animal and beat his chest like a gorilla!

Then the spirits of fire came and swirled around him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out and I punched him in his face and kicked him down.

Me: Okay you musclebound douchebag, time for you to get your fucking ass kicked!

Nico: That is for sure!

Me: You've got some fucking nerve showing your face here again, you stupid idiot bastard!

Nico: We thought we'd never have to see your fucked up face again, but it looks like I was wrong!

Lincoln: And it was thanks to Anti-Monitor bringing you back, but not even he could keep you on a tight leash, he should've put you down like the filthy animal that you are, which is exactly what we're going to do to you.

Jock Jockerson: WE'LL SEE ABOUT THAT! I'M GONNA CRUSH

YOU ALL INTO PASTE!

Suddenly, we saw a massive army of demons arise and they bore the mark of Irena Midnight Indigo Zap along with Dark Gale grunts and scientists coming out.

Lincoln: So, Irena's sent her army of Dark Magic Indigo Lightning Madness demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Irena Midnight Indigo Zap's Dark Magic Indigo Lightning Madness Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Jock Jockerson all alone as he roared like an animal and beat his chest like a gorilla once again.

Jock Jockerson: I'M NOT DONE YET, ASSHOLE! I WON'T STOP UNTIL I KILL YOU ALL FOR KILLING ME!

Suddenly, Jock Jockerson got out a massive jug full of the red muscle growth formula and he drank it. Then, he convulsed and veins formed as his already massive upper and lower body muscles bulged even more and he roared even more loudly and he beat his chest like a gorilla once more.

Jock Jockerson: I'm gonna enjoy turning all of you into ground asphalt!

Me: Shut your fucking mouth FATASS!

HE WAS PISSED WHEN I CALLED HIM THAT!

Jock then punched Eddy.

KRABLAM!

Zuko: We need to shrink him down somehow!

Eddy: (Dazed) Hey if you find any teeth laying around, they're mine.

FWOMP!

Me: Like this!

I formed my tail into Cells stinger and stabbed him and sucked out his muscle mass and he was REALLY WEAK! He was as weak as a toothpck! I got stronger!

Nico: Nice one!

Me: Now it's our turn!

I punched Jock in his face and knocked out all his teeth!

SMASH! PUNCH WHAM BIFF WHOMP!

I punched him all over!

Sento: Give me a bad name with Another Build, will you? I'll show you!

Jock: (laughs) No, you won't! Once I kill you all, maybe Burns will make me the new Sullen 6 leader!

Me: Keep dreaming you wimp!

Jock tapped his wristwatch and turned into Iron Maniac. He fired his repulsors at Iron Boy, who fired back with his own Repulsors.

Dirty Bubble: They're evenly matched for now!

I fired an energy blast and blasted him all over.

I then grabbed his underwear and wedgied him!

HOING SNAP!

I punched him all over!

Me: Also you're forgetting one thing...

Jock: What's that?

Me: We are better than you!

Hisuian Electrode charged at him and electrocuted him all over.

Dirty Bubble: Time for some combo power!

Dirty Bubble and Mermaimon: MERMAID BUBBLE FORCE!

They fired waves of water and bubbles!

Pinky & The Brain and WarGreymon: TERRA GENIUS BLAST!

They fired waves of energy and blasts!

Swordsman and Garudamon: WING BLADE FORCE!

They fired fire blasts and energy.

Dr. Destiny and Stingmon: DREAM SPIKING BLAST!

They fired waves of energy stinger blasts!

Onyx and Golemon: CRIMSON STRENGTH CURSE!

They fired energy and poison gas!

Jet and MegaGargomon: MEGA BARRAGE BLAST STORM!

They fired waves of missiles!

Waffle Woman and Volcdramon: LAVA WAFFLE BARRAGE!

They fired waves of lava and waffles!

Rojo and Clockmon: TIME FORCE BLAST STORM!

They fired waves of time energy.

Carmen Dillo and Hudiemon: ROLLING NATURE BLAST!

They fired nature blasts all over.

Box Ghost and Ranamon: BOX DARK VAPOR STORM!

They fire waves of water and energy.

The blasts all hit him and he exploded all over the place!

Ben turned into Lodestar

Ben: (ROBOT VOICE) LODESTAR!

He magnetized Jock's suit, and made him slap himself.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Lodestar: Stop hitting yourself! Stop hitting yourself! Stop hitting yourself! Stop Hitting yourself!

Me: Nice one!

Jock and Iron Boy fired missiles at each other. While they were doing that, Wheeljack scanned the Iron Maniac suit's schematics.

Wheeljack: Just in case it comes in handy.

Me: Good idea. I got one.

I used my magnetic powers and lifted him up HIGH INTO THE SKY! He froze in space and he fell back to Earth and then fell and crashed into the ground!

MEGA KRASMASH!

HE REALLY FELT THAT!

Eddy woke up.

Eddy: Punch me, will you?!

Eddy poured honey on Jock.

NUMEROUS BEES CAME AND REALLY STUNG HIM ALL OVER!

Me: You think bees are scary? Try topping this!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

JOCK SCREAMED IN FRIGHT!

Jock: THAT IS A HORRIBLE MOVIE!

Manaphy: YOU LOOK AT IT!

Jamesdean5842: Never gets old!

Poliwag then placed a magnet on Jock. It attracted a car to him!

But then...

KRASMASH!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Me: Take that! Nice one!

Poliwag: Thanks!

Me: You want to see something scarier than Blood and Honey? NIGHTMARE STYLE NINJA ART: TERROR OF THE NECROMORPHS!

I fired waves of darkness and it formed into the Necromorphs and they slashed and mangled him all over the place!

Nico: NICE!

Flint: Wanna know what I did to one of your suits?

Jock: Enlighten me!

Flint: I made it into a suit for me!

She donned it and it was so awesome!

Jock: WHAT THE!?

Flint: IRON PIRATE!

She punched and smashed Jock!

Ben turned into Jury Rigg.

Ben: JURY RIGG!

Lincoln: Are we going to destroy his suit now?!

Jury Rigg: I'll do that and make it into something better!

Jury Rigg went and did so.

He disassembled his suit and made it into an amazing Elemental Ray Blaster for Lincoln!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A

MASSIVE ROAR, AND THAT PISSED OFF JOCK JOCKERSON TO NO END! NOW, THE BATTLE TO FINALLY END THE JERK WAS ON!

Lincoln, Crash Bandicoot, Red Savarin, Tyler Bowman, Nico, and I and the rest of us went after Jock Jockerson, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Jock Jockerson and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Crash Bandicoot, Red Savarin, Tyler Bowman, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Jock Jockerson even angrier than ever.

Lincoln fired red energy blasts that hit Jock Jockerson and we saw he gave him The Min's Egyptian Virility Drain Curse as the red barbell appeared on his back. Then, Lincoln sprouted tentacles with suction tips from his chest and they latched themselves onto Jock Jockerson's massive pecs, and then, the tentacles began sucking him completely dry of their newly gained massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in total pain as they began shrinking in muscle mass and height.

Then, all of Jock Jockerson's newly gained massive muscle mass, virility, and massive physical strength began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and eleven sets of larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done, the tentacles then detached themselves from Jock Jockerson's pecs and they went back into

Lincoln, and Jock Jockerson was now thin as a rake and sucked bone dry of his newly gained muscle mass, virility, massive physical strength, and testosterone, and the glowing barbells on his back stopped glowing and stopped glowing.

Jock Jockerson: (SCREAMS) My muscles, my body, what did you do to me?!

Lori: Made you into a weakling, now you know how it feels to be beaten up by someone stronger than you. (Sees the Monitor Orb) And there's the Monitor Orb. Lincoln, if you would.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit The Monitor Orb embedded in Jock Jockerson's forehead and it shattered, and not only did we gain a massive power boost, but Jock Jockerson screamed in agonizing pain as he clutched his head.

Eli: That'll teach you, bastard!

He was tracked for two episodes by the Lupinrangers and Patrangers, escaping their first battle when the Patrangers attacked the Lupinrangers. Garatt later goes on a rampage in the city, but is eventually taken down by Patren Ugou's One Hit Strike. She reverted back and was a girl with black hair, red eyes and black clothes and red angel wings and had the logo of The Blob in the middle of her forehead and on her skirt, shirt and arm and a red sword.

Lincoln: (GASP) Penelope Flagg!

Penelope Flagg: Great to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Penelope Flagg, Avatar of The Blob, she's Lincoln's Guardian Angel from Michigan and the second of a group of Guardian Angels called The Avatars of The Great Horror Movies, these are girls that represent the greatest horror movies of all time and have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She's the Avatar of The Blob from 1958 and 1988 and she's a master of The Blob, and she's the granddaughter of Brian Flagg, and she's someone you should NEVER mess around with, and she's a member of The Avatars of The Great Horror Movies, a group of girls who represent the greatest horror movies of all time and they have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! Penelope is a master of The Blob, and she has slime and ooze powers and she has all the powers of The Blob and she has a MASSIVELY INSATIABLE APPETITE! She eats ANYONE ALIVE! But she only uses this power on Criminals. She can grow tentacles that eat anyone alive. One time she ate a WHOLE PRISON and JUVENILE PRISON full of criminals and evil juvenile offenders and she is still hungry. She came to Royal Woods where she met Lincoln and she even taught him how to use the powers of slime, ooze, and the powers of The Blob, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of his enemies and vowed to eat them with the powers of The Blob.

Lincoln and the girls fired waves of energy and elements that turned into the Kalos Pokemon and they hit Jock Jockerson and exploded with incredible power!

Me: Before we finish you, there are a couple of people that have something to say!

Jock's parents came!

Mr. and Mrs. Jockerson: JOCK, YOU ABSOLUTE LOWLIFE!

Jock Jockerson: (GASPS) Mom..., Dad...?! (Nervously) Uh, w-what are you guys doing here?

Suddenly...!

POW!

MR. AND MRS. JOCKERSON PUNCHED JOCK HARD IN THE FACE AND HE HAD A BROKEN JAW AND A BLACK EYE!

Mr. Jockerson: I cannot believe that you're our son! We tried to raise you to be an outstanding citizen in society, but instead, you decided to turn into an absolute lowlife who bullies and hurts others and all for your stupid self-inflated ego! I don't remember your mother and I raising you to be heartless, Jock!

Mrs. Jockerson: And everything Team Loud Phoenix Storm told us years ago was all true, we tried to put you on the straight and narrow, but instead, you went astray and turned into this monster and that disgraceful bastard, Wertz, is also no better, that insane psychopath, same with Goobot, Crocker, and Burns!

Mr. Jockerson: We tried to instill in you the values we grew up with, but because you chose to discard the values we tried to instill in you and you became a lowlife who bullies and hurts others for your own stupid self-inflated ego and you also became a traitor to the Earth, you will never be forgiven in your miserable life.

Mrs. Jockerson: I agree. Jock Jockerson, we are hereby disowning you from the family and we've also called the other relatives and told them of what you've done, and you've also been disowned by them too. Your father and I have already moved to Gotham Royal York after being forgiven by the team and we also burned all of your belongings as well since we don't want any reminder of you, you stupid moron!

Jock Jockerson's face went pale in horror!

Mr. Jockerson: Alright, now you can finish him off.

Lincoln: Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thanks.

Lily the Mermaid: Let's finish this.

Lincoln and his harem: Now, for the grand finale! We've had it up to hear with you for the last time, Jock Jockerson, now pay for the consequences for all of your crimes that you committed! KALOS POKEMON FINAL SMASH: THUNDERVOLT BLAST!

Lincoln and his harem fired a massive lightning Ki blast at Jock Jockerson and it exploded with such incredible power, but he didn't die from the explosion, he wound up getting really big boo-boos!

Mr. Touch: Shall we knock him out, Mr. Go?

Mr. Go: We shall, Mr. Touch.

They then pulled their fists back and punched him hard in his face and knocked him out!

Then, Lincoln put some really tight handcuffs on Jock Jockerson's wrists and tied him up in a rainbow, white, golden yellow, and blue energy straitjacket and he picked him up and opened up a portal that led to The Uranus Prison and Lincoln threw Jock Jockerson in, and the now weak as a sponge and thin as a rake former jock was thrown in a doorless windowless cell and chained to the wall of his cell with Neutronium Chains in Supermax Security Solitary Confinement as the portal closed.

We cheered as we holster our weapons and powered down.

Nico: See you never, you miserable fuck!

Me: This'll send a message to Crocker, Burns, and Goobot hiding out in the shadows telling them we are also coming for them too in the near future.

Mrs. Jockerson: Jock's no longer our son, and we made sure the rest of the relatives no longer consider him a member of the family as well.

Mr. Jockerson: Now, he'll spend the rest of his life in prison where he belongs and not get killed unlike with two cheating musclebound morons.

Me: Good fucking riddance.

We knew Mr. Jockerson referred to Stan and Steak Stankco who along with the rest of the family got killed months ago when Sebastian went behind our backs and murdered them in cold blood.

Me: At least, The Stankcos are now rotting in Hell, and we didn't know Sebastian went behind our backs and killed them months ago.

Lincoln: We've already put them out of our minds forever, but Sebastian refused to let that go, but that incident's a forgotten memory along with the darkness forever. Now, there's one last thing to do and one last loose end to tie up: Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

A tornado of indigo darkness and dark magic appeared, and as soon as the tornado vanished, in its place stood Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness.

Laura Tempest: We've already taken care of and thrown Jock Jockerson in prison for good and we not only knocked out the Dark Gale grunts and scientists there and sent them to prison, but we also got rid of your Dark Magic Indigo Lightning Madness Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Irena Midnight Indigo Zap: (ENRAGED DEMONIC VOICE) That stupid moron failed in his task, and now, I have to do everything myself! Damn him!

Laura Tempest: Well, you better consider those your last and final words.

Suddenly, Laura Tempest's amber eyes turned neon amber and she was surrounded by an indigo blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, indigo lightning, Alicorns, phoenixes, and angels, she unholstered her sword, and as she approached Irena Midnight Indigo Zap, she left indigo blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, indigo lightning, Alicorns, phoenixes, and angels with every step.

Laura Tempest: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Irena Midnight Indigo Zap, as The Daydream Princess of The Blue Lightning and member of The Daydream Princesses, I hereby sentence you to death for all of your crimes.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Laura Tempest, Nico, and I went after Irena Midnight Indigo Zap, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, indigo blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Laura Tempest did the same by firing indigo blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Laura Tempest, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Irena Midnight Indigo Zap even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Irena Midnight Indigo Zap, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Irena Midnight Indigo Zap's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln fired an orange energy blast that hit Irena Midnight Indigo Zap and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Laura Tempest's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large indigo blue planets orbiting around her legs and twenty five smaller indigo blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized indigo blue planets orbiting around her wrists and ankles, eleven massive and long indigo blue wolf tails, and massive indigo blue angel wings and nine sets of large indigo blue angel wings underneath her massive indigo blue angel wings are permanent.

Laura Tempest: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Irena Midnight Indigo Zap, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Laura.

Me and Nico: Our pleasure, Laura.

Suddenly, Laura Tempest wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laura Tempest's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Indigo Zap flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Laura Tempest sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Irena Midnight Indigo Zap.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Evil Heel appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Ravenna Balthazar, Gene-Slammer and Avatar of Abyss Actor - Evil Heel.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Ravenna Balthazar, Gene-Slammer and Avatar of Abyss Actor - Evil Heel, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Ravenna Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Ravenna Balthazar really hates Lisa with a blazing passion, and she also knew how to bring down that heartless prodigy's madness when she tried to kill Lincoln, and all it took was one planned out performance from Ravenna, and Lisa was done for.

Nico: Oh boy, and knowing Lisa, she tried to kill you again with an army of robots, right?

Lincoln: You guessed it, but Ravenna and I put on one awesome performance that spelled Lisa's doom. Here's what happened.

Lincoln's large gold halo with four orbiting gold rings behind his head and the gold version of The Trinity Mirror behind his halo fired beams of light that formed into a one-way viewing mirror, and it shows what happened eight years ago.

Suddenly, we saw Lincoln running from a completely crazed Lisa and she was commanding an army of robots to kill Lincoln, and Nico got so mad at Lisa, he made a clone of Dark Lisa and trashed her hard and blasted her with black fire and banished it to The Black Abyss.

Lori: Lisa went way too far that day, so I don't blame you for doing that.

Past Lincoln: I can't stand it anymore, Lisa's now gone way too far this time. I need to stop her!

Lincoln flew to The Balthazar Sisters' home, and he knocked on the door. Then, the door opened as Ravenna Balthazar answered.

Past Ravenna Balthazar: Lincoln, what brings you here?

Past Lincoln: We got a Code: Heartless Science Black!

The Balthazar Sisters gasped.

Past Adriana Balthazar: What! Lisa's on the rampage again with her army of robots?!

Past Lincoln: Yep.

Past Ravenna Balthazar: Allow me to come with you, Lincoln. It's time for us to put on a grand performance that'll close the curtain on her.

Past Adriana Balthazar: Let us come with you too, Ravenna. It's high-time that heartless excuse for a science prodigy got her just desserts.

Lincoln and The Balthazar Sisters headed to their room, and there, Lincoln and Ravenna Balthazar began planning the performance that'll spell the end of Lisa's rampage.

Past Ravenna Balthazar: We cannot allow her to get away with this any longer. It's time to bring the curtain down on them. Lincoln, where's she at?

Past Lincoln: (Sensed her) Got her! She's looking all over our favorite spots.

Past Ravenna Balthazar: Then, let's go. Time for the curtain to fall on Lisa's rampage.

The Balthazar Sisters and Lincoln went to the auditorium at Royal Woods High School, and Lincoln used his dark magic to lure Lisa to Royal Woods High School, and like a sap, she fell for it. Soon, the doors burst open and there stood the cackling Lisa.

Past Lincoln: (Whispers) She's here.

Past Ravenna Balthazar: (Whispers) It's time for the curtain to rise on our performance.

Lisa was laughing like the monstrous mad scientist that she is.

?: Laugh now while you can, because of his escape from your rampage, you've forever sealed your fate, you miserable heartless emotionless excuse for a science prodigy!

Suddenly, blasts of darkness came out of nowhere as they burst open the doors and destroyed Lisa's robot army and flooded the auditorium, and there, fiends and imps appeared sitting in the seats, and a magnificent stage setting appeared around Lisa: it was a gothic landscape, and as the stage lights dimmed, IT'S SHOWTIME!

?: (Female Voice) Once, there was a heartless emotionless excuse for a science prodigy who sought joy in the havoc she'd caused upon her family and siblings. She made her siblings into unsuspecting test subjects for her insane experiments and she hated her dear younger brother with a passion, so much so, she wanted to dissect him alive and kill him.

The screen plays the clips of Lisa's actions against Lincoln, her family, and everyone in Royal Woods.

?: (Male Voice) For years, she'd gotten away with her vile crimes. But, enough was enough as the only boy of the family having had enough of his toxic monstrous sister decided she had gone too far.

Suddenly, The remaining Balthazar Sisters appeared dressed in black clothes and wearing silver armor and they look like knights from medieval times and they unholstered their darkness greatswords and surrounded Lisa.

?: (Male Voice) He'd gathered together those whose sworn duty it was to protect and love him and decided to get back at the heartless science prodigy and make her pay for her atrocious crimes!

Suddenly, Lincoln appeared dressed in the armor of a medieval knight that showed off his muscular physique and he unholstered his massive greatsword along with Ravenna Balthazar dressed in the same clothes as her sisters and she too unholstered her massive darkness greatsword and joined the others and cornered Lisa.

Past Lisa: WHAT THE?! NO! NO!

Past Lincoln and Past Ravenna Balthazar: And now, this is where you meet your end, science monster from Hell!

Lincoln and The Balthazar Sisters swung their greatswords and fired a torrent of darkness and dark magic as it hits Lisa real hard with incredible force and power and she wasn't able to fight back against it, and when the torrent of darkness and dark magic ceased, Lisa fell to the ground defeated. The audience applauded as Lincoln and The Balthazar Sisters took a bow as the spotlight shined on them.

Past Adriana Balthazar: That was an awesome performance, everyone! Well done! Now, to tie that little monster up.

Adriana Balthazar tied Lisa up. When she woke up, she saw she was tied up, and Lincoln was here along with The Balthazar Sisters.

Past Lisa: You're not getting away with this, you hairless ape! I'll make you and the others pay for what you did in ruining my experiments

Then, Lincoln's other sisters and parents showed up.

Past Luna: I think not, Lisa!

Past Lisa: What the?! Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lily, Mother Unit, Father Unit?! But how?!

Past Rita: Adriana and her sisters along with your brother told us everything, you've gone way too far again, Lisa.

Past Lynn Sr.: The performance they put on was a one-act play that spelled your defeat, Lisa. (To Lincoln and Ravenna Balthazar) Nice work with the narration, that was some powerful dialogue.

Past Lincoln: Thanks, Dad.

Past Luna: And the whole thing you just witness was real, you suffered a humiliating beatdown at the hands of The Balthazar Sisters and our little bro, you little monster.

Past Lisa: No! No! No! This is not how it was supposed to go! My perfect plan to get rid of Lincoln for ruining my experiments is ruined!

Past Lynn: You've gone way too far, Lisa. When we get back home, we're gonna have a few words to speak with you! (CRACKS KNUCKLES)

Past Lincoln: And I'll save Mom and Dad the trouble by saying this. Lisa Loud, you two are grounded for six months! You two immature beasts are gonna be doing a whole lot of housework during that time! Now, get your butt to Vanzilla and wait for us there!

The Loud Sisters and parents flinched: LINCOLN USED THE DAD VOICE ON LISA AND LISA RAN FOR VANZILLA IN FRIGHT!

Past Lynn Sr.: Dang, if I knew you were gonna use the Dad Voice, we would've brought our earmuffs.

Past Adriana Balthazar: You can thank all of us for giving him the confidence and courage to stand up to the five mean Loud Sisters. Plus, we taped the performance and gave it to the other Guardian Angels, and they loved it.

Past Ravenna Balthazar: They sure did.

Past Lincoln: That'll teach Lisa a lesson they'll never ever forget.

The flashback ended as the viewing window closed.

Me: (WHISTLES)

Nico: Dang, that was one awesome performance, and for the narration, that was some powerful dialogue.

Eli: You said it.

Carol: It was so awesome to see such an awesome performance, and Lisa really got her butt handed to her like that.

Lincoln: After everything she's done, this was something we've been wanting to do to her for years.

Me: Still, that was so awesome! You performed really awesome against her, Lincoln!

Nico: And using your experience in theater, you turned the tables on Lisa and put her in her place.

Eli: But, I don't think it was going to stop her.

Lincoln: Unfortunately not, that caused Lisa to try and seek revenge on me, but I pulverized her big time and sent her running back to her room.

Eli: Figures she'd try something stupid to get revenge.

Me: She always did have a bad habit of trying to get revenge on Lincoln.

Nico: Vengeful monster.

Lincoln: Too bad for her I was well prepared for her.

Luna: I always knew Lisa would go too far that day, and because of it, she'd get her just desserts in the end.

Laney: And we warned Lisa that if she ever did something like this to Lincoln again, we would disown her and kick her out of the house forever.

Leni: And Lincoln's Guardian Angels said they'd tell the people of the science committee about what she'd done, and they'll issue a rejection letter and give it to her, along with getting her kicked out of the science committee forever.

NICO AND I GASPED!

Qin: Wait, are they serious?!

Lincoln: Yep, they were serious. If Lisa got disowned and kicked out of the house, they would get into contact with the science committee and tell them about everything she'd done to me and they'll issue her a letter of rejection and they'll kick her out forever, and with Lisa's bad reputation, that'll also lead to her getting sent to a federal nuthouse forever.

May: That's basically going to mean ending Lisa's future forever.

Nicholette Torrington: That may be true, but we weren't going to let a misandrist heartless conniving little monster like Lisa get away with doing this to her little brother. We love Lincoln, and any who dare to make his life a living Hell deserve no fucking mercy from us!

Me: Damn.

Nico: That's some serious dedication, and that meant if something bad happened to Lincoln, and it was at the hands of Lori, Lynn, Lola, Lisa, and Luan...!

Michelle Emperyous: Yep, those five Hellspawn toxic bitch sisters were finished!

Grodd: That's one Sullen 6 member down.

Goliath: And 3 more to go.

Me: Yep.

Atomic Skull: We'll get to that another time.

Calamitous: At least Goobot is next on that list.

Me: Yeah and Vlad Masters and Plankton are redeemed.

Larxene: And the Ridonculous Race is almost done

Me: We just have 2 final members of Dark Gale to bring down.

Nico: And Elise Elexton is one of them.

Me: Yep. And we caught Number 11 of the Midnight Princesses.

Lola: We sure did.

Nico: Yep. Great job everyone!

We went to a great restaurant.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of another of Dark Gale's members along with the next of The Midnight Princesses, we're already on a roll.

We then got ready for bed. But, Caleb Maxwell was looking out into the distance.

Caleb Maxwell: Tomorrow is the final day of The Ridonculous Race, which means we'll be facing the last of Dark Gale's members in the Kalos Region, and then, we'll be heading for The Solomon Islands to kill Elise Elexton. I'll gladly make sure that she dies here and pays for the sins that she committed fourteen years ago, her crimes are indeed inexcusable.

Suddenly, Caleb Maxwell saw some thugs about to rob someone and he flew at them and aimed his guns at them, and then...!

BANG! BANG!

He shot them dead and took off into the night sky and he came back home to get some rest after he cleaned up.

Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Elexton.

See you all next time.

RIDONCULOUS RACE 2024 PART 12 - FINALE

Kalos Region 2 and Solomon Islands

HAPPY EASTER 2024 EVERYONE!

In the early morning hours at 12:10 AM, Lincoln had a dream, and he saw six figures hiding out and living in Dartford. But, this was no ordinary six figures, they were Princess Terry Loud, daughter of Lincoln's future wife, Tanya. Princess Millie Loud, daughter of Lincoln's future wife, Mileena. Sheena Loud, daughter of Lincoln's future, Sheeva. Leni Oxton-Loud, daughter of Lincoln's future wife, Lena Oxton / Tracer. Holly Loud, daughter of Lincoln's future wife, Hilda (Pokemon). and Maylin Loud, daughter of Lincoln's future wife, Ferra. Lincoln woke up from the dream, but he wasn't the only one, Tanya, Mileena, Sheeva, Tracer, Hilda (Pokemon), Ferra, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Hilda (Pokemon): And it also means that we found out where our kids are at.

Me: They're at Dartfold.

Nico: A principal town of England? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Tanya, Mileena, Sheeva, Tracer, Hilda (Pokemon), Ferra, Black Alpha, Me, and Nico were heading to Dartfold. Then, Lincoln saw a tall and slender 13 years old human-Edenia hybrid who has light brown skin, blue eyes, and black and white dreadlock-like hair. She wears black and yellow tank top, yellow skirt, black leggings, and black low heeled tall boots with yellow stripe. She wields her three-section staff. A 12 years old human-tarkatan hybrid who has fair skin, red eyes, has long black and white hair in a ponytail. She also has razor sharp teeth and claws. She wears a dark pink shirt, black shorts, white socks, and dark pink mary jane flats. she wields her sai-like weapons. A tall and muscular 16 years old young human-shokan hybrid who has light tan skin, red and blue mismatched eyes, four arms, and short white hair. She wears a red tank top, red shorts, and red combat boots. A tall and slender 14 years old young girl who has fair skin, brown eyes, and short brown and white hair styled in a pixie cut. She wears a yellow tank top with a brown jacket and a chronal accelerator, orange skirt with black biker shorts, seafoam socks and seafoam green running shoes. She wields twin hi-tech blasters. A tall and slender 13 years old young girl who has fair skin, blue eyes, and long dark brown and white hair in a ponytail. She wears a black tank top with white, yellow, and orange sleeveless dress, brown fingerless gloves, black shorts, and brown sandals with straps. And a young 10 years old girl who has fair skin, brown eyes, and single braided brown hair with white streaks. She has clawed gauntlets on both of her hands. She wears white shirt, black pants with a green jacket around her waist, and black and white converse shoes. Lincoln saw who they were, they were Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud.

Lincoln: Excuse me, are you Terry, Millie, Sheena, Leni, Holly, and Maylin?

Leni Oxton-Loud: (British accent) of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Tanya, Mileena, Sheeva, Tracer, Hilda (Pokemon), and Ferra came out, and when Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud saw them, they were stunned.

Princess Millie Loud: Mother?

Mileena: I'm here, my little princess.

Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud ran up to Tanya, Mileena, Sheeva, Tracer, Hilda (Pokemon), and Ferra, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Tanya, Mileena, Sheeva, Lena Oxton, Hilda, Ferra, your mothers are one of my many future wives.

Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Tanya, Mileena, Sheeva, Tracer, Hilda (Pokemon), and Ferra with their kids, and Princess Terry Loud, Princess Millie Loud, Sheena Loud, Leni Oxton-Loud, Holly Loud, and Maylin Loud now has a loving, strong, brave, and caring father in their life. We went back to sleep

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to Maretime Bay, but as he was flying around, he saw a dark version of Sunny Starscout's cutie mark appear in the full moon, and out came a Nightmare Moon version of Sunny Starscout, and her name is Nightmare Sunny Starscout, Bringer of Hopelessness and Despair. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh, that is not good.

Sunny Starscout: A Nightmare Moon version of myself, but instead of bringing hope and peace, she brings hopelessness and despair, that's just evil.

Lincoln: I know. We've got to tell everyone about this in the morning, they're gonna freak out about this.

Lily the Mermaid: That's for sure.

Twilight Sparkle: And we know where she's at: Maretime Bay.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Maretime Bay, but as I was flying around, I saw a dark version of Sunny Starscout's cutie mark appear in the full moon, and out came a Nightmare Moon version of Sunny Starscout.

WE GASPED!

Me: A Nightmare Moon version of Sunny Starscout?! No way!

Nico: I'm afraid it's possible, we did see Nightmare versions of The Mane 6. So, who is this Nightmare Moon version of Sunny Starscout, Lincoln?

Lincoln: Her name is Nightmare Sunny Starscout, Bringer of Hopelessness and Despair, unlike Sunny Starscout who brings hope and unity, her Nightmare version brings hopelessness and despair.

Eli: Not good.

Lincoln: I know, and since she's in Maretime Bay, we know what we're doing on Nico's rescue today: we're going to take her down and send her to The M.O.E.

Nico: This is gonna be a good rescue. Plus, today's the final day of The Ridonculous Race, and you know what that means.

Lincoln: Doomsday for Elise Elexton and the last of Dark Gale's minions.

King Kai: (Telepathically) Lincoln, can you hear me?

Lincoln: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) I've got some bad news: that troublemaking parrot, Sergio, has broken out of prison and he's now completely out of his mind and he wants revenge on you guys for the series of humiliations you've dealt unto him.

WE GASPED!

Me: Oh shit! Sergio's loose!

Nico: Not good! We got to stop him!

King Kai: (Telepathically) I'll find where that troublemaking parrot's hiding at, and here's another bit of bad news concerning the last day of The Ridonculous Race: the villain you'll be facing in Luminose

City in The Kalos Region is Jonathan Crane A.K.A. Scarecrow.

WE GASPED IN MORE HORROR!

Lincoln: So, the last of Dark Gale's minions that we'll be facing in Luminose City is the psychotic and deranged bastard who hit my sister with Fear Gas years ago. We'll make absolutely sure that Crane dies forever before we go after Elise Elexton in The Solomon Islands, she must've sent him to slow us down by using his Fear Gas, well, too bad for that bitch, I've worked on something that can help with that.

Lincoln got out a bottle and inside it was a rainbow liquid.

Dahlia Alighieri: No way, you've perfected it!

Nico: What's it?

Lincoln: This is my Anti-Fear Gas formula call Purger of Fear, ever since the incident with Scarecrow affecting Lori and the other times we've had to deal with him whenever he came back from the dead, I've been working on a formula to counter Scarecrow's Fear Gas, and not only does it free his victims and counteract the Fear Gas, but it'll also burn Scarecrow like acid and make his fear of bats come to life.

Robin: An Anti-Fear Gas formula that'll not only cure Scarecrow's victims and counteract his Fear Gas, but also, burn him like acid and make his fear of bats come to life. We'll try it out when we head to Luminose City.

Batman: It'll be the last time we deal with Crane, and this is where his fear inducing madness ends.

Lincoln: Without a doubt, Bruce. Alright, let's finish breakfast and head out to Maretime Bay and take down Nightmare Sunny Starscout.

Nico: Right.

Loki woke up to see Stunky staring at him

LOUD FART!

Stunky: Morning Loki.

Loki: Nice one. Morning Stunky.

Stunky: Time for breakfast.

Loki went and got dressed and went to breakfast.

We were having eggs and omelettes.

We then finished our breakfast, and we set out to Maretime Bay to take down Nightmare Sunny Starscout, the next villain on Nico's rescue.

Lola: So awesome.

Pinkie Pie: This is gonna be so fun!

Me: It sure is Pinkie!

Xenia: Yeah!

Lola: I agree!

Sunny Starscout: Time to get to work!

She went Alicorn and flew of with her smoothies. Sunset followed her.

Sunset and Sunny, who is in her Alicorn form, flew by with their smoothie carts attached to them.

Sunny Starscout: "Morning, ponies!"

Sunset Shimmer: "Here's a refreshment to start the day!"

She and Sunny then started giving two stallions each a smoothie, which they smiled.

Pony: "Thanks, Sunny and Sunset!"

We followed them both.

Sunny skated on the ground while Sunset continued flying around the streets while Izzy and Pipp were chatting with Posey at Mane Melody as Sunny used her Earth Pony magic to make flower crowns for each of them as she and Sunny gave them some smoothies as they took off with the three ponies smiling at them before the flower crowns landed on their heads and they caught their smoothies.

Me: YEAH!

Izzy Moonbow: "Thanks, girls!"

Pipp Petals: "Oh, thanks!"

Posey Bloom: "Thanks, Sunny and Sunset!"

Sunset Shimmer: "Anytime, girls!"

She and Sunset flew and twirled around in the air while passing by Hitch and Sparky while Sunset was behind.

Hitch Trailblaster: "Egg!"

He saw something in front of Sunny as he waved his hooves to Sunny while Sparky babbled.

Sunset Shimmer: "Egg?"

She stopped while Sunny continued on before she turned to Hitch with a smile.

Sunny Starscout: "Hi, Hitch!"

Sunny waved to Hitch

Sunset saw something in front of her.

Sunset Shimmer: "Sunny! Watch out!"

Me: LOOK OUT!

Sunny Starscout: "Huh?"

She saw a giant egg in front of her, which caused her to scream as she flapped her wings frantically to slow down.

Sparky: "Uh, oh."

He, Sunset, and Hitch watched in concern before Sunny crashed into the egg,

CRASH! SPLAT!

It sent smoothie continents flying as Sunset quickly brought out her magic shield!

I formed a shield too but Hitch and Sparky weren't so lucky as some smoothies hit them on their face, which Hitch gave a dull look while Sparky smiled from the taste as Sunset chuckled.

Me: WOW!

Sunset Shimmer: "Wow, we haven't seen you get hit with smoothies in a while."

Hitch Trailblazer: "Yeah, it has been a while."

Sunset Shimmer: "Sorry, Hitch. But you know it was an accident."

We saw a HUGE GINORMOUS EGG in the middle of the town Square. It was a 20 foot tall egg.

Me: WOW! Look at the size of that egg!

Nico: It's huge!

Qin: Where did that come from?

Me: No idea.

Hitch Trailblazer: Is Sunny okay? "Sunny got too distracted by that giant egg to get you your and Sparky's smoothies. Fortunately, I have brought spare smoothie supplies."

She then gave Hitch both a rag to clean himself and Sparky and the smoothies for Hitch and Sparky.

Hitch Trailblazer: "Thanks, Sunset."

Sparky babbled in agreement.

Sunset Shimmer: "You're welcome. And, also, there's a giant egg in the middle of Maretime Bay!?"

Nico: Wonder how that got here!

Me: Good question!

Camie: Yeah!

Hitch Trailblazer: "Yeah, that's something."

A bit later, ponies are gathered around while Hitch's critters use security tapes around the egg, which got Sunny's splattered image in it with smoothies from the crash while the rest of the Mane 7 inspected it.

Hitch Trailblazer: "Keep it moving, ponies! Nothing to see here!"

Sparky repeated his words in baby talk.

Spike: You tell them Sparky.

Rufus: "Yeah, yeah. Then how do you explain that giant egg? Huh?"

Me: That's what we were wondering ourselves too Rufus.

Eli: Yeah. I don't sense anything evil about it.

Izzy Moonbow: "Mmm, I've never seen an egg like this before. It looks kinda… old."

We felt it too.

Me: It's made of stone.

Sunset Shimmer: "Well, I'll tell you this, this egg is old and completely hard as a rock. Harder than any egg I ever seen, if not at all."

I tapped it.

Me: It's made of solid stone though.

Pipp Petals: "And a bit drab. And seriously needed some glam!"

Izzy Moonbow: "Yes, Pipp!"

She levitated some glitter and formed them in the shape of ponies.

Izzy Moonbow: "Glittery dozenytee! A sprinkle here, and a sprinkle there!"

Sunset Shimmer: "Not what I was going, but I saw that coming."

Hitch Trailblazer: "But where did it come from?"

Fu: We were wondering the exact same thing.

Qin: Yeah.

Sunset came to Sunny while wiping her with a rag with Zipp to get the smoothies off her while Izzy looked through her spell book to find any clues.

Sunny Starscout: "I'm sure it's nothing to worry about, Hitch. Just something to make the day eggxtra eggciting!"

We laughed at her joke!

Me: (LAUGHS) That was a good one Sunny!

Luan: (LAUGHS) Good one!

Her friends ust looked at her strangely from that joke while Izzy smiled cheerfully at her while clapping her hooves.

Sunny Starscout: "Eh, see what I did there?"

Posey Bloom: "Stick to the smoothies, Sunny."

Me: Oh come on Posey, I thought that was a good one.

Luan: Yeah! It was Egg-ceptionally funny!

WE LAUGHED MORE!

Eddy: (LAUGHS) That was funny!

Sunset Shimmer: "Surprisingly, I agree with Posey on this one. I mean, no offense Sunny, I like doing egg jokes and other jokes as the next pony, but those are overdoing it and a bit weak."

Sunny Starscout: "It sounded good in my head."

She had her hooves crossed as Sunset chuckled and wiped some more smoothies off her.

Sunset Shimemr: "But you may be right about the egg not being scary. We just don't know what's in it."

Misty was still looking at her spellbook before she gave a worried look.

Misty Brightdawn: "Not to alarm anypony, but it could be an ancient fire hawk of terrible danger."

Me: An Ancient Fire Hawk of Terrible Danger?

She was looking at the picture of a fire hawk hatching from the egg as the ponies behind her gasped in fear,

We looked.

Me: Whoa that looks like a scary bird.

Lola: I would not want to meet a bird like that.

Sunset Shimmer: "She said could be, ponies! Why did you have to read the part of a dangerous creature, Misty?"

Misty Brightdawn: "What? I'm still learning through the book. Besides, it could be.

Camie: A Bird like that would be perfect for the M.O.E.

Me: Vypra said she was running low on magical creatures.

Zipp Storm: "Well, I know some bunny who can help."

She pressed on her phone.

Me: You mean Eggmund Bunny. Okay.

At Eggmund's place, his phone was ringing as Zipp tried to call him, but some blankets got piled up on his phone as Eggmund tried to get his bunny children under control.

JUMPING CARROT STICKS WAS HIS PAWS FULL!

Eggmund: "Come here! Oh! Down!"

He grabbed a couple and pulled a bunny out of a fishtank and chase after some more.

Eggmund: "Where is your brother? No, your other brother. Not him. Your other, other brother!"

He was trying to calm his children down.

Back in Maretime Bay, Zipp is looking at her phone with a frown since Eggmund didn't answer as she turned to the crowd, who are looking nervous as Sunset pushed Zipp back to the others.

Sunset Shimmer: "Zipp, you do know that Eggmund has 16 bunny children, right? He's probably too busy to answer the phone right now."

Me: Yeah and learning from past experiences, he is gonna be busy to the brink.

Lincoln: Yeah I know the feeling myself.

Zipp Storm: "Yeah, good point. Guess we'll have to figure this egg out on our own."

Sunset Shimmer: "Which will be tough, considering."

Me: Nothing we can't handle. We've had challenging stuff like this before.

Qin: You're right.

A bit later, all of us are inspecting the giant egg as Hitch smiles at it.

Hitch Trailblazer: "Aw. Last time I found a magic egg, it gave me this little guy."

He gestured to Sparky, who babbled happily at the compliment as Sunny came up to them and she nuzzled Sparky on the cheeks.

Me: Aww.

Sunny Starscout: "That was a wonderful time for him to hatch."

Sparky giggled as they turned back to the giant egg.

Twilight Sparkle: Reminds me of the time when I hatched Spike for my entrance exam.

Spike the Dragon: Brings back memories.

Me: Yeah good times.

Nico: So cool.

Carol: Awesome.

Hitch Trailblazer: "So, maybe this big guy just needs a little love too. Huh?"

Sparky: (Baby Talk) "Yep."

Sunny Starscout: "Then let's give it to him, Hitch."

Hitch nodded as the two Earth Ponies then used their Earth Pony magic and grew some vines to make a nest as Hitch summoned a giant leaf to go to the top of the egg and brought out a blanket.

Me: I don't think it's that kind of egg. But it's worth a shot.

Hitch Trailblazer: "Don't worry. Dada is here. Hush now."

Sunny giggled at her Hitch's daddy side.

Below, Pipp and Izzy are decorating the bottom of the egg as Izzy makes a spray-painted version of herself while Pipp is making a star with her color streaks.

Pipp Petals: "Now it's looking totally gorg! Mmm. But something's missing."

Izzy Moonbow: "Hey!"

She was offended at Pipp, who gave the unicorn a bored look before Izzy gasped and went up to her painting with a sweet smile and sparkles in her eyes.

Izzy Moonbow: "Don't you listen to her. You're perfect just as you are. Aren't you, you cuty little Iz."

She then hugged the egg with her painting while making kissing noises before her hoof touched a button with her Cutie Mark on it, which caused her real one to glow as the button glowed, making Izzy gasp in surprise while Pipp surprised by that.

Izzy Moonbow: "Wow! Look at that!"

Me: WHOA!

Nico: I saw it!

All: "Oooh!"

Me: It reacted to Izzy touching that button!

Sunset Shimmer: "Did-Did that button of your Cutie Mark just glowed when you pressed it, Izzy?"

Izzy Moonbow: "Yes! I think it did!"

Sunset Shimmer: "Maybe that might be the key for this thing to hatch!"

Zipp Storm: "Now we're getting somewhere!"

Misty looked at another button with her Cutie Mark on it.

Misty Brightdawn: "What if I…"

She pressed the button, causing it to glow as she gasped with sparkles in her eyes and a smile before she turned to another button with her mark as she reached towards it, but it was too far for her hoof to reach.

Izzy saw this as she pressed her button again and then the section of the egg started moving.

Izzy Moonbow: "Ooh! Coming at ya, Misty!"

She moved towards Misty, causing Misty's button to get close to her snd Misty smiled as she pressed the second button, causing the egg to crack while her Cutie Mark glowed as well.

Izzy Moonbow: "Whoo!"

The two Unicorns turned to Sunny and Sunset and nodded to them with smiles.

Me: I think I see what this is!

Sunset Shimmer: "This egg is like a giant jigsaw puzzle! Finding a mark on it and moving it to the right position!"

Twilight Sparkle: I know these puzzles! So amazing!

Nico: It's like a 3D Puzzle! So cool!

Sunny Starscout: "So if we find our marks and move the egg in a certain position…"

Sunset Shimmer: "Then we can finally crack this thing! Literally!"

That made her and Sunny share a laugh and high hoof each other.

Me: That was a good one!

Sunny Starscout: "Good one, Sunset! Everypony, find your hoofprints!"

Me: Okay!

Hitch Trailblazer: "Did you say something, Sunny?!"

But then his hooves stepped on four buttons with his mark on it as it glowed.

Hitch Trailblazer: "Ah, what?"

He started spinning, which made Sparky cheered in excitement.

Hitch Trailblazer: "Something's happening!"

Hitch spun around before he stopped, looking dizzy as his Cutie Mark glowed.

Pipp was searching the egg for her mark before she found it on the star paint she did as she gasped.

Pipp Petals: "Oh, my, glitter! I knew something was missing! Maaaagggiiiccc!"

She tapped her mark, which cracked and caused her Cutie Mark to glow.

Zipp then pressed her four hooves down on the four buttons with her mark on the side of the egg as she looked down at the others.

Zipp Storm: "Ready?"

Izzy, Misty and Pipp: "Ready!"

Zipp trained and used her wings to push the marks up as the three mares cheered for her. After a bit of effort, Zipp made it to the spot as it started to crack, which caused her Cutie Mark to glow.

Me: That is cool!

Sunny and Sunset watch in awe as the egg is nearly cracked as it shows their two Cutie Marks on the egg are shown and sparkled as their friends look in awe while Sunny and Sunset look in awe at their Cutie Marks with smiles and sparkle in their eyes.

Hitch Trailblazer: "What?! I can't see anything from up here!"

He couldn't see what was going on below from the top of the egg.

Sunny Starscout: "It's… It's us!"

Sunset Shimmer: "Me and Sunny have our marks in the middle! Like, we're the source of it all."

She had sparkles in her eyes as the buttons in the middle of their respective marks glowed as Sunset turned to Sunny.

Sunset Shimmer: "You ready, Sunny?"

Sunny Starscout: "You know it, Sunset."

She summoned her Alicorn form as she twirled around with Sunset.

Sunny Starscout: "With hope. Bright as the sun!"

She slammed down on her mark with sparkles in her eyes.

Sunset Shimmer: "With Forgiveness, to bring the others out of darkness and show them the light of the sun!"

She slammed down on her mark as well with sparkles in her eyes as Sunny and Sunset glowed bright.

Then a heart with my mark appeared under it.

Me: Looks like it's my mark next. (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a Fiery fall!

I slammed my mark!

And then, the giant egg cracked more as it started glowing as the cracks then began to glow.

Nico: WHOA! Look at that!

Zipp Storm: "Whoa!"

The egg started shaking, causing the Mane 7 to scream and run off before it cracked completely.

Me: It's hatching!

Then A giant magical hawk-like rainbow creature appeared as it gave a squawk and started flying around, leaving a trail of eggs in its path as it spread its wings and created a firework display, which the ponies gasped.

Me: OH WOW!

Posey Bloom: "Aaah! It is an ancient fire hawk of terrible danger! Run for your lives!"

The ponies were running away and screaming in fear while the hawk creature kept flying around as some of the eggs fell close to the Mane 8 and us as Sunset realized something.

Sunset Shimmer: "Everypony stop!"

The crowd stopped panicking as they turned to us.

Sunset Shimmer: "This hawk creature isn't attacking! It's flying around and releasing these glowing eggs."

Posey Bloom: "Wait, seriously?"

Me: Yeah look!

Misty looked at the egg close to her as she picked it up.

Misty Brightdawn: "Sunset's right. It's…"

She opened it to reveal it was a chocolate egg as she gasped.

Sunny Starscout: "Chocolate eggs!"

Mary Knudson: That was my kind of puzzle! (Eating)

The hawk flew higher in the sky and gave a squawk as it left a rainbow trail and the chocolate eggs as the fillies and foals caught some and they cheered and laughed in joy.

Pegasus: "Amazing! Ho, ho!"

The Pegasi in the sky caught their eggs while everypony else caught their chocolate eggs while all of us caught ours as well as they watched the whole thing.

Sparky walked by while carrying a stack of glowing chocolate eggs as he placed them down and enjoyed them with joyful babbles.

Zipp's phone vibrated as she answered it and saw Eggmund on Facetime, looking really messy from trying to handle his bunny children.

Eggmund: "Zipp! Did you get my gift?"

Zipp Storm: "It was from you. It was a tricky puzzle, but we got it."

Eggmund: "Puzzle? What do you mean? The instructions are right…"

Then he saw one of his bunny children eating it as he gasped.

Eggmund: Hey! What did I say about chewing papa's documents?! Aw, spit it out right this instance!"

I talked to him.

Me: No need Eggmund. We figured it out and it was fun. Thank you so much.

Eggmund: Aww no problem. Happy Easter to you all.

Me: Same to you Eggmund.

Sunset Shimmer: "Well, that explains why that egg has our marks. And Eggmund really made a great gift to us."

Me: He sure did.

More eggs fell as she caught another and ate it.

Sunset Shimer: "I never seen any surprise or gifts like this in all my life."

Zipp Storm: "Neither have we, Sunset. This is a first for us as well."

Me: That was fun.

Sunset Shimmer: "Another day in Equestria, that's for sure. Never a dull moment. Though, it would've been better if his children hadn't eaten the instructions or at least left a note on it."

Me: (LAUGHS) Yeah.

Nico: No kidding.

Sunny Starscout: Eh, we don't need his help cracking the case anyway!"

She gave a laugh as her friends looked at her strangely before they all laughed as well.

We laughed too.

Me: (LAUGHS) That was a good one!

Nico: (LAUGHS) Yeah!

Fu: Yeah that was funny!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) Yeah!

Sunset Shimmer: "Oh, nice one, Sunny. You're improving your egg jokes."

Sunny Starscout: "Hahah! Thanks, I just thought it would be eggciting!"

We laughed!

Sunset Shimmer: "Okay, okay. Easy there, young mare. Or the yoke is on you."

We all laughed again at the jokes as they and Maretime Bay enjoyed their raining chocolate eggs from the magical hawk.

Horsea ate some chocolate

Maria: That was fun.

Camie: It sure was.

Lola: Yeah.

Nico: That was awesome and fun.

Me: At least the city and the whole place wasn't covered in chocolate eggs like last year.

Ace: That really happened?

Me: Oh yeah. Bunnies put chocolate eggs all over the place.

Lincoln: Yeah and the reason is because Eggmund didn't want to come because he has 16 bunny kids to take care of. Learning from how that feels we know what he goes through.

Me: Yeah. I've known Lincoln and his family for 8 years now. His family is chaotic like Eggmund's.

Ace: Geez! But I definitely believe it.

Laney: Yeah when you live in a huge family like ours it's REALLY exhausting.

Ace: I can see why.

Qin: Yeah.

Manaphy ate some chocolate.

Manaphy: Mmm! Boy that is awesome.

Eli: It sure is.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Maretime Bay for an amazing Easter Egg Hunt, but like my dream showed me, we're here to face Nightmare Sunny Starscout and send her to The M.O.E.

Me: Just as your dream foretold.

Nico: She won't be easy to take down.

Lincoln: I know, it's just like with Nightmare Moon, but we've faced Nightmare Moon before, and we triumphed over her, we'll make sure that Nightmare Sunny Starscout is taken down and sent to The M.O.E.

Me: Yeah!

Dahlia Alighieri: That's for sure. Oh, Lincoln, the next Hitotsuki we'll be meeting, her human self is another of The Avatars of The Horror Movies.

Lincoln: Awesome. We'll see who it is later on today.

Me: WOW! At least we didn't meet a Nightmare version of Sunny during the April 12th War back in 2022. That would have been a nightmare. No pun intended.

Nico: I agree there!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of boiled Brussel sprouts into his mouth.

Lincoln summoned a vat full to the brim of boiled Brussel sprouts.

YUCK! I HATE BRUSSEL SPROUTS!

Me: Oh man, no butter and no salt for flavor, just boiled.

Nico: And no one likes Brussel sprouts except for Jared.

Jared: Yeah that's how I love my Brussel Sprouts.

Nicole: Yep. This is gonna be so hilarious.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of Nightmare Sunny Starscout and send her to The M.O.E.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies,

and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Nightmare Sunny Starscout) Aha! Gotcha! I just spotted Nightmare Sunny Starscout, she's about to make her appearance. (Sensed Sergio's hired thugs) And I just spotted Sergio's hired thugs.

Nico: Let's tear them apart.

Nikiya heard a Pokemon cry

Nikiya: Look guys!

We saw a Throh and Sawk!

Me: Whoa! Throh and Sawk! Perfect for you Nikiya because Saiyans love to fight.

Goku: You're right on that.

Nico: I agree Kakarot. Go for it.

Nikiya went over to them.

Nikiya: You two must be hungry.

Throh: We sure are.

Sawk: Yeah.

She gave them apples.

Nikiya: Wanna come with us?

Throh: We would be honored.

Sawk: Indeed Nikiya.

They bowed.

Nikiya: Oh (Bows) It's a pleasure.

Laney: Look guys!

We saw a Zacian!

Me: WHOA! Zacian!

Qin: WOW!

Nico: What's that doing here?

Me: I think I know.

J.D. 2: One of Dark Gale's Gene-slammers.

Sour Sweet: Let me see.

She used Telepathy and gasped!

Sour Sweet: That's Cherimoya Tropical! She's my sister!

Me: Whow!

Ace: What are Cherimoyas?

Laney: These are them.

She grew a Cherimoya and it was a green fruit that looked like a scaly fruit.

Me: They grow mostly down in South and Central America.

Nico: Yep.

Me: We got to help her! Come on!

Me and Sour Sweet faced her.

Sour Sweet: Cheri! It's me Sour!

It formed armor and an ancient sword!

Me: Wow!

I unsheathed my sword!

Sour Sweet: This is fitting for her because she is a blacksmith and swordmaster.

Me: Wow! That is cool!

All she did was charge at her

We dodged her and clashed!

CLANG CLANG CLANG CLANG CLANG!

Me: WOW! She is good.

Sour Sweet: She sure is.

We clashed and then I fired a blast of lightning and electrocuted her and we blasted her down and she dropped the sword. Then I snapped my fingers and she reverted back and had green hair, purple eyes, had Zacian in the middle of her forehead an had a blue version of Sour Sweet's cutie mark and the emblem of Equestria on her arm and had green angel wings. We wrapped her in a blanket and brought her to a bench and I picked up her sword and Sour held on to it.

Me: That was amazing.

Nico: No kidding.

She woke up.

Cherimoya Tropical: (Groans) What hit me?

Sour Sweet: Cheri? Are you okay?

Cherimoya Tropical: Sour? (Gasp) Sour! You're here!

She hugged her.

Sour Sweet: It's good you're okay.

Me: You are really skilled with the sword. Also you were turned into a Zacian by Dark Gale.

Cherimoya Tropical: (GASP) I remember!

FLASHBACK!

She was wearing a dark green suit and was injected and then she turned into a Zacian and busted out and slashed the Dark Gale Members left and right and busted out.

FLASHBACK ENDS

Cherimoya Tropical: That was awful.

Me: Well we are killing Dark Gale even as we speak. We destroyed

11 of their bases already and have 2 more left.

Laney: It's true.

Nico: Your role in Sonya's team?

Cherimoya Tropical: Well I am the plant master as well as a Swordmaster and Blacksmith of the team. I make weapons for everyone.

Me: Wow! We know a thing or two about blanksmithing too.

Camie: Yep.

Cherimoya Tropical: Awesome and outside the team I am a blacksmith. I also teach swordmastery in self defense classes.

Me: Wow! Awesome.

Sour Sweet: Yep.

Me: Awesome jobs there.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new green clothes and she looked great.

Cherimoya Tropical: Wow I look great!

Nico: You sure do.

Sour Sweet: Here sis. This came with your gene-slammer form.

She gave her sword.

Cherimoya Tropical: Thanks sis.

Nico: Actually, we finish Dark Gale today

Me: Yeah thats what I meant.

Nico: Oh.

Cherimoya Tropical: Great.

Me: Yep. We better take the fight to Glaren though. Don't want people to be caught in the crossfire.

Nico: Good idea.

Me: Yep.

Nico: Where is she?

Eli: I sense her in the middle of the Maretime Bay Town Square. She's heading this way from the Moon.

Me: WHOA!

Nico: Lets go.

We then took off into the air to confront and take down Nightmare Sunny Starscout and get rid of Sergio's hired thugs.

We were flying in the air, and as we landed, we saw a malevolent face appear on the moon. WE GASPED! And then, a dark portal opened up and we saw something fly out and land in front of us, it was Nightmare Sunny Starscout, Bringer of Despair and Hopelessness and the nightmare version of Sunny Starscout.

WE GASPED IN UTTER SHOCK! She was a dark pony with purple and white hair and had black fur and had blue demonic eyes and had ethereal bat wings and a horn!

Me: OH! MY! GOD!

Nightmare Sunny Starscout: Hello everyone and everypony! (LAUGHS MALEVOLENTLY)

Lincoln: Nightmare Sunny Starscout, Bringer of Despair and Hopelessness and the nightmare version of Sunny Starscout.

Nightmare Sunny Starscout: Drown in eternal hopelessness and despair!

Nightmare Sunny Starscout fired a beam of dark magic, hopelessness, and despair at us, but Lincoln fired a beam of light magic, hope, and happiness which destroyed the dark magic beam and it also hit Nightmare Sunny Starscout and she got burned bad by hope, happiness, and light.

Eli: Incredible.

Twilight Sparkle: Of course, hope, happiness, and light magic are the counteragents of dark magic, hopelessness, and despair. Nice one, Lincoln.

Nightmare Sunny Starscout: You! YOU!

Nightmare Sunny Starscout fired another beam of dark magic, hopelessness, and despair at us, but Lincoln fired another beam of light magic, hope, and happiness which destroyed the dark magic beam and it also hit Nightmare Sunny Starscout again and she got burned bad by hope, happiness, and light once more.

Lincoln: All you ever do is bring despair and hopelessness, you should know hopelessness and despair never wins in the end.

Suddenly, a sapphire blue energy aura surrounded Lincoln.

Lincoln: In fearful day in raging night, with strong hearts full, our souls ignite! When all seems lost in The War of Light, look to the stars, FOR HOPE SHINES BRIGHT!

Lincoln recited the Blue Lantern Oath and he fired a sapphire blue energy beam that hit Nightmare Sunny Starscout and she was really badly affected by the power of hope and it also freed all those who'd gotten hit by her dark magic and he healed them.

Me: Unreal!

Nico: Incredible, his Blue Lantern powers have also gotten an increase as well.

Me: They sure have! Wow!

Lincoln: Same with the powers of the other Lanterns as well, but for

Nightmare Sunny Starscout, the one thing that'll take her down is hope and courage.

Suddenly, heavenly lights began shining down from the Heavens and more of Nightmare Sunny Starscout's affected victims were being freed as well.

Eli: No way, did Lincoln...?!

Me: He did, but this time, our lord didn't take control.

Nico: But, this means...! Lincoln has unlocked an ultimate form of power and he plans to unleash it on either Morag or Dark Chase Young when his big day mission comes.

Suddenly, Lincoln fired massive waves of light that forced out Sergio's hired thugs and they were screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Nice one, Lincoln, that forced out Sergio's thugs.

Cage Blunt: Now, all that's left is to get rid of them.

Travis Tackett: And piss that stupid parrot off big time.

Then, Lincoln grabbed one of the thugs by the neck with his left hand and he hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Nico: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Lincoln: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of Brussel sprouts appeared, and using his telekinesis, Lincoln lifted the vat full of liver and onions and poured the contents into the funnel and they made their way down into Sergio's stomach. Then, the funnel vanished, and we saw Sergio's face turn green, and finally...!

SERGIO BEGAN BARFING ALL OVER THE PLACE AND HIS HIDING PLACE IN GREAT LAKES CITY WAS LITERALLY INUNDATED WITH BARF AND VOMIT! CRAZY!

Luna: PUKE TSUNAMI!

FWOMP!

When it was all done, Sergio was sitting in the corner and the whole place was covered in his own barf and we were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Me: YEAH!

We looked at Nightmare Sunny Starscout.

Me: Sunny what happened to you!? What caused this?

Nightmare Sunny Starscout: It was because of the death of my parents. And the fact that I lost all hope in the Ponies for never coming back together. I vowed to make sure NO ONE got back together!

Me: That's not true Sunny! Your father was imprisoned in ice in Opaline's castle and your mother was hiding in the ruins of Canterlot! We found them and brought them back.

Eli: Yeah Sunny! You were made this way like how Luna was made into Nightmare Moon. Her jealousy festered and she turned into a horrible monster of darkness because of a Nightmare.

Nico: And ponies ARE together now!

Me: Yeah! You are the legacy of Twilight Sparkle and you brought EVERYONE and EVERYPONY together through the power of hope! This is NOT WHO you are.

Camie: Yeah! You are a powerful force of inspiration.

Sunny Starscout: I would never turn into this because I have too much good in my heart.

Lola: Yeah!

Nightmare Sunny Starscout: Then lets prove it!

I snapped my fingers and we were on Glaren!

Me: Much better. But Thank goodness we didn't battle you during the April 12th War in 2022.

Nightmare Sunny Starscout: Then you will get your shot now! (LAUGHS MALEVOLENTLY)

Me: Lets dance!

Nightmare Sunny Starscout: And now my duty is clear, TO KILL ALL OF YOU!

She fired a beam of energy and we dodged it and a massive fiery explosion blasted out!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired a blast of energy and it hit her and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

She flew into the air and I flew after her!

Me: I will NOT LET HISTORY REPEAT itself!

(OUR SOLEMN HOUR BY WITHIN TEMPTATION PLAYS)

I fired numerous energy blasts and blasted her and the landscape all over!

NUMEROUS MASSIVE FIERY EXPLOSIONS!

Nico: WOW!

Sawk and Throh charged at her And jumped and punched her and knocked her down!

Jayden got out his Gashat.

Jayden: Lets make this a battle worthy of the Samurai!

Jayden activated it.

Ryu (Street Fighter): An honorable path must always lead to good.

Jayden and Ryu: FIRESTORM HADOUKEN BLAST!

They fired a blast of fire energy and it hit Nightmare Sunny Starscout and blasted her!

KRABBBBBBOOOOOOOOOOOMMMM!

Me: Sunny don't do this! This is not you!

Nightmare Sunny Starscout: I DON'T CARE!

She fired beams of energy and I dodged them.

I Fired waves of lightning and blasted her.

Fiona got out her Gashat.

Fiona: Time for the lightning to strike!

She activated it.

Chun Li: This will be fun.

Fiona and Chun Li: LIGHTNING AVENGER BLAST STORM!

They fired waves of lightning and energy and blasted her all over.

I fired lightning blasts and ice blasts and blasted her.

Me: Sunny stop! Think about your friends! Think about Hitch, Pipp, Izzy, Zipp and Misty! Think about all the achievements you did! Think about how much everyone loves your smoothies!

Nightmare Sunny Starscout: IT WAS ALL LIES!

She fired more magic blasts!

I dodged them!

I fired waves of energy and blasted her.

Martian Manhunter got out his Gashat.

Martian Manhunter: This is turning into a deadly battle.

He activated it.

E-Honda: Lets make this fun!

Martian Manhunter and E-Honda: MARS LIGHTNING BLAST STORM!

They fired waves of lightning and energy and blasted her all over.

Me: Sunny you are being poisoned with lies! This is not you!

Nightmare Sunny Starscout: I am learning the truth!

Me: Your version of the Truth is nothing but GRADE A Bullshit!

I fired waves of energy and blasted her.

Vert got out his Gashat

Vert: This girl is REALLY UNREASONABLE!

He activated it.

Guile: Lets bring this one down!

Vert and Guile: SPEEDING SONIC BOOM!

They fired blades of energy and blasts and smashed her and knocked her into the ground.

Me: Sunny it was Opaline that tore the entirety of Equestria apart! She destroyed everything Twilight worked so hard to accomplish! She tore everything apart and divided everyone!

Donkey Kong got out his Gashat

Donkey Kong: Here comes Donkey Kong!

He activated it!

Blanka: Time for the lightning!

Donkey Kong and Blanka: LIGHTNING COCONUT BARRAGE!

They fired lightning and coconuts and bashed her all over the place.

Qin: Take that!

Me: Sunny listen! You would never become like this! But there is one way we can save you.

Nico: And what is that?

I unsheathed my sword.

Me: By using the Elements of Harmony like how Twilight and friends did on Nightmare Moon!

Nico: Go for it!

Twilight Sparkle: I am the Guardian of the Magic of Friendship and bringer of Friendship and Light, My Cutie Mark comes to life, Friendship will light up the night!

Her magic swirled all over!

Applejack: I am the Guardian of Honesty and the Truth can never die, My Cutie Mark comes to Life, I never can tell a lie!

Apples Swirled around her!

Rarity: I am the Guardian of Generosity and the Jewels of Fashions bring life, My cutie mark comes to life, Fashions are never my strife!

Jewels swirled around her all over.

Pinkie Pie: I am the Guardian of Laughter and the balloons of parties bring joy and fun, My cutie mark comes to life, Parties bring Laughter as bright as the sun!

Balloons swirled around her.

Fluttershy: I am the Guardian of Kindness and my friends are for nature and love, My cutie mark comes to life, my Kindness flies like a dove!

Leaves and butterflies flew around her.

Rainbow Dash: I am the Guardian of Loyalty and the Rainbow is my light, My cutie mark comes to life, My Loyalty is my Rainbow Flight!

Rainbow Lightning and rainbows swirled around her.

Sunset Shimmer: I am a Guardian of Forgiveness with all the powers of the sun are never done! My cutie mark comes to life, With Forgiveness, I bring the others out of darkness and show them the light of the sun!

The Sun shined bright behind her.

Starlight Glimmer: I am the Guardian of Empathy and my Aurora shines bright, My Cutie Mark comes to life, My Empathy brings the light!

Zipp Storm: "I'm a princess of a different kind and the Legacy of Rainbow Dash. I'm Always trying to figure out why. When my cutie mark comes to life, I blast bravely across the sky!"

Her Cutie Mark glowed before she flew around.

Izzy's horn started glowing as she toss some glitter in the air and did a twirl.

We were amazed by Sunny Starscout's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in her eyes, and his nose was gushing out blood. But, when Nightmare Sunny Starscout saw it, she went mad with rage and fired magic blasts at her to kill her, but Sunny Starscout deflected them, and she fired massive barrages of magenta, purple, rainbow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, earth, Equestrian Magic, Elemental Alicorns, phoenixes, and angels which hit Nightmare Sunny Starscout and she got sent flying into a wall, she got back out, but it pissed her off big time.

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sunny Starscout, Nico, and I and all of us went after Nightmare Sunny Starscout, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Nightmare Sunny Starscout

and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Sunny Starscout, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making Nightmare Sunny Starscout even madder than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Nightmare Sunny Starscout, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into the stomach of Nightmare Sunny Starscout, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, FADE BACK INTO DARKNESS!

Lincoln, Nico, and I did one final powerful energy slash that hit Nightmare Sunny Starscout hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Nightmare Sunny Starscout was on her last legs and she was really really mangled.

Then, Lincoln sent her straight to The M.O.E. through a portal he opened up.

Lynn: AND SHE'S OUT!

We cheered as we holstered our weapons and we powered down, and Sunny Starscout's new body, clothes, weapons, jewelry, Third Eye, twenty-five large magenta and emerald green planets orbiting around her legs, twenty-five smaller magenta and emerald green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized magenta and emerald green planets orbiting around her wrists and ankles, smaller planets orbiting around her fingers, longer magenta and pink tail with rainbow streaks, and massive apricot angel wings and eleven sets of large apricot angel wings underneath her massive apricot angel wings and longer apricot horn are permanent.

Nico: That'll teach that despair bringing nightmare. So, you said someone else had a hand in busting Sergio out, right?

Travis Tackett: Yep, the one behind it was none other than Morgana Midnight Sparkle.

Lincoln: Figures, and she promised the now deranged parrot a chance at getting revenge on us, but she's going to double-cross and kill him. As much as I hate Sergio because of everything he's done, we still can't let him die. But, we're still going to find him and take him down, and we'll return him to The Moon Prison where he'll be put in a dark magic proof cell.

Me: Perfect.

Nico: Good idea.

Adrian Morrigan: And your idea of renovating and renaming The Last Resort as Phoenix Castle Resort was absolutely amazing, along with the new additions you've added to the place, and humans and ghosts from all over can have fun there and the ghosts we met are also helping out as well, and we also put a strict ban on the Boos and King Boo and that also goes for Hellen Gravely after what she did.

Lincoln: We had ideas for that place for a long time, and we knew this was a place that your ex-dad had caused trouble at as well. Plus, all of Evershade Valley's ghosts are glad you put a stop to that monster, Cordelia Morrigan, she was just as bad as King Boo.

Adrian Morrigan: It's hard to believe we were even family in the first place, and Professor E. Gadd also has the chance to study the new ghosts who come into The Phoenix Castle Resort, and with the added help of Evershade Valley's ghosts, we had quite a successful grand re-opening.

Me: Awesome.

Nico: We'll take a trip there one day, but I've got a feeling some Boos are gonna try and mess up the place.

Adrian Morrigan: They know I can also create Boos of my own to keep them away from the resort and the second they try anything, I will make their afterlives an absolute unliving nightmare and I'll even send them to be imprisoned in Professor E. Gadd's container for Boos.

Nicole: We'll be sure to keep an eye out for them, they're well-known mischief makers and given the history with King Boo, they intend to cause any sort of trouble for him.

Lincoln: We'll make sure to also help keep any mischievous Boos out of The Phoenix Castle Resort.

Me: You got that right.

Suddenly, we saw an army of Boos heading our way, and Adrian Morrigan vacuumed them up with his Adrian Morrigan's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Ghostly Darkness Dark Moon God Ghost Protector Dark Firestorm Seraphim Phoenix God Archangel Poltergust G-00 of Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Ghostly Darkness Dark Moon God Ghost Protector Dark Firestorm Seraphim Phoenix God Archangel Justice and sent them to Professor E. Gadd's Boo Container in his lab.

Adrian Morrigan: Looks like King Boo's pretty enraged that we got rid of his precious daughter, see if I care what that psycho thinks, it's his fault in the first place! This is why I cut all my ties with him long ago, he was just so insane.

Me: He lost to Luigi three times in a row, and that pretty much drove him to madness.

Lincoln: Without a doubt, and you just got rid of his precious daughter as well, so that pretty much has caused him to blow another gasket out of his head.

Maria: Which means that army of Boos sent after us were from King Boo. Ugh, I'm reporting this to Vypra, and she's gonna seriously reprimand him.

Suddenly, we heard King Boo's scream.

Adrian Morrigan: I decided to put a curse on my own father, any time he tries to resort to getting any sort of revenge, he'll be blasted with a bolt of dark lightning.

Me: Wicked.

Lincoln: Talk about serious payback.

Me: Yeah!

We were back on Earth in Maretime Bay.

Nico: That was intense!

Qin: Yeah it sure was!

Me: Yeah!

Lola: No kidding!

Lana: That was fun though!

Sunny Starscout: Thank goodness I will never turn into that.

Me: I agree.

Sunny Starscout: Be right back.

She flew fast and came back with some smoothies.

Sunny Starscout: Smoothies?

Me: Ooh sure.

She gave us smoothies.

Me: (Slurps) Ahh! Always refreshing.

Ben drank a smoothy

Ben: Ahh. Thanks Sunny.

Sunny Starscout: Thank you guys.

Throh: That was awesome!

Sawk: It sure was!

Ace: I got to admit though. These smoothies are delicious.

Me: They sure are Ace. Always perfect to rehydrate you.

Lola: And the fruit Sunny uses for it are delicious.

Ace: They sure are.

Nico: Nice job, Sawk and Throh.

Sawk: Thanks Nico!

Throh: That was awesome!

Poromon: Want some beer you two?

Sawk: Oh no thanks. We dring Harvey Wallbangers.

Nico: What are those?

Me: They're drinks made with orange juice and Galliano.

Blue Raspberry Wintermint: They are strong too.

Poromon: We'll have to try one.

Horsea: We're gonna show you guys something later

Me: Looking forward to it guys.

Me: Looking forward to it guys.

Twilight Sparkle: But we had a great time in this one though.

Me: We sure did.

We then heard WOLVES HOWLING!

AWWWWWWOOOOOOOOOOOOOOO!

Me: Whoa.

Nico: What was that?

Me: Wolves?

Eli: Sounds like it.

Lincoln: (Sensed Anothers) Uh oh, heads up, gang, we got Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, They are Dereieri of Purity, Flurious (X-Squad Universe), Maugrim, Koritor, Martia and Vex and one of them is Another Loki, which means we got to be on the lookout if this one's good or bad.

WE GASPED!

Loki: Another me!? This is gonna be fun.

Me: Right.

Nico: Oh boy.

Lincoln: If the Another Loki is good, then we won't harm that person, but if the Another Loki is bad, we'd better be ready to tie that person up after I separate the Another.

Me: Yeah. So Chill Man, Layla Lhodwi, Tallia Wolf Moon Wolffang, Arlene Articuno, Amelia Agnakluwak and Aurora Allura.

Nico: Yep.

Lola: Look!

We saw a White Wolf, a Timber Wolf, Black Wolf and Grey Wolf.

Me: Ooh wow. A White Wolf, Timber Wolf, Black Wolf and Grey Wolf.

Nico: (Gasp) Matsi, Chemukh, Mitaki and Akai!

They went over and pounced on Nico and licked him all over.

Nico laughed.

Me: You must know these wolves. But they are beautiful.

Lola: They sure are.

Nico got up.

Nico: It's good to see you all.

Me: And there they are!

We saw Another Flurious (X-Squad Universe), Maugrim, Koritor, Martia and Vex!

Nico: This is gonna be awesome.

Another Flurious (X-Squad): (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Snow Fairy, Illusionary Ice Sculpture, Cold Sleeper and White Night Queen.

Nico: (GASP) Farah, Irena, Sierra and Laniya Talkeetna!

Me: Wow! The gene-slammers of Snow Fairy, Illusionary Ice Sculpture, Cold Sleeper and White Night Queen. And wait you know the legendary Sisters of the White Night Wolf? That is amazing!

Nico: It sure is.

Irena Talkeetna: That's right. We are Nico's friends from Alaska.

Sierra Talkeetna: And we make amazing Alaskan Food.

Me: Oooh I love Alaska's food.

Lily: Same here.

Laniya Talkeetna: Yeah. Wow! Lily Loud, It's an honor. We read how you and Balto saved Nome from the 1925 Diphtheria Epidemic. That was very heroic.

Ace: I didn't know about that!

Me: It was a brave story Ace.

Nico: Yep.

Eli: It was awesome.

Me: By the way girls are the Another Dereieri and Loki friendly or hostile?

Irena Talkeetna: Friendly. But the Another Loki has a REALLY NASTY gas problem.

Me: Like Lori does.

Lori: I do not fart! It was my shoe!

Me: Lori now is not the time for denials.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

But then...

LOUD NASTY SUPER HORRIBLE FART!

Me: WHOA! Oh good god! That was nasty! ED!

Ed: It wasn't me!

LOUD NASTY SUPER HORRIBLE FART!

Me: OH MAN! LORI!

Lori: I DID NOT FART! It was my shoe!

Nico: It wasn't Lori either!

Qin: I think it was them!

We saw Another Dereieri of Purity and Loki!

Me: WHOA!

Then an Arctic Wolf came up to Nico.

Nico: Oh Kamots. Good to see you.

Me: Wow an Arctic Wolf. That's pretty.

Another Dereieri: Looks like Kamots remembers you.

She reverted back and it was the gene-slammer of White Night Dragon!

Nico: Allie Talkeetna!

Me: White Night Dragon's Gene-slammer. Wow! Awesome to meet you.

Allie Talkeetna: Same here. And I'm the leader of the Sisters of the White Night Wolf.

Me: Cool!

Allie Talkeetna: Also I hsve Dereieri's powers of darkness and it's cool.

Dereieri: That is nice!

LOUD LONG NASTY SUPER LONG EXPLOSIVE FART!

THE FART LASTED FOR OVER 1 minute and 30 seconds!

Me: OH GOOD GOD!

Qin: GEEZ!

Nico: Who's your friend?!

Another Loki: (In a girls voice) Someone who has a REALLY NASTY Problem!

She reverted back and was a girl that looked like a CARBON COPY of Lori! But she was wearing glasses.

Loki: (GASP) Leia!

Loni: LEIA!

Linka: LEIA!

The Loud Brothers and Linka went and hugged her.

Jaime Diana: Leia I've been looking all over for you. I couldn't find you anywhere.

Leia Loud: I'm back now.

LOUD LONG NASTY SUPER HORRIBLE FART!

Jaime Diana: And I missed that funny fart.

Leia Loud: Yeah it's funny!

Nico: You know her?

Loki: She's my twin sister.

Leia Loud: And I am the only girl besides Linka.

Me: Wow!

Qin: Cool!

Me: I'm guessing she has a condition.

Jaime Diana: Yeah she has a condition called Thunderpants Syndrome. It causes you to be born with 4 stomachs and it makes you fart uncontrollably and explosively long.

Me: WHOA! Like Calabash Syndrome on Steroids.

Omaima Lexxington: Yeah that is a good way to put it.

Me: We have a bunch of fartbags with us. No offense.

Omaima Lexxington: (LOUD FART) None taken. But yeah.

Leia Loud: It's funny.

LOUD LONG NASTY SUPER EXPLOSIVE FART!

Leia Loud: Sorry!

Nico: Can you really be born with 4 stomachs!?

Me: That is crazy! Starfire has 9 stomachs so she is not complaining.

Starfire: Tamaranean Anatomy is different than human anatomy though.

Me: Yeah.

Kaito (gets out Shinkenger gear): Did Swartz promise you anything?

Zocks (gets out Goseiger gear): Because we can grant it instead

Kaito and Zocks got weapons from said teams.

LOUD LONG NASTY SUPER EXPLOSIVE FART!

Me: I think it must be to cure your condition.

Leia Loud: No my farts are deadly and made him throw up bad.

Sakura Knudson: That explains why I found him throwing up all over that day

Allie Talkeetna: Yeah no kidding. But we used that time to run away.

Me: Wow!

Sougo (gets out Samurai Ridewatch): Loki and Lori fart too.

Geiz (gets out Basic Megaforce Ridewatch): No matter how much they deny it

Sougo got SamuraiRedArmor while Geiz got BasicMegaforceRedArmor

Lori: I do not fart! It was my shoe!

Loud Kids: It was you Lori!

Me: Yeah!

Lori pouted.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance!

Nico: (gets out Dereieri of Purity'a Ridewatch): Fear the power of darkness!

May: (Gets out Maugrim's Ridewatch) Time for some action!

Maria: (Gets out Martia's ridewatch) No one has ever escaped from Rura Penthe.

Layla Lhodwi: (Gets out Flurious (X-Squad) Ridewatch) I am cold in pure form!

They used the powers of Dereieri of Purity, Flurious (X-Squad Universe), Maugrim, Koritor, Martia and Vex and blasted the anothers.

Camie: YEAH!

Then General Woundwort, Cluck, Drool Bird, Baron of The Fiend Sword, A Cat of Ill Omen, Paddywhack, Chainsaw Rabbit and Evil Danger Mouse came.

Nico: Whoa! Nice team General Woundwort!

General Woundwort: Thanks Nico!

Bugs Bunny: Eh that means my team is next doc.

Nico: Oh, Chill Man, what do you like to do in your free time?

Chill Man: Oh you forgot to ask that. I like making snowcones for everyone on a hot day and even at sporting events.

Me: Cool!

Qin: Yeah.

Chill Man: Yeah it's fun.

May: It sure is.

Me: Yep. Professor XXXL and Chill Man get along great.

Nico: Cool.

?: Love good snowcones.

Merukimon came.

Me: Merukimon!

Nico: Whoa!

Merukimon: (In a girls voice) Looks like the fun started.

Nico: Mina Mercury Meruki! Wow!

She reverted back and was a girl with green blue hair and had blue eyes and had the symbol of Mercury in the middle of her forehead and had a blue dress and blue green angel wings and had Merukimon on her skirt and shirt and had a water sword.

Mina Mercury Meruki: Awesome to see you again Nico. I got this.

She fired wind blasts and blasted the Anothers and I caught the Ridewatches and purified them.

Me: Oh yeah!

Nico: Nice job!

Mina Mercury Meruki: Thanks Nico and this was fun.

Me: Now we have all the Olympus XII Digimon covered.

Nico: We sure do.

Layla Lhodwi: Do you have a good memory of Nico?

Mina Mercury Meruki: I sure do. When me and Nico discovered a City of Avian People and we helped them destroy one of their enemies.

Qin: Wow!

Me: That is awesome!

Lola: It sure is!

Nico: Yep.

They hugged.

Nico: I've missed you.

Mina Mercury Meruki: Same here.

We later went back home.

Plus, the twins love pranking snobs and putting them in their place, so jerks beware!

Lincoln: Whoa, we're here in the town of Nod's Limbs, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we're going to be meeting the gothic prankster siblings, Edgar and Ellen, and we're going to discover the true secrets behind the history of Nod's Limbs and the antagonistic actions between Augustus Nod, the town's founder and Thaddeus Knightleigh, and we're going to discover that The Knightleigh Family have dark secrets and they stole the ownership of the town from Augustus Nod.

Luan: Uh oh, I've heard about them, they're gothic pranksters who play mischievous practical jokes on each other as well as classmates and teachers and putting the snooty residents of Nod's Limbs in their place, and their mansion is literally a place of horrors and it's also where they plan their most mischievous pranks on the snooty residents of the town.

Lucy Loud: We can get along with them since they're also like us.

Luan: Which means after we find out the dark secrets of Nod's Limbs' history and the dark secrets of The Knightleigh Family, we're also going to prank and expose Stephanie Knightleigh for the sadistic, manipulative and power obsessed monster that she is, and also, filled with a desire to bend everyone and everything she comes into contact with to her will, and when we expose their family's wrongful actions to the town, it'll lead to the banishment of Mayor Knightleigh and his wife, but Stephanie's going straight to The Xaikora Prison for good. But, as for Miles Knightleigh, Stephanie's younger brother who actually gets along with Edgar and Ellen, we'll bring him, Edgar, Ellen, and Pet into the team and move the mansion to Gotham Royal York.

Nico: Mischievous pranksters who love pranking snobs and putting them in their place, eh? This should be good.

Me: Same here.

Eli: So, where are they at?

Luan: Right now, they're probably at the mansion or in Nod's Limbs playing another of their pranks on that spoiled brat, Stephanie Knightleigh.

Lincoln: (Sensed Edgar and Ellen along with Miles Knightleigh) Aha! Found them, they're at the mansion, but something big is going on. Let's head to the mansion at once and find out what it is.

We flew on over to the towering mansion located in the forests.

Me: Whoa, this is really scary, it's located in the forests.

Nico: Better than being in a graveyard, I don't think the dead would like their eternal slumber to be disturbed.

Luan: Now, we got to be careful, those two probably booby-trapped the mansion with all sorts of traps. Leave this to me.

We followed Luan's instructions.

Luan: Okay. Lincoln, can you turn us all invisible?

Lincoln: On it.

Lincoln turned himself and all of us invisible and we walked through the front door. Then, Luan fired a beam of light which hit some trip wires and cut them.

Luan: Nice try, Ellen. Okay, now let's give them a haunting surprise.

Lincoln summoned ghosts as they wailed and howled throughout the mansion.

?: Hey, we got ghosts in the mansion, Sister.

?: Let's go find them, Brother.

We then saw the gothic prankster twins, Edgar and Ellen, along with Miles Knightleigh.

Ellen: Aw, they're gone.

?: True, but this was all part of our little surprise.

Suddenly, we appeared right in front of them.

Edgar: What the? Team Loud Phoenix Storm, here?

Ellen: Luan, is that you?

Luan: You guessed it.

Edgar: Our favorite comedian and prankster from Gotham Royal York's here. What brings all of you here?

Lincoln explained everything to Edgar, Ellen, and Miles Knightleigh.

Ellen: So, the town's original founder was Augustus Nod, eh?

Lucy Loud: We'll call up the spirit of Augustus Nod and have him speak to us more about the history of this town.

Lucy, Lincoln, and The Goths of Darkness then performed a séance and they summoned the spirit of Augustus Nod from beyond the grave.

Miles Knightleigh: Cool.

Edgar and Ellen: Amazing.

Spirit of Augustus Nod: Who has summoned me from my eternal slumber?

Lincoln: Lincoln Loud of Team Loud Phoenix Storm. Spirit of Augustus Nod, we are here to expose the dark secrets of The Knightleigh Family and grant your soul eternal peace. Please, tell us about the town's history.

The Spirit of Augustus Nod told us all everything as he explained in detail the true secrets behind the history of Nod's Limbs and the antagonistic actions between him and Thaddeus Knightleigh, and how the entire Knightleigh Family except for Miles were evil, sadistic, power obsessed, and wanting to bend everything and everyone to their will, and we also found out The Knightleigh Family have dark secrets and one of them was that they stole the ownership of the town from Augustus Nod, and that horrified us.

Plus, Lincoln recorded everything that Augustus Nod had told us, and when he was done, we knew what needed to be done: the Knightleigh family's dark secrets need to be exposed to the town and they must pay for what happened 200 years ago.

Lincoln: We understand everything. We will ensure that you can finally rest for eternity by exposing the dark secrets of the Knightleigh family and everything that you've told us.

The Spirit of Augustus Nod disappeared.

Ellen: So, Augustus Nod was the original founder of the town.

Edgar: And the Knightleigh Family aren't as clean as their image portrays, they're evil, sadistic, power obsessed, and wanting to bend everything and everyone to their will? This is scandalous, if this gets out, their reputation will be ruined.

Charge Man: Which is exactly what's going to happen.

Lincoln: I have everything we need. Now, let's go prank and expose Stephanie Knightleigh for the sadistic, manipulative power obsessed, control freak monster that she is and expose their family's wrongful actions to the town.

Miles Knightleigh: Looks like I'll be cutting ties with them starting today.

Lori: Well, Lincoln was planning on taking you in as his little brother. It's obvious you need a better older sibling than Stephanie, and I'm also going to embarrass her on the internet.

Luan: Be ready to take pictures, Lori.

We head out to Nod's Limbs and we stayed in the shadows, and there, we saw our target: Stephanie Knightleigh.

Lincoln: Let's give her a nasty bad hair day combined with bad skin rash and finally, bags underneath her eyes.

Lincoln fired energy blasts that did just that: it gave Stephanie Knightleigh a nasty bad hair day, bad skin rash, and finally, bags underneath her eyes, and Lincoln made a mirror appear right in front of her face, and when she saw what happened, she let out a really loud shriek of horror!

Ellen: (Snickers) Okay, now that one was really good!

Edgar: Luan, is your brother a prankster like you?

Luan: Nope. He just knows how to deliver some serious karma and payback.

Lori took the picture and she uploaded it to everyone's phones along with a compilation of Stephanie Knightleigh's true nature: that she's a sadistic, manipulative and power obsessed monster that she is and filled with a desire to bend everyone and everything she comes into contact with to her will, and Lincoln played the conversation he had with Augustus Nod's spirit and when they all heard about the misdeeds of Thaddeus Knightleigh and his family and how they stole the town away and ran things in their sadistic, manipulative, power obsessed way, they were horrified.

Eventually, the people decided to leave in droves from the town, and Mayor Knightleigh and his wife got tied up with golden spider silk and were sent to The Uranus Prison where they'd spend time there before being banished to Smelterburg.

Stephanie Knightleigh: No! No! NO! THOSE TWO TERROR TWINS! THEY'RE GONNA PAY FOR THIS!

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark blue hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Evil Heel, she has a darkness greatsword in her right hand, and with her are the the sixteen girls.

Ravenna Balthazar: Your crimes were destined to come out from the very beginning, Stephanie Knightleigh, and now, the curtain falls on your future.

Then, we came out.

Lincoln: Ravenna Balthazar, Gene-Slammer and Avatar of Abyss Actor - Evil Heel, I knew that was you who said it. And it's all over, Stephanie, your future of ruling Nod's Limbs and the world end here and now. Time to say hello to a lifetime in The Xaikora Prison.

Miles Knightleigh: And you're no longer my sister, you're just a vile mean bully!

Ellen: And Lincoln's makeover matches your small ugly black heart.

Edgar: But, you're missing something: how about some facial scars?

Everyone: And that's the secret word. Lincoln, if you would?

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Stephanie Knightleigh, and he proceeded to brutally smash her into the ground with his massive superhuman strength, slashed her with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HER! HE WAS REALLY GOING APESHIT ON STEPHANIE KNIGHTLEIGH'S MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! RIP!

LINCOLN SLASHED STEPHANIE KNIGHTLEIGH'S OUTFIT WITH HIS MASSIVE GREATSWORD AND LEFT SOME NASTY RIPS AND TEARS AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER AND BLINDSIDED HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you in prison.

We saw Stephanie Knightleigh was a mess: Lincoln left claw marks on her body and clothes, and he even tore some of her hair off.

Your true nature's been exposed for all to see along with your family's dark secrets, and because of your unrepentant nature, now you've doomed your soul to eternal damnation and no atonement for all your sins in the past can save you from the fate that now befalls you: eternity in The Xaikora Prison.

LINCOLN SHOT STEPHANIE KNIGHTLEIGH AN EXTREMELY DEATHLY GLARE AND THAT MADE HER SO SCARED, SHE

SCREAMED IN FRIGHT AND PISSED HER PANTS EVEN MORE!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT HER DOWN WITH THE FACT HER TRUE NATURE HAS BEEN EXPOSED ALONG WITH HER FAMILY'S CRIMES AND SHE NEVER REPENTED FOR HER CRIMES AND TELLING HER OF HER FATE ALONG WITH A DEATHLY GLARE AT HER TOO!

Eli: She's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! YOU VILE SPOILED BRAT, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO PRISON!", "TAKE THAT, YOU MONSTER!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE XAIKORA PRISON, YOU MISERABLE BRAT!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Stephanie Knightleigh.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to her.

Luna: And what Lincoln said was true, now she's doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Adrian Morrigan went after Stephanie Knightleigh, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit her. Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at Stephanie Knightleigh which hit her hard.

Lincoln continued smashing her hard with his extremely massive godly superhuman strength and Stephanie Knightleigh didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed that spoiled brat all over the place!

May: It's not long before Lincoln deals the final blow!

Stephanie Knightleigh lay on the ground defeated by us, and Lincoln tied her up in a gold spider silk straitjacket and beamed her to The

Xaikora Prison's strictest wing where she'll be humiliated 24/7 and she's also got The Gessius Flores Vengeance Curse on her and she's got tons of restitution to pay to all of those she'd hurt. We cheered as we holstered our weapons and powered down and we headed back to The TLPS Flying City Fortress and Edgar, Ellen, Miles Knightleigh, and Pet were welcomed into the team and we moved the mansion and its grounds to the graveyard, and Lincoln adopted Miles Knightleigh as his little brother and that also made him the little brother of The Loud Sisters.

Edgar: Looks like our new home's here in Gotham Royal York, and you also picked out the frequented cemetery for this.

Ellen: Ah, paradise.

Lincoln: And we exposed the truth about the Knightleigh Family, and the people of Nod's Limbs found out the truth and it led to them moving away, but I made sure they moved to Gotham Royal York before they moved to Smelterberg, and it won't be long before Nod's Limbs becomes an abandoned ghost town. (To Ravenna Balthazar) And it's so good to see you again, Ravenna.

Ravenna Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ravenna Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Ravenna Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Ravenna Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Ravenna Balthazar and hugged her, and Ravenna Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ravenna Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Ravenna Balthazar, Gene-Slammer and Avatar of Abyss Actor - Evil Heel, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Ravenna Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Ravenna Balthazar really hates Lisa with a blazing passion, and she also knew how to bring down that heartless prodigy's madness when she tried to kill Lincoln, and all it took was one planned out performance from Ravenna, and Lisa was done for.

Nico: Lincoln showed us what you did to Lisa, and that was an awesome performance you two pulled.

Ravenna Balthazar: I saw what that heartless monster had done in trying to get rid of him, and I despised Lisa for that. But, she made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on Lisa's rampage.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Adrienne is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on Lisa and she and I both put an end to Lisa's rampage and got her in huge trouble.

Luna: We were so impressed by what she did to pull one over on her.

Laney: It was about time someone pulled one over on Lisa for everything she's done: all of the times we'd found ourselves unwitting test subjects in her insane experiments, it was awful.

Lincoln: Lisa got a taste of karma when she tried to mess with Ravenna, and she wound up getting grounded for two months because of it, and now that you're here, Ravenna.

Lincoln with his massive muscular arms still wrapped around Ravenna Balthazar's waist leaned his head down to the right side of Ravenna Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Ravenna Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ravenna Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Ravenna Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ravenna Balthazar.

Ravenna Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ravenna Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Ravenna Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ravenna Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adrienne Balthazar: (In Heaven) My God. Oh, Lincoln, the sixteen girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the sixteen girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The sixteen girls are Alexandrina, Anby Demara, Belle, Corin Wickes, Ellen Joe, Grace Howard, Jane Doe, Koleda Belobog, Lucy, Miyabi, Nekomiya Mana, Nicole Demara, Piper Wheel, Qingyi, Soukaku, and Zhu Yuan from Zenless Zone Zero.

Lincoln: Oh whoa, it's Alexandrina, Anby Demara, Belle, Corin Wickes, Ellen Joe, Grace Howard, Jane Doe, Koleda Belobog, Lucy, Miyabi, Nekomiya Mana, Nicole Demara, Piper Wheel, Qingyi, Soukaku, and Zhu Yuan from Zenless Zone Zero.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Alexandrina: Yes, we're okay, thanks to you.

Then, when Alexandrina and the other fifteen girls saw who it was that saved them from Stephanie Knightleigh, their faces turned atomic red upon seeing the 18-year-old 9'11" tall, handsome heartthrob Alexandrina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alexandrina: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alexandrina, Anby Demara, Belle, Corin Wickes, Ellen Joe, Grace Howard, Jane Doe, Koleda Belobog, Lucy, Miyabi, Nekomiya Mana, Nicole Demara, Piper Wheel, Qingyi, Soukaku, and Zhu Yuan with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you really unveiled a 200-year-old mystery about the town of Nod's Limbs.

Lincoln: And it led to the Knightleigh Family falling from grace.

Nico: Mayor Knightleigh and his wife will spend time in jail for what happened, and as for Stephanie, we sent her to The Xaikora Prison forever.

Me: And she's in for a horrible humiliation for the rest of her life, so serves her right.

Eli: But, that also means Nod's Limbs will now be a forgotten memory and left as an abandoned ghost town.

Lincoln: Perhaps, it's all for the better. This town may bear the name of Augustus Nod, but what the Knightleigh Family did 200 years ago has left a festering wound on the town, and now, the town's dark secret has been exposed along with the secrets of the Knightleigh family.

Lucy Loud: A town built on the atrocious actions of a family like that doesn't deserve to be on the map.

Me: That's for sure.

Anna Anyanova: We're making more of Lincoln's Anti-Fear Gas for when we head for Luminose City to destroy Scarecrow, and then, we'll make our way to The Solomon Islands, and we're going to put an end to Elise Elexton once and for all.

Me: Awesome.

Nico: It's strange, we haven't seen hide nor hair of Heather, Alejandro, Scott, Evil Scarlett, Josee, and Jacques. I was hoping they'd join Dark Gale, so that way, we can also destroy them too.

Lincoln made a vision orb, and looked for said sore losers, and he finds their location: the remains of Camp Wawanakwa, and they're getting pretty pissed off at us.

Lincoln: Gotcha, you dorks. Too bad you all didn't join Dark Gale, but that'd also mean you'd have to take following the orders of Elise Elexton, and that'll mean getting in Morgana's way. Well, your pain's about to get a lot worse.

Lincoln chanted a dark magic incantation, and he made a ring of symbols appear around their heads and the sore losers wound up suffering absolute pain.

Nico: Dang, nice one.

Lincoln: We'll face those losers when one of the Total Drama crew has their day to shine, but for now, this spell will keep them from trying to come after us for revenge.

Eli: Nice one.

After Lincoln and all of us uncovered the history of Nod's Limbs and exposed the Knightleigh Family's dark secrets and sent Mayor Knightleigh and his wife away and Stephanie Knightleigh to The Xaikora Prison, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Ravenna Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Ravenna Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to

mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ravenna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ravenna Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Ravenna Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Jack Howard got out a videotape.

Jack Howard: Okay, now this tape is from a week after Caleb's transformation and Cage and I were going after Mad Cat Max, but we unfortunately ran into trouble with one of Drake's thugs who showed up to cause havoc. But, he was being followed by Caleb and he was marked for death.

Jack Howard put the tape in, and it played on the big screen and it showed New York at night, and it was raining. There, we saw Cage Blunt and Jack Howard following Mad Cat Max as he leads them on a chase through Lexington Avenue, but then, one of Drake's thugs was seen heading there, but he was being watched by Caleb Maxwell as he was perched on the parapet of a nearby church.

Past Caleb Maxwell: (Thinking) New York has changed a lot, but the threat of crime has been on the rise, and the cops are fighting a battle that has no end. Meanwhile, my exiled brother's now on the rampage with those loyal to him and robbing people blind to feed their drug habit. How disgusting, I can't believe I was ever related to a bastard like him. The NYPD already has enough on their plate with The Big Claw Gang and with Cage helping the cops out, that just makes things much easier for me to hunt down and kill Drake along with Dad.

Caleb Maxwell descended onto Lexington Avenue and went after Drake's thug, and the pursuit of him and Mad Cat Max led him along with Jack Howard and Cage Blunt to the subway station.

Past Caleb Maxwell: The subway, why did it have to be the subway.

Suddenly, Caleb Maxwell saw Mad Cat Max.

Past Caleb Maxwell: Shit. Mad Cat Max is here, and Cage and Jack are already here. (Spots Drake's thug) Got you, bastard.

Suddenly, Drake's thug got out his gun and started shooting at civilians, and Cage and Jack got out their guns and fired at the asshole and Mad Cat Max got out his gun and aimed at Drake's thug, but Caleb Maxwell fired a blast of black and blood red energy at the thug and he got out his guns and he went after the thug who was running through an open train door, and Caleb followed through the train and he went through the window and continued on.

Mad Cat Max hid in a good hiding spot, and he bolted for the exit.

Past Mad Cat Max: Heh, see ya.

Past Cage Blunt: Hey, he's getting away!

Past Jack Howard: Leave him, Cage. Right now, let's go after Caleb.

Cage Blunt and Jack Howard went after Caleb who went into a corridor and he found a bullet. Then, he heard the voices of Cage Blunt and Jack Howard, and Caleb Maxwell slowly began walking and as he raised his guns and peered out, he got back as the train came speeding.

Past Caleb Maxwell: Shit. I almost got decapitated.

Suddenly, Caleb saw something in the light: it was a blood trail on the wall, and he followed it, and it led to a grate on the ground. He ran to it, opened it up, and went down it, and he landed in some sort of bunker. Then, he heard gunshots as he quickly turned and shot Drake's thug many times who began convulsing in pain, but then, Caleb stabbed him in the chest with a knife killing him.

Past Caleb Maxwell: Rot in Hell, you piece of shit.

But, then, Caleb saw something on the ground: it was a piece of paper and he saw the writing on it: it was information about a drug deal taking place on 5th Avenue tomorrow night.

Past Caleb Maxwell: A drug deal in 5th Avenue. This should be good.

Caleb Maxwell wrote the info down on another piece of paper and left the original with the dead body. Suddenly, he heard the voices of Cage Blunt and Jack Howard, and as they went down the grate, Caleb disappeared into black and red mist and evaded them. But, then, he turned back as he then ran through the corridor and right through a door he burst open, and he hid in a corner.

Past Jack Howard: Damn, Caleb really gave us the slip. But, he did help us with this bit of info.

Past Cage Blunt: A drug deal in 5th Avenue tomorrow night. He believes Drake will be there himself, and is Drake still part of The Syndicate by any chance?

Past Jack Howard: No, he got kicked out and lost his money and power and disowned by his dad after Caleb died in 1985. After that, he became a lowlife and with some members loyal to him, they began causing havoc and robbing people to feed their addiction to drugs.

Past Cage Blunt: I see. Caleb's going to cause a bloodbath when he finds them.

Meanwhile, Caleb was still hiding in the corridor, but then, he heard voices and they were coming from an entrance on the other side of the grate, and he walked up to it and he heard it all loud and clear along with the name Drake Maxwell, and the entrance panned in and it revealed an army of men wearing dirty street clothes and drinking alcohol.

Past Caleb Maxwell: What on Earth? What is that place?

Suddenly, the door burst open and he saw the shadows of Cage Blunt and Jack Howard go past and Caleb Maxwell disappeared in a red and black tornado.

Past Jack Howard: Let's head back, Cage. Caleb's disappeared.

Past Cage Blunt: Okay.

They headed back to the car and Jack Howard called Casey Antonio.

Past Jack Howard: Casey, we were in pursuit of Mad Cat Max who fled to the subway, but we ran into an altercation. One of Drake Maxwell's thugs started shooting at people, but he got hit by Caleb Maxwell and in the chaos, Mad Cat Max escaped.

Past Cage Blunt: But, we found something on the body of the dead thug: it was a paper detailing a drug deal about to happen on 5th Avenue tomorrow night. There's no doubt Drake will be there, but if he's there, so will Caleb.

Past Casey Antonio: This is serious, guys, come back to the station so we can tell the captain.

Past Jack Howard: Got it. Over.

Jack Howard hung up and he and Cage Blunt drove back to the station. They arrived at the precinct and told Captain Whitten everything, and as soon as they were done, the captain had a look in his eyes.

Past Captain Whitten: I see. And you told Blunt everything that happened with Drake not long after Caleb was killed.

Past Jack Howard: Yes, I did.

Past Cage Blunt: So, Drake's still alive even after...

Past Captain Whitten: After he got kicked out, no one knew what happened to him. But, the one who knows that info is Caleb, but there's no way he'll help us find and apprehend Drake, he wants to kill him.

Past Cage Blunt: Caleb...now he wants to kill his own brother. I get his death at his own brother's hand messed him up bad, but.

Past Captain Whitten: It wasn't just his death at his own brother's hand. Years ago, when Drake got into his teens and Caleb was in high school, Caleb suffered a lot of physical abuse at Drake's hands after he changed into a ruthless monster, and the abuse he suffered was so severe, it shorted his life to a dangerous degree that by the time he turns 21, he would die.

Then, the others came in.

Past Roxy Drake: Caleb was once a gentle person, but thanks to what Drake did, he developed a dark side to him after he fell into an incurable depression, and it was that bad, he hadn't eaten ever and he had dark circles around his eyes.

Past Jazz Jackson: Plus, if anyone ever tried to hurt him and it was in the same way he got hurt by Drake's hand, he verbally lashes out in anger, and it ends with him having a violent breakdown.

Past Cuffs Lane: He was that broken physically and psychologically, and it's a miracle that he's still continued onwards despite that pain and anguish haunting him.

Past Abby Smith: The day he died, someone said the mask he put on was finally shattered and his true face was revealed: that of a young man whose anguish and pain had marred him that badly and he was unable to live the life and future he wanted to pursue.

Past Carter Kenrick: He wanted to join the police and he made it clear as day when he was sixteen, and we respected his determination. But, that came to an end thanks to his brother, we lost what could've been a potential member of the force joining us.

Past Casey Antonio: I'd read about Caleb's life, and I was stunned that he went from an energetic young child to a severely depressed teen due to his brother's sudden ruthless abusive nature.

Past Captain Whitten: I still remembered the day when Caleb at eighteen decided to fight back after he found out his dad and Drake were part of The Syndicate. He'd freed himself, his mom, and his little sister from Drake and cut off all ties with him and his dad, but that freedom would soon lead to his death at his own brother's hand two years later. Blunt, if you see Caleb, please let him know he's not alone and that we're still going to give him the justice he deserved.

Past Cage Blunt: Okay. I will.

The video ended.

Me: So, what started out as a routine task of going after one of The Big Claw Gang.

Roxy Drake: Ended with a messy confrontation with one of Drake's thugs. We managed to find where in 5th Avenue the drug deal was going to take place the next day, and when night fell, we captured those involved, but Drake's thugs got away only to be shot and killed by Caleb.

Nico: Even despite what Cage said to him.

Cage Blunt: I told him everything the next day, but...(Sighs) I realized how badly damaged Caleb was due to his brother, and what Travis and I did. Before he went back to New York same with me and Travis, Dad and I saw him suffering from nightmares, and he always stayed awake at night.

James Blunt: And not even any comfort could help him, and it hurt both of us so much...!

Suddenly, Caleb Maxwell hugged James Blunt and Cage Blunt, and they felt tears on their bare chests.

Caleb Maxwell: I'm so sorry..., Cage and Mr. Blunt.

The two vampire cats hugged Caleb and Travis Tackett did the same as well.

Travis Tackett: Cage told me of how much you truly were hurting, and...I know I said it before eight years ago, but I'm so sorry you had to go through an absolute living Hell, Caleb.

Caleb Maxwell: It's not your fault nor Cage's or anyone else's. It's my fault for letting this nightmare go on, I should've gone to get help just like Mom said. But, it still wouldn't change anything, my life would've ended by the time I turn 21, Drake was to blame for everything: my life ending, my despair and depression, and the nightmares we've had to endure. Any familial love I had for him has turned to revulsion and hatred.

Lori: He was absolutely repulsive, so glad you and your sister put him down for good along with those scumbag relatives of your dad.

Lincoln: Caleb, do you want us to...?

Caleb Maxwell: As much I want Dad to be brought back, I'd rather let him rest in peace. His life fell apart because of his relatives in the same way Drake ruined my life, in a way, we're both victims of cruelty and hatred. But, while I would live again, Dad wanted to find peace even if it meant death. But, I meant what I said: I'll carry Dad's memory with me for eternity, his legacy will not be of when he was the head of the Syndicate, but that of a man who wanted to do the right thing for his family despite the cruelty of his own family. But..., I remember the words I said after that night we'd saved Conrad from the werewolf's curse, perhaps, one day, we'll bring Dad back, and then, our family can truly be together again.

Nico: We'll do just that one day, Caleb.

We got a shower, and then, Lincoln, Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo are heading to Lake Lamode.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Cassie: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Cassie, and it's perfect for our first date, shall we?

Lincoln, Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Cassie: (Swooning) Lincoln's gotten even more handsome and manlier than ever since we last met and after he transformed.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo and hugged them in their abnormally massive and powerful muscular arms, and Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo and Lincoln's harem placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you and Clyde really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo are now in your harem, Linky.

Pearl Fey, Plaza Cinema, Cassie, and Kirumi Tojo showed the marks Lincoln made on the right sides of their necks.

Nico: You know, I'm starting to notice something, some of your childhood friends are from the Five Nights at Freddy's franchise, and I hope they've...!

Lincoln: No, they haven't met William Afton and they won't ever.

Nico was confused, but May told him the story.

May: Not many people know this, but Lincoln killed William Afton six years ago and sent him straight to Hell forever because of what Afton did in murdering so many kids back in the 1980s. But, I've got a bad feeling that he could one day return.

Nicole: The second he does, he's gonna die forever.

Jenna: That's for sure, and you girls had no trouble at all.

Pearl Fey: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later in the park we were having an easter egg hunt.

Me: What a beautiful day for an easter egg hunt.

Qin: It sure is awesome.

Lola: Yeah!

Loki: Are those bunny rabbits?

We saw that it was the Mascots and they were dressed like bunnies! SO CUTE!

Nico: (GASP) OH MY! SO CUTE! SO CUTE! SOOOOOO CUUUUUUUTEE!

Then...

KRABOOOOOMM!

He exploded into confetti!

Poromon, Manaphy, Poliwag, and Horsea: Happy Easter, everybody!

Me: Same to you guys!

Qin: Yeah!

Nico: YOU ALL ARE SO CUTE!

Nico put himself back together.

Varie: That was awesome!

Me: You guys are so cute like this!

Then a bunch of kids came and pet the mascots.

Me: (LAUGHS) Even the kids love you guys.

The mascots gave them eggs.

Xenia: So adorable!

Nico: SO CUTE!

Nico exploded like fireworks from CUTENESS OVERLOAD!

Pinkie Pie (Pony Life): I CAN HANDLE THE CUTENESS!

Shrapnel: I was expecting Easter Beer

Poromon: No way! We learned our lesson from that. We're giving kids good candy.

Qin: Aww.

Lola: Nico you better pull yourself together.

Camie: Yeah.

Maria: Any for us?

Coco: Coco.

She laid eggs and they popped open and chocolate came out for us.

Coco: Coco coco cocococococococo. (I made plenty for all of us.)

May: Say what?

Wilt: She made plenty for all of us.

Nico: Oh.

G1 Bumblebee: Poliwag fits that bunny costume well due to his tail

Me: He sure does!

Qin: YEAH!

Lola: I agree.

Me: Yep.

Nico: Awesome!

Alice Gehabach: I think you 4 look cute as bunnies.

Hydranoid: The Easter Bunny would be proud.

Poromon: He sure would!

Qin: I agree.

Homer: So no Easter beer?

Me: For you Homer...

I pulled out an Easter Theme Duff Beer.

Homer: WOOHOO!

He drank it.

We later returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the final Ridonculous Race challenge starts along with our final showdown with Jonathan Crane A.K.A. Scarecrow at Luminose City in the Kalos Region along with our final battle against Elise Elexton in the Solomon Islands, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Jonathan Crane A.K.A. Scarecrow, and he's causing havoc in Luminose City in The Kalos Region by infecting everyone with his Fear Gas. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Jonathan Crane A.K.A. Scarecrow, and he's causing havoc in Luminose City in The Kalos Region by infecting everyone with his Fear Gas.

EVERYONE GASPED!

Me: Scarecrow!

May: Just as we heard this morning from King Kai. That's it! Jonathan Crane, your time is up!

Nico: That's for sure. We got to free everyone from the influence of Scarecrow's Fear Gas.

Lincoln and his Guardian Angels gave us tons of sprays and gas bombs filled with his Purger of Fear Anti-Fear Gas formula.

Lincoln: We also made more than enough of my Anti-Fear Gas formula and filled the sprays and gas bombs with it. Now, we're more than ready to take care of Scarecrow and end his little game of fear.

Me: Perfect!

Suddenly, Lincoln had a premonition: it appears Elise Elexton's trying to escape from the Solomon Islands.

Lincoln: No, you don't, bitch! (SNAPS FINGERS)

Lincoln snapped his fingers, and we saw in a one-way mirror that he trapped Elise Elexton inside a powerful energy dome and she can't even escape.

Me: Whoa! Nice one, Lincoln. So, she tried to escape, eh?

Sakura Knudson: That bitch has nowhere left to run nor hide. We'll make sure she stays in there until we take care of Scarecrow.

Nico: Trying to escape with her tail between her legs? What a bitch. Lincoln, where's Scarecrow at?

Lincoln: Crane's at Luminose City in The Kalos Region.

Me: Our final stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going!

Lincoln: This is the last time we ever have to deal with that fear-spreading monster. Jonathan Crane A.K.A. Scarecrow, your time is up! This is where we end your miserable life forever!

Me: That is for sure! It's time to end this!

The previous group came.

Mole Man: Can me, Silver Samurai, Snake, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner and Larxene go with you guys?

Nico: Yes you all can come.

Atomic Skull: Happy Easter guys.

Me: Same to you all

Riku: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Boy good question.

Me: Just pick one.

Nico: Upamon then.

Me: OOH! Cute.

Cody Hida: I would like that one.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness, and she's coming after us at The Kalos Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the twelfth of The Midnight Princesses, Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness.

Melanie Harmonia: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Powers of Harmony and Friendship, and she'll head after us in The Solomon Islands after we finally get rid of Elise Elexton.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to Luminose City in The Kalos Region and put an end to Jonathan Crane A.K.A. Scarecrow!

Lincoln: This is the last time we ever have to deal with that fear-spreading monster, this is where we end his life here and now, and once we get done with him along with Elise Elexton, you're next, Sarah Midnight Sour Sweet.

Melanie Harmonia: The suffering you've caused all those years ago can never be forgiven, Sarah, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to Luminose City in the Kalos Region to meet up with Don and hunt down and put a permanent end to Jonathan Crane A.K.A. Scarecrow, and once we got done with him and end Elise Elexton forever, Melanie Harmonia and Lincoln are going to take out Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness.

We were off to Lumiose City

BLOODCURDLING SCREAMS!

The TLPS Flying City Fortress arrived in Luminose City in the Kalos Region, but we saw the place was contaminated with Scarecrow's Fear Gas.

Me: We made it to Luminose City: our last stop.

Nico: But, thanks to Scarecrow, he's contaminated it with his Fear Gas. Damn him.

Me: DAMN THAT SCARECROW! He's just that fucked up!

Then, we saw Don arrive, but he was inside an awesome suit protecting him from Scarecrow's Fear Gas.

Me: Nice Suit Don.

Don: Thanks J.D.

Lincoln: Hang on, Don. Let's take care of Scarecrow's little trick.

Lincoln fired a powerful Purger of Fear bomb and it exploded releasing a powerful rainbow gas, and it spread throughout Luminose City and cured everyone of Scarecrow's Fear Gas, and far away, the gas hit Scarecrow and it indeed burned him like acid as he screamed.

Nico: Whoa, that's some potent Anti-Fear Gas formula you made, Lincoln.

Lincoln: Thanks.

Me: You're welcome.

We disembarked and Don came out of his suit.

Don: Thanks for the assist, guys, and before Scarecrow attacked, we found the last of Dark Gale's bases.

Lincoln: Along with finding out that Scarecrow was brought back from the dead and sent here by Elise Elexton to slow us down, but I had a secret weapon: an Anti-Fear Gas formula I was working on after we defeated Scarecrow three times in a row. We freed the majority of Luminose City, but right now, we just need to use it to cure the other affected people, and then, we go after Scarecrow.

Me: And we'll make absolutely sure his little fear games end as he draws his last breath, and then, we go after and destroy Elise Elexton forever.

Nico: Yeah!

Silver Samurai: Is that a Pikachu?

We saw one.

Me: Hey it sure is.

Lola: Cool!

Lincoln: I'll go for it.

Lincoln fired waves of rock and smashed it and then threw a Pokeball and caught it! The red light lit up and then it clicked off and he caught it!

Me: Way to go buddy!

Lincoln: YEAH!

Me: Now Ash and you have a Pikachu.

Luminous: Don't forget your Electrode

Lincoln: Too true.

Electrode: That is awesome.

Lola: Yep.

Clemont: But it's good to be back in Lumiose City.

Bonnie: It sure is.

Me: So this is your home city?

Clemont: It sure is. This is where Ash battled me for his first badge in the Kalos league.

Grodd: Good memories, eh?

Clemont: Yeah. Bonnie had a habit of asking girls to marry me.

WE LAUGHED!

Me: (LAUGHS) I remember that. I thought it was really cute.

Qin: Wow.

Me: Yeah she did that to Lori when we first met on the 3rd season of Total Drama.

Nico: I remember that. That was silly.

Me: Yeah.

Lori: (LAUGHS) Yeah and I thought it was flattering.

Cassandra: And still no luck, huh?

Bonnie: Nope. Still looking.

Me: Well there is plenty of fish in the sea.

Camie: Too true.

Isaribi: That is too true.

Lola: Yeah.

Atomic Skull: Got any chocolate for us?

Me: More than enough.

We pulled out our eggs we got an more and gave them to them.

Atomic Skull: Oh boy. That was an awesome rescue from what we heard.

Me: It sure was. Wow! It was an amazing puzzle.

Sunset Shimmer: It sure was and the bird it released was amazing.

Me: It rained chocolate eggs.

Laney: That was one of the most exhilarating Easter Rescues ever.

Nico: It sure was!

Me: Yeah!

Skalor: And don't forget the bunny costumes

Me: Those were cute.

Poromon: They sure were.

Nico: Yep.

LOUD LONG NASTY HORRIBLE FART!

Me: OH MAN! Leia!

Leia Loud: That wasn't me! (LOUD LONG NASTY HORRIBLE FART!) Okay that one was me.

Me: Funny.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFF) OH GOOD GOD! THAT SMELLS HORRIBLE!

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!?

Eli: ED!?

Skinner: Was that you?!

Ed: Not I guys!

Me: Well it smells horrible!

LOUD LONG NASTY HORRIBLE FART!

Me: OH MAN!

Lincoln: WHOA! This is the work of Loki's Akuma. His name is Stinky Cheesecutter! The Hypothetical Akuma Form of Loki Loud and as you can tell he is a cheese chef and he farts loudly and his farts smell like he was swimming in a mud pond that smells like a toxic waste dump. And his cheese makes him fart too.

WE GASPED!

He showed us a sketch and it was a Chef with a NASTY GAS PROBLEM and he makes cheese that makes you fart!

Bleez: GEEZ!

Me: No kidding!

Nico: But he makes cheese and that is perfect for me!

Me: You know how much Nico loves cheese.

LOUD LONG NASTY HORRIBLE FART!

Me: OH MAN!

Sakura Haruno: That was me sorry!

Me: Really Sakura?

Sakura Haruno: I was given a bunch of cheese earlier and ate it and I had no idea that it makes you fart.

Nico: Yikes.

Qin: Funny!

Larxene: We should call Stinky Butt.

Me: Right we forgot to do that when we got here.

Nico: Good idea.

We called him.

Stinky Butt: I'm here everyone.

LOUD LONG NASTY HORRIBLE FART!

Me: We have a bunch of farts running loose.

Leia Loud: Namely me, Sakura and Loki's Akuma.

Bonecrusher: Where's the Akuma?

LOUD LONG HORRIBLE NASTY FART!

Me: I think right here.

We saw a cart and a figure and it was STINKY CHEESECUTTER!

Stinky Cheesecutter: Hey guys!

Me: WHEW Potent cheese there.

Nico: Can I have some cheese?

Stinky Cheesecutter: Sure.

He gave Nico 50 cheese wheels and he ate them.

Me: WHOA! Nico is gonna feel that.

Calamitous: Loki? Is that you?

Stinky Cheesecutter: Yes it's me and I love cutting the cheese.

WE LAUGHED!

Me: (LAUGHS) Those cheese puns are funny! They sure are Gouda!

WE LAUGHED MORE!

Nico: LOVE those cheese puns!

Stinky Butt: You need to calm down!

Stinky Cheesecutter: Oh Don't be such a stiff. Make some Gouda fun.

Me: (LAUGHS) Those are really funny.

Nico: I always love those cheese puns. (STOMACH GRUMBLE) Uh oh.

LOUD LONG NASTY HORRIBLE FART!

Nico: OOPS Sorry!

Me: WHEW! Who cut the Limburger!

WE LAUGHED MORE!

Nico: (LAUGHS)

Me: Okay we better stop before we bust a gut.

Stinky Cheesecutter: Yeah. Lets dance!

I fired blasts of fire and he blocked it with cheese! It melted the cheese and Eli had some with nachos.

Eli: (Eating) MMM! Good cheese!

Manaphy: Can I have some?

Mevya: Same here?

Eli: Sure.

They got to eating.

Stinky Butt charged at him

Stinky Butt: Taste my Hot Pepper Grenades cheese man!

LOUD NASTY FART!

He fired fart peppers and blasted him and it smelled horrible!

Rip: HEY THESE AREN'T NORMAL FARTS!

Slab: MY LUNGS ARE ON FIRE MAN!

Me: If he keeps this up we're ALL Going to turn into fart bags!

WE LAUGHED!

Stinky Cheesecutter: (LAUGHS) Yeah that would be funny!

Nico: It sure would!

Stinky Cheesecutter: My turn!

He threw cheese wheels at us! But then a ZAMAZENTA APPEARED AND BLOCKED THEM WITH IT'S SHIELD!

Me: WHOA! A Zamazenta!

Nico: Where did that come from?!

Horsea: NOW it appears?!

Me: Well we aren't playing Super Mario Odyssey so it has to appear somewhere!

Nico: Also there's no ambassador mission tomorrow so it's gonna be the same.

Me: You're right.

Camie: Yeah.

Frosty Orange: Let me see

She used Telepathy and gasped!

Frosty Orange: (GASP) That's my sister Orange Snow!

Me: Whoa! Lets go!

Me and Frosty went to face her.

Frosty Orange: Orange! Calm down! It's me Frosty Orange!

All she did was charge at her

Me: WATCH OUT!

We dodged her!

Me: That shield is powerful. Stinky Cheesecutter we'll be right back.

Stinky Cheesecutter: Okay.

Me: Looks like we got to do this the hard way.

Frosty Orange: We sure do.

Me and Frosty fired lightning and blasted her.

Then I snapped my fingers and she reverted back and was a girl with orange and red hair and purple eyes and had Zamazenta in the middle of her forehead and had orange angel wings and had a red version of Frosty Orange's Cutie Mark and the Emblem of Equestria on her arm.

We wrapped her in a blanket and brought her over.

Orange Snow: (Groans) What happened?

Frosty Orange: Orange? Are you okay?

Orange Snow: Frosty? (GASP) Frosty! You're here!

She hugged her.

Frosty Orange: I'm glad you're safe but we're in the middle of a battle.

Nico: We sure are!

Me: You were turned into Zamazenta by Dark Gale.

Orange Snow: (GASP) I remember!

She was in a red suit and injected and then she turned into ZAMAZENTA! She bashed down numerous member and busted out.

FLASHBACK ENDS

Orange Snow: It was awful.

Me: Well we're almost done with destroying Dark Gale. We just have 1 base left and then we take out their leader, an old enemy of mine, Elise Elexton.

Orange Snow: Oh man!

Rarity: First lets get you some clothes darling.

The Fashion Brigade gave her new orange and red clothes and she had a fire sword that can turn into a shield.

Orange Snow: Wow I look great!

Me: You sure do!

Orange Snow: Like old times?

Frosty Orange: You know it!

Orange Snow and Frosty Orange: ORANGE CITRUS BLADE STORM!

They fired waves of orange and red blades of energy and blasted Stinky Cheesecutter down and he was knocked out!

Me: YEAH!

Nico: Your role in Sonya's team?

Orange Snow: Oh I am the tactician and strategist of the team. I use my tactical expertise to get into each of our enemies bases and analyze their weaknesses so we can get around them.

Me: Wow! That's always important to victory.

Nico: It sure is.

Orange Snow: Yep. And outside the team I work as an architect for building skyscrapers.

Me: Wow! That is awesome.

Nico: It sure is.

Fellbat: Can we keep some of the cheese?

Nico: Sure.

Qin: Awesome.

Lola: Yeah.

Me: Now it's time to go after Scarecrow. Lets end his madness for good.

?: Not before we destroy all of you!

We then saw our next target: Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness.

Melanie Harmonia: If it isn't Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness.

Sarah Midnight Sour Sweet: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Sarah. You all sought to destroy the world, and we weren't going to let that happen.

Sarah Midnight Sour Sweet: (ENRAGED DEMONIC SCREAM) I HOPE THAT SCARECROW AND ELISE ELEXTON DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: SARAH STOP!

Sarah Midnight Sour Sweet: (GASP) Mina! You're alive!

Mina Midnight Sparkle: I'm more than alive. (Flies up to her) Sarah don't do this. You are better than this. Morgana is using you and you need to stop serving her. You can redeem yourself.

Sarah Midnight Sour Sweet: (Crying) I'm sorry Mina! (CLUTCHES HEAD AND SCREAMS)

Sarah Midnight Sour Sweet disappeared in a tornado of purple darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Sarah!

Laura Tempest: I knew it, seven years of being trapped in The

Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and destroy Scarecrow before he hurts someone else, and then, we go after Elise Elexton and end her life forever.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Laura Tempest: And from what we saw, Sarah's also going to summon her army of demons as well: The Dark Magic Sour Madness Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down Scarecrow and end him for good, along with Sarah's army of Dark Magic Sour Madness Demons and trash those Dark Gale grunts and scientists, and then, we go after Elise Elexton and end that psychopathic monster.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that monster, Scarecrow, and then, we're off to The Solomon Islands to kill Elise Elexton!

Loki Loud: Let's tear him apart!

Me: YEAH! Time to end this!

Goliath: Where's Scarecrow right now?

Eli: I sense him at Lumiose City Gym.

Me: That's where Ash battled Clemont from what I recall.

Clemont: That's right.

Nico: Lets go!

Me: Entrance time!

WE TOOK TO THE AIR TO PROCEED TOWARDS THE FINAL SHOWDOWN AGAINST JONATHAN CRANE A.K.A. SCARECROW, AND THIS TIME, WE'RE GONNA MAKE SURE THAT HE STAYS DEAD AND GONE FOREVER, AND THEN, WE'RE GOING TO THE SOLOMON ISLANDS TO FINALLY KILL ELISE ELEXTON AND BRING AN END TO DARK GALE FOREVER!

* * *

As soon as we went in, Me and Nico were sprayed with Fear Gas!

Roy Koopa: That isn't good!

Me: (COUGHS) Huh?

It's night time and we see two vehicles driving at high speeds through the rain. The first, Vanzilla, but something was terribly wrong. In the driver's seat, was not Nico, but Burns himself, which Nico sat handcuffed beside him. The next vehicle was a motorcycle.

It also had a side car, which held me handcuffed while my current greatest enemy, Crocker, drove the bike, the two vehicles heading up a familiar rode to an all too familiar place: Arkham Asylum.

We soon found ourselves loaded into stretchers while Burns walked after us alongside Crocker and Elise Elexton, who held an assault rifle in one hand.

Elise Elexton: He doesn't look so big and scary now, does he?

Burns: No he doesn't.

Crocker: Oh-ho-ho. Trust me, we're going to have lots of fun with them. Maybe we can even find Turner and have him join the party. FAIRIES!

Elise Elexton: Yeah, you can have him. I want Nico.

Scarecrow then suddenly walked up to them.

Scarecrow: Just have to check your patients, dearies.

Elise Elexton: Alright, but hurry up. He ain't lookin' so good.

Scarecrow: No, he's not. We really should feel sorry for him. He never fully got over the Louds' deaths. They left him quite insane.

Nico: Back off!

Scarecrow: Ahh, this one. He's not without his own demons. Between his guilt for killing the Digimon Emperor and the Louds always questioning him, he's got a pretty loose hold on sanity himself. What is going on inside your head, Chan? And what about you, Knudson. (gets no response) Bah! They're gone! Just twisted shells of men.

Me: Do your worst.

Scarecrow: Burns, Crocker, they're all yours!

Elise Elexton: Oh, goody, goody! Come on, we're ready!

Burns: (points gun at Nico's head) I've waited a long time for this, Chan! Let's start the party! With a bang!

Meanwhile, Crocker pointed his own gun at me.

Crocker: I can't tell you how good it's gonna be to snuff you out, Knudson. FAIRIES! You've been a thorn in my side for FAR too long now and the only thing that could make this sweeter is sending Turner to join you. Oh, well. Soon enough.

Both villains then pulled the triggers.

BANG BANG!

Black... All Nico could see was black as Nico felt himself falling without end. Suddenly, the darkness above me crumbled slightly and a ray of light shot through, along with an arm. Instinctively, he shot out his own arm and grabbed it, allowing himself to be pulled into the light. Nico then burst from the ground, pulling himself up out of a grave marked after Nico. Nico then saw my own grave next to him.

Me: You alright?

Nico: I'll live. Guess we're still seeing this even though we're immune to that Fear Gas

Lori: What happened?

Me: We saw ourselves in Arkham and Burns and Crocker killed us!

They gasped!

Xenia: That is crazy!

We went down the only path we had, flying all the way.

Scarecrow: What was that?!

We began to make their way through the maze of a realm we found ourselves in, while trying to avoid Scarecrow's gaze.

Scarecrow: What are you trying to do?!

The former doctor stabbed the ground and created a small army of skeletons that came at us, but we easily dispatched the walking piles of bones. Eventually, we carefully navigated Scarecrow's twisted world and reached the floodlight, pointing it at the massive illusion and breaking it. Scarecrow was shocked at this as we began to break free from the torment of his fear gas, but wasn't completely devastated.

Scarecrow: I think you need a little more!

Batman: I don't think so, Crane!

Batman appeared behind Scarecrow and punched him into the next room.

LaGrange: Nice punch!

Burns and Crocker then came for us.

Me: NO! WE ARE NOT GOING TO SUBMIT TO YOU! YOU ARE NOT EVEN REAL! I AM JUSTICE! I AM FIRE! I AM THE PHOENIX! (ECHOING) I AM J.D. KNUDSON OF TEAM LOUD PHOENIX STORM!

Nico: AND I AM NICO CHAN, LEADER OF TEAM LOUD PHOENIX STORM!

WE BUSTED OUT OF THE HALLUCINATION WITH SHEER WILLPOWER!

WE PANTED HARD!

Batman: Thanks. (to Nico and me) Are you two okay?

Me: I think so Bruce. But I have THE WORST HEADACHE!

Nico: Me too!

Lana: Here guys.

Lana gave us ice.

Me: Thanks Lana.

Batman: Me punching Scarecrow was very real though

Me: You did great Bruce. By the way Bruce, when you got sprayed with the fear gas, what did you see?

Batman: My father was belittling me and say how I couldn't save him and mother.

Me: You were too young back then Bruce. There was nothing you could have done.

Camie: What did he mean by that?

Me: His mother and father were killed by a mugger named Joe Chill after they left a movie. It was a revenge plot from a mafia man that Thomas put in prison. He put a contract on him and Martha Wayne.

Batman: That's right.

Me: Bruce was Eight years old when his parents were killed right in front of his eyes.

Batman: That's right.

Nico saw the unconscious grunts and scientists.

Nico: So that explains the so called skeleton army.

Me: At least they aren't dead.

Xenia: Yeah.

Misty Tredwell: Thank goodness you are now immune to it.

Nico: I agree.

Me: I'm gonna unleash the Nine circles of hell on Scarecrow for this! That motherfucking pissant just invoked the WRATH OF GOD!

Nico: YEAH!

I was all better.

Me: Thanks guys.

Misty Tredwell: Entrance time!

Me: Lets get him!

Nico: YEAH!

Me: Lori now I know how you felt what you got poisoned by the Fear Gas.

Lori: Yeah it was not pretty.

Me: Lets go!

We went to face him.

In the gym, Scarecrow was pissed. But then the spirits Of fear came and swirled around him and then they converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we landed!

Me: Your terror spree is over Crane!

Scarecrow: Impossible! You two were exposed to enough toxins to drive 10 men insane!

Me: Well sorry to say but we're IMMUNE to your poison!

Snake: Look on the bright side, dude. We ARE able to be affected by your Fear Gas. We're just not afraid of you.

Me: YOU SHOULD Be afraid of us! Because we're going to UNLEASH HELL!

Camie: YOU'RE GOING TO PAY FOR POISONING J.D. AND

NICO!

Misty Tredwell: You are a monster!

Me: You're just as FUCKED UP as the Joker! I'm going to kill you like I should have done long ago!

Lola: YEAH!

I teleported and kicked him in the face and knocked him down!

Scarecrow: Let's see if this affects you!

He sprays fear gas again and we end up seeing him as a tall, nightmarish creature, with features resembling those of a scarecrow and a skeletal corpse. His eyes and mouth glow bright red, and he has a chained hook-like sickle.

Nico: That's not terrifying. That's just target practice!

Our bodies made us IMMUNE to it!

Me: Nice try! But Top this! NIGHTMARE STYLE NINJA ART: MASSACRE OF THE 100 ACRES WOOD!

I fired waves of darkness and it formed into THE BLOOD AND HONEY VERSIONS OF POOH AND FRIENDS AND THEY WENT AND MAULED SCARECROW!

Nico: YEAH!

Mascots: LOOK AT IT!

He fired more Fear gas. But I then blew the gas back into his face and he got poisoned with his OWN FEAR GAS!

Me: (DEVILISH VOICE) NOW YOU WILL EXPERIENCE YOUR OWN FEARS! (LAUGHS MALEVOLENTLY)

He then saw us merge and then WE FORMED INTO A SCARY PHOENIX MONSTER MADE OF PURE FIRE AND IT ROARED FEROCIOUSLY!

SCARECROW SCREAMED IN HORROR AND FRIGHT!

Stunky charged at him and farted in his face!

LOUD FART!

He grabbed his hands and ripped his gloves off and brought them over to us.

Loki: Good job Stunky.

I got the gloves.

Me: So this is how he sprayed his victims.

Qin: Now we turned it against him.

Me: Yep. Lets see him like this. NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE MURDEROUS PINK PONY!

I fired waves of darkness and it formed into Smile Pinkie Pie and she pulverized and bashed him ferociously and bashed him all over!

BLOOD POURED OUT ALL OVER!

Nico: Take that!

Knights of The Friendship Table: LOOK AT IT!

Me: I'm just getting started! NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE TORTURED ONE!

I fired waves of darkness and it formed into The Tortured One and it roared like Godzilla from 2014 and smashed and mashed him!

Me: LOOK AT IT!

Nico: LOOK AT IT!

Lincoln: LOOK AT IT!

Eli: LOOK AT IT!

Me, Nico, Lincoln and Eli: WE WANT YOU TO FUCKING LOOK AT IT!

SCARECROW SCREAMED IN HORROR AND FRIGHT!

Me: How about a little fire Scarecrow?

I formed a ball of fire in my hand and threw it and it hit him and burned him. He screamed in agony.

Silver Samurai charged at him and slashed him!

Silver Samurai and Flamedramon: FIRE SWORD SLASHER!

Snake and Raidramon: BLUE THUNDER MISSILE STORM!

Mole Man and Vademon: ALIEN EARTH BLAST!

LaGrange and Rinkmon: SKATING SPEED BLAST!

Grodd and Apemon: COCONUT BANANA BLAST!

Goliath and Digmon: GOLD SMASHING RUSH!

Atomic Skull and Crowmon: CROW ATOMIC BLAST!

Calamitous and Datamon: DATA CALAMITY BLAST!

Skinner and Frigimon: SUBZERO TEACHER ICE PUNCH!

Larxene and Agunimon: PYRO THUNDERSTRIKE DARTS!

They all fired waves of energy and lightning and elements and blasted him all over.

Nico: Take that!

Me: NIGHTMARE STYLE NINJA ART: HORRORS OF THE GRUESOME MONSTROSITY OF THE THING!

I fired waves of darkness and it formed into the monsters of The Thing! They mauled and smashed and slashed him all over.

Me: Try topping this! NIGHTMARE STYLE NINJA ART: PSYCHIC TERROR OF THE NECROMORPHS!

I fired waves of darkness and it formed into the Necromorphs and slashed and cut him all over!

Isaac Clarke: YEAH! You are not going to like that!

Me: You thought that was scary, Watch this! NIGHTMARE STYLE NINJA ART: FEARS OF THE GOOSEBUMPS MONSTERS!

I fired waves of darkness and it formed into the Goosebumps Monsters and they blasted him all over the place!

Scarecrow: I'm going to finish what Mr. Mind started. By the time I'm done, madness will take you all forever!

Me: SHUT YOUR FUCKING TRAP YOU FUCKED UP LUNATIC!

He gasped.

Me: You are not a doctor! You are not even a psychologist! You are just a heartless bully that enjoys seeing people suffer to get what you want! No wonder you got fired from the university!

HE SCREAMED IN RAGE AND ROARED IN FURY!

Nico: And Mr. Mind was much more powerful than you!

Poromon: But he was still tasty! (Echoing) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted him.

Me: Take that! And this. NIGHTMARE STYLE NINJA ART: CARNAGE FARM OF THE HARVESTER!

I fired waves of darkness and it formed into The Harvester! He slashed and cut him all over!

Orange Snow was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Cherimoya Tropical!

Orange Snow: NO! We control the power!

Cherimoya Tropical: It doesn't control us!

They concentrated and reigned in the power and turned into Zacian and Zamazenta and slashed and blasted and bashed him.

Me: YEAH! Now try this on. NIGHTMARE STYLE NINJA ART: WEREWOLF CARNAGE OF PARIS!

I fired waves of darkness and it formed into the Werewolves that we killed in Paris and they mauled him all over!

Laney: YEAH!

Ben: You wanna see something really SCARY!?

Ben turned into Toepick

Toepick: TOEPICK!

Me: UH OH! LOOK AWAY GUYS!

We did so!

Toepick opened his face grate and revealed his FACE AND SCARECROW SAW IT AND SCREAMED IN HORROR AND FRIGHT TIMES 100,000,000! HE TURNED WHITE AS A SHEET AND GOT SCARED OUT OF HIS MIND!

DEMONIC LAUGHTER WAS HEARD!

Ben then turned into Ghostfreak

Ghostfreak: GHOSTFREAK! I just figured out, there's something I'm even more afraid of than you.

POW!

He punched Scarecrow.

Ghostfreak: Poisoning people and making them afraid of what they fear the most. In otherwords, You're going Down Scarecrow. You want to see something scary?

He opened his cloak and scared him bad with his tentacles in his chest!

Ghostfreak: Aww now don't tell me you're afraid of old Ghostfreak?

Scarecrow: Huh?

Ghostfreak:Boo!

HE SCARED HIM BAD!

Ghostfreak: That freaked him out more than me.

Me: Nice one! NIGHTMARE STYLE NINJA ART: TERRORS OF THE BEAST!

I fired waves of darkness and it formed into The Beast from Poltergeist and scared Scarecrow!

Lincoln: Your fear games end here and now, Scarecrow!

Lincoln threw more of his Purger of Fear gas bombs and spray cans which exploded and released a very powerful rainbow-colored gas that cured everyone of the Fear Gas affliction and the rainbow-colored gas hit Scarecrow and it burned him like acid as he screamed in pain.

Then, Lincoln fired powerful blasts of elements and energy from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings which hit Scarecrow and that angered him greatly as we landed.

Me: You've got some fucking nerve showing up here once again, Scarecrow!

Nico: We thought we'd never have to see your fucked up face again, but it looks like I was wrong!

Lincoln: And it was thanks to Anti-Monitor bringing you back, but not even he could keep you on a tight leash, he should've put you down like the filthy animal that you are, which is exactly what we're going to do to you.

Scarecrow: (LAUGHING INSANELY) We'll see about that! You will all be consumed by fear!

Suddenly, we saw a massive army of demons arise and they bore the mark of Sarah Midnight Sour Sweet along with Dark Gale grunts and scientists coming out.

Lincoln: So, Irena's sent her army of Dark Magic Sour Madness demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Sarah Midnight Sour Sweet's Dark Magic Sour Madness Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Scarecrow all alone, and it drove him mad!

Suddenly, the effects of Lincoln's Purger of Gas took effect on Scarecrow, and then, his fears came to life as bats came out of nowhere and he screamed in fright.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF SCARECROW TO NO END! NOW, THE BATTLE TO FINALLY END JONATHAN CRANE A.K.A. SCARECROW WAS ON!

Lincoln, Crash Bandicoot, Red Savarin, Loki Loud, Nico, and I and the rest of us went after Scarecrow, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Scarecrow and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Crash Bandicoot, Red Savarin, Loki Loud, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Scarecrow even angrier than ever.

Scarecrow: YOU! YOU! HOW DARE YOU RUIN MY EXPERIMENT! I'LL MAKE YOU FEEL NOTHING BUT FEAR JUST LIKE I DID TO YOUR OLDER SISTER! YOU WILL PAY FOR MAKING A FOOL OF ME!

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit The Monitor Orb embedded in Scarecrow's forehead and it shattered, and not only did we gain a massive power boost, but Scarecrow screamed in agonizing pain as he clutched his head.

Eli: That'll teach you, bastard!

Then, Lincoln smashed his left fist hard into Scarecrow's stomach and ruptured it as his fist smashed into it!

Lincoln sent Scarecrow to The Black Abyss forever!

We cheered as we holster our weapons and powered down and we headed back to The TLPS Flying City Fortress

Nico: See you never, you miserable fuck!

Me: Good riddance, you fucker!

Lincoln: That's it for the last of Dark Gale's members. Now, let's hurry to The Solomon Islands and deal with that bitch, Elise Elexton.

Me and my sisters: Alright! (Our eyes turn red) Elise Elexton, your time's up, you absolute delusional bitch!

Elena Elexton: I've had up to hear with you for the last time, Elise. This is where you meet your end here and now, and you'll be joining our stepdad in The Black Abyss where you two can suffer for eternity together.

We immediately set out for our true final destination: The Solomon Islands where we're going to deal the finishing blow to Dark Gale by killing its leader and mastermind: ELISE ELEXTON, THE CRIMINAL BITCH RESPONSIBLE FOR ALL KINDS OF SHIT FOR FOURTEEN YEARS! YOU BETTER BE READY TO PAY FOR ALL OF YOUR SINS, BITCH! WE'RE COMING FOR YOU, AND THIS TIME, WE'RE ENDING YOUR LIFE FOREVER!

We suddenly arrived at our true final destination: The Solomon Islands.

Me: We're here: The Solomon Islands.

Nico: Awesome.

Suddenly, Lincoln looked on the computer, and we saw it as well: it was Elise Elexton and she's trying to escape from us with her tail between her legs.

Helena Knudson: Look, the bitch is trying to escape with her tail between her legs.

Elena Elexton: I've had it with her. Lincoln, we better make sure Elise doesn't escape.

Lincoln: Already on it, Elena. (SNAPS FINGERS)

SNAP! SCREAM!

We saw that Lincoln made a bear trap appear and it snapped shut on Elise Elexton's leg as she then screamed in pain.

Nico: Ooh! Nice one! And I can see why you told Lincoln that, we can't let your sister escape with her tail between her legs like the bitch that she is.

Me: Certainly not. Now, let's tear that bitch apart.

We then disembarked and went after the bitch.

Elise Elexton managed to get her leg out of the bear trap.

Elise Elexton: That damn bastard! Thanks to him and those wretched Team Loud Phoenix Storm, my plan to take over the world with an army of Gene-Slammed Legendary Pokemon is ruined and those idiots have failed to kill them as well! (ENRAGED SCREAM) DAMN THEM! AND DAMN YOU ALL, TEAM LOUD PHOENIX STORM! YOU HAVEN'T SEEN THE LAST OF ME!

?: OH, SHUT THE FUCK UP, BITCH!

?: (Many girls' voices) You've crossed one line too many, Elise Elexton! And for what you did to us, it's time for you to pay the price for your crimes!

Suddenly, the spirits of the Legendary Pokemon appeared, and they blasted Elise Elexton with blasts of elemental forces and colored energy, and then, they all converged as a massive explosion of flower petals and phoenix fire erupted out of nowhere and a Phoenix Cry and Thunderbird Screech was heard in the air, and as the air cleared, we appeared, and that pissed off Elise Elexton greatly, and when she saw me, my sisters, Sonya and her team, and Elena Elexton, that drove her completely and utterly mad with rage and insanity.

Me: Hello Elise. Remember me?

Elena Elexton: Hello, Elise, it's been fourteen years since J.D., Sakura, and I put a stop to your drug operation and had you sent to The Black Hole of Calcutta.

Me: Looks like the scar I gave you is still a painful reminder of what happens when you dare to hurt others in your pursuit of greed and power.

Sakura Knudson: And your stepdad already paid the price for what he'd done! Now, it's your turn, bitch!

Elise Elexton: WHAT?! WHAT THE FUCK DID YOU DO TO MY FATHER?!

Suddenly, the tiny holy elemental needles activated another hidden power and began destroying Elise Elexton's body and soul with the holy light of justice as she screamed in agonizing pain.

Me and Nico: Our pleasure, Melanie.

Suddenly, Melanie Harmonia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Harmonia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Rapidash, Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia, and Princess Luna flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Melanie Harmonia sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Sarah Midnight Sour Sweet.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Extras appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Anastasia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Extras.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Anastasia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Extras, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem.

Anastasia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Anastasia Balthazar really hates Chandler with a blazing passion, and she also knew how to bring down that sewage brat's bullying when he tried to kill Lincoln which was more than once, and all it took was one planned out performance from Anastasia, and not only was Chandler done for, but he always winds up getting his clothes shredded off including his underwear and left butt naked in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and right into the hands of the police for indecent exposure and he winds up spending a month in jail.

Nico: Oh boy, and knowing Chandler, he tried to kill you again, right?

Lincoln: You guessed it. But, I'm not going to show the flashback on how we did that to Chandler.

Me: Good idea.

Skalamander: So that's what happens when fear gas and farts mix.

Rich Texan: It makes one lethal gas.

Me: Cyanide Sarin. That is a Weapon of Mass Destruction. The Geneva Convention would not like that!

Lola: No they wouldn't.

Steam Smythe: Either way, Elise is also gone!

Me: And so is Dark Gale!

Sakura Knudson: Good fucking riddance!

Felix Faust: And the Ridonculous Race is over.

Ben Ravencroft: Where should we celebrate?

Nico: Lynn's Table. Great job everyone! Another awesome race in the books.

Me: Lets put the city back.

Nico: (To the viewers) Boy this was an awesome race! What an adventure.

Xenia: We all loved it!

We returned back to The TLPS Flying City Fortress and we set a course back for home, and once we got back home, The TLPS Flying City Fortress landed safely.

Nico: That was so awesome! We not only completed The Ridonculous Race, but we brought an end to Dark Gale forever.

Lincoln: That we did, but now, we have the remaining Midnight Princesses to deal with: Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity, Leanne Midnight Lemon Zest, Midnight Princess of Dark Magic Lemon Insanity, Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity, and Morgana Midnight Sparkle, The Midnight Demon Princess of Dark Magic Madness and Fiendish Bringer of Death, Chaos, and Destruction.

Mina Midnight Sparkle: Yes, that's true, but we'll be ready for Phoebe, Leanne, and Marianne, and soon, it'll be the final showdown with Morgana.

Me: We'll make that she-demon pay for all of her crimes with her blood.

Lincoln: That's right.

King Kai: (Telepathically) Guys, I've got some good news: I found Sergio.

Ronnie Anne: Awesome, is he hiding out in Great Lakes City?

King Kai: (Telepathically) No, he's not. After Sergio got kicked out of the team forever, the city posed a permanent ban on Sergio preventing him from ever going right back to Great Lakes City. He's actually hiding out in Inkopolis.

Me: Inkopolis? We haven't been back there in a long time.

Nico: We sure haven't.

Lincoln: Then, that's where we'll be heading for first thing on my rescue tomorrow, and I've got a few surprises in store for that flying feather duster.

Nico: We'll get some ink blasters ready for that stupid parrot.

Me: Along with a few ink bombs.

Lincoln: This is gonna get real messy tomorrow when we go after Sergio and send him back to The Moon Prison. (To the Viewers) The Ridonculous Race has ended successfully and we've put an end to Dark Gale along with Elise Elexton and taken down The Midnight Princesses that we've encountered in the Regions, but we still got Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity, Leanne Midnight Lemon Zest, Midnight Princess of Dark Magic Lemon Insanity, and Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity running loose along with Morgana Midnight Sparkle, The Midnight Demon Princess of Dark Magic Madness and Fiendish Bringer of Death, Chaos, and Destruction, and we won't stop until Phoebe Pinkie Dark, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer are captured, and then, we finally go after Morgana Midnight Sparkle and make her pay for everything she's done.

Me: Yeah!

We had a great meal at Lynn's Table, We later went back home and I went to sleep with an ice bag on my head.

Eventually, night fell on Gotham Royal York, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A.

Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of the last of Dark Gale's members and its leader, Elise Elexton, along with the next of The Midnight Princesses.

Jack Howard: But, the others still running loose, we're not out just yet.

Roxy Drake: And to top it off, Sergio's broken out thanks to Morgana, but she's planning to double-cross and kill him.

Allie Maxwell: As much as I hate Sergio, I don't want him getting killed by that she-demon's hands, so like Lincoln said, we'll take him down again and throw him back in The Moon Prison, but this time, in a dark magic proof cell.

We then got ready for bed. Meanwhile, in Inkopolis, Inkling and the others were keeping an eye out. Apparently, when we told her that Sergio's running loose thanks to Morgana Midnight Sparkle, they'd decided to keep an eye out for him.

Sergio: (GROWLS) Those stupid...! They ruined me! They ruined the Sergio, and I'm gonna get them back! (Smirks) And I know who'll help! (LAUGHING EVILLY)

What many of us didn't know was that Sergio had a resurrection crystal he snatched from one of the crystal mines we discovered, and he went to the sight of where we defeated DJ Octavio, and then, he used the resurrection crystal, and it glowed with intensity, and it brought DJ Octavio back from the dead.

UH OH!

DJ Octavio: I have returned! (Sees Sergio) YOU! A member of...!

Sergio: Former member, I got busted for freeing The Anti-Mascots along with all the other stuff I've done and I got kicked out permanently and thrown in prison forever. Now that I'm free, what say we both team up and we'll get our revenge on those heroes once and for all and have the wildest party ever!

DJ Octavio: (Smirks) Okay then, let's party!

DJ OCTAVIO AND SERGIO LAUGHED SINISTERLY AND THE INKLINGS SAW IT!

Inkling: We got to tell Team Loud Phoenix about this!

THE INKLINGS HEADED FOR THE HQ TO WARN US, BUT WE WERE GOING TO BE IN FOR ONE REALLY MESSY BATTLE TOMORROW: SERGIO HAS RESURRECTED DJ OCTAVIO AND THEY'VE TEAMED UP TO GET REVENGE ON US! WE'LL SEE ABOUT THIS, SERGIO! IF YOU WANT A BATTLE AGAINST US, WE'RE GONNA GIVE YOU HELL, YOU STUPID PARTY ANIMAL!

OH BOY!

THE END

Alright, and now, for tomorrow, the thirteenth match-up in the saga of The War Against The Midnight Princesses is Valerie Quinn, Daydream Laughter Princess of Tech and Lincoln VS. Phoebe Pinkie Dark

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Inkopolis, but when we get there, we're going to be met by Inkling and the others who've got the news that they've found Sergio, but we already knew about it from King Kai. But, what they're going to tell us is definitely not good: it appears last night Sergio has resurrected DJ Octavio by using a resurrection crystal he stole from one of the crystal mines that we'd found long ago, and they have teamed up to get revenge on us. If that stupid party animal thinks that he can get away with this, he's got another thing coming, we're going to take down the dastardly duo of Sergio and DJ Octavio, and we're sending DJ Octavio to The M.O.E. Prison, and as for Sergio, he's going right back to The Moon Prison forever, this time, he'll be put in a dark magic proof cell before Morgana Midnight Sparkle can kill him.

And we're going to meet the next Abyss Actor Gene-Slammer and Avatar, her name is Anastasia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Extras, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. Next is April Fools and get ready to laugh your socks off! We're going to battle a dark version of Nico's brother Connor.

See you next time.

APRIL FOOLS MAYHEM

Get ready for an April Fools Mayhem Spree

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to a future version of Acme Acres, but as he was flying, he saw the future versions of Buster Bunny and his friends, and they appear to be fighting their world's version of Sebastian, but he was infinite-times even more fucked-up, infinite-times even more insane, and infinite-times even more bloodthirsty and murderous than Sebastian before we finally got rid of the darkness and the curse in him, Universe 666 Sebastian, RD Sebastian, and the other versions of Sebastian. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh, that is not good. We got to tell Buster and his friends about this, and they're gonna go bonkers.

Lincoln: I know, and we've got to tell everyone about this in the morning, they're gonna freak out about this.

Lily the Mermaid: That's for sure. Plus, I think those future versions of Buster and his friends may also be friends with Future J.D. from Neo Gotham.

Lincoln: That may be a possibility, Lily, we'll have to ask first thing in the morning.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to a future version of Acme Acres, but as I was flying, I saw the future versions of Buster Bunny and his friends, and they appear to be fighting their world's version of Sebastian, but he's infinite-times even more fucked-up, infinite-times even more insane, and infinite-times even more bloodthirsty and murderous than Sebastian before we finally got rid of the darkness and the curse that festered in him, Universe 666 Sebastian, RD Sebastian, and the other versions of Sebastian.

WE GASPED, AND WHEN BUSTER BUNNY AND THE OTHERS HEARD ABOUT IT, THEY FREAKED OUT AND TONS OF WILD TAKES GALORE!

Buster Bunny: Wait, what?! We have future versions of ourselves?! That's so awesome!

Babs Bunny: You got that right!

Suddenly, Future Me, Future Varie, Future Maria, Future William, Future Nico, Future May, Future Venom, and Future Elena arrived.

Future Me: Did I just hear right, you found my world's version of Buster Bunny and his friends in a dream?

Lincoln: That's right.

J.D. 2: And they're fighting your world's version of Sebastian Mendez.

Future Me: I knew he'd return one day, and just like you said, Lincoln, he's infinite-times even more fucked-up, infinite-times even more insane, and infinite-times even more bloodthirsty and murderous than Sebastian before we finally got rid of the darkness and the curse that festered in him, Universe 666 Sebastian, RD Sebastian, and the other versions of Sebastian.

Future Nico: And we got a photo of him to show you, but got to warn you: he is really hideous!

Future Me took out the picture of his world's version of Sebastian, and he looks just like Sebastian, but his eyes are bright red and the sclera of his eyes are dark red full of murderous insanity and full-blown fucked-up sadism, a mouth full of fangs and pale skin, black sharp nails on his fingertips, long black coat stained with blood on the coattails, white long-sleeved dress shirt, long black pants, black knee-high boots, wild long black hair, and the scariest thing ever: he had massive black demon wings with a wingspan of 1,050'0"!

Nico: HOLY SHIT! HE LOOKS LIKE AN ABSOLUTE FUCKING BAT OUT OF HELL!

Maria: Damn!

Qin: And Lincoln's right, this guy's also infinite-times even more fucked-up, infinite-times even more insane, and infinite-times even more bloodthirsty and murderous than Sebastian before we finally got rid of the darkness and the curse that festered in him, Universe 666 Sebastian, RD Sebastian, and the other versions of Sebastian.

Future Me: That's true, he was a truly despicable and truly evil man who has no remorse for the lives he'd taken. I need to get the rest of the future members of the team together, and once that's done, we're going to help the future versions of Buster Bunny and his friends.

Me: Good idea.

Future Varie: This is the last time we ever have to deal with that bloodthirsty lunatic from Hell.

Future Maria: I'm gonna kick his ass so hard, I'll send his skeleton flying out of his body!

Future Elena: He's getting such a painful lobotomy when we catch him.

Future William: I'll cut him into fucking ribbons and leave him as a bloody stain!

Future May: He's getting his teeth smashed out of his mouth and his eyes gouged out!

May: Jeez, you guys really despise him.

Future Me: You have no idea.

Eli: If that fucked-up lunatic thinks he's gonna get away with this, he's got another thing coming.

Lincoln: That's for sure, Eli. I'm not letting some crazy lunatic like him get away with this, he's going to die here and be erased from history forever.

Luna: I really thought we were done with all evil versions of Sebastian forever, but I guess we were wrong.

Nico: Dark Chase Young ruined Sebastian's life and turned him into a monster devoid of humanity and zero remorse.

Sebastian Mendez: That was because of the curse that I became like that, this one like my Universe 666 twin and my RD self and those other ones are just absolute pure monstrous evil.

Lincoln: Well, I'm gonna show him what happens that if he dares to murder many innocent people and not show any remorse at all, there's going to be severe consequences for his crimes, and in his case, it's going to end with him dying in a pool of blood. Alright, let's finish breakfast and head out to the park for a little relaxation.

Nico: Right.

We then finished our breakfast, and we set out to the park for a little rest and relaxation.

In the park relaxing was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D

Bugs: No problem doc. It's gonna be fun.

Foghorn Leghorn: It sure is, I say, It sure is gonna be fun son.

Nico: Foghorn, do certain animals try to eat you sometimes?

Foghorn Leghorn: Well yes, I say, yes they have son. Weasels and Henery Hawk have done so. But that's about it son.

Foghorn Leghorn: They sure, I say, they sure have son.

Qin: Yeah.

Me: Hey Nico do you see a cloud shaped like a pie?

Nico: Where?

SPLAT!

I splattered a pie in his face!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) APRIL FOOLS!

Nico laughed!

Nico: (LAUGHS) GOOD ONE!

Pinkie Pie: (LAUGHS) That was really funny!

Nico: It sure was and I forgot it was April Fools day.

I gave him a towel.

Luan: (LAUGHS) That was a good one J.D.

Me: Thanks Luan.

Eddy: (LAUGHS) He got you good!

Nico: He sure did!

Me: Yeah!

Qin: Yeah!

Qin laughed.

Laney: That was funny!

Lola: Yeah!

Me: Yep. Wow! Man what a battle! And what a race! We finished the Ridonculous Race.

Nico: Wow we sure did!

Me: We've seen the last of Dark Gale and Elise. But man I hated when me and Nico were poisoned by Fear Gas! That was horrible!

Nico: I wasn't scared in the slightest!

Me: Me neither! But I still got a tremendous headache! I felt like I got hit by Motormaster times 1,000!

Nico: But at least we know what happens when farts mix with Fear Gas.

Me: That was funny and crazy. What a volatile cocktail. But it was cool.

Qin: Yeah.

Nico: Yeah. But We had a lot of fun.

Camie: We sure did. And we got to see what some of the cities Ash and friends visited were like.

Lola: And the best part is that Ash and Serena are engaged!

Varie: They sure are!

Nico: Now to find out who's been protecting the City in our absence

Me: Yeah.

?: That was me.

We turned and we saw Christopher Smith A.K.A. Peacemaker!

Me: (GASP) Christopher Smith A.K.A. Peacemaker!

Peacemaker: That's right. I was looking out for the city while you guys were competing in the race.

With him was Adrian Chase aka Vigilante.

Eddy: (to the viewers) Let's call him Adrian Chase here. The Vigilante name was already taken by Greg Saunders.

Me: And Adrien Chase A.K.A. Vigilante!

Adrien Chase: That's right. An honor to meet you all.

Qin: So you both were watching over the city?

Me: We owe you guys big time for it. So you two are who Amanda Waller hired to look after the city for us.

Peacemaker: That's right.

Adrian Chase: Waller didn't want another Team Buktu incident so she had us protect the city while you guys were gone

Me: We greatly appreciate it big time Adrian.

Ace: Yeah! Oh right! I don't know what Team Buktu was like back then.

Me: Oh right. We promised we were gonna tell you what that was like back then.

Peacemaker: That can be the minute Albedo's former teammates show up.

Ace: Why not now?

Albedo: Because Lincoln might lost control of his emotions again.

Anna Anyanova: Don't worry, me and the Guardian Angels are here for Lincoln.

Me: And we made sure that Lincoln isn't like that anymore.

Lincoln: It's true guys. I'm okay.

Nico: That's good.

Albedo: That's a relief.

Nico: Well, to make a long story short, during the Ridonculous Race of 22, Team Buktu was formed to show us up as heroes.

Me: They are named after one of Ben's enemies. His name is Tim Buktu. Like the city of the Central African Republic, Timbuktu.

Ace: Oh I get it.

Me: Yep. And together with Albedo, Evil Sasuke, Obadiah Stane

A.K.A. Iron Monger, former Total Drama Contestant Scott, and Jimmy Neutron's evil twin Evil Jimmy Neutron they were trying to show us up as Heroes.

Nico: Yep.

Ace: Oh man! They tried to make you guys fools and obsolete!

Me: Yep. So we planted Nico as a mole.

Nico: How they tried to make us look bad? They sent Elemental Darksides to certain locations to go on a rampage so they can swoop in themselves to "save the day"!

Lincoln: Yeah and I was poisoned by that Rebellion Chip in me by Audrey Madison.

Nico: Yeah.

Ace: Shit!

Neon: That is crazy!

Me: You got to admit, those Elemental Darksides were very well made.

Albedo: I actually had a change of heart due to enjoying being a hero

Me: Which was a very good act of contrition on his part.

Nico: Yes it was.

Fiona Hernandez: That is true.

Neon: Wow!

Lola: Yeah.

Albedo: I thought it was horrible they were doing all that.

Me: Those robots were something Mysterio would be proud of.

Nico: Yep.

Michinaga: They have the nerve to call themselves heroes?!

Me: Yeah no kidding!

Neon: Yeah!

Albedo: I can confirm that when Stane appears again, he's going into our prison. But Evil Sasuke and Scott can go to Hell.

Me: That is for sure.

Neon: Yeah!

Me: Blossom said that it reminded her of what happened when Major Man showed up and set everything up in his favor and tried to hog all the glory.

Nico: Wow! That was very coincidental.

Lincoln: Wow that is incredible! Yeah. I agree there. Scott poisoned me with stress back then.

Nico: So yeah, we defeated Team Buktu. But J.D. still couldn't get over how his rant got interrupted. And as said before, Lincoln eventually lost control of his emotions.

Me: Yeah because we were still suffering from Dark Orb Contamination.

Lola: I hated that.

Me: Also I hate being interrupted like that.

Lincoln: I lost control because of that rebellion chip in me. I'm sorry guys.

Nico: Aw it's alright Lincoln.

Lincoln: But I'm over it now.

Peacemaker: So now, you guys know

Ace: That was crazy! I'm sorry you guys had to go through all that.

Me: That was two years ago this month.

Nico: Yeah.

Me: Ever since then Amanda Waller was working on sort of a Neighborhood Watch Program where Superheroes and groups that haven't joined up with us yet would watch the city for us while we compete in the Ridonculous Race.

Nico: That's a good way to put it.

Ace: Wow!

Keiwa: We'll have to explain it to Gira and the others when the time comes

Lana: Itachi might have told them about it but yeah.

Nico: Yeah.

Peacekeeper: But I'm just glad I could help out.

Me: We greatly owe you guys big time Chris and Adrien.

Peacekeeper: We're glad to help.

Adrien Chase: Same here.

Maria: The City's just how we left it

Me: It sure is.

Maria: Want some burgers?

Me: Sure!

Maria went and got some for us.

She came back with a lot of them.

Me: Thanks Maria.

I took a bite and then I heard a squeak and I reached into my mouth and pulled out a MOUSE!

Me: (SCREAMS) EW!

Maria: (LAUGHS HYSTERICALLY!) APRIL FOOLS! It's made of rubber J.D.

Maria put a rubber mouse in my burger!

Me: (LAUGHS) That was a good one!

Qin: (LAUGHS) Yeah!

Nico: Is the rest of burger rubber?!

Maria: (LAUGHS) No just the mouse.

Me: That was funny though! Good one Maria! You got me.

Nico: That was a nice one!

Lincoln: YEAH!

Eli: YEAH!

Carol: That was funny!

Carol drank a drink and then her stomach grumbled!

Carol: UH OH!

SHE RAN TO THE REST ROOM!

EXPLOSIVE DIARRHEA!

Eli: (LAUGHS) APRIL FOOLS! I spiked her drink with laxatives!

Carol: (LAUGHS) THAT WAS A GOOD ONE ELI!

Nico: It sure was!

Eli: (LAUGHS) Yeah!

Me: That was funny! Nice one bro!

Neon: (LAUGHS) Yeah!

Neon took a bite of her burger and then...

Neon: (SCREAMS IN PAIN!)

A MASSIVE JET OF FIRE EXPLODED OUT OF HER MOUTH!

Luan: (LAUGHS) APRIL FOOLS! I put some of J.D.'s hot sauce on her burger!

WE LAUGHED!

Maria gave her water and steam came out.

Neon: (LAUGHS) That was funny! But man that was spicy!

Ace: That is cool you make hot sauces J.D.

Me: Yeah it's good and fun.

Eddy: (LAUGHS) She got you good Neon!

Neon: (LAUGHS) That was funny!

Me: Yeah!

Nico: And there's more to come!

May: Yeah!

Varie: Want some gum May?

May: Sure!

She took a stick and chewed it and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMMMM!

SHE SCREAMED AS HER HEAD EXPLODED!

Varie: (LAUGHS) APRIL FOOLS! Exploding Chewing Gum.

May: (Regrows her head) That was funny!

Peacemaker: (laughs) Just like Waller used to do things!

Me: (LAUGHS) Yeah.

Nico: Yeah. That was some of the pranks we bought at the prank store Luan works at.

Lily: Yep. Hey Leni want some Peanut Brittle?

Leni: Sure.

She opened it and then...

BOING!

Multiple springs bounced out of it!

Leni: OH DARN IT NOT AGAIN!

Lily: (LAUGHS) APRIL FOOLS!

Leni laughed!

Nico: Never gets old!

Me: Yeah!

Carol came back.

Carol: Ahh! Whew! That's better.

But then she sat down and then...

LOUD LONG NASTY SUPER HORRIBLE FART!

Eddy: (LAUGHS)

Carol pulled out a Whoopee Cushion!

Eddy: (LAUGHS) APRIL FOOLS!

Nco: Whoopie cushion!

Me: (LAUGHS) With all the farting we were doing that was really funny!

Applejack: (LAUGHS) That was funny!

Me: Always a classic.

Nico: Yep.

Nico then was drinking milk.

Me: Hey Nico, Why did the cheddar cheese decide to go to the gym? To get shredded!

RIMSHOT!

NICO THEN SQUIRTED MILK OUT OF HIS NOSE ALL OVER RAINBOW DASH!

WE LAUGHED HYSTERICALLY!

Nico: That was funny!

Me: (LAUGHS) Yeah!

Rainbow Dash: (LAUGHS) That was funny! Nice one J.D.

Me: Thanks!

We were laughing hysterically!

Me: (LAUGHS) Love good jokes.

Nico: More to come later!

Me: (LAUGHS) Yeah. You know Nico I think the mascots should have a comedy competition against me and the Dummystein Magisword.

Nico: Good idea!

Me: (LAUGHS) Yeah!

Luan: Hey you guys can perform at the Chortle Portal for that.

Me: Good idea! I like it.

Maria: I don't know when that will be.

Me: We'll think of something

Neon: The Dummystein Magisword tells jokes?

Me: Oh HILARIOUS Jokes! Watch.

I spun my bracelet.

DUMMYSTEIN MAGISWORD!

Me: Showtime!

It took Ace's voice.

Me: Sorry Ace.

Dummystein Magisword: (In Ace's Voice) What's a Vegetables favorite martial art?

Me: I don't know. What's a Vegetables favorite martial art?

Dummystein: Carrotee!

RIMSHOT!

EVERYONE LAUGHED!

Ace wrote something.

Ace: That's funny!

Me: Yeah!

Dummystein: How do you make Gold Soup?

Me: I don't know. How do you make Gold Soup?

Dummystein: Put 24 Carrots in it!

RIMSHOT!

WE LAUGHED MORE!

Neon: (LAUGHS) THAT IS FUNNY!

Rarity: (LAUGHS) That is a good one!

Keiwa: I haven't had this much fun in a long time!

Me: (LAUGHS) I know!

I returned Ace's voice to him.

I put Dummystein away.

Nico: (LAUGHS) That was funny!

Me: Always love a bunch of good laughs.

Neon: (LAUGHS) That was awesome and funny though!

Nico: It sure was!

Sakura Knudson: I love good jokes.

Me: Whew! Glad I got that out of my system.

Lincoln: Me too. Now, that was a good rest and relaxation, now onto this next part. Okay, guys, we're in for a really funny battle, we're here in Gotham Royal York Park, but here's the news: it appears a clone of the 2,000,000 Year Old Caveman has been sighted.

WE GASPED!

Me: What the?!

Nico: Oh crap.

The rest of the team was with us.

Gohan: Looks like you missed one of them last year.

Lincoln: Actually, we hadn't faced him last year because Alecto Slytherin didn't have enough time to create him before we went after him at Himuro Mansion. But, I think you're right, Gohan. If a clone of The 2,000,000 Year-Old Caveman's here, then, this means...!

Nico: (GROWLS) That bastard descendant and worshipper of Salazar Slytherin's back from The Black Gates! Damn him!

Me: Well, he's just crossed the line for the final time. He's gonna regret it with his life.

Maria: We'll deal with him on a later date, right now, we better stop the clone of that caveman so that Lincoln can absorb him.

Lincoln: Right, and we've also got some weapons ready for when we go after Sergio in Inkopolis.

Eli: That stupid bird's gonna get it big time.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of boiling hot soy sauce down his throat.

Lincoln summoned a vat full to the brim of boiling hot soy sauce.

Me: Oh man!

Nico: Ooh, that's gonna burn his throat and stomach big time. This is gonna be so hilarious.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of this prehistoric menace.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms,

and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're

even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the 2,000,000 Year-Old Caveman clone) AHA! Gotcha, I just spotted the 2,000,000 Year-Old Caveman clone, he's 20 yards away, and it looks like he's clobbering people with his club and really trashing the place. (Sensed Sergio's thugs and Octolings) And I just spotted Sergio's thugs. Wait, and I also spotted Octolings.

Nico: Octolings have also been...?! Sergio, you two-faced freak of nature, you didn't...!

Lightning Dust heard a Pokemon cry

Lightning Dust: Hey guys look!

We saw a Ponyta and Lopunny!

Me: Cool! Ponyta and Lopunny!

Ponyta: Yeah we're lost.

Lghtning Dust: Well you don't have to worry.

Se touched her mane and then her hand bursted into flames!

Lightning Dust: EEEEEEEYOUCH!

Maria drenched her hand in water.

Me: Whoa! That's what happens with Ponyta. It will burn those that it doesn't trust

Qin: YIKES!

Me: Take it from me. I know the feeling.

Ash: Me too.

Me: Yeah.

Lightning Dust: It's ok. You can trust me.

Me: Lightning Dust won't hurt you.

She gave it apples.

Ponyta: Thank you.

She ate them.

Me: I raised my Rapidash when it was a Ponyta.

Nico: Wow!

Bugs: And looks like you could use some carrots?

Bugs gave Lopunny some carrots.

Lopunny: My favorite!

She ate them.

Lightning Dust got on Ponyta.

Lightning Dust: Wow!

Ponyta: Wow this is gonna be fun.

Me: It sure is.

Lightning Dust: I hope I'm not too heavy.

Ponyta: Not at all.

Me: Cool. This is usually the part where one of Dark Gale's gene-slammers show up.

Nico: You know we already destroyed Elise yesterday, right?

Me: Yes I do. But I can't help but shake this feeling that more gene-slammers are out there.

Qin: Yeah me too.

Lola: I got that feeling too.

Me: Dark Gale may be gone, but their mess still needs to be cleaned up like we're doing with Team Rocket.

Nico: In that case, one should be appearing right now.

We heard a winnie and then out came a Rapidash!

Me: WHOA! A Rapidash!

Lola: Cool!

Nico: What's that doing here?

Me: I guess Legendary Pokemon aren't the only ones Dark Gale used.

Ponyta: What a coincidence!

Lightning Dust: I agree!

Laura (Pokemon): Wow! Lets see if we know this one.

She used Telepathy and gasped!

Laura: That's Megan Rockell!

Maria, Liam and Carmen gasped!

Maria: My sister Megan!?

Carmen: Megan!? Lightning Star! Wow!

Me: She must've gotten hit by the Quantum Vapor as well! Lets go!

Maria, Liam, Laura and Carmen and me went to face her!

Laura: Megan! It's me Laura!

Maria: Megan it's me Maria!

Carmen: And Carmen!

All she did was charge at them And fire fireballs at us. We absorbed them.

Me: WHOA! Looks like we got to calm her down.

I fired waves of fire and lightning, Maria and Carmen fired waves of fire and water. Liam and Laura fired lightning and fire blasts.

The blasts hit her and knocked her down.

Me: That did it!

I snapped my fingers and she reverted back and was a girl with orange and red hair made of pure fire, had red eyes and had Rapidash in the middle of her forehead and had fire angel wings.

We wrapped her in a blanket and brought her over.

Me: Wow she has hair made of pure fire.

Nico: Hot.

Carmen: The Quantum Vapor gave her lightning powers and also turned her hair into pure fire.

Nico: Wow!

She woke up to see Horsea staring at her

Megan Rockell: Huh? A Horsea?

Horsea: Hello there

Maria: Sis are you alright?

Megan Rockell: (GASP) Maria! Carmen! Liam and Laura!

She hugged them.

Megan Rockell: Thank goodness you're all here.

Me: You were turned into a Rapidash by Dark Gale. We just found out that legendary pokemon weren't the only ones they had.

Megan Rockell: Oh man! I remember!

She was in an orange suit and was injected and then she bursted into intense fire and turned into Rapidash and neighed and busted out.

FLASHBACK ENDS.

Megan Rockell: That was awful.

Me: Well you don't have to worry about Dark Gale anymore. We destroyed them all. Everyone except 2 of them during the Ridonculous Race.

Nico: Yeah.

Maria: Yeah it's true.

Megan Rockell: Good riddance. Maria you are cured? You're not Aquamaria anymore.

Maria: I was cured after being blessed by the water stallion of Tefnut. She gave me my humanity back. I still have my water powers but I am better than ever.

Megan Rockell: Amazing!

Maria: I know. And you met Horsea too. She's my mascot.

Horsea: Awesome to meet you Megan.

Megan Rockell: You too.

Me: What were you doing when you were exposed to the Quantum Vapor?

Megan Rockell: Quantum Vapor? Is that what that purple cloud was that covered me?

Me: That's right. It's an experimental Biohazardous Mutagenic Compound. It mutated you and gave you superpowers.

Megan Rockell: So that's where I got my powers. Wow!

Carmen: You aren't the only one.

She formed a fireball.

Megan Rockell: Wow!

Me: Yeah.

Megan Rockell: I was just sitting in the park when it happened. I heard this loud bang and then suddenly this purple cloud rolled in from out of nowhere and covered me. Next thing I knew I got lightning powers and my hair was pure fire! I tried to put it out but it was too powerful.

Me: Wow!

Nico: Your role in Sonya's team?

Megan Rockell: I am the Volcano Storm Master and I use lightning and fire and fireballs to destroy our enemies. Outside the team I go to school still.

Me: Wow!

Horsea hopped on Megan's head.

Maria: Horsea likes you Megan.

Horsea: Yeah I sure do.

Me: Yep.

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her new orange and red clothes and she looked awesome.

Megan Rockell: Wow! I look awesome! Thanks.

Leni: You're totes welcome.

Megan saw Maria and Carmen's rings.

Megan Rockell: (GASP) You guys are married? Wow!

Carmen: We sure are.

Carmen hugged Liam.

Maria hugged William.

Liam: We got hitched last year.

William: It was awesome.

Megan Rockell: Horsea, you know my head's on fire, right?

Horsea: I'm a water Pokemon. Fire has no effect on me.

Megan Rockell: Oh.

Carol: But it's good you're okay Megan.

Megan Rockell: Carol! Good to see you.

Carol: Same here.

Horsea: Now, to the other business!

Me: To find our little prehistoric friend.

We then took off into the air to confront and take down the 2,000,000 Year-Old Caveman clone so that Lincoln can absorb him and get rid of Sergio's hired thugs along with the Octolings.

We were flying in the air, and we saw our target: the clone of the 2,000,000 Year-Old Caveman, and he was indeed beating people on the head with his club and wrecking the buildings.

Lincoln: Oh boy. There he is, now he's really going to get hurt.

Lincoln fired waves of energy and elements from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they hit the clone of the 2,000,000 Year-Old Caveman, and he bellowed with rage as we landed.

Suddenly, he tried to hit Lincoln on the head with his club, but he dodged it and he landed a really mean and nasty punch to the caveman's stomach and sent him flying into a tree.

Lincoln: Hah, nice try. I saw that coming from a mile away.

Me: Same here, but that was one strong and nasty punch you landed on him, Lincoln.

Anna Anyanova: Those workouts he'd been doing for the past seven years and onwards has increased his already massive physical superhuman strength to infinite levels and given him the body so many bodybuilders sought to achieve, and thanks to Kiara getting him into bodybuilding, he'd also found many other ways to push himself past his physical limits.

Lori: We were proud of him for doing so, but Lynn got super pissed off at him, her jealousy wound up causing her to try and ruin him, but Lincoln always beat her by outsmarting her, and since Lynn was stupid and relied on brute force, Lincoln used his brain to beat her.

Luna: But, he also didn't hesitate to use brute force on that meathead and he tied her up in a pretzel knot and threw her right back in her cage.

Lana: Lynn made a huge mistake trying to hurt Lincoln, and that led him to push himself further and go past his limits, and Dark Chase Young's going to pay for what he'd done.

Nico: That's for sure.

Suddenly, Lincoln's long wild upper-back length rainbow hair turned neon red and he fired a powerful blast of fire from his mouth and burned the 2,000,000 Year-Old Caveman clone badly, and his hair changed back.

Nicole: Oh man, that was Fury Bowser's power! And we know how brutal he was when we faced him last year.

Me: Without a doubt.

Nico: Man, that's got to hurt!

But, we also saw that Sebastian also got burned horribly by Lincoln's fire breath, and we saw that he had The Mark of The Evil Eye burned on his forehead.

Eli: (GASPS) W-what is that?!

Vince: Oh crap, that's The Evil Eye, this was meant for those who committed murder with insanity, malice, evil, and cruelty in their hearts, Sebastian committed murder due to insanity, evil, malice, and cruelty thanks to the curse nine years ago after he finally gave into the curse after struggling for so long.

Nico: Oh damn, that is really bad, any afflicted with the Evil Eye due to their crimes in life will haunt them forever. Selene, is there a way you can end that curse thanks to that library of spellbooks about the holy magic arts that you all and Lincoln had gotten from God?

Selene Arcangela: I'm afraid that curse is something that's not easily removed even with the powers of holy magic and prayer. Nine years ago when Sebastian descended into darkness and madness, his atrocious actions and dark desire to destroy mankind and all life on Earth and the universes beyond had reached Heaven, and someone out of spite and anger cursed Sebastian with this dangerous and brutal curse as all his atrocious actions and madness would hit him with full force hitting him with the same pain he afflicted on others.

WE GASPED!

Me: A Biblical Curse, that's not so easily removed. It's like the Mark of Cain, whom he got from God after killing his brother Abel.

Lincoln: Don't be so sure, J.D., my training in magic and the holy arts has also given me the ability to remove a Biblical Curse.

Selene Arcangela: But, it's only for those wrongfully afflicted by it, Lincoln, not those who'd given into madness and evil.

Me: Dang it.

Nico: We'll find a way to remove it. (Sensed Sergio's thugs and Octolings) Uh oh, we got some uninvited guests courtesy of that stupid party animal.

Suddenly, Lincoln fired massive waves of light that forced out Sergio's hired thugs and Octolings and they were screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Nice one, Lincoln, that forced out Sergio's thugs and the Octolings.

Cage Blunt: Now, all that's left is to get rid of them.

Travis Tackett: And piss that stupid parrot off big time.

Then, Lincoln grabbed one of the thugs by the neck with his left hand and he hoisted him up to make him look him in the eyes.

Lincoln: The Octolings is a clear sign that DJ Octavio's back, and I've got a bad feeling Sergio was behind it. (Smirks) Well, it matters not in the slightest, it means I'm going to get rid of you piles of shit once more.

I went at the caveman and he roared and swung his club at me. I ducked and leg swept him and kicked him.

Ponyta charged at him and blasted him with fire. Lightning Dust fired waves of lightning and electrocuted him.

I threw an anchor and it smashed him on his foot.

BLANG!

2,000,000 Year Old Caveman: (SCREAMS AND ROARS IN PAIN!)

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss and he blasted the Octolings down with ink bombs and they were sent away forever, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Nico: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Lincoln: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of boiling hot soy sauce appeared, and using his telekinesis, Lincoln lifted the vat full of liver and onions and poured the contents into the funnel and they made their way down into Sergio's stomach. Then, the funnel vanished, and we saw Sergio's face turn red, and finally...!

SERGIO BEGAN SCREAMING IN ABSOLUTE PAIN AND HE WAS FARTING FIRE FROM HIS BUTT AND HE WAS BELCHING OUT FIRE OUT OF HIS BIG FAT BEAK AND IT EVEN BURNED SOME OCTOLINGS IN INKOPOLIS! CRAZY!

Luna: (LAUGHING HYSTERICALLY) OH MAN, FIRE BELCHES AND FIRE FARTS! THIS IS JUST LIKE THE TIME YOU STUFFED HIM FULL OF HOT PEPPERS AND HOT SAUCE, DUDE!

When it was all done, Sergio was sitting in the corner and he had smoke coming out of his big fat beak and butt and we were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Me: YEAH!

Qin: Take that!

Megan fired waves of fire from her hair and burned the Caveman Clone!

Batman got out his Gashat.

Batman: Lets see how you like this.

He activated it.

Sly Cooper: Lets make this fun guys.

Batman and Sly Cooper: NIGHT THIEF BLAST STORM!

They fired waves of energy and blasted him all over the place.

Me: Here's something that would be fitting too. I just remembered that this caveman reminds me of Spear.

Nico: He sure does look like Spear.

Spear: Spear no look like him.

Me: Sorry. But yeah. NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE ZOMBIE ARGENTINOSAURUS!

I fired waves of darkness and it formed into the Infected Argentinosaurus and bashed and mauled him all over.

Lola: YEAH!

Aylene Carter: Thank goodness I didn't see that with the fear gas.

Me: Yeah no kidding.

Lucy Loud got out her Gashat

Lucy Loud: Megan you should have seen what we did to destroy Dark Gale. It was awesome.

Megan Rockell: Wow I can tell you guys went through a lot.

Lucy Loud: We sure did.

She activated it.

Bentley: I have some good news for you all.

Penelope and Bentley blushed and showed rings themselves!

Me: WHOA! You're engaged!

We cheered for them.

Me: WOW!

Sly Cooper: I always knew you two were made for each other.

Brittney: Same here!

Lucy and Bentley: SMARTS OF DARKNESS BLAST!

They fired waves of energy and blasted the caveman all over.

Me: Wow we're going to have a bunch of awesome weddings coming up.

Nico: We sure are!

Lola: But we're happy for you guys!

Bentley: Thanks!

Megan Rockell: Who were the members of Dark Gale?

Me: Well there was Elise Elexton. She was the leader and she was an old enemy from my past. Also we had Hro who was from Thanagar, Adwaita, Trogarr, Cyrus, Murmukusmon, Hazel Rainart, Michelle & Michael Malloy, Jude Heartfilia, Pablo & Anderson, Tyrian Callows, Jock Jockerson and Jonathan Crane A.K.A. Scarecrow.

Megan Rockell: WHOA! You guys battled them?

Me: I know. Shocking huh? Those were all some of our most dangerous enemies that we faced years ago.

Megan Rockell: My god!

Qin: Yep.

Skyla got out her Gashat

Skyla: At least we destroyed Dark Gale.

She activated it.

Murray: THE MURRAY is ready to smash some skulls!

Skyla and Murray: SMASHING BASH PUNCH!

They punched and smashed the Caveman and knocked him into a tree!

Zak got out his Gashat

Zak: Time for some fun power.

He activated it.

Guru: (Speaking in Aboriginal Language)

Me: He said that he is excited for the weddings for his friends.

Guru nodded.

Zak and Guru: MAGIC OF AUSTRALIA BLAST!

They fired waves of energy and blasted the Caveman all over.

Chris got out his Gashat

Chris: Time for some Captain America power!

He activated it!

Penelope: Lets make this fun and awesome!

Chris and Penelope: RC CHOPPER AMERICA BLAST!

They fired waves of energy and blasted the Caveman from above all over.

Allie Maxwell fired bullets at the 2,000,000 Year-Old Caveman clone, but he bashed them into flat disks with his club, and he roared in anger at us and beat his chest.

Lincoln: So, that's how you want to play it, eh? (Smirks) Alright then, if you want to settle this the old fashioned way with brute force, who am I to refuse. (CRACKS KNUCKLES AND NECK)

J.D. 3: (Through my crest) Uh oh, I think I know what's about to happen: an Alpha Male beast like Lincoln has the ability to increase his own adrenaline levels in the case of another strong opponent like the 2,000,000 Year-Old Caveman clone, and it results in a match of strength and muscle: in other words...!

Me: Brute Force VS. Brute Force, it's gonna end differently with Lincoln since he has Scottish blood in his veins and he'd undergone so many intense grueling workouts for the past seven years to build his body and muscles along with his diet, genes, and hyperpuberty, he grew into the man that we know today.

Nico: This should be good.

Lincoln and the 2,000,000 Year-Old Caveman clone face each other, and then, the 2,000,000 Year-Old Caveman clone charged at Lincoln, but he got him good by grappling the prehistoric brute's arms and body-slammed him into the ground. That made the prehistoric brute angry and he charged at Lincoln once more, but

Lincoln used another technique and grabbed the prehistoric brute and lifted him up into the air and spun him around like crazy and he punched the prehistoric brute hard in the stomach and sent him flying into another tree.

Eli: Incredible!

Liam: Hoowee, I knew Lincoln had been getting stronger and larger in muscle mass, but now, I think he's even stronger and even more muscular than some of the strongest animals in the field.

Eman Reynolds: Seven years of working out combined with good diet, really massive appetite, genes, Scottish blood in his veins giving him superhuman strength and courage, good looks, charisma, and hyperpuberty, and you've got yourself a true Alpha Male Loud.

Nico: If he ever got into a wrestling match, he'd easily win.

Rusty: Too bad we didn't have a wrestling class back in school, I would've wanted to see him wipe the smirk off Chandler's face.

Me: That'd be something I'd pay big bucks to see.

Then, Lincoln continued using many wrestling moves, punches, and kicks on the 2,000,000 Year-Old Caveman clone, and he easily won against him. Then, Lincoln lifted the prehistoric brute up into the air with both hands and he let out a loud roar of victory and he body-slammed the prehistoric brute back onto the ground, and he beat his chest like a gorilla and let out a massive loud primal roar in pure dominance and victory over his opponent.

WE WERE ABSOLUTELY STUNNED!

Me and Nico: HOLY FUCKING SHIT! INCREDIBLE!

The Loud Siblings and Parents: UNBELIEVABLE!

Clyde: Oh boy, this is why we never ever anger Lincoln, not unless you want to be ground into dog food.

Zach: We'd seen it for ourselves, and combined with getting turned into a Vampire-Werewolf Hybrid and a powerful Alpha Male at that, and if you piss him off, you better make peace with God before he kills you.

Rusty: But, that's only for the thugs and criminals his sisters hired, and that never ends well for them in the past.

Liam: Especially them musclebound brutes, Lincoln sucks out their muscle mass and strength and he makes them his own and even absorbs them as well using his Cell stingers when he morphs the tips of his eleven wolf tails.

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after the 2,000,000 Year-Old Caveman clone, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at the 2,000,000 Year-Old Caveman clone and they exploded with incredible power as they hit him.

Then, we attacked hi, with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making the 2,000,000 Year-Old Caveman clone even madder than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit the 2,000,000 Year-Old Caveman clone, and we found ourselves in Heaven.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, the 2,000,000 Year-Old Caveman clone, this is where we end your rampage here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the 2,000,000 Year-Old Caveman clone.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything you've done, you deserve to pay for your crimes.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into the stomach of the 2,000,000 Year-Old Caveman clone, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit the 2,000,000 Year-Old Caveman clone hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the 2,000,000 Year-Old Caveman clone was on his last legs and he was really really mangled.

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the 2,000,000 Year-Old Caveman clone's chest and he began absorbing him and he grew stronger and assimilated his massive superhuman strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the 2,000,000 Year-Old Caveman clone except for his loincloth and he drained his soul of energy and sent him to The Black Abyss.

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down.

Nico: That'll teach that bastard, Alecto Slytherin, not to pull that stunt on us again.

Me: You said it, and that was some impressive display of brute strength you did, Lincoln.

Eli: Big bro's right, it's like you were in full-blown wrestler mode and Full Beast Mode.

Lincoln: You know I always get serious when it comes to a fight, especially when it comes to villains. But, you're right, Eli. I wind up going Full Beast Mode, but unlike with Lynn, I take my beastly rage out on irredeemable bastards, and you saw the results for yourself.

Nico: That's true, and you were definitely a beast when it comes to tearing villains to shreds.

Me: Especially when you go werewolf on them, that's when you wind up eating their body parts and organs.

Lucy Loud: Along with draining them dry of blood.

Luna: Thank goodness you don't leave a mess when you do that.

Lola: The only one who always leaves a mess is Lana.

Lana: Yeah, that's...! (Realizes it was a jab at her) What did you just say, Princess?!

Sebastian grabbed them by the collars and...!

BONK!

HE BONKED THEIR HEADS TOGETHER!

Sebastian Mendez: Will you two twin terrors knock it off?! Seriously, I don't know how the rest of your family puts up with your constant bickering!

Lola and Lana: WHAT DID YOU JUST SAY, YOU BLOODSOAKED LUNATIC?!

Me: UH OH!

Nico: Sebastian, you better run quick! Angering them is like opening the Gates of Hell!

Sebastian was about to run, but he got hit with garbage bombs and we heard the distant cackling of a certain parrot.

Lincoln: (GROWLS) Sergio...!

Sebastian got a quick shower and got into clean clothes.

Sebastian Mendez: That stupid parrot's set up garbage bomb traps all over the city!

Lincoln disabled the traps and sent the garbage bombs flying to Sergio's location in Inkopolis and he got hit and covered head to toe in garbage.

Sergio: Gross!

Sebastian Mendez: I...am going to kill him!

Eli: We'll make him pay for what he did, but we're not going to kill him.

Lincoln: He's right, but we've got to stop Morgana from killing him. She's gonna double-cross him if he fails to get rid of us, so we got to stop her.

Me: That is for sure

Nico: That's how it's done!

Me: Yeah!

Ponyta: That was fun though.

Lopunny: It sure was

Nico: Nice job, Ponyta!

Ponyta: Thanks Nico! It was fun!

Lightning Dust: Yeah!

Poromon: Want a beer?

Ponyta: Oh I can't drink. It gives me farts.

Nico: Ooh boy.

Poromon: Uh oh.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Horsea: We've got a load of pranks in store later!

Me: This will be fun!

Qin: (LAUGHS) YEAH!

Pinkie Pie: I love good pranks and they are always funny!

Rainbow Dash: They sure are!

Lola: Yeah!

Camie: Yep!

Nico: But now, the anothers.

LOUD FART!

Nico: WHOA!

Nico farted big.

Nico: Sorry!

Me: No more baked beans for you mister!

We laughed!

Me: Who did that!?

Eli: LOOK OUT!

We backed away.

But then...

CRACK!

A flower pot hit Nico on his head!

BLANG!

Followed by an anvil!

KRASMASH!

A Hay cart crashed onto Nico!

KRACRASH!

And a massive baby grand piano crashed onto Nico!

Me: HOLY SHIT!

Nico came out all battered and mangled!

Nico: (Dazed and stupid) Next time you get a fortune cookie don't read it.

Me: OOH! THAT'S GONNA LEAVE A MARK!

Horsea: Who's doing this!?

Me: I have a good idea who.

Luan: Same here.

We helped Nico out.

Lincoln: (Sensed Anothers) Uh oh, heads up, gang, we got Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of the Anothers is a really crazy prankster.

Me: Given that today's April Fools Day, I suspected we got a prankster.

Lincoln: It better not be Dark Luan because I'm gonna tear her braces out of her mouth before I lay down the law on her.

Nico: (GULPS) Ooh boy.

Me: (GULPS)

Eli: Actually it's not Dark Luan. It's Another General Woundwort, Cluck, Droll Bird, Baron of The Fiend Sword, A Cat of Ill Omen, Paddywhack, Chainsaw Rabbit and Evil Danger Mouse.

Me: WHOA!

Qin: Yeah!

Me: So Bugs Bunny, Foghorn Leghorn, Sylvester, Tweety, Speedy Gonzales, Porky Pig, Lola Bunny and Daffy Duck.

Nico: Yep.

Eli: I sense the Anothers minus General Woundwort are 1 person.

Me: Cool.

Nico: There they are!

We saw Another Cluck, Droll Bird, Baron of The Fiend Sword, A Cat of Ill Omen, Paddywhack, Chainsaw Rabbit and Evil Danger Mouse!

Me: WHOA!

Lola: Awesome!

Another Cluck: (In a girls voice) Like the pranks I did to you Nico?

Nico: (GASP) (LAUGHS HYSTERICALLY) I KNEW IT WAS YOU CALLIE TOON!

She reverted back and it was the Embodiment of the Toon Monsters!

Callie Toon: That's right!

Luan: HOLD ON! You know the legendary Queen of April Fools herself, The Embodiment of the Toon World Monsters!?

Nico: That's right! She was the best and most ultimate prankster in school and always did all kinds of funny pranks EVERYONE got a good laugh out of.

Me: That is so cool! And the Toon World Monsters are funny! Pegasus made an awesome bunch of monsters that really make us laugh!

Eli: He sure did!

Callie Toon: They sure are funny!

Me: Yep.

She pulled out a bucket full of Capn Cluck Chicken!

Callie Toon: (Eating) MMM!

Cluck: And I see that you really love eating my chicken.

Callie Toon: (Eating) Mmm! I sure do.

Me: That is big chicken fit for a king.

Qin: Yep.

Callie Toon: It sure is.

Me: By the way is the Another General Woundwort friendly or hostile?

Callie Toon: (Gulps) Friendly and she is awesome with birds.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Qin: That was awesome.

Callie Toon: It sure was. (To me) Want some?

Me: Sure.

I reached in grabbed a leg and ate it. It was as big as a turkey drumstick.

Me: (Eating) Mmm! Wow!

Cluck: I use the power of the Kolossal Kernal to make the chicken that big.

Me: Boy No kidding! But that is delicious.

Maria: No kidding! Time for backup! (TURNS DIAL) WHALE CHARGER 6!

She summoned Tidal Whale, Anthony Trumper, Triceraton 1987, Black Shadow (Ultimate Muscle), Poison Bite and Sledgehammer (Clock Tower 3).

Camie: What is the Kolossal Kernal?

Nicole: It's a magical popcorn seed that has the power to make things grow huge. It can turn roasted chicken legs into huge giant full roasted chickens.

Nico: Wow! That is cool!

Me: No kidding.

Camie: wow!

Poromon ate a chicken.

Poromon: Mmm! Delicious!

Callie Toon: It sure is.

Cluck: I use the Kolossal Kernal to make my seed for my chickens and make them grow big to make them delicious to eat.

High Volt: Take it from us. We saw it and it was awesome

Lola: Wow!

Cluck: No Antibiotics and no steroids.

Me: Good good.

Foghorn Leghorn: That must, I say, that must be some of the most amazing chicken.

Me: I agree.

Cluck: It sure is delicious.

Nico: Nice.

Lynn: Hear that, Poromon? NO steroids!

Poromon: Aw man!

WE LAUGHED!

Laney: Yeah. Oh look!

We saw Another General Woundwort!

Me: Another General Woundwort!

Laney: Wow!

Another General Woundwort: (In a girls voice) Those pranks you guys did were funny.

Me: (GASP) That voice!

She reverted back and it was the Embodiment of Ibis!

Me: Iris Ibis! Wow!

Iris Ibis: Good to see you J.D.

Me: Same here. Iris is the Embodiment of the Ibis Dopant and she is a master of birds and also the powers of darkness.

Nico: Ibis like the Scarlet Ibis bird?

Me: That's right.

General Woundwort: That is cool! I use the darkness too.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Iris Ibis: No he didn't because I had a drenched him in bird seed and then summoned a huge flock of Ibis Birds that pecked him all over and used that to run.

Sakura Knudson: (LAUGHS) That explains why I found him covered in feathers and seed.

Me: Like how Marv and Harry were. THAT WAS FUNNY!

WE LAUGHED HYSTERICALLY AT THAT!

Me: (LAUGHS) That was funny! Good memories.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first.

We did so.

Me: Now we can get the fun started.

Nico: (gets out Woundwart's Ridewatch) Time for bunny power!

May: (Gets out Baron of The Fiend Sword's Ridewatch) This sword packs a Demonic Bite!

Maria: (Gets out Chainsaw Rabbit's Ridewatch) This chainsaw has a kick! (VROOM VROOM VROOM!)

Foghorn Leghorn: (Gets out Cluck's Ridewatch) Try, I say, try Capn Cluck's Chicken. You'll love it son!

They used the powers of General Woundwort, Cluck, Droll Bird, Baron of The Fiend Sword, A Cat of Ill Omen, Paddywhack, Chainsaw Rabbit and Evil Danger Mousel and blasted the Another and smashed him all over.

Then Combustion Man, 2012 Speed Demon, Gruesome Twosome, Boris & Natasha, Giant Monster (Underdog) and Methane Monster came.

Nico: WHOA! Nice team Combustion Man!

Combustion Man: Thanks Nico.

Me: Wait the Gruesome Twosome? You are in the M.O.E.?

Big Gruesome: We sure are!

Me: Cool!

Sakura Knudson: (GASP) Boris and Natasha!? Wow!

Boris: (Russian Accent) That's right Sakura!

Natasha: (Russian Accent) We got a much better job than hunting moose and Squirrel.

Sakura Knudson: I can see that. Wow I always loved watching you guys back when I was a little girl.

Me: Good times.

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! The Methane Monster! Wow!

Lola: YUCK!

Methane Monster: Yeah sorry can't help it.

Nitro Man: That means me and my team next.

Me: FAST AND AWESOME!

Qin: Faster than a Speeding Bullet!

Lola: Yeah!

?: I'll say!

Upamon then came.

Me: Cool an Upamon!

I picked it up.

Upamon: (In a girls voice) I am a cute one huh?

Nico: Yulia Emmeson! Wow!

She glowed and Reverted back and was a girl with yellow hair and blue clothes and had yellow eyes and had blue angel wings surging with intense lightning and she had a lightning sword.

Yulia Emmeson: Awesome to see you again Nico. I got this. (Echoing) AURORA FORCE!

She fired a massive lightning blast and it hit Another General Woundwort and blasted it and I caught the Ridewatch and purified it!

Me: YEAH! Wow! You use the powers of Azulongmon!

Azulongmon: That is amazing!

Yulia Emmeson: It sure is!

Nico: Nice job!

Yulia Emmeson: Thanks. That was fun!

Me: Yeah!

Foghorn Leghorn: Do you, I say, do you have any favorite memories of Nico?

Yulia Emmeson: I sure do. When me and Nico had a ham eating contest at an amazing Christmas party and we both won. It was fun.

Me: Love Christmas ham.

Camie: Yeah!

Lola: Yeah!

They hugged.

Nico: I've missed you.

Yulia Emmeson: Same here.

We went back home.

But, what they're going to tell us is definitely not good: it appears last night Sergio has resurrected DJ Octavio by using a resurrection crystal he stole from one of the crystal mines that we'd found long ago, and they have teamed up to get revenge on us. If that stupid party animal thinks that he can get away with this, he's got another thing coming, we're going to take down the dastardly duo of Sergio and DJ Octavio, and we're sending DJ Octavio to The M.O.E. Prison, and as for Sergio, he's going right back to The Moon Prison forever, this time, he'll be put in a dark magic proof cell before Morgana Midnight Sparkle can kill him.

Lincoln: Ah, we're here in Inkopolis, and I know what we're going to do here, not only am I going to rescue the five girls here, but when we get there, we're going to be met by Inkling and the others who've got the news that they've found Sergio, but we already knew about it from King Kai.

Me: Yep.

Suddenly, we were met by Inkling and the others.

Inkling: Guys, you made it. Listen, we got bad news concerning Sergio. It appears last night Sergio has resurrected DJ Octavio by using a resurrection crystal he stole from one of the crystal mines that we'd found long ago, and they've teamed up to get revenge on us.

WE GASPED!

Lincoln: What the?! Oh no, he stole a resurrection crystal, it has the power to bring someone good or bad back from the dead.

Nico: That moronic parrot!

Me: If that stupid party animal thinks that he can get away with this, he's got another thing coming, we're going to take down the dastardly duo of Sergio and DJ Octavio, and we're sending DJ Octavio to The M.O.E. Prison, and as for Sergio, he's going right back to The Moon Prison forever, this time, he'll be put in a dark magic proof cell before Morgana Midnight Sparkle can kill him.

Lincoln: Right.

Bugs Bunny: He's gonna pay for this, and thanks for inviting the rest of us to join, Lincoln.

Buster Bunny: We're now permanently part of Lincoln's rescue team, Bugs, just like The Loonatics, and we're gonna be in for tons of wild action.

Ace Bunny: I'm glad Lincoln did just that. Now, we got to find Sergio and DJ Octavio before those two come after us.

Lola Bunny: But, how are we going to find them? They could be anywhere in Inkopolis.

Lincoln: Leave that to me.

Lincoln got out one of Sergio's feathers and he used a spell on the feather and it turned into some sort of makeshift compass needle and it was pointing to the northwest.

Tweety: Ooh, it's pointing that way!

Sylvester: That's where we'll find that party animal and that octopus. But, I know we're not killing Sergio, but what about DJ Octavio?

Lincoln: I was having the same thought. I'm not going to kill him, but we're going to throw him in The M.O.E. Prison for good.

Nico: Ooh! Smart idea, Lincoln.

Me: Awesome. Now, let's go find that feathered menace and that multi-limbed octopus.

We got move on to head northwest to take down the dastardly alliance of Sergio and DJ Octavio and save Inkopolis from that multi-limbed bad octopus and that stupid party animal and former member of the team turned traitor and convicted criminal.

We then arrived in the northwest of Inkopolis, and we found our two targets: Sergio Casagrande, Great Lakes City's notorious party animal and troublemaker and former member of the team turned convicted criminal and traitor along with DJ Octavio, Inkopolis' most notorious DJ and evil villain.

Lincoln: Sergio Casagrande, Great Lakes City's notorious party animal and troublemaker and former member of the team turned convicted criminal and traitor, and DJ Octavio, Inkopolis' most notorious DJ and evil villain. I knew you'd show your face again, DJ Octavio, and you should've never broken out of prison, Sergio. You know Morgana's just going to kill you.

Sergio: (SQUAWK) SCREW YOU! YOU RUINED MY LIFE, YOU RUINED THE SERGIO! AND I WILL HAVE MY REVENGE!

DJ Octavio: And so will I. Inkopolis will soon be mine!

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark purple hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Extras, she has a darkness greatsword in her right hand, and with her are the the seven girls.

Lincoln: (GASPS) Anastasia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Extras.

Anastasia Balthazar: That's right. Your quest for revenge was doomed ever since Morgana Midnight Sparkle freed you from prison, Sergio Casagrande, and so was your quest, DJ Octavio, and now, the curtain falls on your attempts at revenge on Team Loud Phoenix Storm.

We got out ink blasters and ink bombs and we fired them at DJ Octavio and Sergio, and they really made quite a splash and we're making quite a mess on those two. Then, Octolings appeared and Lincoln fired blasts of colored ink and they exploded with incredible power as they hit them and they were sent to Vypra.

Sergio: Rrawk! Look at what you did to my FEATHERS!

Sergio got out a marshmallow blaster.

Ronnie Anne: Uh oh, he's got out a marshmallow blaster!

Sergio: (WAR CRY)

Sergio let out a warcry and fired a lot of marshmallows at us, but Lincoln toasted them with a blast of fire and put them into s'mores which we all ate. Then, Lincoln fired a blast of energy at Sergio and he got hit.

Lincoln: Take that, stupid.

Suddenly, we heard an inhuman demonic scream, and we saw Morgana Midnight Sparkle heading for Sergio and she was out to kill him, but Lincoln fired a blast of heavenly light which hit Morgana and she got burned and she was forced to flee.

Sergio: (Screeches) What did I do?

Lincoln: Now, you see why. Morgana was going to kill you either way if you succeed or fail, Sergio, she was that insane. Now, are you going to surrender or are you going to fight again?

DJ Octavio: We're gonna fight! Inkopolis will soon be mine!

Bugs Bunny: Well, then, how about some fried calamari and some deep-fried parrot to go, Doc?

Buster Bunny: YUCK! We're not gonna eat DJ Octavio, he's been swimming in ink, and Sergio, not only are we not eating him, but he also smells like a dumpster.

Sergio: Hey! I bathe! (Sniffs under wing) (Puts on deodorant) Sometimes.

Babs Bunny: Yeah, and other times, you bathe in trash!

OOH! BURN!

SUDDENLY, OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP TO THE EXTREME!

Nico: Hah, nice one, stupid.

DJ Octavio: Sergio, you absolute fool!

Sergio: SHUT UP!

SERGIO POUNCED ON DJ OCTAVIO AND THEY STARTED GETTING INTO A REALLY NASTY FIST FIGHT!

Ronnie Anne: Oof! This is turning into one ugly fight.

Me: Big time, but you heard the secret word. Lincoln, if you would be so kind?

Lincoln: Gladly. I've been waiting a long time to tear your feathers off, Sergio! This is for every single time you've tried to stir up conflict for your own entertainment, and as for you, DJ Octavio, you're not going to hurt a single Inkling again, and Inkopolis will never belong to you nor your Octolings, this is where we end your reign here and now!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Sergio and DJ Octavio, and he proceeded to brutally smash them into the ground with his massive superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH!

LINCOLN SLASHED SERGIO'S FEATHERS OFF WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND DJ OCTAVIO AND BLINDSIDED THEM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you two!

James Blunt: That's only a fraction of what's going to be awaiting you back in prison.

We saw Sergio and DJ Octavio were a mess: Lincoln left claw marks on their bodies, and he even tore all of Sergio's feathers off.

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve mercy whatsoever for your crimes, Sergio. Your true nature's been exposed for all to see along with your family's dark secrets, and because of your unrepentant nature, you've doomed your soul to eternal damnation and no atonement for all your sins in the past can save you! You're going back to prison, same with you, DJ Octavio!

LINCOLN SHOT SERGIO AND DJ OCTAVIO AN EXTREMELY DEATHLY GLARE AND THAT MADE THEM SO SCARED, THEY SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT THEM DOWN WITH THE FACT SERGIO'S TRUE NATURE HAS BEEN EXPOSED ALONG WITH HIS AND DJ OCTAVIO'S CRIMES AND THEY NEVER REPENTED FOR THEIR CRIMES AND TELLING THEM OF THEIR FATE ALONG WITH SHOOTING THEM A DEATHLY GLARE AT THEM TOO!

Eli: They're done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST GOT YOURSELVES A ONE-WAY TRAIN RIDE TO PRISON!", "TAKE THAT, YOU MORONS!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN BACK IN PRISON!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Sergio and DJ Octavio.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to them.

Luna: And what Lincoln said was true, they're doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

and transformed, and we went after Sergio and DJ Octavio and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Sergio and DJ Octavio lay on the ground defeated by us. Then, Lincoln threw Sergio back to The Moon Prison, but this time, he was put in a dark magic proof cell to prevent Morgana Midnight Sparkle from trying to burst in and kill him, and as for DJ Octavio, he was sent to The M.O.E. Prison for good. We cheered as we holstered our weapons and powered down and we headed back home to The World Tree Estate.

Lincoln: And that is it for those two party animals.

Nico: Sergio went too far using a resurrection crystal to bring DJ Octavio back.

Me: You said it. We got to put up security systems near the crystal mines we discover on our journey.

Lincoln did just that and placed guards there, and he also harvested the crystals at the various mines we discovered and put them in a vault he had in his room.

Lincoln: I've already done just that, and I also harvested the crystals at the various crystal mines we discovered and put them in a vault I have in my room. (To Anastasia Balthazar) And it's so good to see you again, Anastasia.

Anastasia Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Anastasia Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anastasia Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Anastasia Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anastasia Balthazar and hugged her, and Anastasia Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anastasia Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anastasia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Extras, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Anastasia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Anastasia Balthazar really hates Chandler with a blazing passion, and she also knew how to bring down that sewage brat's bullying when he tried to kill Lincoln which was more than once, and all it took was one planned out performance from Anastasia, and not only was Chandler done for, but he always winds up getting his clothes shredded off including his underwear and left butt naked in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and right into the hands of the police for indecent exposure and he winds up spending a month in jail.

Nico: Lincoln told us what you did to Chandler, but we didn't want to see the flashback. Seeing him in the nude would blind people.

Anastasia Balthazar: That's true, and I saw what that heartless monster had done in trying to get rid of him, and I despised Chandler for that. But, he made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on that sewage brat's rampage.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Anastasia is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on Chandler and she and I both put an end to his rampage and got him in huge trouble and sent to jail for indecent exposure.

Luna: We were so impressed by what she did to pull one over on him.

Laney: It was about time someone pulled one over on Chandler for everything he's done: all of the times he'd bullied and tried to kill Lincoln and us on several occasions.

Lincoln: Chandler got a taste of karma when he tried to mess with Anastasia, and he wound up in the nude and getting grounded for two months because of it, and now that you're here, Anastasia.

Lincoln with his massive muscular arms still wrapped around Anastasia Balthazar's waist leaned his head down to the right side of Anastasia Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anastasia Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anastasia Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anastasia Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anastasia Balthazar.

Anastasia Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anastasia Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Anastasia Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anastasia Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anastasia Balthazar: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The five girls are Ayumi Itano, Hime Yamanami, Nana Mikado, Rimi Etou, and Yuzune Sumiyoshi from Enkou JK Bitch Gyaru - Oji-san to Nama Pako Seikatsu.

Lincoln: Oh whoa, it's Ayumi Itano, Hime Yamanami, Nana Mikado, Rimi Etou, and Yuzune Sumiyoshi from Enkou JK Bitch Gyaru - Oji-san to Nama Pako Seikatsu.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Ayumi Itano: Yes, we're okay, thanks to you.

Then, when Ayumi Itano and the other four girls saw who it was that saved them from Sergio and DJ Octavio, their faces turned atomic red upon seeing the 18-year-old 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Ayumi Itano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you really trashed Sergio and DJ Octavio hard.

Lincoln: I'd been waiting a long time to really punish Sergio my way in case he got out of prison.

Nico: That's for sure, you really smashed them hard into the ground, Lincoln.

Me: That'd teach that stupid parrot and that evil octopus.

Bugs Bunny: And we splattered them both with ink bombs and ink blasts.

Buster Bunny: It serves them both right. Sergio was an absolute menace to every last person and animal and he deserves to rot in prison and DJ Octavio tried to take over Inkopolis. Well, those two are going to spend eternity in prison.

Ace Bunny: And Lincoln also pissed off Morgana by blasting her with heavenly light and driving her away.

Tech E Coyote: That won't keep her away for long, chief. She'll come back once more.

Mina Midnight Sparkle: She's already running out of options fast, now we just need to capture Pinkie Dark, Leanne Midnight Lemon Zest, and Marianne Moonslayer, and when the final battle comes, then we free them from Morgana's dark influence, and finally, we destroy her for good.

Lincoln: Right. The spell's already completed, but we got to capture the last three Midnight Princesses and then, we can finally get rid of Morgana Midnight Sparkle once and for all.

Catherine Fontaine: We just need to hold on for three more days, Lincoln, and finally, the showdown that'll end Morgana Midnight Sparkle will come.

Mina Midnight Sparkle: Morgana took over my role as leader of The Midnight Princesses and poisoned my friends with her evil and all for her desire to destroy everything, she is nothing more than pure evil to the core, she deserves to die for her crimes.

Lincoln: And that's the one thing we will give her: death and banishment to The Black Abyss for good.

Here's the second scene

After Lincoln and all of us took down Sergio and DJ Octavio and sent Sergio back to The Moon Prison in a dark magic proof cell and sent DJ Octavio to The M.O.E. Prison, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Anastasia Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anastasia Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his

hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anastasia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anastasia Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Anastasia Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt got out a videotape.

James Blunt: Okay, now this tape is from a day after Cage came back and Caleb was still living with the both of us, it was right then and there we had a sudden look at his developing sadistic side to make bastards suffer.

James Blunt put the tape in, and it played on the big screen and it showed West Virginia during the day and it was a day after Cage came back. Caleb Maxwell was cleaning Cage's car, but then, he heard the door open, and James Blunt and Cage Blunt came out.

Past James Blunt: You've been pretty busy cleaning Cage's car since early this morning, Caleb. Are you alright?

Caleb knew that question all too well.

Past Caleb Maxwell: To tell you the truth, not exactly, Mr. Blunt. Ever since Drake found out about my return from the dead and the day I threatened to rip his head off and mount his head on The Empire State Building along with the heads of every Syndicate member and Dad's scumbag relatives, I was hit with the sudden realization that I just put my own life in danger again.

Past Cage Blunt: Hold on. You're saying you regret telling your brother off like that?

Caleb stayed silent: he knew Cage was right.

Past Cage Blunt: I understand though. Ever since you'd returned from the dead two years ago, you've lost most of your memories, and you had no idea of what to do or where to go that was until my dad came and found you, and you've had to reclaim those memories you lost. But, it wasn't an easy road for you, I know.

Past Caleb Maxwell: Cage...

Past James Blunt: What Cage said was true: you were lost with no idea of who you were, what to do, or where to go. The world you knew changed so much in eight years, but I knew about your case and if anyone found out, you'd be in serious danger because of your brother who was still alive. But, if I'd mentioned his name to you, I feared it'd trigger a breakdown for you and I chose not to say it.

Past Caleb Maxwell: Yes..., I know. You knew my case long ago, and also, what could happen if any mention of my brother reached me in my shaken up state, but when you told me that I'd died eight years ago, that's when the memory of my death came back to me: the last memory I had, but other than that, I didn't remember anything else. Then, during the two months I'd spent with you in West Virginia, Mr. Blunt, most of my memories began coming back one by one, and for the first time, I'd learned to smile once more, but not by force, but from long ago back in my childhood. But, when I'd seen the thugs of The Syndicate, that memory came back: the abuse, the terror, the pain, and that very shit-eating grin on Drake's face every time he'd attacked me, it filled me with so much hatred and I wanted nothing more than to end him and see him die in a pool of his own blood.

Past Cage Blunt: Then, let me ask you this, what was it that stopped you from doing so? If you hated Drake so much, why didn't you kill him?

That caught Caleb off guard, he hadn't expected Cage to ask that of him.

Past James Blunt: (Thinking) You caught him off guard with that kind of question, Cage. Though I know why you asked that, Caleb's heart was indeed torn between doing what he knew was right and the hatred in his heart born from Drake's ruthless abuse and violence.

Then, Caleb Maxwell answered after five seconds of getting caught off guard by Cage's question.

Past Caleb Maxwell: It was my belief in the justice system and my own humanity that stopped me from going down a road that led to Hell for me, I held on to it for so long even despite the pain and abuse Drake put me through.

Past Caleb Maxwell: But, now,...now!

But, then, they saw Caleb's face change as anger took over: his brown eyes turned red with hate and blood came pouring out of his eyes.

Past Caleb Maxwell: SCREW HIM! THAT FUCKING ASSHOLE! I'LL NEVER FORGIVE DRAKE FOR WHAT HE DID! I'M BEYOND ANY SORT OF FORGIVENESS FOR AN ASSHOLE LIKE HIM! HE TERRORIZED ME, MOM, AND ALLIE FOR YEARS AND HE'D PHYSICALLY ABUSED AND BEAT ME UP SO SEVERELY, HE SHORTENED MY LIFESPAN TO THE POINT WHERE I WOULD DIE BY THE TIME I TURNED 21, ONLY FOR HIM TO KILL ME EIGHT YEARS AGO IN 1985 DURING THE HALLOWSHADE BLOODBATH! MY MEMORIES OF MY PAST WERE GONE BECAUSE OF WHAT HE DID! HE HAS TO GO! I WANT HIM TO DIE!

They both saw it: Caleb wanted blood, he wanted revenge on Drake for ruining his life, and Caleb eventually started to cry as his blood tears fell to the ground.

Past Cage Blunt: I've never seen that side of Caleb come out before. In 1984, he had that calm look on him, but...!

Past James Blunt: It was forced and it wasn't just in 1984, the terror began when he was only 16 years old, he tried to hide the years of pain he had with that façade, but thanks to you and Travis drunk on Demon Blood always going after him, the betrayal from his former friends, and the three encounters with The Big Claw Gang, he almost let the mask slip. But, when he was about to die, his mask finally shattered, and you both saw the true Caleb Maxwell: a young man who had dreams of becoming a police officer because of what he discovered the truth about his father and brother and was scarred deeply by his brother's ruthless and violent brutality.

Suddenly, Caleb Maxwell went to James Blunt and hugged him, and being a father, he knew what he had to do as he hugged Caleb back and he let the broken teen cry, and Cage didn't step away either and joined in too.

Past Cage Blunt: (Thinking) I had no idea of how broken Caleb was, and it went back to when he was 15. He should've gone to the police with this information back then, but...!

Past James Blunt: (Thinking) But, he couldn't. Even if he did, Drake would likely get sent to juvie and get expelled from school, and considering how dangerous his brother is, he would seek revenge. So, he kept it hidden, but that abuse would finally be let out when he was taken to the hospital and was told the truth of his lifespan shortening to a dangerous degree and he'd die by age 21.

Then, after an hour, they let go, and James Blunt's sleeveless tank top was covered in Caleb's bloody tears.

Past James Blunt: How do you feel?

Past Caleb Maxwell: I feel better in some way, but I meant what I said just now, Drake deserves to die. I'm no longer comfortable with the laws of mortal men and I'm no longer considered alive, I now want only this: vengeance for my own death.

Suddenly, they saw a black car approaching, and Caleb saw eight familiar cats who he swore never to see again: they were Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, Caleb's eight former friends who betrayed him eight years ago.

Past Caleb Maxwell: Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards.

Past Cage Blunt: Looks like after what'd happened eight years ago ruined them completely.

Past James Blunt: And now, they've come for revenge.

Past Jacob Parson: This is all your fucking fault, Caleb, if you hadn't...!

Past Caleb Maxwell: Are you still going to blame me for what happened eight years ago? News flash, dickhead, you and the other seven shit for brains did this to yourselves. I admit I hadn't expected to get a sudden visit from Cage and Travis, but your dickhead friend, Ritchie Sanders, went too far in shooting me in the shoulder. You get what you deserved, Jacob.

Past Carly Evans: You little bitch! We're gonna kill you in the same way we killed your cousin!

Suddenly, Caleb's eyes turned blood red.

Past Caleb Maxwell: What? What did you say?!

Past Ritchie Sanders: That's right, we murdered your cousin, Ethan Maxwell, and it felt good, and now, we're gonna kill you again! (LAUGHING MANIACALLY)

But, that made Caleb Maxwell even angrier as he picked up a heavy rock.

Past Caleb Maxwell: You little shit...! (THROWS THE ROCK AT RITCHIE SANDERS) Take that!

The rock hit Ritchie Sanders in the mouth and his teeth were smashed out as he screamed in pain!

Past Mark Davidson: WHAT THE HELL?! How did he get that strong?!

Suddenly, Caleb Maxwell pounced on Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards and he viciously beat them up and he tied them up and he, Cage Blunt, and James Blunt dragged them to a rock quarry outside of town deep in the old mines. Then, he tied them to eight posts.

Past Caleb Maxwell: Get up already.

Caleb Maxwell threw buckets full of ice cold water at them.

Past Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards: ACK! COLD!

Past Natalie Richards: Where are we?! What do you think you're doing?!

Past Caleb Maxwell: Shut the hell up, bitch. This is where I'm going to exact some revenge on you eight. You not only betrayed me and shot me in the shoulder eight years ago when you tried to kill me, but thanks to you blabbing out that you also murdered my cousin, Ethan Maxwell, now I have another reason to not only torture you, but also, to kill you eight.

Past Mark Davidson: Kill us?! You're shitting us, right?

Suddenly, Caleb Maxwell's large black guns from eight years ago suddenly appeared and they were in the same pristine state from so long ago, and he aimed them at Mark Davidson.

Past Jacob Parson: Oh shit, you're not kidding us! You're..., you're insane! You realize you're gonna get in trouble with the cops.

Past Caleb Maxwell: We're not only far from town, but I no longer care about the law of mortal men, after all, I died eight years ago, and even after I came back, I'm no longer considered mortal, and nothing's going to stop me from doing this, and it'll also help when I go after Drake, Dad, and The Syndicate and make them suffer the same fate as you eight.

Past Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards: Shit!

Past James Blunt: What are you going to do to them?

Past Caleb Maxwell: Despite you and Cage comforted me, Mr. Blunt, those eight decided to ruin that by showing up to kill me, and I cannot forgive them for it. They betrayed me eight years ago, and I intend to get a little...payback on their hides by torturing them before they die, and since they also admitted to murdering my cousin long ago, that makes them murderers, and as vampire law dictates, you can kill them.

Past Cage Blunt: Y-you...? How did you manage to find out about the vampires' laws?

Past Caleb Maxwell: That's something I'll tell you about for another time. Alright, then, let the fun begin.

Suddenly, Caleb Maxwell started shooting at them: but he didn't hit their vital organs, he hit them in the arms and legs, and the bullets absolutely hurt like Hell as they screamed in pain.

Nico: Damn...!

Past Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards: YOU! YOU FREAKING LUNATIC! ARE YOU CRAZY?!

Past Caleb Maxwell: Maybe. See, that's the thing, my life was absolutely ruined by my little brother's ruthlessness and violent abusive madness that meant my life was going to end by the time I turned 21, but he ended it a lot earlier. Then, there's you eight deciding to betray me and kill me, you have no idea of how much you hurt me deeply with that act of betrayal. You caused me to have a severe breakdown, and yet, you showed no freaking remorse for it. It's no wonder the university decided to expel you eight and you also got disowned by your families as well, at least, they had more common sense than you sewage brained baboons.

Past Ritchie Sanders: YOU FUCKING SHITHEAD! YOU THINK YOU'RE GONNA GET AWAY WITH THIS?! WE'LL KILL YOU AGAIN AND PRESENT YOUR HEAD TO THE SYNDICATE!

Past Caleb Maxwell: What? What did you say?!

Past Jacob Parson: You heard us, we made a deal with Drake Maxwell to kill you again and bring your head to him! Killing you is what's going to avenge our wounded pride!

Past Caleb Maxwell: That's enough! Shut your mouths, maggots!

CALEB MAXWELL TOOK A LARGE TREE LIMB AND HIT THEM RIGHT IN THE MOUTHS AND KNOCKED OUT ALL THEIR TEETH!

Past Caleb Maxwell: See, right there is also another reason why you deserve to die: you only cared about protecting your shitty pride and ego, and you also had a desire for fame and fortune for the wrong reasons, and now, I find out you also made a deal with that shithead fuck, now that's another reason why you deserve to die, but not by my hand. You eight are nothing more than filth. Mr. Blunt, Cage, I'll leave them to you.

James Blunt and Cage Blunt went at Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, and they bit each of them on the neck and sucked them dry of every last drop of blood until they were all dead and they got stabbed in the chest with knives. Finally, Caleb Maxwell sprayed the bodies with oil and set them ablaze as they burned to ashes.

Past Cage Blunt: So, this is what you did to some of Drake's thugs, huh?

Past James Blunt: Along with other murderers. Caleb had the idea of dousing them with gasoline and setting them on fire, it was the way for criminals to die, but he said he was gonna spray them with oil and set them on fire. I admit, that was a better idea because gasoline always tends to get someone's attention when set on fire, and this really did the job.

Past Caleb Maxwell: It's better than using gasoline, and it doesn't leave any trace of evidence of the bastards.

They went inside and got a change of clothes after a good shower and went to sleep as the video ended.

Nico: Damn, so now, we saw the side of you that screamed out for vengeance and blood, that's pretty brutal.

Me: Without a doubt, and you were really out to kill your brother.

Lincoln: It was the first time that Cage and Mr. Blunt saw that side of you emerge, but this time, it emerged with full force and absolute vengeance.

Caleb Maxwell: I didn't want to let that side out, but ever since my mask shattered forever, I had no problem letting that side of me out, and the whole learning the vampires' laws. I had decided to learn about them from Mr. Blunt and Marcus Mackenzie, and over time, I'd learned them all too well, and I used it to not get caught by the NYPD while I went after The Syndicate.

Jack Howard: So, that's why we'd been having trouble finding the bodies of The Syndicate, it was you. You left no evidence at all despite your murderous nature.

Casey Antonio: Even so, he pulled one on us ever since his return to New York and he began killing The Syndicate members and we didn't even see it.

Roxy Drake: Had we known we were dealing with someone who's a skilled professional, we would've called for additional help.

James Blunt: (Smirks) And who do you think would help out with this? You know my son has ties with Caleb, right? And he knew all about his hatred towards Drake.

Captain Whitten: I think he got us on that one, Roxy, and he's right. Blunt despised Drake for what he did to Caleb, and it's no surprise that he also wanted him dead as much as Caleb or any vampire we see on the streets.

Caleb Maxwell: You didn't know about there being vampires in New York because they kept their true self hidden with camoflage, Captain Whitten. But, you almost got that close to finding out about my secret eight years ago, same with Jack Howard who was a recruiter during that time.

Roxy Drake: He almost found out, but you ran away before he could question you, and you knew the reason why.

Travis Tackett: Me and Cage coming out.

We got a shower, and then, Lincoln, Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice are heading to Aquatic Ruin

Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Nightmare Apprentice: (Swooning) Lincoln's gotten even more handsome and manlier than ever since we last met and after he transformed.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice and hugged them in their abnormally massive and powerful muscular arms, and Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice and Lincoln's harem placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and

Lincoln slowly sank his fangs into the right traps of Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, nineteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kelly, Shannon, Janelle, Roxanne Burgerstick, April, Sapphire Deep, Swordfighter Peach, Detective Peach, Patissiere Peach, Kung Fu Peach, Ninja Peach, Cowgirl Peach, Figure Skater Peach, Dashing Thief Peach, Mermaid Peach, Mighty Peach, Radiant Peach, Super Radiant Peach, and Nightmare Apprentice are now in your harem, Linky.

Jenna: You girls had no trouble at all.

Shannon: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

I was napping.

Poromon: I'll start us off

Me: (Snoring)

I had my hand hanging down.

Poromon put mashed potatoes in my hand and then he ticked my nose with a feather and then...

KRASPLAT!

I hit my face and splattered potatoes all over my face!

Me: (Muffled) Huh? Mashed potatoes!? Very funny guys!

Poromon: (LAUGHS) April fools!

Me: (LAUGHS) Good one!

Manaphy: Me next!

Manaphy went to Nico's room and set up a prank as he was napping. Then Nico woke up and then...

A MEAT MONSTER ROARED IN HIS FACE AND SCARED HIM BIG TIME!

Nico: (SCREAMS IN FRIGHT!)

Manaphy: (LAUGHS) APRIL FOOLS!

Nico hyperventilated.

Nico: That was... SO FUNNY! (LAUGHS) Good one!

Poliwag: Me next!

Poliwag went to Rainbow Dash's room and found her getting ready to take a nap.

She went and lied down and then...

LOUD LONG NASTY SUPER FARTS!

Rainbow Dash: WHOA!

She saw that her bed HAD NUMEROUS Whoopee cushions on it!

Poliwag: (LAUGHS) APRIL FOOLS!

Rainbow Dash laughed hysterically!

Rainbow Dash: Good one!

Horsea: Me next!

She went to Luan's room and pulled out a pie bazooka.

She saw Luan working on something. Then she fired.

NUMEROUS PIE SPLATS!

She splattered Luan all over with pies!

But it was really a dummy!

Horsea: What the!?

Luan: Nice try Horsea!

ZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPP!

She zapped her with a Joy Buzzer!

Luan: April Fools!

Me: (LAUGHS) She should know better than to go after Luan!

I was reading the newspaper.

Horsea: I'll do someone else

She went to Twilight Sparkle's room.

Just as Twilight got up she stepped on numerous banana peels.

Twilight Sparkle: WHOOAAAAA!

SLIP!

She then fell into a tub full of MINT CHOCOLATE CHIP ICE CREAM!

SPLAT!

Horsea: (LAUGHS) APRIL FOOLS!

Twilight Sparkle: (LAUGHS) That was funny! (Slurps) Mmm! Mint chip.

Hoppip: Me next!

Hoppip went to Sandy's room and as she came to her mirror she saw HAWK AND HANK POKING FUN AT HER!

Hawk: Oh, so we shouldn't say anything bad about... [turns around; grabs his behind and shakes it and rolls eyes] Texas!

Sandy: [blushes angrily] I'm warnin' you, Hawk!

Hawk: Look, Hank, I'm Texas! Duh, howdy, y'all! Howdy y'all!

Hank: I'm Texas, too. Git a dog, little longie! Git a dog!

Hawk: Howdy y'all!

Hank Git a dog, little longie! Git a dog!

Sandy: Y'all best cut it out!

Hawk: [while Hank does armpit farts] The stars at night are dull and dim, whenever they have to be over dumb ol' stupid Texas! [Sandy gets steaming mad. Hawk turns into the shape of Texas] Hey, Hank, what am I now?

Hank: Uhh, stupid?

Hawk: No, I'm Texas!

Hank: What's the difference?! [They both laugh uproariously]

Sandy: [faces the duo, her fists clenched] Y'all best apologize, or I'm gonna be on you like ugly on an ape!

Hawk: You'll have to catch us first!

They ran off!

SANDY WENT AFTER THEM AND WENT TO LYNN'S TABLE AND SMASHED AND PULVERIZED THEM FEROCIOUSLY!

Hoppip came in and laughed!

She had a Hologram of them!

Hoppip: APRIL FOOLS!

Sandy: (LAUGHS) Good one!

Jirachi: Me next!

Jirachi went to Lori's room.

Lori was putting on makeup.

Then NUMEROUS FLOWERS GREW! But then she saw they were feet shape plants!

LOUD NASTY LONG FART!

Lori: STINKWEED! EW EW EW EW!

Jirachi: (LAUGHS) APRIL FOOLS!

Lori: (LAUGHS) That was literally a good one!

Tentacool: Me next!

She then went and saw a Lynn getting ready. Then suddenly...

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

NUMEROUS JELLYFISH CAME AND ELECTROCUTED HER ALL OVER!

OUCH!

Lynn: Ouch!

Tentacool: (LAUGHS) APRIL FOOLS!

Lynn: (LAUGHS!) Good one!

Mevya: Me next!

He decided to make a prank call.

It was to Moe's Tavern.

Moe answered.

Moe: Moe's Tavern? Hang on I'll check. Hey everybody! I'm a stupid moron with an ugly face and a big butt and my butt smells and I like to kiss my own butt!

THEY LAUGHED!

Barney laughed hysterically!

Barney Gumble: (LAUGHS) OH THAT'S A NEW ONE!

Mevya: (LAUGHS) APRIL FOOLS! Moe it's Mevya.

Moe: (LAUGHS) THAT WAS A GOOD ONE MEVYA!

Mevya: Now for another one!

Kevin Levin was walking to his room when he saw Mevya laying on the floor seemingly dead.

But he wasn't going to fall for it.

Kevin Levin: Nice try Mevya.

Mevya: Aw man!

Me: Kevin's too smart to fall for that.

Kevin: Yep.

Me: That was a nice try though.

Kevin Levin: Look on the bright side. That's 6 pranks succeeded and two pranks failed. Now it's all even

Me: 8 pranks succeeded and 2 failed. But yeah. That was a good one!

Billy: Let me do one!

Billy called Vypra.

Vypra: Hello?

Billy: (In falsetto) (Clears throat) This is P.U. Poopenhauser and I am conducting a national survey. Tell me do you smell like dog doodoo or just look like it.

WE LAUGHED HYSTERICALLY!

Billy: (LAUGHS) APRIL FOOLS! It's me Billy.

Vypra: (LAUGHS) THAT WAS A GOOD ONE!

Leap Frog: (to Lightning Dust) You should take care of that Ponyta

Lightning Dust: I will and it's gonna be awesome.

Me: It sure is. Look on the bright side though Billy, at least you succeeded in pranking someone.

Billy: Too true!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Dark Connor, the dark side of Nico's brother, Connor Chan, he's come back from The Black Gates to again seek revenge on us for ruining his April Fools' Prank Apocalypse, and that evil pranking genius has set up the worst kinds of insidious pranks and gags all over the city, and these traps kill anyone who sets foot in them. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Dark Connor, the dark side of Nico's brother, Connor Chan, he's come back from The Black Gates to again seek revenge on us for ruining his April Fools' Prank Apocalypse, and that evil pranking genius has set up the worst kinds of insidious pranks and gags all over the city, and these traps kill anyone who sets foot in them.

EVERYONE GASPED!

May: Oh crap! That's not good at all!

Alicia Chan: That pranking monster's back once again?! I thought we were done with him!

Mindy Chan: This has Anti-Monitor all over it!

Connor Chan: Or Morgana Midnight Sparkle! There's no way Anti-Monitor would ever bring back that lunatic.

Lincoln: You're right, it wasn't Anti-Monitor, it was Morgana Midnight Sparkle.

Leandro Chan: My God.

Aurora Chan: We got to stop him.

Mindy Chan: And we will, Mom. We've got tons of pain and payback to unleash on that little monster for all of the nasty brutal pranks he pulled on us every year on April Fools' Day.

Nico: Especially for the time when he laced my underwear with hot sauce! Thanks to him, my butt was neon red for days thanks to him, I am so going to tear that little monster apart. Lincoln, where's he at?

Lincoln: He's hiding out in the abandoned prank factory, but since he's put up those lethal pranks and gags all over, we can't get to him.

Nico: We'll have to rescue everyone before they get caught in his pranks and get them to the safety of Lynn's Table, and then, we disable all of his insidiously lethal pranks and gags, and finally, we go hunt down Dark Connor and make him pay for almost killing everyone in the city with his pranks, and send that insidious evil pranking genius to The Black Abyss forever. Let's get going, team!

Lincoln: Let's do it. Time for that monster to pay for his crimes!

Leap Frog: You may need these guys.

He gave is weapons called the Destroyers of Dark Connor, they're a massive collection of greatswords, blasters, spellbooks, and magic rings that'll really put some serious damage on that prank-crazed psychopathic lunatic.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the thirteenth of The Midnight Princesses, Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity.

Valerie Quinn: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Laughter of

Harmony, but first, we got to deal with our little pest problem.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out and take down all of Dark Connor's pranks!

Lincoln: And then, we go after that pranking monster and end him for good, and once we get done with him, you're next, Phoebe Pinkie Dark.

Valerie Quinn: The suffering you've caused all those years ago can never be forgiven, Phoebe, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to save everyone from the lethal pranks and gags of Dark Connor and get them to the safety of Lynn's Table, and once we got done disabling the pranks, we're going to go after Dark Connor and make him pay and send him to The Black Abyss forever, and once we got done with him, Valerie Quinn and Lincoln are going to take out Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity.

We were flying to the abandoned prank factory.

Horsea: Nico, which Gene Slammer do you think you'll meet next?

Nico: DemiVeemon next.

Qin: Cool!

Nico: Yep.

Me: That is awesome.

We then saw a majestic bald eagle land on Peacemaker's arm.

Peacemaker: Hey, Eagly.

Me: OOH! Wow.

Nico: Yep.

Peacemaker: Like him? Eagly's one of my trusted BFFs

Me: He's awesome. Eagly is perfect too because he's the symbol of America.

Qin: Yeah.

Lola: That is awesome.

Peacemaker: Yep.

Nico: Alright, now we got to get to work and save everyone before they fall into that psychopath's traps and get killed.

We immediately got to work and we began rescuing the citizens of Gotham Royal York and get them to Lynn's Table, and we disabled the traps and gags that psycho had set up all over the city.

Me: Phew, that was a lot of hard work, but we did it. We got everyone to safety at Lynn's Table and we disabled that lunatic's traps.

Nico: Now, to get that pranking lunatic, Dark Connor.

Suddenly, we heard in the distance the sound of maniacal laughter and it was coming from the old prank factory that became abandoned years ago.

Mindy Chan: There's that crazy prankster now, I can hear his maniacal laughter from anywhere! Let's tear his ass apart!

Connor Chan: Wait, hold it, Mindy. You know he's me, right? So, he also has traps set up around the factory as well.

Nico: That's true, and I hadn't forgotten your traps.

Lincoln: If they're like Luan's traps, I've got just the thing.

Lincoln formed a miniature sun and threw it into the distance, and then...!

SNAP! CHOMP! CLANG! BANG! POW! BLAM! SMASH! SLAM! BOOM! KABOOM! BLANG! BONK!

WE HEARD THE SOUNDS OF THE MULTIPLE PRANKS GOING OFF ALL OVER THE AREA AROUND THE PRANK FACTORY AND WE SAW IT THROUGH A ONE-WAY VIEWING MIRROR LINCOLN MADE!

Lincoln: Gotcha, you psychotic madman!

Me: Wow, that was pretty impressive, Lincoln.

Nico: Sending a miniature sun to make all of his pranks and traps go off was really awesome. Now, then, let's get that pranking madman. (Blue Eyes turn red) You've had this coming for so many years, Dark Connor! Now, you're getting a really nasty dose of payback for all of the pranks you've pulled on us over the years!

We then headed for the abandoned prank factory, and we saw it: it was an imposing place, but the years of abandonment took its toll on the place.

Me: The Old Royal Woods Pranks and Gags Factory. Looks like no one has been here for years.

Qin: Yeah.

Nico: This is definitely a place The Joker would hide out in.

Batman: It does fit his style.

Nico: Anyone here?

Eli: (Senses him) Dark Connor is in there.

Eli: There's the door.

Eli tried to open it, but he couldn't. Then, we saw the screen come on, and there we saw Dark Connor sitting in his chair.

Dark Connor: Hah! Nice try, pathetic fools! I put in a massive Adamantium and Neutronium door with Neutronium chains and I've made it hard for you to even open it! You will never stop me, NEVER! And soon, I will unleash madness untold all over this pathetic city with my pranks and I will enjoy seeing all of you die laughing! (LAUGHING MANIACALLY)

The screen cuts off.

Nico: You psychotic little...! Now, you're really gonna pay!

Me: He really is that crazy. But, not that smart to realize how much we've changed.

Qin: I knew he wasn't going to make this easy!

Suddenly, Lincoln, Nico, and I grabbed the Neutronium chains and yanked them off of the door and absorbed the Neutronium chains into our bodies. Then, we grabbed the Adamantium and Neutronium door and he ripped the door off right off of its hinges and we absorbed the door into our bodies.

Lincoln: That's much better.

Nico: You said it. Alright, now let's get that prank crazy psychopath and tear him to pieces!

Mindy Chan: Let's tear his ass apart!

Alicia Chan: I'm going to curse him for all eternity and let the demons tear his flesh apart!

Connor Chan: He used me in his insane spree of prank crazed chaos, he needs to pay for this!

Leandro Chan: For so many years, that prank-crazy monster has caused us so much trouble, and now, his crimes have finally come back to haunt him.

Aurora Chan: And now, we're gonna make him pay for what he did!

Lincoln: (CRACKS KNUCKLES) Now, let's go hunt down that psychotic prankster and put an end him for good.

But, the bold determination and talk also caused Lincoln's harem, my harem, and Nico's harem to blush even more, especially the pure manly display of our strength in action.

Lily the Mermaid, May, and Varie: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Lincoln's harem, my harem, and Nico's harem: (Nervous Laughs) Sorry about that.

Nico: Alright, then, let's get going and hunt down that psychopathic lunatic and give him a taste of his own medicine.

Me: Entrance time people!

WE THEN WENT INSIDE THE ABANDONED FACTORY TO GO AFTER OUR TARGET: THE SINISTER DARK CONNOR, THE MAD PRANKING GENIUS, AND WE'RE GONNA MAKE THAT PRANK CRAZY PSYCHOPATH PAY FOR WHAT HE'S DONE!

We walked through the factory, and it was too quiet in there: it was silent as the grave. Suddenly, we saw incoming spring-loaded boxing gloves heading for us, but we blasted them into ashes along with whatever came at us.

Then we saw a chair and went over to it. Then the spirits of pranks came and swirled around it and then converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above it and a Phoenix Cry was heard and we landed. Finally, we saw a chair facing back at us.

Nico: We've played your dirty little games for the last time, Dark Connor. Now, turn around and face us, you coward.

Me: Yeah you chicken!

Suddenly, the chair turned around, and there we saw our target:

Dark Connor, but man, he was red in the face and he was already pissed off at us.

Dark Connor: You stupid monkey-tailed overgrown wolf freak! You have ruined my prank apocalypse for the last fucking time! Now, I'm going to kill you, your stupid sisters and brother, your parents, family, and your goddamn whores and useless children! YOU WILL ALL DIE FOR GETTING IN MY WAY!

DARK CONNOR HAS ABSOLUTELY LOST IT AND TURNED INTO AN UNHINGED PSYCHOPATH OUT FOR BLOOD! BUT, NICO PUNCHED HIM IN THE FACE AND SCRATCHED OUT HIS RIGHT EYE WITH HIS GOLD-ARMORED DRAGON CLAWS!

Nico: You did that to yourself, and that threat you just made, consider yourself a dead man walking! You may be a dark version of my brother, but it's time for an OVERDUE SPANKING!

Suddenly, we saw a massive army of demons arise and they bore the mark of Phoebe Pinkie Dark coming out.

Lincoln: So, Phoebe's sent her army of Dark Magic Insanity demons to attack us, huh?

Lincoln fired magic draining blasts that hit Phoebe Pinkie Dark's Dark Magic Insanity Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them, and that left Dark Connor all alone, and it drove him even more mad!

Me: Bowling ball bazookas fire!

BANG BANG BANG BANG BANG!

We fired Bowling Balls and then...

SMASH SMASH SMASH SMASH SMASH!

We smashed him left and right!

Me: Fart Blasters fire!

LOUD NASTY FARTS!

They fired farts and blasted him and he gagged and threw up!

Then energy blasts hit Dark Connor and we saw that they came from a Stantler!

Me: COOL! Stantler!

Nico: And then, there was one! But also what's that doing here!?

Me: One of Dark Gale's creations no doubt.

Bambi: I think I know this one.

Lilja: (Icelandic Accent) Me too.

Lilja used Telepathy and gasped!

Bambi gasped too!

Bambi: Oh man! Shania Bambi!

Lilja: Whoa! She's here! We better go help her!

Me: Right! Nico you hold him off while we do so!

Nico: Right!

We went to face her.

Lilja: Shania, it's me Lilja and Bambi!

All she did was charge at them and we dodged her.

Me: WHOA! Looks like we got to do it the hard way.

Bambi: We sure do.

Lilja: Yeah!

We fire waves of leaves and lightning and blasted her.

Then I snapped my fingers and she reverted back and was a girl with green hair and green eyes and had green leaf angel wings and had Stantler in the middle of her forehead.

We wrapped her in a blanket.

Me: Yeah!

Shania Bambi: (Groans) What happened?

Lilja: Shania?

Shania Bambi: Lilja? Bambi? You're here! Wow!

She hugged them.

Shania Bambi: Where am I?

Me: You're in the Abandoned Pranks and Gags factory in Gotham Royal York. It was closed down 20 years ago.

Shania Bambi: Oh man!

Me: You were turned into a Stantler by Dark Gale.

Shania Bambi: (GASP) I remember!

She was in a green suit and injected and then she turned into Stantler and busted out and blasted the members all over and left.

FLASHBACK ENDS

Shania Bambi: It was awful.

Me: Well Dark Gale is gone. We destroyed them.

Shania Bambi: Thank goodness.

Me: We're in the middle of a battle right now.

Luan: A funny one!

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her green and spring green clothes and a plant sword.

Shania Bambi: Wow I look amazing!

Me: You sure do.

Shania Bambi: Lets get this monster.

Me: It's a dark version of Nico's Brother, Connor. It's April Fools Day and he is dangerous.

Shania Bambi: Oh man!

We went to face him.

I flicked the switches for Stinky Butt, Ol Faceful and Cheese Planet and got a REALLY NASTY STINKY FART SWORD!

Me: The Sword of a Thousand Stinky Purges!

Nico: Nice!

Me: SUPER PURGE STYLE NINJA ART: NASTY VOMIT DELUGE REGURGITATION!

I swung it and fired a massive wave of rotten vomit and drenched Dark Connor all over! YUCK!

Peacemaker shot his gun at him

BANG!

He got hit in the leg!

Me: Nice shot!

Shania Bambi: Like old times guys?

Lilja: You know it!

Bambi: Lets do it!

Shania, Bambi and Lilja: BAMBI FOREST MEGABLAST!

They fired waves of energy and leaves and blasted him.

But then Megan Rockell and Shania's bodies were twitching. They yelled in surprise.

Megan Rockell: No! We control the power!

Shania Bambi: It doesn't control us!

They concentrated and reigned in the power of Rapidash and Stantler and they transformed and blasted him all over. They reverted back and blasted him with fire and leaves.

Dark Connor: YOU! YOU! HOW DARE YOU GET A HAPPY ENDING! HOW DARE YOU!

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Dark Connor on the butt, and he screamed in agonizing pain as he was holding his butt!

Lincoln fired the massive energy ball, and it hit Dark Connor and exploded with incredible power

Peacemaker pulls out an Heckler & Koch HK416D Carbine and plays air guitar with it before firing a barrage of sweeping bullets at

Dark Connor's legs, causing him to stumble backwards. Eagly then flies in and attacks Dark Connor, clawing and pecking at his face where Peacemaker approaches with a Kel-Tec KSG shotgun. He smacks him in the face with the butt of the firearm then performs a trick shot under his groin, shooting Dark Connor in the chest, with the pellets of the shotgun blast forming a peace symbol in Dark Connor's body as it destroys and shatters his ribcage, shoulder blades and spine in the process.

Me: WHOA! Nice shooting Chris!

Peacemaker: Thanks! That was fun.

The magic from Lincoln took effect and it reduced him to ashes and sent his spirit to The Black Abyss forever.

We cheered as we holstered our weapons and powered down!

Nico, Alicia Chan, Mindy Chan, Connor Chan, Leandro Chan, and Aurora Chan: It's over for you, Dark Connor! Never come back to hurt us again, you psychotic prank-crazy madman!

Me: See you never, you psychopath.

We cheered wildly as we holstered our weapons and powered down and Valerie Quinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large pink planets orbiting around her legs, twenty-five smaller pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink planets orbiting around her wrists and ankles, and massive pink angel wings and eleven sets of large pink angel wings underneath her massive pink angel wings are permanent.

Valerie Quinn: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down

Phoebe Pinkie Dark, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Valerie.

Me and Nico: Our pleasure, Valerie.

Suddenly, Valerie Quinn wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Valerie Quinn's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Daydream Pinkie Pie flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Valerie Quinn sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Phoebe Pinkie Dark.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Funky Comedian appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Cordelia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Funky Comedian.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Cordelia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Funky Comedian, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Cordelia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Cordelia Balthazar really hates Hawk and Hank with a blazing passion, and she also knew how to bring down the bullying and actions of those two overgrown gorillas when they tried to kill Lincoln which was more than once, and all it took was one planned out performance from Cordelia, and not only was Hawk and Hank done for, but they always wind up getting their clothes shredded off including his underwear and left butt naked in front of an audience of imps, fiends, and demons she summons and they all laugh at them and they run out of the auditorium humiliated to the extreme and into the hands of the police for indecent exposure and he winds up spending five months in jail.

Nico: Oh boy, and knowing those two, they tried to kill you again, right?

Lincoln: You guessed it. But, I'm not going to show the flashback on how we did that to Hawk and Hank.

Me: Good idea.

Lincoln: And tomorrow's Lucy's big day mission with Tara Duncan, but we won't just be dealing with the next of The Midnight Princesses, but there's no doubt Deacon Frost will be coming after us. The second he does, I'm gonna bite him hard in the neck and suck him dry of every last drop of blood in his body.

Me: Yeah!

Poromon: You did good too, Eagly

Me: Yeah!

Eagly screeched in agreement.

Camie: That was fun.

Nico: Yep. And we have another member of the Midnight Princesses captured.

Qin: Yeah.

Peacemaker: Don't I get a thank you for helping to kill the evil prankster?

Me: Yes you do Chris. You did great. Thank you.

Peacemaker: No problem.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the 1982 anime series The Mysterious Cities of Gold, and we're going to help Esteban and his friends and give Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec The Black Abyss, as for The Doctor, Marinche, and Zarès/Ambrosius, they're heading to prison, but as for Isabella Laguerra, she may be the sword-wielding daughter of Fernando LaGuerra and is the henchwoman for Zarès, but she helps the children on several occasions. She developed a rivalry with Mendoza at first, but eventually, she falls in love with him, so she's going into The Redemption Squad.

And we're going to meet the next Abyss Actor Gene-Slammer and Avatar, her name is Cordelia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Funky Comedian, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Cordelia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Cordelia Balthazar really hates Hawk and Hank with a blazing passion, and she also knew how to bring down the bullying and actions of those two overgrown gorillas when they tried to kill Lincoln which was more than once, and all it took was one planned out performance from Cordelia, and not only was Hawk and Hank done for, but they always wind up getting their clothes shredded off including his underwear and left butt naked in front of an audience of imps, fiends, and demons she summons and they all laugh at them and they run out of the auditorium humiliated to the extreme and into the hands of the police for indecent exposure and he winds up spending five months in jail.

Next is Lucy Loud, Dora Santiago and Brittney Knudson's day to shine and we're going to battle Serena and Deacon Frost!

See you all next time.

SORCERESSES VS VAMPIRES

BUCKLE YOUR SEATBELTS EVERYONE!

This chapter is based on Tara Duncan

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to the western part of Gotham Royal York, but as he was flying, he heard the sound of crying, and he saw a girl with long brown hair with dark blue streaks, black angel wings, and only in a bra and panties and she had blue eyes with tears running down them. Lincoln saw who it was: it was Ashley McKenna, one of his Guardian Angels and another of his childhood friends. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: You found Ashley McKenna?! Oh man! We've been looking all over for her after the murder of her parents six years ago.

Lincoln: And she's been living on the streets this whole time?! I've got to get her back and bring her here at once.

Selene Emperyous: But, if she finds out Sebastian's here, she's gonna kill him. Even despite that Sebastian was also another of Dark Chase Young's victims, she swore never to forgive him because he was the one who murdered her parents six years ago.

Lincoln: I know.

Lincoln got dressed, and suddenly, I came into his room along with Nico.

Nico: Lincoln, what's wrong?

Lincoln explained everything, and when he was done, we were shocked.

Me: My God. Go get her, Lincoln.

Nico: And in the morning, we'll hear the whole story, and Buster and the others better stand ready. Ashley will no doubt try to get revenge on him for what he did.

Lincoln: Got it.

Lincoln flew out of The World Tree Estate and he went to the western part of Gotham Royal York, and he looked around. Suddenly, he saw Ashley McKenna and she was still crying her eyes out.

Lincoln: Ashley McKenna?

Ashley McKenna: (Through her tears) W-who's there?

Suddenly, she saw Lincoln as he kneeled down to her.

Ashley McKenna: Lincoln?! Is that...?

Lincoln: Yes, it's me.

Suddenly, Ashley McKenna wrapped her arms around Lincoln's neck and she really cried heavily as Lincoln wrapped his arms around her.

Lincoln: It's okay, Ashley, I'm here.

Ashley McKenna: I'm so glad to see you again, Lincoln.

Lincoln: We've been looking for you for six years after what happened, but you just disappeared. We thought Swartz kidnapped you, but you were hiding out in the streets. Come on, let's get you back to our home and get you a shower and some fresh clothes.

Lincoln grabbed Ashley McKenna and picked her up and brought her back to The World Tree Estate and she got a bath and changed into some cleaner PJs and they went back to sleep, but he was so glad that he found Ashley McKenna and she was back with Lincoln. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to the western part of Gotham Royal York, but as I was flying, I heard the sound of crying, and I saw a girl with long brown hair with dark blue streaks, black angel wings, and only in a bra and panties and she had blue eyes with tears running down them.

Luna: Who was it, dude?

Selene Arcangela: That girl was Ashley McKenna, one of his Guardian Angels and also, another of his childhood friends.

EVERYONE GASPED!

Nico: Lincoln went and brought her back here.

May: What exactly happened to her?

Then, Ashley McKenna came out and she had on a dark blue wardrobe that Rarity made for her, and she had an Elemental Thunderbird Necklace of Eternal Love on her neck with dark blue gems embedded in the gold lightning bolt links and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria: Yep, so this is...!

Anna Anyanova: That's right, allow us to do the introductions, this is Ashley McKenna, she's Lincoln's Guardian Angel from Michigan and one of his many childhood friends from when he was little, and she has the powers of water and rain, and she's also an awesome swimmer and member of the swim team, and she also helped him master the powers of water and rain, and she also helped him with doing many swimming techniques, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even more stronger, and she also helped him bulk up even more in muscle. Lincoln made her a powerful water greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem.

Maria: Wow, that's awesome!

Anna Anyanova: It sure is. But, her happiness would come to a tragic end and lead her down into misery. Six years ago, Ashley was asleep at home, but then, her parents woke her up and told her that they needed to run. The reason was because a bloodsoaked murderer was inside the house. Ashley did just that as she got up and only in her PJs, she and her parents prepared to run for their lives, but then, they saw the bloodsoaked murderer appear and it was someone whom her fellow Guardian Angels fought against so many times over in the past: it was Sebastian Mendez before he was freed forever from the curse Dark Chase Young put him under along with the darkness he harbored, he was the deranged murderous fucked-up nightmare of all mankind and the universe and beyond. Then, he did the one thing that would ruin Ashley's life forever, he brutally murdered her parents in cold blood, and he was covered in their blood as he was cackling insanely. Ashley was absolutely heartbroken by the sudden murder of her parents and she blasted him with water, but he attacked her and burned her PJs off leaving her in a bra and panties, and he tried to murder her too in a fit of deranged madness. But, she blasted him once more and she had to flee from him and she spent the years wandering the streets only in her bra and panties, but she didn't hide her tragedy and despair over the murder of her parents nor her hatred towards

Sebastian: he murdered her parents in cold blood and he enjoyed killing people to slake his thirst for blood, death, chaos, and destruction, and she swore that one day, she would kill him despite finding out that Dark Chase Young was the mastermind behind the suffering of not only Lincoln, but also, so many people throughout the 1,500 years he'd lived.

When Anna Anyanova was done, we all had tears in our eyes, and finally, huge rivers and streams of tears came pouring out of The World Tree Estate as we cried our hearts out.

Me: (Voice Breaking) My God, that's definitely the saddest thing we've heard!

Nico: (Voice Breaking) Same here.

Qin: You went through the same thing Sabrina Lorelai had when her parents were murdered.

Ashley McKenna: Yes, that's right, and despite everything that I'd heard, I harbored hatred towards Sebastian for what he did, and even if he's redeemed himself, nothing will help me recover, I despise him to my core and what he's done in the past ever since his descent into madness was horrifying, he's nothing more than The Devil in human skin!

Lincoln wrapped his arms around her and hugged her.

Lincoln: I know, Ashley, and I knew you were never going to forgive him, not after what happened that night six years ago.

Suddenly, Buster Bunny and his friends turned red with rage and the burst into flames and ashes and emerge again from the ashes!

Bugs Bunny: Uh oh!

Yakko: Oh no. Now, he's gone and done it.

Wakko: This isn't going to end well.

Dot: Everyone, duck and cover!

We immediately ducked for cover!

Buster Bunny: SEBASTIAN MENDEZ, GET YOUR MURDEROUS DERANGED DESTRUCTIVE HIDE OUT HERE RIGHT NOW!

Sebastian came out, but when he saw Ashley McKenna glaring at Sebastian along with Buster Bunny and the others, he was in huge trouble. Sebastian tried to run, but Ashley McKenna unholstered her water greatsword from her back and pointed it dangerously close to Sebastian's neck, and she was out for vengeance.

Ashley McKenna: You have no fucking idea how much I've been waiting for this day to come at long last. You ruined my life six years ago when you showed up and murdered my parents in cold blood and I had to stay alive by wandering the streets, I almost got kidnapped by Swartz if I hadn't sprayed him with water and drove him out along with The Time Jerkers. Do you even have any idea how many times I've cried longing for my parents whom you killed?! Their blood is on your hands along with the blood of so many of your victims, and no amount of atoning for your sins will ever wash away what you did! Sebastian Mendez, Demonic Nightmare to All Life on Earth and The Universe, for the crimes you committed against all of mankind and all life on Earth and the universes and multiverses beyond, I hereby sentence you to death for all of your crimes!

Lincoln and Guardian Angels: Oh crap! That's not good!

Nico: What? What's bad?

Me: Angering Lincoln's Guardian Angels as we all know is bad, but when someone murders their loved ones and does so with complete and utter malice and madness in their hearts without any regard for the consequences of their misdeeds, that ultimately means that person's unleashed the full wrath of Heaven itself!

Qin: And I know that look in Ashley's eyes, remember when we faced that deranged Satanist who'd murdered Sabrina Lorelai's parents two years ago? That's the same look in Ashley's eyes: she wants blood, she wants vengeance for the murder of her parents, and nothing's going to stop her. She can still see how much of an evil heart Sebastian had.

Lincoln: My Guardian Angels always had that ability to see the evil in someone's heart. But, I got to stop her, Sebastian's now freed from the curse.

Anna Anyanova: I know, Lincoln, but that's not going to stop Ashley. Every night she's had to deal with the endless nightmares of that night along with hearing Sebastian's deranged laughter and the absolute utter malice and cruelty he carried with him, he's a witch with a heart of ice and madness.

May: I wouldn't go that far as to call him a witch, but yeah, after seeing what he'd done in the past, he's actually a lot worse than a witch, he was an absolute demon and like Ashley said, he was a Devil in human skin!

Suddenly, Ashley McKenna attacked Sebastian with slashes from her massive water greatsword and she also blasted him with blue energy blasts and waves of water and he got soaked hard, but when she blasted him with holy water, he screamed in pain: the holy water was acid to his skin as it burned him.

Lily: Whoa, did she...?

Lucy Loud: Gasp! She used holy water on him, and it burned his skin like acid.

Nico: She also uses holy water as well, perfect for fighting demons or keeping possessed people at bay, but it's not good if Sebastian winds up getting hit. Dad used holy water once on him, and it left one nasty burn on his back.

Sebastian Mendez: (SCREAMS IN PAIN)

Suddenly, Ashley McKenna's rage died down on its own.

Ashley McKenna: Look, I don't forgive you for what you did in murdering my parents six years ago, and frankly, I want nothing more than to end you here and now. But, you're also a victim of Chase Young's Dark Side, so I'm not going to kill you, Sebastian.

Sebastian Mendez: I get that, and...!

But, then Ashley McKenna raised her water greatsword to his neck once more.

Ashley McKenna: But, that doesn't mean you're forgiven. You so much as pull something to hurt our man and his kids, harem, friends, and family, you're gonna wish you were dead by the time I get done with you.

Ashley McKenna came back and straightened the table out, and we continued with breakfast.

Me: Damn, that was really intense.

Nico: No fooling, Ashley was really pissed at Sebastian, and I thought she was gonna decapitate him, but she didn't.

Lincoln: She may have realized that he was a victim of Dark Chase Young at last, but that still doesn't mean she forgives him, and she made her warning clear: if he ever did anything evil to me, my kids, harem, friends, and family, she's gonna make sure he winds up in a world of pain.

Qin: (Shudders) But, at least, she's not gonna kill him anymore.

Buster Bunny: What the?! The fight's stopped already?! No way, let's get him, toons!

Buster Bunny and his friends were about to attack, but then...!

Lincoln: ENOUGH! (WOLF ROAR)

Lincoln let out a massive and loud wolf roar, and that caused Buster and his friends to freak out like crazy!

Qin: Whoa!

Anna Anyanova: I knew he'd resort to that!

Ashley McKenna: That's only if he gets pissed.

Lincoln: Now, we swore that Sebastian's been through enough, right? So, back away right now.

Plucky Duck: And what if we say no?

Lincoln: (WOLF GROWL)

That alone caused Plucky Duck to back down and sit back in his chair.

Babs Bunny: You better do what he says, Plucky, or you'll be in for a lot worse than getting pelted by snowballs years ago.

Plucky Duck: You make one mistake and already, you're marked for life. Yeesh!

Luna: Your fault though.

Me: She's right, you were so focused on getting the glory, you just cost your team victory.

Nico: And you got pelted with those snowballs. Shame on you, Plucky.

Buster Bunny: They're right, so let's just stop, okay?

Lincoln: Thank you, Buster. (Sees what Buster's gonna do) Wait a minute, mister, you better not try and put that jellyfish on Plucky's head.

We saw it for ourselves, and Buster Bunny had that same orange jellyfish in his hand. But, before he could get rid of it, he slipped and it fell on his head and he literally got electrocuted, and when it was done, his brain was fried.

Babs Bunny: Buster, are you okay?

Buster Bunny: (Crazy) Yeah, great, let's do that again! (LAUGHING CRAZILY)

Lincoln, me, and Nico: Uh oh! His brain's been fried!

Eli: Great, now we got a Crazy Samson situation. Buster, take that jellyfish off your head right now!

Buster Bunny: (LAUGHING CRAZILY)

Then, Buster Bunny threw chocolate pudding at Eli and he got splattered.

Buster Bunny: PEANUT BUTTER SHORTCAKE! (LAUGHING CRAZILY)

Me and Nico: GRAB THAT RABBIT!

Lincoln tried to grab Buster Bunny, but he hopped high into the air, and he went to the window.

Buster Bunny: YOU'LL NEVER TAKE ME ALIVE, COPPERS! (LAUGHING CRAZILY)

Then, Buster Bunny escaped!

Nico: He's escaped!

Lincoln: Let's finish breakfast and head out to take down the next villain for Nico's rescue and get that jellyfish off Buster's head.

Nico: Right.

TOCATTA EN FUGUE IN D-MINOR BY JOHANN SEBASTIAN BACH PLAYS

Lucy's Coffin opened up and Lucy woke up to see Crobat staring at her.

Crobat: Morning Lucy!

Lucy Loud: Good morning Crobat.

Crobat: Time to get ready. It's your big day.

Lucy Loud: Gasp! Better get ready.

ZOOM!

She went and got dressed for her day of darkness.

I was making Lucy's breakfast and then I had a ghost sense.

Me: (GASP) Morning Lucy.

Lucy Loud: Morning J.D.

Nico: Nice sensing of her.

Me: Thanks. I made your favorite. Blood Sausages and Red Velvet pancakes with strawberry syrup.

Lucy Loud: Thanks J.D.

She got to eating. And she loved it.

We then finished our breakfast, and we set out to take down the next villain for Nico's rescue and get that jellyfish off Buster Bunny's head.

Neon: I can't believe your brother did all kinds of terrible pranks like that!

Me: He was like Luan back when we first met back in 2016.

Neon: Was it that bad?

Lincoln: It was horrible! Every year my sister Luan created a prank apocalypse and no one is spared!

Ace: You mean like whoopee cushions, squirting flowers and stuff like that?

Lincoln: Oh no. It's way worse than that. I present to you Luan Loud's April Fools' Highlight Reel. [He clapped his hands and He begins showing us a montage of Luan's April Fools' Day pranks on the Loud Family. First, the siblings are looking at their furniture, which is tacked upside down to the ceiling.]

Luan: "I'd say this prank's a little over your head!" [laughs] [Now they open the door to find the room full of chickens]

Luan: "Seems to be your clucky day!" [laughs]

[Now the kids are looking at their house all wrapped up in wrapping paper.]

Luan: [rips through a window] "I guess that's a wrap!" [laughs]

[Now the siblings are trapped in a humongous gelatin.]

Luan: "Aww, look at the Loud Family gettin' jiggly with it!" [laughs]

[The pets' fur and Walt's feathers got shaved off.]

Luan: [holding a buzz shaver] "I shaved the best for last!" [laughs]

[The video ends and most of us that hadn't seen it were horrified]

Neon: Luan did all that!?

Me: She sure did. Me and Varie were horrified seeing that. You wouldn't believe what she did to us back then. They were so bad that we got put in the infirmary back in my mansion.

Neon: OUCH!

Nico: April Fool's Day was dreaded back then.

Mindy Chan: Yeah especially for me and my siblings.

Luan: Connor did worse than me.

Nico: That's right Luan and here's a montage of pranks that he has done to all of us. I present to you Connor Chan's April Fools Highlight Reel.

Me: Nico showed this one to us before the Great War with The Royal Defenders and it was brutal. Watch.

Nico played a montage of pranks Connor did in the past. The first clip showed Nico having breakfast and then his face turned red and a massive blast of fire exploded out of his mouth.

Connor: I would say this prank Spices you up! (Laughs)

Nico: He poured capsaicin extract hot sauce into my cereal.

Me: But that prank wouldn't bother me.

Alicia: Here's me.

Alicia opened the fridge and a spring-loaded boxing glove punched her in the stomach and sent her flying straight into a pile of sludge.

SPLAT!

Connor: Something Stinks around here. (Laughs)

Alicia growled.

Alicia: I smelled horrible for a week.

Mindy: Look what happened here with me.

Mindy was playing video games and suddenly she got hit with rotten eggs and they exploded and made her smell really horrible!

Connor: How Eggceptionally funny! (Laughs)

Mindy: I smelled horrible for a month.

Nico: Here's another thing that happened to me.

Nico walked into his closet and then he screamed as he got sprayed by 12 skunks.

Connor: Skunks to be you! (Laughs)

Nico: I had to take a bath in a pool full of tomato juice.

Alicia: This one hurt bad.

Alicia was walking to her room when she stepped on a roller skate and fell onto a bunch of mousetraps and they snapped on her and she was in a lot of pain.

Connor: That makes you snap! (Laughs)

Alicia growled.

Mindy: This one really hurt me.

Mindy was getting a glass of water and as she was about to leave the kitchen a bowling ball dropped from the ceiling onto her foot.

CRUNCH!

Mindy: OW!

She hops holding her foot in pain and she inadvertently steps on a banana peel that causes her to fall into a snare trap and it flings her into a massive pile of rotten garbage.

SPLAT!

Connor: That's a Strike with lots of Ap-Peal to Refuse! (Laughs)

Mindy: I had a nasty broken foot that took 8 weeks to heal.

Nico: But watch this one.

Nico went to the kitchen and he stepped on a tripwire and a watermelon hit him in the face and exploded all over him and completely covered him with chocolate pudding.

KABOOM! SPLAT!

Connor: This is one Fruit that is Sweet! (Laughs)

The montage ended.

They were horrified!

Nico: It was the same for my family too.

Lincoln: Same with me

Me: You wouldn't believe what we went through.

Anna Anyanova: Me and my fellow Guardian Angels went through so much protecting Lincoln from all those pranks.

Me: Yeah it was awful. But here's what me, Varie and the Loud's went through back then.

I went over what happened in chapters 12, 18 and 39 of Loud House Revamped and it was intense!

Neon: HOLY CRAP!

Lily: Yeah that was crazy!

Neon: WHOA! Boy you guys went through a nightmare!

Qin: I know!

Me: Yeah it was like going through World War II. Or in this case PRANK WAR II.

Nico: Yeah!

Anna Anyanova: But at least Luan and Connor are never gonna do those horrible pranks ever again.

Me: That is for sure.

Nico: THANK GOD!

Me: Amen!

Maria: Peacemaker pretty much killed Dark Connor yesterday.

Me: He sure did! WOW! That was awesome!

Luan: It sure was!

Laney: That was awesome!

Apple Bloom: I wonder if Peacemaker can teach me and the Crusaders how to shoot with a gun like that?

Maria: Why's that?

Apple Bloom: Want to add more style to our blasting moves.

Me: That makes sense. Especially for Marinette's big day later on.

Nico: Ooh! I like it.

Neon: Why? Because of Lila Rossi?

Me: Bingo. The Crusaders did kill her.

Neon: Oh right. Wow they sure were amazing back then.

Applejack: That's my sister and her pals for ya.

Hitch Trailblazer: And I helped them get into the Law Enforcement field. I trained them for it and it really helped them out big time.

Me: He sure did and it really paid off big time.

May: Actually, it was Apple Bloom who killed her.

Me: Hey they all deserve some form of credit together.

Apple Bloom: Yeah we all worked together.

Me: That's right.

May: You're right.

Me: Yeah. Anyway lets just relax and enjoy the fun.

Lola: Yeah.

Sunny Starscout came with smoothies.

Sunny Starscout: Smoothies guys?

Me: Hey sure Sunny.

We got some smoothies.

Me: (Slurps) Ahh! Delicious.

Nico: (Slurps) Ahh. And refreshing.

Eli: You said it. (Slurps) Yummy.

Pipp Petals: Especially the Strawberry Ripple Smoothies. Oh my glitter always love it.

Me: Yeah.

Manaphy had a smoothy.

Manaphy: Ahh! Yummy.

Lincoln: Okay, guys, we're in for a really brutal battle, we're here in Neo Gotham City Park, but here's the bad news: it appears The April Moon Gang is back, and they're causing havoc.

I did a spittake!

WE GASPED!

Me: What the?!

Nico: Oh crap.

The rest of the team was with us.

Lori: This literally isn't good, we got to stop them.

Me: And we will, Lori. Plus, we also found out that Buster's also here. But, Lincoln, hold off on getting that jellyfish off his head, I want to see what he's gonna do to them.

Nico: (Smirks) J.D., you sadistic genius. This is gonna be good.

Lincoln: Okay, I'll hold off on getting that jellyfish off his head. Besides, I got a camera ready to film the shenanigans he's gonna pull on them.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Me: I'm getting REALLY SICK and tired of that repulsive featherduster!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of escargot into his throat.

Lincoln summoned a vat full to the brim of escargot.

Marinette: Escargot!? Oh boy!

Me: Ooh boy.

Nico: It's gonna be puke city if he eats escargot. This should be good.

Caleb Maxwell: No doubt it'll affect him, birds like him don't eat snails without barfing.

James Blunt: (Smirks) Care to put your money where your mouth is, Caleb?

WE GASPED!

Me: Uh oh, sounds like Mr. Blunt's issued a bet against you.

Cage Blunt: Caleb, don't do it. I know that look in Dad's eyes, he's gonna see if you're willing to take on any bet he makes against someone.

Caleb Maxwell: I'll take it. What's the pitch?

James Blunt: If Sergio eats the whole vat of escargot without barfing, you've got to help me with a huge repair job on Mayor Davis' car, if he barfs, I'll help Allie with whatever she's got planned for me.

Caleb Maxwell: (Smirks) Deal.

They shook hands, and Cage Blunt smacked his own head.

Cage Blunt: Allie, your brother's such a stubborn jackass.

Allie Maxwell: I know, and he's still going to help Mr. Blunt with that huge repair job on Mayor Davis' car, he's not going to turn down your dad who took him in after he came back from the dead.

Ed Cowart: True, and honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of The April Moon Gang and get that jellyfish off Buster's head after he gets done with them.

Camie: Who are the April Moon Gang?

Me: Oh they are Cybernetically enhanced punks that love causing trouble.

I went over who they were.

The April Moon Gang were a group of former street punks, who, thanks to Dr. Corso, had all undergone cybernetic enhancement, giving each of them a unique gimmick that made them very deadly. The gang is most known for the "kidnapping" of April Corso in order to blackmail Dr. Corso into giving them their enhancements.

Despite their enhancements; their biggest weakness was their overconfidence. It was found that Corso implanted voice-activated kill circuits to destroy their implants via password. Upon discovering the password at the last second, Batman defeated all but one member who was later subsequently killed by Corso.

Bullwhip (real name: Harold) was a man who is able to extract metal whips from his wrists and a supervillain in the animated TV series Batman Beyond. He is the main antagonist of episode "April Moon".

Bullwhip got these powers by enlisting the aid of Dr. Corso. He seemingly was not satisfied enough with the weapons. So, he and his gang kidnapped Dr. Corso's wife April Corso and blackmailed him into making upgrades to his wrists.

However, Batman got involved and the gang overpowered him the first time.

After stalking them to their hideout, Batman and Dr. Corso (who followed the vigilante) found out that April wasn't kidnapped, but there willingly and was having an affair with Bullwhip. Dr. Corso became emotional, forcing Batman to hide him. Bullwhip and his thugs became aware that Batman was around and attacked him.

After Batman disabled all his teammates, Bullwhip escaped and returned to Dr. Corso asking him to upgrade his wrists one last time so that April will be returned. Bullwhip told him to make him strong and "don't hold back", unaware that Corso knew everything. Dr. Corso took his drill out and repeated Bullwhip's words. Bullwhip had a mask placed on him and the last thing he saw was the Doctor who told "I understand. No holding back". He proceeded to grab a drill and get to work.

Bullwhip's ultimate fate is unknown but Bruce implied that Dr. Corso most likely murdered him or at least maimed or lobotomized him.

When it was done everyone was shocked!

Nico: Man those guys are jerks!

Me: Yeah I know. We beat them before many times. I rescued April from them. Turns out she was just acting to get on Bullwhip's good side.

Nico: Nice.

Me: I got some nasty surprises in store for them. (LAUGHS SADISTICALLY)

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and

massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The April Moon Gang) AHA! Gotcha! I just spotted The April Moon Gang, they're 20 yards away.

Me: At least they aren't far away.

Akiza heard a Pokemon cry

Akiza: Hey look!

We saw a Roselia!

Me: Whoa a Roselia.

Black Rose Dragon: That's perfect for you Akiza.

Akiza: Yeah. Are you hungry?

Roselia: I sure am.

She gave her apples.

Akiza: There you go.

Roselia: Thank you.

She ate them.

Akiza: Would you like to come with us?

Roselia: I would be honored..

Me: Awesome.

Nico: You won't regret it.

But then...

BOOOOM!

A FIREBALL HIT NICO SQUARE IN THE BACK AND EXPLODED!

Me: WHOA!

Nico: OW! Okay who is the wiseass!?

Lana: LOOK!

We saw a Flareon!

Me: WHOA! A Flareon!

Nico: How'd that get there?!

Meowth: That must be one of Dark Gale's creations. I remember this roast I did for Jessie. I said she evolved into a Flareon.

Misty: I remember that! I called Jessie an Ugly Old Hag and she exploded in a rage!

Me: WHOA!

Horsea: Scary!

Me: I know. No offense Jessie.

Jessie: None taken.

Neon: What do you mean by that?

Me: Jessie absolutely HATES AND DESPISES being called Old! When she was on Team Rocket she always was worried about her looks and all that.

Jessie: He's right.

Me: Like how Nico absolutely HATES Being called Fatass and Kushina a tomato. Right?

Nico: You know it.

Seashell: Lets see if I know this one.

She used telepathy and gasped.

Seashell: That's my sister Firestar Seashell!

WE GASPED!

Pipp Petals: (GASP) Oh my Glitter! That is so amazing Seashell!

Me: Then that means Vaporeon and Jolteon must be Glory and Peach Fizz's sisters!

All she did was fire a massive Flamethrower attack at her and we absorbed the fire from her.

Me: I remember Ash said that a Flareon packs a fiery wallop.

Seashell: No kidding.

Me and Seashell fired waves of ice and froze part of it.

She broke out and went at me and slipped.

I snapped my fingers and she reverted back and was a girl with red hair and had light green eyes and had Flareon in the middle of her forehead and had intense fire wings and had an orange and red version of Seashell's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: That did it. Nice job Seashell.

Seashell: Thanks J.D. That was awesome.

Pipp Petals: Oh my glitter! That was amazing!

She woke up.

Firestar Seashell: (Groans)

Seashell: Firestar?

Firestar Seashell: Seashell? (GASP) Seashell my little sis!

She hugged her.

Seashell: I'm glad you're okay.

Firestar Seashell: Me too. What happened?

Me: You were turned into a Flareon by Dark Gale.

Firestar Seashell: (GASP) I remember!

FLASHBACK!

She was in an orange suit and injected and she bursted into intense fire and turned into FLAREON! She blasted the members of Dark Gale and ran out by burning a hole in the wall.

FLASHBACK ENDS

Firestar Seashell: That was awful.

Me: Well we destroyed all of Dark Gale. So they are no more.

Nico: It's true.

Me: Yep.

Nico: What's your role in Sonya's Team?

Firestar Seashell: I am the firesword master of the team. I use fire and fire sword mastery to bring down my enemies. Outside the team I like hanging out with my sister and having fun trying out new products with her from Pipp.

Pipp Petals: (Giddy) So amazing!

Seashell: We tried out all kinds of things together from Pipp. It's fun.

Me: She does make awesome styles for everyone. It's how I got my rainbow hair.

Nicole Hernandez: And my awesome nail design.

Lola: We all think it's cool.

Rarity: Indeed. Lets get you some new clothes darling.

The Fashion Brigade gave her awesome red and orange clothes and a fire sword.

Firestar Seashell: Wow! I look awesome!

Me: You sure do.

Nico: You look nice.

Firestar Seashell: Thanks.

KABOOM! SPLAT!

?: (DISTANT VOICE) PEANUT BUTTER SHORTCAKE! (LAUGHING CRAZILY)

Nico: Uh oh, and it looks like Buster's getting started. Come on, we don't want to miss the show.

Me: Lets go!

We then took off into the air to confront and take down The April Moon Gang and get that jellyfish off Buster Bunny's head and get rid of Sergio's hired thugs.

We were flying in the air, and we saw our target: The April Moon Gang, and we also saw Buster Bunny there as well, and he's throwing chocolate pudding bombs at them along with tons of bombs and sticks of dynamite at them as well and he was laughing crazily.

Lincoln: Looks like we got here just in time, but look at this mess!

Nico: Dang, Buster's really going hogwild with the explosives and making quite a mess. (Smirks) Let's help him out. Lincoln, you got the stuff?

Lincoln: Right here, Nico.

Lincoln got out a massive chocolate pudding bomb and he hurled it right at The April Moon Gang, and...!

KABOOM! KRASPLAT!

THEY WERE ABSOLUTELY COVERED IN CHOCOLATE PUDDING AND WE WERE LAUGHING OUR BUTTS OFF AS WE LANDED!

WHAT A MESS!

Me: (LAUGHING HYSTERICALLY) OH! OH MAN, THAT WAS REALLY AWESOME!

Eli: How did you even make a Chocolate Pudding bomb that huge?!

Lincoln: I've had some spare time. Alright, let's clean this up and get those jerks.

Mary Knudson ate the chocolate pudding spilled all over, and her energy aura flared up extremely and she got even stronger.

Mary Knudson: Ah, that's some good pudding.

Buster Bunny: (LAUGHING CRAZILY) I'm just getting started!

Buster Bunny fired blasts of energy that took the shape of bombs, and they hit The April Moon Gang and exploded!

Bullwhip: Why, you little...!

Bullwhip was about to attack Buster Bunny, but he, Kneejerk, Knux, and Terrapin got hit by a barrage of sapphire blue energy blasts, and then, we saw a figure appear: it was the future version of Buster Bunny, and he's around the same height as Buster Bunny when he transformed last year, but he was wearing a red tank top and dark blue jeans and he has the same massive blue angel wings.

Future Me, Future Varie, Future Maria, Future William, Future Nico, Future May, Future Venom, and Future Elena: Buster, you made it.

Future May: Lincoln told us about the situation yesterday. So, Sebastian's come back, has he?

Future Buster Bunny: That's correct, and I also did something else.

We then saw the Neo Gotham City versions of the rest of The Tiny

Toons, The Looney Tunes, The Louds, and the rest of the team arrive.

Lincoln: Whoa!

Lincoln saw his Neo Gotham City future self: he was really tall and extremely muscular, his white hair grew longer and he had facial stubble on his jawline, and he has on a sleeveless orange tank top, dark blue pants, black knee-high boots, and he had a massive greatsword on his back.

Future Lincoln: J.D. told us a lot about you guys. (Sees Lincoln) And you've evolved a lot, and I'm surprised to find out you're a Vampire-Werewolf hybrid and you also now have an anthropomorphic wolf body along with vampire fangs and wolf teeth, pretty awesome and wild.

Adriana Ardelean Dracula: (Romanian Accent) That was thanks to our lord giving him and all of us more incredible gifts and powers.

Bullwhip: (Growls) As if things hadn't gotten any worse, now you all show up.

Future Babs Bunny: Don't give us that crud, Bullwhip. You and the others should've stayed in prison where you belong, but you all just had to make a deal with Sebastian and get out of prison.

Nico: Wait, they did what?

Future Lori: Babs' right, they literally made a deal with that lunatic to escape from prison. So, what are you going to do to them?

Lincoln: Normally, I'd throw them back in prison, but they'll make good members for The M.O.E.

Knux: We won't be obeying Vypra ever!

Lincoln: Do you really feel like you have a choice? You won't after we get done with you.

Me: Because we're going to kick your butts big time!

Suddenly, Lincoln fired massive waves of light that forced out Sergio's hired thugs and they were screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Nice one, Lincoln, that forced out Sergio's thugs.

Cage Blunt: Now, all that's left is to get rid of them.

Travis Tackett: And piss that stupid parrot off big time.

Then, Lincoln grabbed one of the thugs by the neck with his left hand and he hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Nico: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Lincoln: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of escargot appeared, and using his telekinesis, Lincoln lifted the vat full of escargot and poured the contents into the funnel and made their way down into Sergio's stomach. Then, the funnel vanished, and we saw Sergio's face turn green, and then...!

SERGIO BEGAN BARFING LIKE CRAZY AND HIS DARK MAGIC PROOF CELL WAS INUNDATED WITH PUKE!

Luna: PUKE VOLCANO!

FWOMP!

LUNA FAINTED!

When Sergio was done, the whole place was literally inundated with puke and we were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

James Blunt: Looks like I lost.

Caleb Maxwell: And don't worry, I'm still helping out with the repair job on Mayor Davis' car, this is one thing I can never ignore. Just be ready for whatever my sister's got planned for you, you're gonna need it.

Me: Yeah!

But then...

Bullwhip: HEY! All my loot is gone!

Knux: Mine too!

Terrapin: What happened!?

Kneejerk: Who did it!

?: I did!

A figure swooped in and it was a girl with black hair, black clothes and blue eyes, black angel wings and had raccoon ears and raccoon tail and she had the Cooper Clan symbol in the middle of her forehead and had France Flag map on her arm and a light sword.

Lincoln: Selene Sly Cooper!? Wow!

Me: WHOA! Care to introduce us?

Anna Anyanova: Sure. This is Selena Sly Cooper, Leader of The International Clan of The Coopers, she's Lincoln's Guardian Angel from France and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from France and she helped him on lots of dangerous jobs. She's the leader of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Selena came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of light and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Selena Sly Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

We were in awe!

Me: WOW! The International Clan of The Coopers!? I've heard all about them. They were that skilled in some of the most amazing jobs ever.

Nico: Amazing!

Sly Cooper: Glad you could make it cousin.

Selena Sly Cooper: Same here cousin.

She gave us jewels and gold she took from them.

Me: Ooh pretty. Nice. Awesome to meet you too.

Selena Sly Cooper: Same to you J.D. Shall we take care of these jerkwads?

Me: Lets get them!

Kneejerk charged at me with his sawblades ready and I blocked them with my sword and SPARKS FLEW ALL OVER!

Nico: WHOA!

Roselia charged at them and lasted them all over.

Then Terrapin went at me but then Kendra's Drimogemon appeared and stopped him.

Drimogemon: Lets see you stop this! DRILL SPIN!

He drilled into Terrapin with his huge drill and spun him around and he crashed into a tree!

Kendra: Nice job Drimogemon!

Knux went at Kendra and then she formed her fists into rock and they punched ferociously at each other!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Their punches shook the area!

Me: WHOA! Kendra's using a power similar to Garnet's fist gauntlets!

Nico: Cool!

Deadpool: Ok. There were no usual battles yesterday. So, everyone go fucking nuts!

Jamesdean5842: LETS UNLEASH THE BEAST!

Devon: YEAH!

I clashed ferociously with Kneejerk and kicked his face. He went at me and slashed at me with his sawblade arms and legs. I dodged them all over.

Me: Whoa! Nice try!

I used the powers of Buzzsaw Ultrabot and got out buzzsaws on my hands and clashed more with him. SPARKS FLEW ALL OVER INTENSELY.

Eli: Look at all the sparks fly!

Bullwhip tried to lash Lincoln. But Lincoln grabbed his whips and then...

ZAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

HE CHANNELLED LIGHTNING INTO HIS WHIPS AND ELECTROCUTED HIM AND BULLWHIP SCREAMED IN PAIN!

Poromon pecked them

Poromon: LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted all of the April Moon Gang.

Me: YEAH!

Lincoln kicked Bullwhip in his face.

Terrapin got up and went at Drimogemon again.

Drimogemon: Oh so you want more huh? SCREW CLAW!

He drilled through Terrapin's armor and smashed him into the ground.

Nico: WHOA!

I kicked Kneejerk in the face!

Me: You aren't the only one that can use sawblades too!

Kneejerk: HOW STUPID!

Poliwag slapped them with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Poliwag: Try this on!

He used Bubblebeam and blasted Knux all over!

Then Kendra bashed him all over with intense force!

Kendra: YEAH! Thanks Poliwag!

Poliwag: No problem!

Bullwhip got up.

Me: Hey Bullwhip! I can use cables too.

I used the Explosive Cable Ultrabot's power and fired explosive cables!

They landed by Bullwhip and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Nico: WHOA! Where is J.D. learning how to do that?

Lincoln: I forgot he had that device. He can use the weapons of the Ultrabots in that device. He made that when we were the Brave 12.

Nico: That is so cool!

Qin: Yeah!

Mevya hopped over to them And belched in their faces!

Mevya belched in Knux's face.

Mevya: Too bad your fists aren't as fast as your mouth!

Knux then bashed himself in his face as Mevya was in front of it!

KRABLAM!

It knocked out some of his teeth and broke his nose!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Dana Tan, Chelsea Cunningham, Max Gibson, Jackie Wallace, Aquagirl, Nico, and I and all of us went after The April Moon Gang, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at The April Moon Gang and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Dana Tan, Chelsea Cunningham, Max Gibson, Jackie Wallace, Aquagirl, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making The April Moon Gang even madder than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit The April Moon Gang, and we found ourselves in Heaven.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, April Moon Gang, this is where we end your rampage here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound The April Moon Gang.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything you've done, you deserve to pay for your crimes.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into the stomachs of The April Moon Gang, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Me: First this! APRIL MOON!

BEEP! AUDIO CODE ACCEPTED: AUTO DESTRUCT!

Their machine parts exploded and they fell apart! They screamed as they fell apart!

Lincoln, Nico, and I did one final powerful energy slash that hit The April Moon Gang clone hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The April Moon Gang were on their last legs and they were really really mangled.

Then, Lincoln opened up a portal that led to The M.O.E. and he used telekinesis and he forced The April Moon Gang inside the portal and wound up in The M.O.E. as the portal closed.

Lynn: And they're out.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos with four orbiting large gold rings behind the heads, twenty five colored planets orbiting around the legs and twenty five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and eleven sets of large colored angel wings underneath the massive colored angel wings of Dana Tan, Chelsea Cunningham, Max Gibson, Jackie Wallace, and Aquagirl are permanent.

Lincoln: That does it for The April Moon Gang.

But, then, we saw Buster Bunny still running wild and bouncing like crazy and laughing crazily.

Me: Now, let's get that jellyfish off that rabbit's head.

Future Lincoln: Jellyfish on his head?

Future Me: It's a long story.

Lincoln tied Buster Bunny's legs with vines he summoned, and then, he grabbed the jellyfish as it tried to electrocute him, but he sucked out and absorbed its electricity and it made him even more stronger than ever. Then, he removed the jellyfish.

POP!

We sent it back to the sea, but Buster Bunny wound up getting a headache the size of The Sun.

Buster Bunny: Ouch! What on Earth hit me?!

Me: That jellyfish you had wound up getting attached to your head and your brain wound up getting fried and you turned into a Crazy

Samson rabbit and you went hogwild with the explosives and did a lot of damage to The April Moon Gang.

Buster Bunny: Wait, I did all that to them?

Me: Yep.

Nico: Along with throwing chocolate pudding bombs at them like crazy and laughing crazily.

Babs Bunny: But, your little stunt did the trick, we took down The April Moon Gang whom you got so mad they were unable to focus.

Plucky Duck: And we sent them to Vypra.

Buster Bunny: At least, they're not going to cause us any trouble. (Sees the Future versions of himself and the others) Wait, and are they...?

Future Buster Bunny: Yep.

We explained everything to Buster, and he was stunned.

Buster Bunny: Looks like we gathered together the Team Loud Phoenix Storm of Terry's home in Neo Gotham City, but this also means Future Sebastian's now running loose.

Lincoln: I know, but we'll be ready for him, perhaps after we deal with Morgana Midnight Sparkle and after all of The Guardians of Reality on my side transform.

Me: That's a smart idea.

Nico: That's true, only two of them had already transformed, but the others have yet to do so.

Lincoln: And once that happens, we'll be all set for when Future Sebastian tries to do something in his attempt to pick up where Morgana Midnight Sparkle left off.

Me: Also Buster we met the first member of the International Clan of The Coopers. Her name is Selena Sly Cooper.

Selena Sly Cooper: Awesome to meet you Buster.

Buster: Same here. (GROANS) What a headache!

Lana gave him a block of ice.

Buster Bunny: Thanks Lana.

Me: You can sit out this one Buster.

Nico: Now that was funny!

Me: Yeah it was! WOW!

I fixed the park.

Nico: Nice job Roselia!

Roselia: Thanks Nico! That was fun.

Poromon: Want some beer?

Roselia: Oh no thanks. Got any manure?

Me: EW! You eat manure?

Roselia: No just kidding. I drink apple juice.

Me: Oh that's better.

I gave her some.

Roselia: Thanks.

She drank it.

Mark Chang: That would have been so awesome to see you eat manure. On Yugopotamia, Manure is the rarest of all delicacies.

Nico: Whoa!

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: That would have been gross to see a Pokemon eat cow manure. No offense Mark.

Mark Chang: None taken. Chyeah.

Nico: Oh, Nitro Man, what do you like to do in your free time?

Nitro Man: Oh I am a racer at the race track and race the best racers.

Me: Nice!

Nico: That is cool!

Qin: It sure is!

Me: Oh guys I need your help with something. Sheila said there was a HUGE Increase of thugs at the Bike N Brawl.

Laney: Deal!

Carly Atlas: Yeah that will be fun! I'm in.

Crowlynn: Good to see you again Lucy.

Lucy Loud: What happened to you Crow. We were worried about you.

Me: YUCK! No wonder you smell horrible!

Lucy Loud: Crow is one of the Mortician's Club members we had. She vanished 7 years ago.

Me: Now I see why.

Kaito: (gets out Den O gear) Did Swartz promise you anything?

Zocks: (gets out Kiva gear) Because we can grant it instead.

They got Rider Weapons from said teams.

Harmony Sparkle: No he didn't for obvious reasons.

Me: Crowlynn's smell.

Sakura Knudson: I don't blame him. Rotten corpses smell REALLY AWFUL!

Me: When we get home you are going straight into the tub.

They hugged.

Lincoln: Whoa, we're here in the world of the 1982 anime series The Mysterious Cities of Gold, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to help Esteban and his friends and give Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec The Black Abyss, as for The Doctor, Marinche, and Zarès/Ambrosius, they're heading to prison, but as for Isabella Laguerra, she may be the sword-wielding daughter of Fernando LaGuerra and is the henchwoman for Zarès, but she helps the children on several occasions. Me: I remembered watching this series on the internet, and it was awesome, and I really despised Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec. Those guys have got to go.

Nico: The Doctor, Marinche, and Zarès/Ambrosius are no doubt going to prison, and you're right, we'll recruit Isabella Laguerra to The Redemption Squad.

Eli: Those four that big bro mentioned, they were obsessed with getting the gold and riches they'd heard about.

Lincoln: That's right, and Esteban and his friends have fought against those four bastards. Their greed is about to be their undoing though.

Nitro Man: Same with so many bastards before. So, who should we go after first?

Lincoln: Let's go after The Doctor, Marinche, and Zarès/Ambrosius first and send them to prison.

Adrian Morrigan: Let me have them vacuumed up and put into paintings, so that way, it'll make the warden's job easier to deal with them.

Me: Good thinking.

We then got a move on and we went after The Doctor, Marinche, and Zarès/Ambrosius.

Now, to deal with them.

Adrian Morrigan went after The Doctor, Marinche, and Zarès/Ambrosius, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at The Doctor, Marinche, and Zarès/Ambrosius which hit them hard.

Then, Adrian Morrigan fired dark lightning with his flashlight which hits The Doctor, Marinche, and Zarès/Ambrosius, and Adrian Morrigan vacuumed them up with his Poltergust G-00 and they got trapped into paintings and were sent to prison.

Nico: Awesome move, Adrian. Now, let's go after Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, and end them.

We eventually got a move on to go after Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec and end them. Suddenly, we saw Esteban and his friends along with Isabella Laguerra, and they're fighting Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec.

Lincoln: There they are.

Lincoln fired waves of light which hit Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec.

Esteban: (Spanish Accent) Team Loud Phoenix Storm, you've made it.

Lincoln: And just in time to help you guys take care of Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec for good.

Commander Gomez: (Spanish Accent) Curses! If you hadn't shown up, the gold would've finally been ours and those kids would finally be dead!

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long green hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Funky Comedian, she has a darkness greatsword in her right hand, and with her are the the ten girls.

Lincoln: (GASPS) Cordelia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Funky Comedian.

Cordelia Balthazar: That's right. Your quest for the gold was doomed ever since Team Loud Phoenix Storm arrived here, Commander Gomez, Captain Gaspard, and Governor Pizarro, along with your quest for power, Menator and Kalmec, and now, the curtain shall fall on your miserable lives.

Lincoln fired blasts of rainbow, white, golden yellow, and blue energy that hit Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, and they were hurt bad.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, and he proceeded to brutally smash them into the ground with his massive superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH!

LINCOLN SLASHED THE FIVE OF THEM WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED FIVE BLASTS OF HEAVENLY LIGHT THAT HIT THEM AND BLINDSIDED THEM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you two!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

We saw Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec were a mess: Lincoln left claw marks on their bodies, and tears in their clothes.

Your true nature's been exposed for all to see, and because of your unrepentant nature, you've doomed your souls to eternal damnation and no atonement for all your sins in the past can save you!

LINCOLN SHOT THE FIVE OF THEM AN EXTREMELY DEATHLY GLARE AND THAT MADE THEM SO SCARED, THEY SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT THEM DOWN WITH THE FACT THEIR TRUE NATURE HAS BEEN EXPOSED ALONG WITH THEIR CRIMES AND THEY NEVER REPENTED FOR THEIR CRIMES AND TELLING THEM OF THEIR FATE ALONG WITH SHOOTING THEM A DEATHLY GLARE AT THEM TOO!

Eli: They're done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST GOT YOURSELVES A ONE-WAY TRAIN RIDE TO PRISON!", "TAKE THAT, YOU MORONS!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HOPE YOU ALL SUFFER FOR ETERNITY IN THE BLACK ABYSS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to them.

Luna: And what Lincoln said was true, they're doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

and transformed, and we went after Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec lay on the ground defeated by us. Then, Lincoln morphed the tips of his eleven massive and long brown wolf tails into Cell's stingers, and he stabbed them into Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, and he began absorbing and he grew stronger and assimilated their physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec except for their clothes and he drained their souls of energy and sent them to The Black Abyss. We cheered as we holstered our weapons and powered down and we headed back home to The World Tree Estate with Esteban and his friends along with Isabella Laguerra joining the team.

Lincoln: And that is it for Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, they can rot in The Black Abyss forever, and as for The Doctor, Marinche, and Zarès A.K.A. Ambrosius, they can rot in prison forever.

Nico: That's for sure.

Me: Their greed and lust for power drove them to their end.

Lincoln: For Commander Gomez, Captain Gaspard, Governor

Pizarro, Menator, and Kalmec, it ended with death, for The Doctor, Marinche, and Zarès A.K.A. Ambrosius, life in prison, and that's a lesson learned on unchecked greed. (To Cordelia Balthazar) And it's so good to see you again, Cordelia.

Cordelia Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Cordelia Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Cordelia Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Cordelia Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Cordelia Balthazar and hugged her, and Cordelia Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Cordelia Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive

biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Cordelia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Funky Comedian, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Cordelia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and

Cordelia Balthazar really hates Hawk and Hank with a blazing passion, and she also knew how to bring down the bullying and actions of those two overgrown gorillas when they tried to kill Lincoln which was more than once, and all it took was one planned out performance from Cordelia, and not only was Hawk and Hank done for, but they always wind up getting their clothes shredded off including his underwear and left butt naked in front of an audience of imps, fiends, and demons she summons and they all laugh at them and they run out of the auditorium humiliated to the extreme and into the hands of the police for indecent exposure and he winds up spending five months in jail.

Nico: Lincoln told us what you did to those gorillas, but we didn't want to see the flashback. Seeing them in the nude would blind people.

Cordelia Balthazar: That's true, and I saw what those gorillas had done in trying to get rid of him, and I despised them for that. But, they made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on those gorillas' rampage.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Anastasia is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on those big gorillas and she and I both put an end to his rampage and got him in huge trouble and sent to jail for indecent exposure.

Luna: We were so impressed by what she did to pull one over on him.

Laney: It was about time someone pulled one over on them for everything they've done: all of the times they'd bullied and tried to kill Lincoln and us on several occasions, and what they did to Cillia

Cyberdark.

Lincoln: They're going to die by my hand when we do go after them, and I'm going to make them suffer the same fate they dealt unto Cillia, and now that you're here, Cordelia.

Lincoln with his massive muscular arms still wrapped around Cordelia Balthazar's waist leaned his head down to the right side of Cordelia Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Cordelia Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cordelia Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Cordelia Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Cordelia Balthazar.

Cordelia Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Cordelia Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Cordelia Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Cordelia Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Cordelia Balthazar: (In Heaven) My God. Oh, Lincoln, the ten girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The ten girls are Princess Sindy from Esh's Aurunmilla and Iris Murphy, Karen Yusa, Aoi Midorisawa, Sakuya Hoshiko, Farfa, Merrow, Mara the Mummy, Percy Portion, and Yukiho Yusa from Mugen no Tír na nÓg.

Lincoln: Oh whoa, it's Princess Sindy from Esh's Aurunmilla and Iris Murphy, Karen Yusa, Aoi Midorisawa, Sakuya Hoshiko, Farfa, Merrow, Mara the Mummy, Percy Portion, and Yukiho Yusa from Mugen no Tír na nÓg.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Princess Sindy: Yes, we're okay, thanks to you.

Then, when Princess Sindy and the other nine girls saw who it was that saved them from Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, Kalmec, The Doctor, Marinche, and Zarès A.K.A. Ambrosius, their faces turned atomic red upon seeing the 18-year-old 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of

Yukiho Yusa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yukiho Yusa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Sindy, Iris Murphy, Karen Yusa, Aoi Midorisawa, Sakuya Hoshiko, Farfa, Merrow, Mara the Mummy, Percy Portion, and Yukiho Yusa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you really trashed Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, The Doctor, Marinche, and Zarès/Ambrosius.

Lincoln: And it ended with The Doctor, Marinche, and Zarès/Ambrosius going to prison and me absorbing Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec, and after I drained their souls of energy and sending them to The Black Abyss.

Nico: That's for sure, you really smashed them hard into the ground, Lincoln.

Me: Those monsters got what was coming to them.

Sly Cooper: Stealing from an ancient civilization, I already knew it was never going to end well.

Lincoln: No, it wasn't.

Ronnie Anne: Especially if it's the ancient Inca Civilization, and

Menator and Kalmec tried to use the technology of the Cities of Gold to harness the power of the Sun and save the Olmec race from extinction, but for their own ruthless ambitions, and that ended with them dying as well.

Caleb Maxwell: That technology deserves to remain with the Olmec race, and their secrets cannot deserve to fall into the wrong hands.

Sly Cooper: That's for sure. There are some secrets that deserve to remain with its keepers for all eternity.

Carmelita Fox: (Spanish Accent) That's true.

Eli: That kind of secret deserves to remain with the Olmecs.

Carlos Casagrande: I wanted to know what that secret was that they were keeping.

Ronnie Anne: Like Sly said, Tio Carlos, there are some secrets that we aren't ready to learn yet, and they should remain with its original keepers for eternity.

After Lincoln and all of us gave Commander Gomez, Captain Gaspard, Governor Pizarro, Menator, and Kalmec The Black Abyss and sent The Doctor, Marinche, and Zarès/Ambrosius to prison, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Cordeliia Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Cordelia Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Cordelia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Cordelia Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as

well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Cordelia Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Leanne Midnight Lemon Zest, Midnight Princess of Dark Magic Lemon Insanity.

Allie Davies: Leanne Midnight Lemon Zest?! Already?!

Lucy Loud: We weren't supposed to face her until after we dealt with Serena.

Lincoln: Unfortunately, she decided to attack early. Well, either way, we need to stop her here and now. Come on, Allie!

Allie Davies: Roger that, Lincoln.

Lincoln and Allie Davies flew out of The World Tree Estate, and they blasted Leanne Midnight Lemon Zest, and that angered her as they landed.

Allie Davies: I would've thought we'd have to deal with you after Lucy's big day mission, but it looks like you decided to attack early.

Leanne Midnight Lemon Zest: (ENRAGED DEMONIC VOICE) I will never stop until all of you are dead and we destroy the entire world!

Allie Davies: Well, you better consider those your last and final words.

Suddenly, Allie Davies' yellow eyes turned neon yellow and she was surrounded by a green and yellow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, leaves, plants, magic, Alicorns, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Leanne Midnight Lemon Zest, she left green and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, stars, aura energy, white and blue heavenly flames, leaves, plants, magic, Alicorns, phoenixes, and angels with every step.

Allie Davies: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Leanne Midnight Lemon Zest, as The Daydream Princess of Tech Laughter and member of The Daydream Princesses, I hereby sentence you to death for all of your crimes.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Leanne Midnight Lemon Zest, Midnight Princess of Dark Magic Lemon Insanity, may you suffer for all eternity with not a kindred soul to give you solace!

THAT PISSED OFF LEANNE MIDNIGHT LEMON ZEST EVEN MORE!

Me: Aw, too bad we're not joining in.

Nico: Don't feel too bad, J.D.

Sly Cooper: He's right, J.D. Besides, you and Nico are going to join Lincoln, Lucy, Brittney, and Dora Santiago when you go after that bloodsucking bastard, Deacon Frost, after we deal with Serena of the Vampires.

Me: That's true, I want to give that bloodsucking fucker the nasty surprise of his undead life before Lincoln kills his by draining him dry of blood.

Nico: We already have his lover, Mercury, in The Masters of Evil, and there's no fucking way I'm going to show that fucker, Quinn, any mercy!

Selene Emperyous: I think Lincoln's going to have him tied up and thrown to Vypra, that way, she'll keep an eye on him and make sure that fucker doesn't try anything.

Eli: Anyways, the fight's about to begin.

Lincoln and Allie Davies went after Leanne Midnight Sour Sweet, and they fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, green and yellow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Leanne Midnight Sour Sweet, and they exploded with incredible power as they hit her.

Then, they attacked her with powerful slashes from their massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well, and Allie Davies did the same by firing pink, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln and Allie Davies attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Leanne Midnight Sour Sweet even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Leanne Midnight Sour Sweet, and we found ourselves in Heaven.

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Leanne Midnight Sour Sweet, this is where your rampage of destruction ends here and now.

Then, Lincoln's massive white angel wings and eleven sets of larger white angel wings underneath his massive angel wings fired chains of gold energy that bound Leanne Midnight Sour Sweet.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Leanne Midnight Sour Sweet's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Leanne Midnight Sour Sweet hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Leanne Midnight Sour Sweet was now on her last legs and she was really really mangled.

Me: JUMPING JACKRABBITS!

Nico: UNREAL!

Then, Lincoln fired an orange energy blast that hit Leanne Midnight Sour Sweet and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as they holstered their weapons and powered down and Allie Davies' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large green planets orbiting around her legs, twenty-five smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized green planets orbiting around her wrists and ankles, and massive green angel wings and eleven sets of large green angel wings underneath her massive green angel wings are permanent.

Allie Davies: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Leanne Midnight Lemon Zest, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Allie.

Suddenly, Allie Davies wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Allie Davies's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Daydream Lemon Zest flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Allie Davies sucked in and absorbed the elemental forces and they came back to us as the display vanished and they continued working out.

Lincoln: Well, that's it for Leanne Midnight Lemon Zest.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off Morgana big time.

Nico: I wasn't expecting Leanne to show up now to attack us.

Lincoln: This is no doubt that Morgana's finally losing it big time, now all we got to do is capture the last of The Midnight Princesses tomorrow: Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

Catherine Fontaine: And then, we'll have the final showdown against Morgana Midnight Sparkle and we'll permanently end her miserable life.

Mina Midnight Sparkle: But, not before we cure my friends of her darkness that's poisoned them.

Bentley: Luckily, the spell Lincoln and his Guardian Angels have already completed will do just that, but we got to make sure Morgana sees it for herself.

Neyla: That'll be more than enough to drive her mad.

Rajan: And finally, push her down into total insanity.

Contessa: That's something we're all going to see.

Inspector Fox: Morgana went too far turning your friends against you and taking over your role as the leader of The Midnight Princesses, Mina. You're about to get justice for this crime.

Dimitri LouSteau: We're all joining in as well, this is the last time Morgana messes with us.

Panda King: Morgana is the embodiment of all things dishonorable, and thus, she must pay the price for her crimes.

Caleb Maxwell: She deserves to die in the same way I did eight years ago: shot all over the place. But, why do I get the feeling you guys happen to know a new group of Lincoln's Guardian Angels?

The Cooper Gang and Clan looked to the side.

Sly Cooper: (Whispering) He's getting suspicious.

Inspector Fox: I know, he's gonna spoil the surprise.

Lincoln created clones of Drake Maxwell's gang.

Lincoln: Hey, Caleb, I think you missed some of Drake Maxwell's gang.

Caleb Maxwell: What?!

Caleb saw them.

Caleb Maxwell: Oh no, you fucking don't, assholes!

Caleb Maxwell charged down at them and shot them dead!

Sly Cooper: Nice save, Lincoln.

Bentley: That'll keep him busy.

We got a shower, and then, Lincoln, Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida are heading to Gelato Beach.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all. Plus, Lincoln removed Skarlet's Dark Side after finding out that the reason she was like that was because of Shao Kahn binding her to The Blood Code and because of it, she went mad because of Blood Magik, and Ayuna Persephone slayed her Dark Side and sent it to The Black Abyss and got her sister back.

Skarlet: So, this is Gelato Beach, it is beautiful.

Lincoln: It sure is, Skarlet, and it's perfect for our first date, shall we?

Lincoln, Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Necroquip Princess: (Swooning) Lincoln's gotten even more handsome and manlier than ever since he transformed.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida and hugged them in their abnormally massive and powerful muscular arms, and Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida and Lincoln's harem placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and

the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida are now in your harem, Linky.

Skarlet, Necroquip Princess, Universe 666 Shiori Tsuzuki, Universe 666 Maria, Universe 666 Aoi, Universe 666 Asagi, Universe 666 Nora, and Universe 666 Rie Nishida showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Necroquip Princess: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled

and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Me: Have you ever heard of Morag McLaughln?

They gasped!

Moa Aizaki: You mean that big-assed bitch that sided with Team Dark Phoenix Storm and tried to destroy the world all just for some peace and quiet!?

Me: Yep. But when you live with the Loud's getting peace and quiet from them is virtually impossible. Getting them to quiet down is like trying to ask God to make it stop raining.

Riku: I believe it. And she tried to kill you guys and the world all just for some peace and quiet!? That is totally fucked up!

Nico: I know.

Me: Yeah. We got 400 years of ultimate justice dished out on Morag that day on October 10th, 2021. 400 years after they were wrongfully banished.

Eli: Yep.

Lily: That stupid big butt hag!

Nico: And Poromon ate Mr. Mind

Mallow: (LAUGHS) Yeah it's true.

We laughed!

Riku: That is funny!

Me: Yeah. Poromon is a bird after all and Birds eat worms.

Moa Aizaki: That is true. But that was awesome!

Me: It was.

Lincoln: Yeah.

Applejack: After that event we turned into Alicorns.

Fluttershy: It was magical.

Me: It sure was. Twilight's friends all officially turned into Alicorns that day. We call that day the Great Alicorn Ascension.

Sunny Starscout: That was amazing to see!

Lola: It sure was.

Lucille: Aye it was.

Eli: We saved the entire planet.

Nico: We are NOT counting Morag as part of Team Dark Phoenix Storm.

Me: Nope. Just Mr. Mind and his 23 partners.

Lola: Yep.

Me: But that day was very special to Nico. It was what had Nico get ready for his promotion into Leader of the Team.

Moa Aizaki: Wow! That is amazing!

Nico: Yeah it was fun.

Octavia Melody: (British Accent) It sure was amazing.

Vinyl Scratch: Yes it was.

Nico: So, any enemies of yours active right now?

Then the alarm went off and we went to the Computer and saw Pedanium Zetton!

Pedanium Zetton appeared in episode 11, where he was transformed from Kei Fukuide using the Riser along with King Joe and Zetton Kaiju Capsules , alongside Ultraman Belial's power simultaneously with Riku Asakura transforming into Ultraman Geed to stop him. When their fight started, Geed held the upper hand when it came to combat even though Pedanium Zetton held the advantage in defense. Geed spent his time blocking his blows then retaliating with chops, punches, kicks, and even headbutts. When Pedanium Zetton finally landed an energized strike at Geed, he sent him flying into a building which was then destroyed and a large slab flew towards and then killed an Alien Bado hired by Kei to eliminate Laiha Toba, who managed to get away thanks to Pega.

Afterwards, Geed got back up, transformed into his Solid Burning form, and summoned his Geed Claw. As they fought on, Kei boasted about him being better than Geed, who he revealed earlier was actually a manufactured imitation created in a laboratory, and while doing so, he turned the tide of the battle in his favor but Geed kept going. After being pushed away by Geed via a football shoulder push, Pedanium Zetton charged up then fired his Pedanium Meteor at Geed, who countered with his Strike Boost. As they walked in circles while being caught in a beam lock, Kei prattled on to Riku, blaming him for all of the misfortunes that happened in his time being a savior then both combatants charging their finishing moves for more power, which resulted in a huge explosion that engulfed both giants and reverted them back to their human-like forms. Kei then stole and made off with Riku's Ultra Capsules (except for Ultraman Zero's which was dropped during Kei's fight with Laiha).

Later on, Kei reappeared in the middle of town and injected the Ultra Capsules he stole into his body to transform into Pedanium Zetton once again and went on a crazed rampage throughout the city. Using his powers, he caused mayhem and destruction throughout the city, but when he used them to destroy a mountain, the extremely high levels of compressed energy inadvertently knocked over backwards into a building and resulted in his nervous system and a portion of its brain burned out, forcing him to take inaction and recover for the time being.

As time went on, the chimera finished repairing itself, got back up and resumed his warped path of destruction. During this time, Pedanium Zetton fired his Eldritch Shot at a building in which Riku and an old man he befriended were going under and the rubbage left the old man trapped. It was there that Pedanium Zetton noticed a Little Star detection and went towards it slowly. However, it was too late as Riku already gained the old man's Ultra Capsule of Father of Ultra and used it, along with Zero's capsule, to transform into Ultraman Geed in his new form, Magnificent, and punched Pedanium Zetton in the face.

The chimera Kaiju fired his Pedanium Meteor at the Ultra, only for him to block it with his Arrayzing Geed Barrier. After their fight went on, Geed blocked and/or deflected all of the attacks Pedanium Zetton threw at him then counterattacked with his Mega Slicer Cross. He then fired a Hand Cutter to get Kei's attention alongside his Mega Electric Horn, which knocked him down then quickly got back up and fired his lightning at the Ultra, but to no effect.

As Kei was suffering from the mental instability due to the scale of his power, he kept on ranting on about Riku being an imitated creation while the latter kept blocking and deflecting the former's attacks as well as counterattacking. The two combatants then went on the physical assault and were evenly matched with each other. As they argued about Riku's worth, the two traded energized punches with each other and soon, grappled with each other as well. Once their argument was over, Riku punched Pedanium Zetton away with two Mega Bomber Punches then fired his Big Bustaway, which penetrated the Zetton Barrier, and finally destroyed the chimera kaiju. In the aftermath, Belial allowed Kei to rest from his injuries and Riku regained his stolen Ultra Capusles.

That was not the end of Pedanium Zetton, however, as Kei transformed into him later on to chase down Gubila, who was in possession of a Little Star at the time. He made his re-appearance as he rose up from underground above Gubila. Determined to get the Little Star, the chimera Kaiju ferociously attacked Gubila until deciding to destroy the Kaiju with its Pedanium Meteor until Ultraman Geed interfered in his Primitive form. Geed initially held his own against Pedanium Zetton with his wild battling style but the latter turned the tide against the Ultra with his Dest Ray, which he also used on Gubila. Geed then got back up to protect Gubila but during the fight, Geed got overwhelmed, so he decided to switch to his Royal Megamaster form.

While Geed held the upper hand in that form at first, Kei had been preparing for it in advance and after blocking his Spacium Flash, Pedanium Zetton kept using his barrier to deflect beam attacks, his own beam attacks to land strong blows, and his teleportation to confuse Geed. Just as Pedanium Zetton was about to finish off the Ultra while he was under his knees, Gubila burrowed underground and used his paralyzing spray to hold him in place and leave him wide open for Geed to use Ultraman Ace's Ultra Capsule. In conjugation with his King Sword and finished off the chimera Kaiju once again with his Vertical Spark.

Later on, Kei transformed into an evolved form of Pedanium Zetton to settle his feud with Ultraman Geed once and for all in Okinawa. When their fight started, Geed managed to hold his own against the chimera Kaiju in his Primitive form in terms of strength, but then the Kaiju got stronger due to the light of Sturm shining in the sky as he grabbed Geed by the throat and pushed him into the side of a mountain and pinned him them there until Geed managed to push his way out of his bind. Pedanium Zetton then emitted his Red Lightning at the Ultra, who used his Geed Barrier to block the attack and used the dust from the attack to transform into his Magnificent form for the first time in a while.

Once again, Geed managed to match Pedanium Zetton in terms of strength once again as the two of them ended up punching each other in the face and staggering back. With his Geed Claw, Geed was able to get in a few hits at the Kaiju and used it defend himself from the latter's Pedanium Meteor until it was too much for the Ultra to handle. Not giving up, Geed decided to transform into his most powerful form yet, Royal-Mega Master, once again. In response, Kei injected himself with the the Kaiju Capsules of Alien Empera and Dark Lugiel to make himself so big, he would dwarf the Ultra in size.

Geed tried to take out Pedanium Zetton right away with his 87 Flasher from Zoffy's Ultra Capsule, but the gigantic Kaiju shrugged off the attack with ease. With his Color Timer flashing, Geed resolved himself to not give up and stop Kei's plans. After flying high into the air to dodge an Energy Punch, the Ultra proceeded to fire his Royal End at maximum power and while Pedanium Zetton managed to endure for a while, he eventually ran out of energy and was finally destroyed once and for all.

Me: WHOA! Pedanium Zetton! I remember him!

Eli: WAIT! Look who is with him!

We zoomed in and then gasped! WE SAW THAT IT WAS MORAG!

Nico: Speak of the Devil!

Me: MORAG!

Eli: We were just talking about her!

Lincoln: I can't believe she is back!

Me: Well I have a strong feeling that she is gonna be the secondary target on your big day buddy.

Electro: Okay, is she even worth killing anymore?

We thought about it.

Me: Nah.

Lincoln: No.

Me: We decided to throw her in prison. But before that lets take a vote. All in favor of killing her and sending her to the black abyss?

Nico and Eli and Duke Lachlan McLoud raised their hands.

Me: Okay all opposed to send her jail with a terrible curse?

The rest of us raised our hands.

Me: Well it's unanimous. We send her to prison with a terrible curse.

Lincoln: And I've got just the one for her. It's a Lovecraftian Curse called THE INFERNO VAMPIRE CURSE OF FTHAGGUA

WE GASPED!

Me: (GULP!) That is scary! How does that one work?

Arabella Anndrasden: Lincoln fires a black energy ball with Eldritch runes in red with red eyes and writhing tentacles covered in flaming blood red flames which hits insane murderous witches like Morag and her ancestor, Aggie McLaughlin, and they hear the shrieks and vampiric cries of Fthaggua, and they are not only driven mad by the Eldritch Chants, but also, they begin seeing demonic vampires from Hell everywhere, but no one else can, and the final part of the curse is when they see the King Regent of The Fire Vampires, Fthaggua, appear before them, and burns them alive and destroys their sanity for over 300,000,000 years cursing them to an endless eternity of pain, madness, and suffering as he sucks the life essence out of them, and their souls are sent to The Black Abyss.

WE WERE SHOCKED!

Eli: Scary!

Me: So until Lincoln's big day, we're going to banish her to the Warp.

Eli: Yeah.

Nico: She can live the rest of her life in prison with that curse when

Me: Yep. Until then we'll banish her to the warp.

Lincoln: Yep.

Me: Lets get a move on. I got an awesome entrance perfect for this.

Nico: Lets go.

We were off.

We were flying and by Mount Fuji was Pedanium Zetton!

Nico: There she is!

Me: Time for this party to start.

I flew in and swooped in and grabbed MORAG From the top of his head and we landed and Morag crashed onto the ground!

I faced Morag.

Me: You have a lot of nerve showing your face again Morag! Especially after what you did in allying yourself with Team Dark Phoenix Storm 2 and a half years ago!

Morag: (Scottish Accent) IT WAS ALL FOR PEACE AND QUIET! I WOULD HAVE DONE IT TO IF YOU HADN'T SHOWN UP!

Me: Well I got a bunch of people who are REALLY PISSED at you about that.

Morag: Oh yeah? I will kill you all.

Me: Not before I take you down!

Morag: Yeah right! You and what army?

Me: Me and THIS ARMY!

I held up my hand and then...

ESCAFLOWNE FOX KIDS EXTENDED THEME PLAYS!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A MASSIVE FIERY EXPLOSION BLASTED OUT OF THE GROUND AND THEN 32 RAINBOW COLOR LIGHTS SWIRLED AROUND THE MUSHROOM CLOUD OF THE EXPLOSION AND THEN THEY CONVERGED AND THEN THE EXPLOSION TURNED INTO A HUGE MASSIVE AND GINORMOUS TREE AND THEN FRUITS FORMED AND THEY POPPED AND OUT CAME THE LOUDS AND MCLOUDS! THEY LANDED AND EVERYONE CAME AND WE WERE PISSED!

Me: It's payback time! We got 400 years of pain to dish out!

MORAG GASPED IN SHOCK! SHE SAW THE LOUD ANCESTORS AND THE PRESENT DAY LOUD KIDS AND US WITH ME!

Eli: And for good measure! MOTHRA!

A familiar call was heard and out came MOTHRA 2019!

Eli got on her.

Mothra 2019: Pedanium Zetton. This is gonna be a challenge.

MORAG LOOKED LIKE SHE SAW A GHOST! A BUNCH OF GHOSTS!

Me: What's wrong Morag? Too proud and evil to give your friends at Loch Loud Castle a hug?

Nico: Oh, and we had a little...chat with your pal Scarecrow recently. You're not gonna be hearing from him ever again

Me: Because your little fuckbuddy is in the black abyss.

Lucille: You took away everything from us Morag. Now you are going to pay for everything you did. Traitor!

Morag then EXPLODED IN RAGE!

Morag: LOUDS! LOUDS! LOUDS! LOUDS LOUDS LOUDS LOUDS LOUDS LOUDS! LOOOOOUDDDSSSS! (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU! DAMN YOU! DAMN YOU, LOUDS! DAMN YOU ALL! IF YOU HADN'T GOTTEN IN MY WAY, WE WOULD'VE FINALLY DESTROYED THE ENTIRE PLANET AND EVERY LAST PATHETIC HUMAN ON IT INCLUDING YOU AND I WOULD HAVE GOTTEN THE PEACE AND QUIET I DESPERATELY WANTED! BUT YOU, YOU JUST HAD TO SHOW UP AND THROW A WRENCH IN ALL OF OUR PLANS! YOU MAKE ME SICK! IF YOU HADN'T GOTTEN IN THE WAY OF EVIL'S GLORIOUS REIGN, ALL OF HUMANITY WOULD FINALLY BE DESTROYED ALONG WITH ALL LIFE ON EARTH! I HATE YOU! I DESPISE YOU! I WANT NOTHING MORE THAN TO DESTROY YOU ALL AND EVERYONE THAT YOU LOVE! THAT IS HOW MUCH I HATE YOU! HATE! HHHHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAAAATTTTTTTTTTTTTT

BUT THEN OUR AURAS EXPLODED IN MASSIVELY INTENSE POWER FROM HER HATRED AND SHE REALLY SUPERCHARGED US TIMES 100,000,000 INFINITIES! MORAG HAD ABSOLUTELY FUCKING LOST IT AND SPAT OUT SO MUCH VENEMOUS AND ABHORRENTLY TOXIC INSANE UNHINGED HATRED AT ALL OF US, OUR RAINBOW, WHITE, GOLDEN, YELLOW AND BLUE ENERGY AURA WITH ELEMENTAL FORCES, ANIMALS, AND MYTHICAL BEASTS HAD FLARED UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST OF ASTRONOMICAL PROPORTIONS! ALL OF US, OUR RAINBOW, WHITE, GOLDEN, YELLOW AND BLUE ENERGY AURA WITH ELEMENTAL FORCES, ANIMALS, AND MYTHICAL BEASTS HAD FLARED UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST OF ASTRONOMICAL PROPORTIONS!

Me: WHOA! Thanks for the power boost!

Maxxine: Big talk from someone who wasn't even a main part of

Team Dark Phoenix Storm!

Me: Yeah! All you are is NOTHING BUT A SPINELESS BIG BUTT COWARD!

I teleported and kicked her in her stomach and punched her in her face!

Nico punched her in her face and Lincoln fired waves of lightning and electrocuted her.

Lincoln: That was for locking us up!

Laney formed vines and lashed her with them.

Laney: That was for trying to kill us!

Lucille and Lucy blasted her with darkness!

Lucy: And that was all the crimes you did!

Mothra 2019 fired waves of energy and blasted Pedanium Zetton all over and numerous massive fiery explosions blasted out.

Astro Boy got out his Ridewatch for Prince Bokar and activated it and fired energy beams and blasted her.

Nico punched her.

Nico: But I should thank you Morag!

Morag: Thank you? For what?

Nico: If it weren't for you, I wouldn't have officially been promoted to leader of the team. Ever since then I made the team better than ever and stronger and more powerful than ever before. You made us stronger and closer than ever.

Me: How ironic isn't it? If you hadn't done what you did, you wouldn't have made us more powerful than ever.

Morag: WELL I WILL CORRECT THAT MISTAKE!

She went at Nico and punched him hard in his stomach. But her punches weren't even making him flinch.

Nico: Ha. That tickles.

Marty got out his ridewatch for Melee Omnidroid and punched and smashed her all over.

Morag: What the hell are you!?

Nico: I'm not an ordinary human. I'm a Saiyan!

Morag: What the fuck is a Saiyan!?

Nico: Brace yourself bitch!

Nico grabbed her and slammed her into the ground on both sides and threw her and then did a flip and elbowed her face and then smashed her head first into the ground and kicked her in the face and kicked her and spun her around and threw her into the ground and he teleported and kicked her hard all over!

She was REALLY MANGLED ALL OVER!

Maxxine got out her Ridewatch For the Mummy and wrapped her in bandages.

Nico: My race is the most powerful warrior race in the universe and we live for the fight. The more we fight, we get more powerful and stronger.

Nico punched her in her face!

POW!

Nico: We once served under the tyranny of an evil galactic tyrant. And he destroyed us all because he was afraid of our power and that one day we would rise up and challenge him. Because of Frieza we were the most feared race in the universe. Now my race is back and I am leading them on the road to redemption! You have no love in your heart Morag and that shows that you will ALWAYS be alone.

Electro zapped her with intense electricity!

Electro: You tried to kill my friends and my archenemy and for what!? SOME PATHETIC PEACE AND QUIET!

Me: When are you ever gonna learn Morag!? You are not going to stop the Louds from being who they are no matter what! Trying to stop them from being Loud is like trying to ask God to make it stop raining! They are Loud and that is who they are! YOU ARE NOT GOING TO STOP IT!

Morag: THEN I WILL KILL THEM AND GET THE HUMAN RACE TO ERASE THEIR MEMORY FOREVER! (LAUGHING MALEVOLENTLY!)

Roman Torchwick: And I thought Cinder had issues

Nico: Tell me about it.

Nico kicked her in the stomach!

But then a massive ball of water blasted her in her face.

Me: WHOA!

Luna: That wasn't me dudes!

Lola: Look!

We saw a Vaporeon!

Me: Cool a Vaporeon!

Nico: What's that doing here?

Me: I think I know. One of Dark Gale's gene-slammers.

Pipp Petals: Ooh lets see who this is.

She used Telepathy and gasped.

Pipp Petals: (GASP) O.M.P.! THAT'S PEACH FIZZ'S SISTER NECTARINE OCEANFIZZ!

Nico: WHOA!

Me: Me and Pipp will face her. You hold off Morag.

Nico: Okay.

We went to face her.

Pipp Petals: Nectarine! Calm down and let us talk!

All she did was use Hydro Pump

It hit me and drenched me.

Me: (SPITS) Well at least it's water.

I dried myself off.

Me: Looks like we got to stop her.

Pipp Petals: Yep.

Me and Pipp fired lightning blasts and electrocuted her.

I snapped my fingers and she reverted back and was a girl with blue hair and had light green eyes and had Vaporeon in the middle of her forehead and blue angel wings and had a blue version of Peach Fizz's cutie mark on her arm.

We wrapped her in a blanket.

Me: That did it.

Pipp Petals: Oh My Glitter thank goodness she is okay.

She woke up.

Nectarine Oceanfizz: (Groans) What hit me?

Pipp Petals: Are you okay Nectarine?

Nectarine Oceanfizz: Huh? Pipp? Wow! Awesome to see you. Where's Peach Fizz?

Me: She's back at our estate. You were turned into a Vaporeon by Dark Gale.

She gasped!

Nectarine Oceanfizz: I remember!

FLASHBACK!

She was in a blue suit and was injected and she turned into water and then turned into Vaporeon! She turned invisible and ran.

FLASHBACK ENDS

Nectarine Oceanfizz: It was awful.

Me: I know. But Dark Gale has been officially destroyed. Also we're in the middle of a battle.

Rarity: Lets get you some new clothes darling.

Rarity and Pipp gave her amazing blue clothes and a Blue Water Sword.

Nectarine Oceanfizz: Oh wow I look awesome.

Me: You sure do.

Nectarine Oceanfizz: Lets get her!

We went to face Morag and blasted her all over.

Maxxine punched her!

POW!

Maxxine: You make me sick Morag! You have no honor in your heart!

Then lightning blasts hit her and electrocuted her and Pedanium Zetton and blasted them.

We saw a girl with yellow hair, red eyes, black clothes and wings and had a tiara with a Megawhatt on it.

Me: (GASP) Mina Megawhatt!

Nico: Buzzshock's Embodiment!

Mina Megawhatt: (GRUNT) I am glad I was in the area. I hate this monster.

Me: We all do!

Mina lost control and fired a lightning blast at Major Disaster

But he redirected the lightning back and blasted her.

I fired the Antidote ray and injected her.

Me: Looks light it's time to get Electrocuted!

I fired waves of lightning and blasted her!

Major Disaster fired a fire blast and knocked her down.

Thor charged at her and fired more lightning blasts and electrocuted her.

He then activated Gearhead's Ridewatch.

He fired lightning blasts and electrocuted her all over.

Me: YEAH!

Nectarine Oceanfizz: Lets get her!

She fired waves of water and blasted her all over.

The Antidote took effect and she had her yellow eyes back to normal.

Mina Megawhatt: Whoa. What hit me?

Me: Ugly story. Lets finish this

We fired massive energy blasts and blasted Pedanium Zetton down and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and I caught the Ultra Seed for him!

Me: YEAH! Pedanium Zetton You have failed this world! Now I got something big for Morag. Lets show her what TRUE POWER OF FRIENDSHIP CAN DO!

Nico: GO FOR IT!

I unsheathed my sword.

Riku: What do you have in mind?

Me: Watch!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

We are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

I counted that Carly won!

Carly Atlas: YES! Looks like I'm buying us all dinner tonight.

Ironhide: And now, they're under arrest!

Me: Yep!

Nico: You jerks have all failed this city!

Sheila: Yep!

Lola: Good riddance.

We later returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Lucy's big day mission with Tara Duncan starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Masker Mind: I hope Tara and the others weren't waiting that long

Will: Don't worry I called them every day to tell them how our progress during the Ridonculous Race went and more. They are doing well. Also they have been killing numerous vampires coming after them.

Me: Wow! They sure have gotten sharp in their vampire hunting skills that we taught them.

Blade: That shows that they have no idea who they are fucking with.

Me: Just like I told them last month.

Nico: Yep.

Laney: Awesome.

Diamond Tiara: I hope Sandra learned like I have.

Me: I'm sure she has Diamond.

Horsea: I'm sure she's permanently changed.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Serena of the Vampires, she's on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Serena.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Serena of the Vampires, she's on the move and causing havoc.

EVERYONE GASPED!

Lucy Loud: Gasp! I knew it was her.

Brittney: Now, we can end her for good.

Dora Santiago: And stop her plans to rule the world.

Nico: That's for sure, it's time we went all out vampire hunter on that undead monster. Where's she at, Lincoln?

Lincoln: She's at Rosemond and she's got an army of vampires with her.

Me: Figures. Well, that vampire's got no idea who she's FUCKING WITH!

Nico: That's for sure. Alright, team, let's get going, we got to help Tara Duncan and her friends get rid of Serena.

Lincoln: This is where we end her plans for world domination.

Me: We better get ready, we only have 3 hours until sunset.

I checked and saw that we had more than enough Vampire Hunting supplies.

Later the previous group came.

Rich Texan: Can me, Black Adam, Webstor, Angel, Red Ghost, Skalamander, Steam Smythe, BlackWarGreymon, Felix Faust and Ben Ravencroft go with you guys?

Nico: Yes you all can come with.

Me: Perfect too since Webstor is in this group.

Webstor: That's right. I was slated to come with anyway.

Lola: Yep.

Wallflower: Nico, which Gene Slammer do you think you'll meet next?

Nico: Beelzemon Blast Mode.

Me: WHOA! That was a powerful one and it was also the form he got when he stepped into the light of redemption.

Maria: Yep.

Varie: I remember that. So cool.

Beelzemon: That will be cool.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, the bloodthirsty vampire bastard, Deacon Frost, and he along with Quinn are coming after us for revenge. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli. The next villain that we're also going after, to our anger, it's our old enemy, the bloodthirsty vampire bastard, Deacon Frost, and he along with Quinn are coming after us for revenge.

Me: I knew we'd be going after him next, along with that fucker, Quinn. Lincoln, don't kill Quinn, tie that fucker up and send him to Vypra.

Lincoln: Got it.

Nico: This is going to be the last time that fucker dares to come back and cause us trouble, this time, this is where he dies once and for all. Alright, team, let's go, we're off to Rosemond to help Tara Duncan and her friends destroy Serena of the Vampires forever.

Lincoln: And end her schemes to take over the world, and once we get done with her, you're next, Deacon Frost.

Lucy Loud: We've got a score to settle, Frost, and it'll end with you dying once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Rosemond to help Tara Duncan and her friends destroy Serena of the Vampires once and for all, and once we got done with her, we're going into one final battle with Deacon Frost.

We were off.

We arrived in Rosemond.

Me: Here we are.

Webstor: This is gonna be awesome.

Black Adam: We should call Webstor before we forget.

Webstor: Glad you haven't forgotten. But I'm already here

Me: Yeah.

Black Adam: Sorry force of habit.

Me: No worries.

But then...

POW!

SMASH!

Cal got punched his face and crashed into us and we caught him!

We saw he had a nasty black eye!

Me: GEEZ! Cal are you okay!?

Nico: WHO DID THIS!?

Cal: (Dazed) Mommy read me the story of the bunny.

Varie: Look!

We saw an all too familiar bully picking on Tara and Sparrow!

Me: Francis!

Nico: Not that jerk again!

Maria: Oh great. Him again.

Me: I was expecting him to appear on Timmy's day to shine.

Nico: Me too.

I went over.

Francis: Looks like I'm going to kill a girl!

He raised his fist and just as he was about to punch Tara, I grabbed his fist.

Me: Didn't your mother ever teach you that it's never okay to hit a girl? Don't you have any chivalry?

Tara Duncan: You all made it!

Me: Like we wouldn't miss this.

Nico: Crocker and Vicky were the bigger threats. You're just a minor nuisance.

Me: Yeah.

Francis: You'll be joining Vicky when I kill you all!

He punched me in the stomach and then...

KRABLANG!

HE BROKE ALL HIS BONES IN HIS ARM AND THEY WERE SHATTERED INTO DUST! HE SCREAMED IN PAIN!

HE USED HIS OTHER ARM AND THE SAME THING HAPPENED!

Me: You're not worth killing anymore. And all that exercising gave me a body as hard as Neutronium. Get the boo box.

Francis: (Fearful) NOT THAT! NOT THE BOO BOX! NOOOOOOOOOO!

We grabbed him and then got out a box and we opened it and stuffed him in it.

Me: Now this is your worst nightmare.

I used Nightmare Magic and made him see Blood and Honey Pooh and Friends mutilating him!

Mascots: LOOK AT IT! LOOK AT IT!

Tara Duncan: I'll be asking about that later!

Me: Sorry about that. That's one pest done.

We went to Tara's mansion.

Varie was healing Cal.

Varie: He sure socked you good didn't he?

Cal: No kidding.

Tara Duncan: Congratulations on winning the Ridonculous Race. We saw it all. J.D., Nico are you okay after being poisoned like that with Fear Gas?

Me: We're fine Tara thank you. Just had a huge crippling headache that left us in bed after we got back.

Nico: Yeah

Sandra Leylocke: Well at least it's done. Also Diamond your advice really turned me around. You got a really good head on your shoulders.

Diamond Tiara: Thanks Sandra. I'm glad.

Anastasia (Cinderella): They may have been affected but they weren't scared

Me: Yeah it was crazy.

Sparrow: What did you guys see under the fear gas?

Me: Us in Arkham Asylum and Burns and Crocker killing us.

They gasped!

Sandra Leylocke: That is scary!

Qin: I know.

Me: But we've seen scarier shit than that. But we broke out of the hallucinations with will and courage. Scarecrow poisoned us with enough poison to hurt 10 people.

Angel: And the City was kept safe in our absence

Peacekeeper: Thanks to me and Adrien Chase.

Tara Duncan: Wow! Thank goodness.

Me: Yep. After the whole Team Buktu fiasco in 2022, Amanda Waller set up a big Neighborhood Watch program for where she would have heroes and people watch over the city for us while we are gone.

Camie: Very clever.

Cal: That is amazing.

Me: Yeah.

Valon: (Australian Accent) Mates, we should do a Shining Vampire Killer on Serena

Me: I like how you think Valon.

Nico: Yeah!

Xenia: Good idea.

Rainbow Dash: That is cool. (Eating skittles) Mmm! Fruity.

Me: Where'd you get the skittles?

The mascots whistled.

Skalamander: Was it you guys?

Poromon: Yep.

Me: The mascots now have the power to fart skittles.

Cal: That is funny!

Poliwag: Watch!

He got out a bowl and then...

LOUD NASTY FART!

He farted and filled up the bowl.

Cal: Okay that is funny and cool!

Me: Yeah it sure is.

Jirachi: You have my Akuma to thank for that.

Me: Mayhemwish Comet.

Freon: It's true.

Me: Yep.

Tara Duncan: That is funny but cool.

Qin: Yep.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to Tara and her friends) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Ben Ravencroft (laughs): You get some under your pillows if you're good!

Me: Yeah!

Tara Duncan: Poromon looks so cute in that costume.

Me: He sure does.

Cal: But we're too young for beer.

Sparrow: Yeah.

Me: I do have a better alternative.

I gave them root beer.

Tara Duncan: Root Beer. My favorite.

Me: Cool.

Poromon: More for me then!

Poliwag: (Does Puppy eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Tara Duncan: Funny. But what was that the mascots did wth that box?

Me: It was a nightmare we used based on abominations we killed.

Himiko: And cue Mascot craziness in 3... 2... 1...

Horsea: OH, YOU WANT TO KNOW WHAT WE MEAN?! (shows trailer close to Tara's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Tara: IS THAT BLOOD AND HONEY! OH MAN!

Poromon: (shows trailer close to Sparrow's face) YOU LOOK AT IT!

Sparrow: OH THAT IS AWFUL!

Manaphy: (shows trailer close to Cal's face) YOU LOOK AT IT!

Cal: HORRIBLE! YUCK!

Poliwag: (shows trailer close to Sandra Leylocke's face) LOOK AT IT!

Sandra Leylocke: GET THAT MOVIE OUT OF MY FACE!

Jirachi: (shows trailer close to Master Chem's face) LOOK AT IT!

Master Chem: THAT IS A MOST HORRIBLE MOVIE!

Tentacool: (shows trailer close to Aquaphonis's face) LOOK AT IT!

Aquaphonis: HOW HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Donna Diego: We apologize for this.

Me: Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Me: (Mumbling) If I show the trailer to Bolhofner, I want to kill him with a combo of the trailer, Nightmare Style Jutsus and The Powers of Hell combined.

Nico: What was that?

Me: Talking to myself.

Nico: Oh.

Maria: Take a look at it. This is what happens when movie makers get greedy!

Me: Yep. It's Winnie the Pooh gone bad.

Pooh: It was not pretty.

Me: We saw the trailer for that around December of 2022 and that movie came out on February 15th, 2023. It was a horrible one.

Qin: Yeah.

Poromon: Yeah we wanted to kill those guys and give them the black gates.

Me: But we swore NEVER to do that because the people that made it are innocent people. So we went with Blu's idea and launched a lawsuit.

Tara Duncan: Black Gates would be too quick! You should've beat the crap out of them!

Felix Faust: At least you're saying something different

Me: That would count as hurting the innocent and our code is to PROTECT the innocent. What you suggested is the opposite.

Nico: Yeah.

Tara Duncan: Oh sorry.

Will: Also Tara you're forgetting that because of Anti-Monitor, the Black Gates were breached. Now we have the Black Abyss which is a million times worse.

Tara Duncan: Why did they go nuts anyway?

Marah: Because Christopher Robin left for college

Me: Yeah and they turned into bloodthirsty killing machines.

Qin: Yeah.

Cal: Horrible.

Me: I know.

Poromon: But we destroyed those abominations forever.

Me: We did so on the King Ohgers home planet Chikyu.

Cal: Whoa! So the King Ohgers know about the Blood and Honey versions of Pooh and friends.

Me: Yep.

BlackWarGreymon: But not how they came to be

Lana: Which we'll reveal on mine, Starfire and May's day.

May: Yep.

Lola: Yeah.

Tara Duncan: Why do I get the feeling someone's going to make a surprise appearance?

Me: I have that feeling too.

Lincoln: WHOA! Okay guys I just got a premonition. It's Lucy's Second Akuma. Her name is Count Draculucy. The 2nd Hypothetical Akuma of Lucy Loud and she is a powerful vampire endowed with the powers of La Magra the Blood God and she is strong and powerful. She was made because of the crimes of Deacon Frost that he commited to both vampires and humans alike and vowed to kill that monster.

WE GASPED!

He showed us a sketch of her and she looked like a vampire with scary bat wings and piercing red eyes.

Me: WHOA!

Lucy Loud: GASP!

Brawl: I hope it's still sunlight out!

We looked outside and saw that the sun has set!

Me: It's Dusk.

Camie: Oh god.

Me: Good thing we have our Vampire Hunting gear.

Tara Duncan: Oh guys we have been sharpening up our Vampire Hunting Skills. We killed NUMEROUS vampires while you were on the Ridonculous Race.

Cal: We counted 745,344 vampires.

Blade: Wow. That's impressive.

Me: Glad you're taking what I said about killing vampires to heart.

Tara Duncan: Yep.

Poromon: Now the whole area is her playground

Me: Well lets go out and bring her down.

Eli: I sense her coming.

We went outside to face her.

We looked around.

Me: Better flush her out.

I activated a UV Light Flashbang grenade and threw it and then a massive flash of ultraviolet light went off and then screaming in pain, out came COUNT DRACULUCY!

Me: There she is!

Count Draculucy: (Transylvanian Accent) That was painful and it hurt.

Me: Sorry about that Lucy. Wanted to show that we mean business.

Steam Smythe: Lucy? Is that you?

Count Draculucy: It's still me.

Me: Looks like we both want to kill Frost.

Count Draculucy: That's right.

Me: The Transylvanian Accent is fitting for you because of your love of vampires.

Count Draculucy: It sure is perfect.

Me: It does add a nice touch.

Webstor: But you still need to calm down.

Count Draculucy: Not until Frost is gone.

Me: Then we got to fight.

I pulled out silver stakes and threw them and they skewered her in her legs.

Webstor charged at her and wrapped her in webbing.

Me: Here Tara.

I gave her and her friends necklaces of garlic bulbs.

Tara Duncan: Thanks J.D.

Count Draculucy: My turn.

She broke out and charged at us and we dodged her.

Me: Time to use the Holy Hand Grenade.

Nico: WHOA!

We got it out and there was a chant.

Me: In nomine patris et spiritus sancti. Amen!

HALLELUJAH!

I popped the pin and counted to three and threw it and it hit Count Draculucy and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It knocked her out.

Xion: Personally, I think it fits you.

Lucy Loud: It sure does.

Me: Yep.

Nico: Now time for our favorite part.

Me: The usual battles.

Red Ghost: You're gonna love it.

Me: Yep. Maria call it in.

Maria: Right.

Then Shendu, Selene, Amora, Robo Roxy, Gentleman Ghost, Evil Green Ranger, Artie Ziff, Mammoth, King Hiss and Toyman came.

Nico: Shendu, Selene, Amora, Robo Roxy, Gentleman Ghost, Evil Green Ranger, Artie Ziff, Mammoth, King Hiss and Toyman.

Selene: This is fitting for me because I'm a 17,000 year old vampire.

Shendu: Except you're on the right side.

Selene: And Serena and Frost are on the wrong one.

Amora: Exactly.

Me: Yeah no kidding.

Gentleman Ghost: (to Nico) We heard you fought the April Moon Gang.

Nico: We sure did and it was funny.

Robo Roxy: (to Akiza) You should take care of that Roselia.

Akiza: I will.

Me: Cool.

Rugby Jamen came.

Me: Back for another round I see Rugby Jamen.

Rugby Jamen: I sure am.

Me: Awesome.

Rugby Jamen: And you're going to be shocked about the next Hitotsuki.

Out came the Zero One Hitotsuki, Zero-Oneeki!

Zero-Oneeki: Zero-Oneeki, Hitotsuki of Zero One.

Me: Wow! Awesome to meet you.

Taro: What is your human form?

She reverted back and was a girl with black hair, green eyes and black clothes and wings and had the logo for Alien on her arm, skirt and shirt and forehead.

Lincoln: (GASP) Ellen Newt Nostramo XLVII!

Ellen Newt Nostramo XLVII: Awesome to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Yep. This is Ellen Newt Nostromo Ripley XLVII, Avatar of Alien, she's Lincoln's Guardian Angel from Michigan and the second of a group of Guardian Angels called The Avatars of The Great Horror Movies, these are girls that represent the greatest horror movies of all time and have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She's the Avatar of Alien from 1979 on up and she comes from the year 9124 in the 92nd Century and she's the direct descendant of Ellen Ripley and a hybrid of the Xenomorphs. She has all their powers and skills and even their acidic blood and a second tongue that she can use to implant an embryo into her enemies. She's a member of The Avatars of The Great Horror Movies, a group of girls who represent the greatest horror movies of all time and they have the powers and skills of those monsters and have the power to bring your worst fears to life times 100,000,000,000. They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She came to Royal Woods where she met Lincoln and she even taught him how to use the powers and skills of the Xenomorphs, and over time, he not only gained all the powers and skills of the Xenomorphs, but also their acidic blood, and he also gained the ability to implant an embryo into his enemies through his tongue and even his tails, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a vengeance and vowed to kill them the same way the Xenomorphs killed MANY PEOPLE!

WE WERE IN AWE!

Me: WHOA! You're from the year 9124!? That's 7,100 years from

Me: That's right!

Deacon Frost: By the time we're done, vampires will rule the Earth! As for the vampires of both your teams, they'll be forced into our service!

Me: Well news flash for you Frost! We're not going to let that happen.

Deacon Frost: I'll tell you what we are, J.D.! We're the top of the fucking food chain. The Blood god's coming and after tonight, you people are fucking history. He's a hurricane. An act of God. Anyone caught in his path will instantly be turned. Everyone you've ever known... everyone you've ever fucking loved... it won't matter who's pureblood and who's not. How you gonna cure the whole fucking world? Hm?

Me: I have that kind of power Frost! And news flash for you. You're not the top of the fucking food chain! There's a new apex predator in town. US! Your reign of evil will die long before we let that happen you motherfucker!

Lucy Loud Everyone in the audience! Lend Tara and her friends your strength!

Brittney: They get stronger with your support!

Dora: When we give the signal, share your energy with Tara and her friends! Okay? Ready... go!

Everyone in the audience began sharing their energy with Tara and her friends. And soon, Tara found the strength to get up.

Tara: As Blade would say, you don't know who you're fucking with!

Tara got a nearby stake and killed a Hidiac with it

Serena: WHAT!?

POW!

I punched Frost and knocked him down. Brittney kicked Serena and knocked her down too.

Tara Duncan: Thanks for the help, everyone.

Serena: You have ruined all of my plans to rule the world for the final time, Tara Duncan, and now, I will make sure that you and your friends die here and now!

Deacon Frost: You fuckers are all dead, you ruined my plans to destroy your precious human race with the power of La Magra, now I'm going to make sure you're all fucking dead! (HISSES)

Quinn: I'm gonna fuck you all up, and make you all bleed!

Lincoln: Oh, shut the Hell up, Quinn!

Lincoln roared in anger and charged at Quinn and grabbed him by the neck with his left hand and he bared his fangs, and...!

CHOMP!

Lincoln bit Quinn and drank most of his blood, and that knocked him out and he sent him straight to The M.O.E.

Deacon Frost: Why, you...! (HISSES)

But, Lucy Loud kicked him hard in the face and sent him flying into a wall!

Lucy Loud: Stay away from my brother and my family, Frost!

Brittney: Alright, that's it, now you've crossed it, you absolute fuck!

Dora Santiago: Let's end this once and for all!

Lucy: Let me, Brittney, and Dora transform with you all.

Nick Russell: Sure thing, Lucy.

Mystic Force Rangers: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

With that, Hitoshi reaches for his obscured belt, and pulls from it a strange mobile phone like object, that, when opened is revealed to be a strange tuning fork with a snarling face. Hibiki then strikes the tuning fork against his boot sole, lifting it to his forehead, revealing the same snarling face called upon by the soundwaves.

Hitoshi: (Under his breath) Hibiki.

At this point, the soundwaves envelop Hitoshi, turning from clear to red as purple flames envelop him, casting aside the form of man, allowing Hitoshi's Rider form to rise through, revealing a primarily violet being with red arm armor, silver armor across his chest, a belt with three sharp comma looking symbols circling on themselves on the central point of it and a burgundy-brown cloth between his legs, as well as what appear to be drumsticks attached to the back of his belt, disk-like objects on the left side of his belt and his folded tuning fork on the right, as well as a head with violet background and six red lines on it, with two more surrounding a small snarling face on his forehead.

Meanwhile, Iori pulls his flute-whistle from the side of his belt in such a manner that the front of it has split open, revealing it to be a sort of panel that covered a snarling face. Meanwhile, Tomizo pulls down the bottom part of his bracelet, which moves the snarling face up and reveals three small strings inside. Tomizo strums the strings in his bracelet while Iori blows into his flute-whistle, before both raise their respective arms: Iori to move his whistle to his forehead, causing the snarling face to be revealed on it before swiping to the left, generating a large gust, while Tomizo just straight up raises his arm into the air after holding it to his forehead for a second as the face on the bracelet appears on his forehead. As they do this, Iori is surrounded by wind and Tomizo is being struck by lightning. Ultimately, their transformations complete, revealing their Rider forms. Iori is a primarily black form with blue arms, golden pipe-like armor across his chest like a vest, and a head not unlike Hitoshi's but blue and silver with a smaller gilded face on the forehead matching his whistle. Meanwhile, Tomizo becomes a primarily green form with white arms, and a red guitar string like strap across his chest, held in place by a white retaining brace, with a head somewhat different from Hitoshi's, as he only has one horn rather than two, but the structure is similar otherwise. As well both have the same silver belt as Hitoshi, but with different centerpieces. Iori's is what looks like a fan blade, which looks like it could connect to the trumpet-gun he carries. Tomizo's meanwhile is a set of strings, like a miniature harp almost, that could easily fit onto his guitar-spear.

Nick Russell: FEARSOME AS FIRE! RED MYSTIC RANGER!

Brittney: Not to mention you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Dora Santiago: That's right. And as for you, Deacon Frost, you've got some goddamn fucking nerve coming back from The Black Gates thanks to Anti-Monitor, and you and Quinn also had the nerve to fight alongside Serena. But, that no longer matters, after we get done with Serena, we're also going to make sure that you die here and now, and this time, you are never ever coming back.

We were amazed by the transformations of Lucy Loud, Brittney, and Dora Santiago, but when Serena and Deacon Frost saw it, they went mad with rage and hissed at us. But, before Deacon Frost could try to attack them, Lincoln and his family blasted that asshole and he hissed angrily.

Serena: DEACON FROST, YOU ABSOLUTE IDIOT!

Deacon Frost: Shut the fuck up, bitch!

Suddenly, the twelve pureblood vampires appeared and they were in a circle, and then, he used a blood bag full of Blade's blood and he sent it pouring onto the foreheads of the twelve pureblood vampires, and then, another drop of Blade's blood fell, and this time, it landed on Deacon Frost's forehead.

Me: That bastard! He's going to use the ritual to summon La Magra!

Future Me: This wasn't Frost's doing! It was Sebastian!

Suddenly, Future Sebastian appeared and fired a blast of black lightning that hit the twelve pureblood vampires, and then, their souls in the forms of winged skeletons were ripped out of their bodies as the bodies turned to ashes, and they entered into Deacon Frost's body and his eyes turn completely red!

Serena: You! You miserable little...!

Future Sebastian: (LAUGHING DERANGEDLY) Enjoy killing each other, pathetic vermin! I'll enjoy the show from the confines of Hell!

Future Sebastian disappeared in a tornado of pitch black darkness and was cackling insanely!

But, then, Lincoln grabbed Deacon Frost by the neck with his left hand, and he began sucking out and draining Deacon Frost's godly powers that he'd gained from La Magra, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

With that, Hitoshi hits the button on the back of the sword, causing him to be engulfed in sound yet again, turning entirely red with white contrast and a visor like spot on his face, as the disks carried by all the heroic Oni seemingly come to life, taking on vibrantly colored animal-based forms that we see for all of like a minute as they form armor on Hitoshi, ultimately culminating in a chestpiece as the horns on his head grow a bit and the small snarling face gains a guard of some kind, completing the transformation.

Suddenly, the bell of judgement rang in his meaning her time was finally up! Then, the spirits of all those she'd killed appeared and grabbed her.

Tara Duncan: Good riddance, Serena. I don't want to see your face ever again.

Nico: That monster has lived long enough.

Me: You said it.

We then turned to the barrier with the angry and pissed off Deacon Frost inside it.

Lincoln: And now, we got one final piece of business to take care of: Deacon Frost.

We turned our attention to Deacon Frost who was completely angry and now completely deranged. Lincoln snapped his fingers, and the barrier vanished, but we saw it: Deacon Frost was absolutely BEYOND ENRAGED AND BEYOND INSANE AND HE WAS SNARLING AND GROWLING LIKE A SAVAGE ANIMAL!

Deacon Frost: THAT'S IT! YOU FUCKERS, I'M GOING TO MAKE YOU ALL PAY!

Me: Some motherfuckers are always trying to iceskate uphill.

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, golden yellow, and blue energy that protected all of us from Deacon Frost who tried to destroy the barrier with his fists, but it didn't work, and his fists wound up getting bloody and his bones shattered.

Brittney: Seriously?! You're still at it again?! Well, I shouldn't be that surprised though.

Dora Santiago: That's true, he's still as violent and insane as ever.

Lucy Loud: But, don't worry, we're going to kill you and make sure that your name is entirely forgotten and you'll be nothing more than a forgotten memory.

Suddenly, the red and purple eyes of Lucy Loud, Brittney, and Dora Santiago turned neon red and purple and they were surrounded by black, red, purple, white, golden yellow, and blue energy auras with stars, aura energy, white and blue heavenly flames, darkness, dark lightning, dark flames, ice, Wendigos, bats, demons, ghosts, creatures of the night, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Deacon Frost, they left black, red, purple, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark lightning, dark flames, ice, Wendigos, bats, demons, ghosts, creatures of the night, phoenixes, and angels with every step.

Brittney: Not to mention you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Dora Santiago: That's right. This time, we're going to make sure that you die here and now, and this time, you are never ever coming back, you son of a bitch.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF DEACON FROST TO NO END! NOW, THE BATTLE TO SAVE THE WORLD FROM TOTAL DOMINATION AT THE HANDS OF THE VAMPIRES AND THE BATTLE FOR THE FUTURE OF MANKIND WAS ON!

Lincoln, Lucy Loud, Brittney, Dora Santiago, Nico, and I and the rest of us went after Deacon Frost, and we fired extremely powerful blasts of rainbow, white, golden yellow, black and blood red, white, golden yellow, and black and purple, white, golden yellow, and blue energy, white, golden yellow, and blue energy, aura energy, white and blue heavenly flames, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Sylphs, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Deacon Frost and they exploded with incredible power as they hit him.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Lucy Loud, Brittney, and Dora Santiago, also did the same by firing colored, white, golden yellow, and blue energy slashes from their massive greatswords and gold-plated dragon claws, and Lincoln, Lucy Loud, Brittney, Dora Santiago, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Deacon Frost even more angrier and pissed off than ever, if that was even possible!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a golden yellow fire vortex flared up behind him, and he charged at Deacon Frost, and he proceeded to brutally smash him into the ground with his massive godly brute superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of golden yellow wolf fire, heavenly light, moonlight, and ice at him, and it was brutal, and he fired a rainbow energy beam that shattered the Monitor Orb in his forehead and it shattered, and not only did we get a massive power boost, but Deacon Frost was screaming in agonizing pain as he held his head in pain.

Lincoln and his siblings pounced on Deacon Frost, and they began viciously beating him up as he was overwhelmed by a massive fight cloud, and it really really got ugly as they viciously beat Deacon Frost up, and then, Lincoln kicked Deacon Frost hard out of the fight cloud and he crashed into a tree, he got back up, but he was beyond angry.

Webstor (to Deacon Frost): I know the perfect way to kill you!

Webstor tied him to the wall with webbing.

Lincoln threw numerous darts full of EDTA and they went right into Frost and injected him!

Lincoln: Some motherfuckers are always trying to iceskate uphill.

Lincoln got out a dart full of EDTA and he threw it into the air and he kicked it and it went right into Deacon Frost's forehead, and it injected the EDTA into his body and he screamed as it caused his body to swell up and then, he exploded into a gory bloody mess.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

EEEEEEEEEEEEEEWWWWWWWWWWWWWWWWWWWW!

And Lincoln banished him to The Black Abyss forever.

GOOD FUCKING RIDDANCE FOREVER, AND DON'T YOU FUCKING COME BACK EVER AGAIN, DEACON FROST!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and eleven sets of large colored angel wings underneath the massive colored angel wings of Lucy Loud, Brittney Knudson, and Dora Santiago are permanent.

Me: Finally, at long last, we're rid of that motherfucking piece of shit, Deacon Frost, forever!

Brittney: You've no idea how relieved we are to be rid of him, Dad.

Nico: That son of a bitch deserved to die once and for all, and he's never coming back.

Me: And we got rid of his minions as well. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, Lincoln got a vision, and it wasn't good: it appears Torlok from Kingdom: Shadoan and Akuro from Okami have returned, and that means another of his Guardian Angels who also despised Dark Chase Young has returned.

Lincoln: Actually, we got an emergency tomorrow, and it's not good: it appears Torlok from Kingdom: Shadoan and Akuro from Okami have returned.

Selene Arcangela: The two demons enlisted by Dark Chase Young centuries ago, then that means, the one we're meeting tomorrow is Serena Goldorado, Gene-Slammer of Edlich, The Mad Golden Lord.

Tyris Flare: I knew it was her.

Me: You guys know her?

Anna Anyanova: We do, and here's a revelation that digs even further into the story of how Aggie killed Lincoln's ancestors, and wouldn't you believe it, that piece of shit, Dark Chase Young, was the mastermind behind this. There's no explanation on how The Dragon Stone came into being in the records, but here's how it was created and how did Aggie get her hands on it? The horrifying plot twist: it turns out that Dark Chase Young fearing that one day Lincoln would eventually destroy him, decided to try and destroy his ancestors by enlisting Torlok from Kingdom: Shadoan and Akuro from Okami to create not only The Dragon Stone itself, but also, The Dark Side Potion as a backup should Aggie fail to destroy Lincoln's ancestors.

WE GASPED IN HORROR!

Lincoln: Then, this means...!

Anna Anyanova: Yes, it was Dark Chase Young that gave Aggie The Dragon Stone for one purpose: to destroy the Louds once and for all.

WE WERE BEYOND SUPER MEGA PISSED OFF! BUT LINCOLN, OH HE WAS NTH-DEGREE SUPER MEGA PISSED OFF TO THE NTH-DEGREE EXTREME!

Lincoln: THAT IMMORTAL PIECE OF SHIT! I CAN'T BELIEVE HIM! HE ENLISTED THE HELP OF TWO OF THE MOST VILE DEMONS EVER 400 YEARS AGO AND THEY CREATED THE DRAGON STONE AND THE DARK SIDE POTION TO DESTROY US! THAT'S IT, THAT IS IT, I'M GONNA DESTROY HIM, MORAG, AND AGGIE ONCE AND FOR ALL WHEN MY BIG DAY MISSION COMES! HE'S GONNA REGRET THE DAY HE EVER CAME INTO EXISTENCE!

WE WERE SHOCKED AND HORRIFIED: LINCOLN'S RAGE HAS TRULY BEEN UNLEASHED AND HE WAS REALLY OUT FOR THE HEADS OF DARK CHASE YOUNG, MORAG, AND AGGIE! HE WAS OUT TO BRING 1,900 YEARS OF PAYBACK AND RETRIBUTION ON THEIR HEADS!

Me: My God!

Nico: This is really serious! So, all this time...! That piece of shit! He's gonna pay for this along with those two insane big-butted witches!

Anna Anyanova: That's for sure, and here's the story on Serena Goldorado: Serena Goldorado, Gene-Slammer of Edlich, The Mad Golden Lord, is Lincoln's Guardian Angel from China and classmate in Math, and she's also the twin sister of Tyris Flare. She's an Amazon, but with white hair and a golden bikini. She protected Lincoln from his enemies with her skills and magic. Her great grandmother was one of Dark Chase Young's fallen warriors, but thankfully, before she left she gave Serena a notebook revealing everything Dark Chase Young has done. Serena swore that she would protect Lincoln no matter what and she even used her magic to prevent any memory loss done to Lincoln and the girls in his harem plus his Guardian Angels. she even made a curse so powerful it said to instantly destroy any who are completely black hearted and irredeemable. The curse was called Eternal Black Damnation. To show his thanks for always protecting him Lincoln kissed Serena on the lips, and he even promised that when he comes of age, he will marry Serena along with the rest of his harem. She hates all of Lincoln's enemies with a blazing passion and outright loathed Dark Chase Young and she wants nothing more than to destroy him.

Nico: Whoa, so, her magic prevented any memory loss done to you and your harem plus your Guardian Angels, that's so awesome!

Lincoln: Serena's magic was far more powerful than that bastard's dark magic. But, now we all know that Dark Chase Young was the monster behind the events of what happened 400 years ago.

Me: Yep

POW!

Kaito Touma punched Anur Transyl!

Lightning Dust, Lena and Zipp fired lightning blasts and overloaded him and blasted him down.

Zipp Storm: That was awesome!

Lightning Dust: Yeah it was!

Kaito Touma: What do you guys wanna do now?

We came back.

Me: Well that is done! WOW! Explosive!

Evil Green Ranger: That's the end of Serena.

Artie Ziff: And Deacon Frost.

Me: Good fucking riddance!

Mammoth: (to the Ultraman Max team) You guys helped too.

Kaito Touma: We sure did.

Me: We owe you big time Kaito.

Tara Duncan: See you on April 7.

Kaito Touma: We'll be waiting.

They shook hands.

King Hiss: We should celebrate.

Toyman: (to Tara Duncan) Where's the nearest restaurant?

Tara Duncan: There's a great steak restaurant we know.

Carly Atlas: Perfect. I owe you guys a great steak dinner because I beat up the most thugs earlier.

Tara Duncan: Awesome! I'm hungry.

Lola: Me too.

Nico: Great job today everyone and Lucy, Brittney and Dora you all did a great job.

Brittney: That was fun.

Lucy Loud: It sure was.

Lemon Zest: And earlier we caught the Midnight Princess of me. So awesome.

Me: Yep.

Lucy Loud: (To the viewers) Vampires are never going to conquer our world as long as we are around.

Me: That is for sure.

We went to an amazing steak restaurant and had great steaks and they were good. We later went home.

We returned home to prepare tomorrow for Lucy's big day mission, and many hours later, night fell on Gotham Royal York, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of Deacon Frost and Serena, and we took down Leanne Midnight Lemon Zest. Now, all that's left is to take down Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

Caleb Maxwell: And then, the final showdown against Morgana Midnight Sparkle will begin.

We then got ready for bed.

---

In the early morning hours at 12:11 AM, I was doing a late patrol.

Me: So far so good.

THUNDERCLAP!

I looked and saw a FEROCIOUS STORM!

Me: Wow! Look at that!

It was a scary and ferocious storm cloud with intense lightning. Then it formed into a scary skull with fanged teeth and bat wings with intense lightning and thunder.

Me: WHOA! This has to be a sign! An omen.

I went back to the estate and went to the library.

Nico: What's wrong?

Me: I saw a storm that looked like a skull with fangs and bat wings. It must be an omen.

Nico: Oh man!

We went to the library and consulted Nostradamus's book.

Me: Lets see Scythes, Silk, Storms! (Reading) "A ferocious storm cloud in the shape of a skull with fanged teeth and bat wings and lightning and thunder striking in the cloud means The Coming of The Storm King!"

Nico gasped!

Nico: (GULP) Oh man!

Me: (Continues reading) "On the 7th day of the 4th month of the 24th year of the 2nd Millennium, The Tyrant of Storms will return to exact vengeance on the very traitor that did him in the first time."

WE GASPED!

Me and Nico: Tempest Shadow!

Me: Tempest Shadow did kill him the first time.

Nico: She sure did.

Me: And that date is April 7th. So that's Zipp Storm, Lightning Dust and Lena Mack's big day.

Nico: Oh man! So the Storm King is coming on their big day.

Me: Well he is one of the villains of Equestria that is irredeemable.

Nico: Yep.

Me: Lets head for sleep.

We did so.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to San Quentin Prison, but as he was flying, he saw a figure escape from prison, this person was the father of Rachel Carrington, Drakus' succubus girlfriend who got turned into Zixkle by Lord Zedd and Rita Repulsa after they brought her back after Sebastian killed her years ago only to free herself and still retain all of her succubus and dark powers, and it turns out her piece of shit father was the one who went to Sebastian to have Rachel killed to break Drakus, and now, he's escaped to kill The Jetstream Sisters and Rachel Carrington again. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit.

Kali Timestream: If The X-Squad finds out about this revelation, they're gonna fuck him up big time!

Firaza Diamond: And when Drakus finds out about this, he's gonna make Rachel's dad suffer and he's bound to also give Sebastian a nasty dose of Hell as well.

Jenny Kuradoberi: Given what he's done in the past eight years, I shouldn't be so surprised.

Janna Shannon: And now, Rachel's piece of shit dad's broken out of prison to kill The Jetstream Sisters and he's also going to go after Rachel Carrington again. This has Sebastian from Future J.D.'s world all over it.

Lincoln: Without a doubt, I smelled blood in the air when I was flying in my dream. We're telling everyone about this in the morning, and I know all Hell's gonna break loose.

Girl Jordan: The second that happens, they're gonna go after that jerk.

They went back to sleep, then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to San Quentin Prison, but as he was flying, he saw a figure escape from prison.

Me: What? Who was it?

Lincoln: The person I saw was the father of Rachel Carrington, Drakus' succubus girlfriend who got turned into Zixkle by Lord Zedd and Rita Repulsa after they brought her back after Sebastian killed her years ago only to free herself and still retain all of her succubus and dark powers.

When Drakus and the X-Squad heard it, they gasped in shock!

Rachel Carrington: That piece of shit! I can't believe he's escaped!

Drakus: Unbelievable, and years ago, I had that asshole arrested when he tried to murder Rachel because he hated her. I thought I'd never have to see him again.

Lincoln: And there's also something else I found out: it turns out her piece of shit father was the one who went to Sebastian to have Rachel killed to break you, Drakus.

When Drakus heard that, he was pissed!

Drakus: WHAT?!

Cell (X-Squad): So, the mastermind behind it was...! That's it, that disgusting pile of garbage has got to go!

Lincoln: And I found out that Sebastian from Future J.D.'s world was the one who broke that piece of shit out of prison, this time, he sent him to kill The Jetstream Sisters along with Rachel Carrington, I knew because as I was flying, I smelled blood in the air.

Qin: Should've known, when the smell of blood is in the air, that meant Sebastian was already on the loose.

Suddenly, the alarm sounded, and we saw on the computer Rachel Carrington's father, and he was on a rampage.

Drakus: That fucking piece of shit! Everyone, to the weapons room!

Drakus and The X-Squad went into the weapons room and they got out a lot of weapons and they're ready for war.

The X-Squad charged out and Zoe Jetstream punched him hard in the balls and caused him to scream and howl in agony.

Zoe Jetstream: That's for trying to kill Rachel in the past, you pile of garbage!

Then, Michelle Jetstream broke his arms!

Michelle Jetstream: That's for hiring Sebastian to kill Rachel and break Drakus!

Finally, the other Jetstream Sisters pulverized him hard. Then, Drakus grabbed Mr. Carrington and he opened a portal to Hell and threw him in, and when Mr. Carrington woke up, he found himself in Hell and was surrounded by legions of succubi, and they proceeded to rape him after they stripped him naked, and he screamed in agony.

Finally, they threw him out still in the nude, and then, The Jetstream Sisters and The Guardians of Reality on Lincoln's side summoned the time stream and kick him into it and he crashed into it, and he not only turned to dust, but he was automatically sent to The Black Gates for eternity. Then, they came back inside.

Drakus: That felt so fucking refreshing! Now, I feel so much better!

Lincoln: He deserved it.

Eli: You didn't want to tear him to pieces and eat him and drink his blood?

Lincoln: Yuck, I may be a Vampire-Werewolf Hybrid, but I certainly don't want to eat him nor drink his blood, he smells like he hadn't had a shower in a long time. Alright, now, let's finish breakfast and head out to take down the next villain for Nico's rescue.

Nico: Right.

Ariel woke up to see Poliwrath staring at her.

Ariel: Oh morning Poliwrath.

Poliwrath: Morning Ariel. It's your big day today. Breakfast time.

Ariel: Oh wow.

She got up and got dressed and went to the table.

Eli: Morning sis.

Melody: Morning mom.

Ariel: Hey guys.

I gave her pancakes and french toast.

Me: We have a REALLY Special day for you Ariel. It's time for us to get justice for Atlantica.

Ariel: Oh wow! I'm ready!

Eli: Me too!

Melody: Same here!

Me: Great! Eat heartily because we're going after Morgana first.

Melody: Awesome! I'm ready! She is gonna pay for making me be locked inside like a caged bird!

Nico: Love that spirit.

We then finished our breakfast, and we set out to take down the next villain for Nico's rescue.

Me: Haven't been to your castle in a while.

Melody: I was feeling a little homesick.

Ariel: It's good to see the castle again.

Me: It sure is.

Eli: And the best part is no huge wall.

Melody: Too true.

Gyro Man: I agree.

Nico: Gyro Man, I want to thank you, Spike Rosered, and your teams for coming

Gyro Man: No problem Nico. This is awesome.

Wind Up: I'm all wound up and ready for action!

Me: Yeah!

Nico: Wind Up, what do you like to do in your free time?

Wind Up: Well I make toys.

He pulled out wind up toys of all his fellow skylanders.

Wind Up: I make toys for the little kids of all of us.

He wound up a toy version of Splat and it walked and stopped and splattered Lana with paint.

Lana: That is cool!

Me: Very creative and cute.

Wind Up: It sure is.

Nico: Even ones for the Skylander villains?

Wind Up: Yep.

He pulled out toys for Kaos, Chef Pepperjack and many more.

Me: Those are cool

Twilight Sparkle: I like it.

Me: Yep.

Dr. Krankcase: The good doctor loves these.

Me: I do too. Good hobby Wind Up.

Wind Up: Yep.

Tara Duncan: I agree there. Guys I had a lot of fun yesterday.

Me: We're glad you did.

Nico: Hope you weren't waiting too long.

Tara Duncan: Nah. We sharpened up our vampire hunting skills while you were away.

Camie: Wow you made a lot of progress.

Tara Duncan: We sure did.

Cal: Yeah and we watched The Ridonculous Race too. You guys did really well.

Sparrow: Yeah you sure did.

Me: We sure did.

Nico: Can't believe Serena actually planned a fucking vampire army

Me: I know! And to make it challenging and epic, Deacon had his powers from La Magra.

Brittney: I know dad. But it was fun.

Me: Yeah.

Tara Duncan: But it was fun.

Me: It sure was.

Lola: I agree.

Varie: Yep. Those steaks Carly got us were delicious.

Tara Duncan: They sure were. What did you have to do to get them?

Carly Atlas: We battled a HUGE Number of thugs and bikers at the

Bike N Brawl and I won the bet. I owed everyone a steak dinner.

Misty Tredwell: And it was worth it.

Camie: Yes it was.

Qin: Yeah.

Tara Duncan: I see.

Nico: It was fitting that the battle took place at night

Me: Because Vampires only come out at night.

Nico: Yep.

Ariel: That is true.

Lola: Yep.

Eli: But it was still fun.

Me: Now we have to take down Morgana.

Nico: How do we know Morgana will even be here?

Me: Because we're going underwater later on.

Tara Duncan: Why are we going after Morgana first?

Me: Oh right you weren't filled in on this. During Lana's 2nd mission with the King Ohgers on Chikyu we found out a horrible revelation.

Lana: We sure did.

Tara Duncan: What is it?

Nico: You know how Ariel's Mom died?

Tara Duncan: Yeah she was killed by a ship.

Me: Yep. But we found out WHO was responsible for it all.

Eli: We found out that Ursula was the mastermind behind the murder of Ariel's mother Athena.

Me: She hired Davy Jones to kill her in cold blood which lead to Triton becoming so bitter towards most of us.

THEY GASPED!

Eli: (GROWLS) I will never forgive Ursula or her family for everything they did!

Melody: Morgana is the reason why I was trapped in here.

Me: Ariel and Eric built a huge 20 foot tall wall to prevent Melody from going out into the sea.

Melody: But that didn't stop me from loving the sea.

Nico: We're starting with Morgana though

Me: Morgana is affected Melody the most. So she is first because Melody was her only victim. Ursula had the most to affect.

Tara Duncan: Oh I get it. Starting out with the youngest first.

Varie: That's right.

Me: Yep.

Cal: That is one evil family of Ursula.

Me: Yep. Their powerhungry reign of terror ENDS today!

Camie: That's right!

Aqua: I was there when we killed Morgana the first time.

Me: I resurrected Athena back then and healed Ariel and King Triton's hearts.

Nico: Wow!

Me: Yep.

Tara Duncan: That is amazing.

Cal: It sure is. But J.D. answer me this. How did you discover that you have the power to resurrect people?

Me: Boy I haven't been asked that in a long time.

Sakura Knudson: I remember seeing that. That was amazing.

Me: Well it was back when I was in 3rd Grade.

Me: (Voiceover) Me and Sakura were sitting down to lunch in the cafeteria and we saw a girl that was crying her eyes out because she lost her mother due to a terminal illness. We went over to help her.

Young me: We're sorry about what happened to your mother.

Girl: (Crying) It just hurts bad! I miss her so much!

Young Me: I know. I know.

Young Sakura: You want to see her again don't you. But that is impossible.

Young Me: It's not like you can just (Snaps fingers) Snap her back.

Me: That's when it happened!

A massive bright sunbeam shined down on the school and the divine singing of angels was heard and then a figure came and it was the girls mother.

EVERYONE GASPED IN SHOCK!

Mother: Hello my darling.

Girl: MOM!

She ran and hugged her mother again!

Me: I was shocked! I then discovered that I could literally resurrect people from the dead just by snapping my fingers! Everyone was in awe about what I could do. I saw that I was a true god!

FLASHBACK ENDS

Me: I didn't know I could do that.

Sakura Knudson: That was so awesome.

Nico: Wow! So that's how you discovered that you had that kind of power.

Camie: Amazing!

Me: Everyone called me the Miracle of Colorado.

Nico: Wow!

Me: I told them I can only use that power when needed.

Eli: Yeah. That was awesome though.

Lola: Yeah it sure was.

Horsea: So cool!

Me: Yeah. That was when I realized that I could literally do anything.

Nico: Yeah.

Ariel: That is awesome. Oh J.D. how come you guys didn't eat any fish here around me?

Me: Oh we didn't want to scare you because we humans eat fish.

Eli: Yeah so we had to hide it.

Ariel: Oh I understand.

Me: But we could NEVER do that to you or your friends from the sea Ariel. You and everyone here mean too much to us and Eli.

Ariel: Oh thank you guys.

Nico: You're welcome.

Lincoln: Okay, guys, we're in for a really brutal battle, we're going to head underwater to Atlantica, but here's the bad news: it appears Morgana, Ursula's crazy sister, is back from the dead, and she still wants revenge on us and all of Atlantica.

WE GASPED!

Me: What the?!

Nico: That insane hag's back?! Then, that also means Ursula's back as well!

Me: We fought her on Chikyu and banished her to the Warp remember?

Nico: Oh yeah.

The rest of the team was with us.

Lori: I knew this day would come.

Me: Same here, it's time we bring ultimate justice to all of Atlantica and all Mermaids everywhere! And avenge all the people they hurt. That sea hag and her crazy sister are both heading for The Black Abyss for good!

Eli: We'll send Morgana to The Black Abyss first, then, later on today, we go after Ursula!

Lincoln: And I know how I'm going to end that crazy menace, so you guys are in for a show.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dump a massive vat of sushi into his mouth, but this one's spiked with some super hot wasabi.

Lincoln summoned a vat full to the brim of sushi spiked with super hot wasabi.

Rioichi Cooper: A vat of sushi spiked with super hot wasabi? Sergio's stomach is going to be in a lot of pain when this is over.

Ed Cowart: True, and honestly, Sergio's going way too far with this.

Me: And I love super spicy sushi. Nice choice.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of Ursula's crazy sister.

I had one piece of sushi and ate it and my fire aura flared up explosively!

Me: WHOA! That is good stuff!

Lincoln: I learned the recipe from dad.

Nico: Nice!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large

orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Morgana) AHA! There you are, you crazy old hag! I just spotted Ursula's crazy sister, she's 20 yards away.

Nico: Let's tear her apart along with Sergio's thugs.

Tara Duncan: I hope I can breathe underwater with you guys.

Me: You can Tara.

Emerald Sustrai heard a Pokemon cry

Emerald Sustrai: Look here!

We saw a girl that wasn't there before.

Me: Oh are you lost?

Then she laughed and pulled my pants down!

POP!

Me: HEY!

She turned into a Zorua!

Me: Whoa! A Zorua! I should have seen that coming.

Emerald Sustrai: Nice prank!

Zorua: Thanks.

Nico: At least it wasn't me this time.

Me: Yeah.

Emerald Sustrai: Are you hungry?

She gave it apples.

Emerald Sustrai: There you go. I use illusions too so you are perfect for me. Want to come with us?

Zorua: I would be honored.

Nico: Great!

Me: Yep.

But then I got hit by Lightning Pin Missiles!

Me: OUCH! HEY! Okay who is the Wiseass!?

Nico: Look!

We saw a Jolteon!

Me: Cool a Jolteon!

Nico: What's that doing here?!

Me: I think I might know. It's one of Dark Gale's gene-slammers.

J.D. 2: I sense it.

Glory: Let me see.

She used Telepathy and gasped!

Glory: (GASP) That's my sister Joltstorm Glory!

Pipp Petals: (GASP) Oh my Glitter! That is amazing that she is a Jolteon!

Firestar Seashell: It was thanks to Pipp that me, Nectarine and Joltstorm got our sisters into Pipp's fanclub and all that.

Me: Wow! So from Pipp, to you girls and to your sisters.

Nectarine Oceanfizz: That's right.

Me: Lets go help her.

Glory: Right!

Pipp, me and Glory went to helping her.

Glory: Joltstorm! It's me Glory!

All she did was use Thunderbolt.

We dodged it and it hit Ash and electrocuted him!

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

Ash: YYYYYYYYIIIIIIIIIIIIIIIIIIIIIII!

OUCH!

Lola: WHOA! Ash are you okay?

Ash: But Mom, I don't want to go to school.

Me: Ouch!

Iris: What a little kid.

Me: Iris that's just electricity confusion. Besides this isn't the first time he got shocked.

Pikachu: Yeah mostly from me.

Nico: Ouch.

Ed: Zappity Zap zap!

Eddy: Shut up Ed.

Me: Lets wrap ourselves in armor.

I formed rock armor around us.

Me: Rocks can't conduct electricity.

Nico: Do your worst!

Me: YEAH!

It fired more lightning and it hit us and the rock armor didn't electrocute us.

Glory: WOW! This rock armor is amazing! But it's really heavy.

Me: I know. But it takes a while to get used to. Like how we did.

Me, Pipp and Glory fired rocks and bashed her down.

Me: Yeah!

I snapped my fingers and she reverted back and was a girl with golden yellow hair, blue eyes, had Jolteon in the middle of her forehead and had yellow angel wings and had a yellow and black version of Glory's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: There.

We got the rock armor off.

Glory: WHEW! It's hot under all that.

Me: Sorry.

She woke up.

Joltstorm Glory: (Groans) What hit me?

Glory: Sis are you okay?

Joltstorm Glory: Glory? (GASP) Glory!

She hugged her.

Joltstorm Glory: I'm glad you're alright. Still following Pipp?

Glory: I sure am.

Me: Cool. You were turned into a Jolteon by Dark Gale.

Joltstorm Glory: (GASP) I remember.

She was in a Yellow suit and was injected and then in a massive burst of lightning she turned into Jolteon and busted out.

FLASHBACK ENDS

Joltstorm Glory: That was awful.

Me: I know. But we destroyed Dark Gale for good. All their bases are destroyed and all but 2 of their members are in the Black Abyss. Jock Jockerson and Hazel Rainart are in jail.

Joltstorm Glory: Why?

Me: Hazel has too much honor and Jock was simply not worth killing anymore.

Nico: Jock was just a big boob.

Me: Yeah.

Qin: An absolute moron.

Lola: Yep with an incredibly overinflated ego.

Joltstorm Glory: I agree.

Me: What do you do in Sonya's team?

Joltstorm Glory: I am the Lightning Master and Thunderstorm Dancer of the team. I use lightning and storms in dancing to attack our enemies.

Me: Ooh! Graceful and electrifying.

Joltstorm Glory: Exactly. And outside the team I like spending time with my sister.

Glory: It's true. And it's fun.

Me: Yep.

Nico: Let's get you dressed.

Rarity: I was about to say. Lets get you some new clothes darling.

The fashion brigade gave her yellow clothes and lightning staff.

Joltstorm Glory: Wow I look amazing! And the staff is awesome.

Me: It's called a lightning prod. But yeah.

Nico: Now for Morgana

Me: Yep.

We then took off to confront and destroy Ursula's crazy sister, Morgana, and send her and Sergio's thugs to The Black Abyss.

We were swimming, and we saw our target: Morgana, Ursula's crazy sister, and she was commanding an army of demons who bear the mark of Future Sebastian.

Future Me: (Growls) That piece of shit! He supplied her with an army of demons bearing his mark!

Me: Thank goodness it's not an army of Heartless, but they need to be stopped.

Morgana: MINIONS, DESTROY THEM AND BRING ME THEIR HEADS! (LAUGHING CRAZILY)

Morgana sent them after us. Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to a heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

God: (Through Lincoln's body) Servants of Future Sebastian Mendez, I cast you out and condemn you back to Hell! DIVINE HEAVENLY JUDGEMENT STYLE: BLADES OF HEAVENLY LIGHT!

Lincoln swung his massive greatsword and fired waves of heavenly light that transformed into a very massive shower of blades made of light and they skewered Future Sebastian's army of demons and they all exploded into hellfire and they were all condemned back to Hell and the blades also slashed at Morgana as well and she screamed in pain as we landed.

Me: My lord!

God: (Through Lincoln's body) I apologize for the sudden arrival, J.D., but when I saw the armies of demons belonging to Future Sebastian, I'm afraid I had to get involved once more. However, I'll be in control for when we go after Torlok from Kingdom: Shadoan and Akuro from Okami, they caused the events of what happened 400 years ago by creating The Dragon Stone and The Dark Side Potion and they need to pay for that with their lives.

Nico: I understand, my lord.

God: (Through Lincoln's body) Thank you, Nicholas. (To Morgana) Now, where were we? Ah yes, punishing you for your crimes against Atlantica and the entire Mermaid races all over the world.

Morgana: DIE!

Morgana tried to attack, but Lincoln slashed off her tentacles with swift precision and in a blinding flash of heavenly light and she screamed in pain.

Nico: Unreal!

Me: Incredible!

Morgana: AH! MY PRECIOUS TENTACLES! You're gonna pay for this! You will all die a horrible death at my hands!

God: (Through Lincoln's body) I highly doubt that, in the condition you're in, you're not going to last for much longer. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Our lord exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like with Lincoln. But, when our lord takes control, it happens right before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

God: (Through Lincoln's body) I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

God: (Through Lincoln's body) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

God: (Through Lincoln's body) Allow me to administer Sergio's punishment.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he made a huge funnel appear and it was inside Sergio's mouth.

Then, the vat full to the brim of sushi spiked with super spicy wasabi appeared, and using telekinesis, Lincoln lifted the vat full of sushi spiked with super spicy wasabi and poured the contents into the funnel and made their way down into Sergio's stomach. Then, the funnel vanished, and we saw Sergio's face turn red, and then...!

SERGIO SCREAMED AS FIRE BLEW OUT OF HIS MOUTH AND OUT OF HIS BUTT LIKE CRAZY AND HIS DARK MAGIC PROOF CELL WAS SCORCHED!

When Sergio was done, the whole place was literally scorched and steam escaped from Sergio's mouth and butt.

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Me: Now for you Morgana!

POW!

Melody punched her in her face!

Melody: That was for all the pain you put me through!

Morgana: Oh, that's nothing compared to how I'm going to top Ursula making that deal with Jones. And I'll do that by killing all of you!

Me: We'll see about that!

Eli: You bitch!

Eli fired Force Lightning and electrocuted her!

Eli: Ursula is gonna get what is coming to her! Just like you will!

Zorua charged at her and turned into Ursula and fired dark blasts! She blasted her down.

Me: WHOA!

Zorua: (Imitating Ursula) No wonder mom always liked me better than you!

Qin: That was really good.

Camie: Yeah!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Melody, Nico, and I and all of us went after Morgana and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink and ocean blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Morgana and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Melody, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making Morgana even madder than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Morgana, and we found ourselves in Heaven.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Morgana.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything you've done, you deserve to pay for your crimes.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into Morgana's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Morgana hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Morgana was on her last tentacles and she was really really mangled.

Then, Lincoln flies up to Morgana and pulls out her intestines and he flies out of the seas and into the air with Morgana dangling from her intestines. Lincoln stops, and then, with a powerful kick, launches Morgana downwards, which causes her whole skeleton to come out of her body before it smashes on the ground, and he banished Morgana to The Black Abyss and he torched her body as the rainbow, white, golden yellow, and blue heavenly flames consumed her body.

Lynn: WHOO! AND SHE'S OUT!

We cheered as we holstered our weapons and we powered down, and Melody's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five pink and blue planets orbiting around her legs and twenty five smaller pink and blue planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized pink and blue planets orbiting around her wrists and ankles, and massive black angel wings and eleven sets of large black angel wings underneath her massive black angel wings are permanent.

Nico: And that about does it for Morgana, but now, we've got Ursula running loose.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Yes, that may be true, Nicholas, but she will get her punishment very soon. You all killed her three times in the past, you'll do so once more, this time, however, she will never return to hurt the royal family, Atlantica, nor the world ever again.

Ariel: That's for sure.

Triton: One day soon, we need to hear how Lincoln had suddenly become connected to you, and how he would allow you to take control whenever a demonic threat arises.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Actually, I can save you that bit of trouble, King Triton of Atlantica. Do you remember the story of how Lincoln's Guardian Angels came to Earth when he fell into that dark depression?

Me: Yes, we remember, my lord.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Well, it turns out that Lincoln had developed a spiritual connection to me and to all of Heaven through not only his pure heart, but also, his strength, confidence, and bravery, and being the reincarnation of Amaterasu, that deepened that connection even further, and as for how I take control whenever a demonic threat arises, it's more than just one of the gifts I'd given him and all of you as well, this was also due to the spiritual connection to me and to all of Heaven that Lincoln developed.

WE WERE FLOORED!

Me: Oh man!

Nico: That's like how Girl Jordan had a spiritual connection with Leeli until we found out she's also the siblings' biological sister and a

Princess of Aerwiar. Does that also mean you can also use Yurgen's Tune to cleanse those turned into Anothers?

Lincoln smirked, and Nico realized that he was right.

Me: Nico, you just hit the nail on the head.

Nico: I did?

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) In a way, yes, you hit the nail on the head, only for Lincoln, he happens to sing Ave Maria.

WE GASPED!

Konan: The Ave Maria, the song that plays to welcome the dawn of a brand-new day and banishes the creatures of the night back into the darkness.

Me: Incredible.

Luna: We had no idea about that!

Laney: Same here!

Selene Arcangela: But, we did, and it was really powerful. In fact, this one time, when we faced off against a horde of demons summoned by Lila Rossi, Lincoln sang the Ave Maria and it unleashed a massive wave of heavenly and holy light that destroyed the horde of demons and banished them back to Hell, and it also burned Lila Rossi like acid because her heart was so black, she had no humanity in her.

Suddenly, we saw more of Future Sebastian's hordes of demons coming after us!

Me: What the?!

Nico: Seriously?! That psychotic bastard just doesn't quit?!

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Well, allow me to deal with this.

Lincoln rose into the air.

(AVE MARIA SINGS)

The skies had heavenly lights shining down as the angels raised their swords into the skies as the sun became even brighter.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Ave Maria, gratia plena, Maria, gratia plena, Maria, gratia plena, Ave, Ave, Dominus, Dominus tecum. Benedicta tu in mulieribus, et benedictus, Et benedictus fructus ventris (tui), Ventris tui, Jesus. Ave Maria!

Sancta Maria, Mater Dei, Ora pro nobis peccatoribus, Ora, ora pro nobis; Ora, ora pro nobis peccatoribus, Nunc et in hora mortis, In hora mortis nostrae. In hora, hora mortis nostrae, In hora mortis nostrae. Ave Maria!

Then, Lincoln's massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings unleashed a massive wave of heavenly and holy light that destroyed the horde of demons and banished them back to Hell, and it also hit and forced Future Sebastian out of the shadows that he was hiding in and it burned him like acid. He roared demonically and he ran back to Hell.

Then, Lincoln descended to the ground, and we were absolutely stunned.

Eli: I have no words to describe what we just saw.

Girl Jordan: That was so incredible!

Leeli: Indeed, that was amazing!

Nico: And that was only a warm up

Me: Yep. Ursula is next.

Qin: Yep.

Melody: That's one half of Operation: Atlantica Retribution done.

Me: Yep. Lincoln came up with the title.

Nico: Nice job, Zorua!

Zorua: Thanks Nico! It was fun.

Poromon: Want some beer?

Zorua: Yes please!

Poromon: Later, we're gonna watch some DVDs.

Me: Cool! What are we gonna watch?

Poromon: You'll love it.

Me: Okay.

Qin: Looking forward to it.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Thank you. (Sensed Anothers) Uh oh, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) You're right, my lord, we got Anothers heading our way.

Me: I feel it too.

Nico: Creepy that you're speaking through Lincoln's body!

God: (Through Lincoln's Body) I apologize for that Nicholas but yes.

Qin: Yeah.

Eli: We got Another Spike Rosered, Ariel, Birthday Robot, Gong-Oh, Caped Cod and Seal of Approval, Archadis (Beast Wars Neo) and Giant Piñata Monster.

Me: WHOA! I know what I'm gonna do to the Piñata monster.

Sakura Sashimi: Friendly and the Another Ariel is someone Ariel knows.

Me: Ooh!

Ariel: Interesting.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Then we saw the Giant Bull Pinata!

Me: Here we go!

I made a tree and tied it with a rope.

Me: Ready Melody?

Melody: You bet!

I gave her my pinata stick.

Me: Blindfold.

I put it on her.

Melody: Here we go!

She then swung it and then...

KRASMASH!

She smashed it into pulp and we got candy and rainbow candy Krabby Patties!

Me: NICE SMASH!

We ate some of the candy.

Nico: And now, we wait.

Me: Yep.

Misty Brightdawn: This was awesome though.

Camie: Yeah it sure was.

Poromon ate the Krabby Patties

Poromon: DELICIOUS!

Poliwag: YEAH!

Me: They sure are. Oh look!

We saw Another Spike Rosered and Ariel!

Me: There they are!

Nico: Yep!

Another Spike Rosered: (In a girls voice) This is fitting for me because of my love of nature.

She reverted back and was the gene-slammer of Yggdrago the Sky Emperor!

Nico: Yulia Yggdrasil! Wow!

Me: The gene-slammer of Yggdrago the Sky Emperor! That is awesome!

Yulia Yggdrasil: It sure is.

Me: That is an amazing card. It has three parts that form an amazing dragon.

Eli: Like how Exodia is in 5 pieces.

Nico: Yeah! And Yulia is a lover of nature and all life.

Yulia Yggdrasil: That's right.

Spike Rosered: That is awesome.

Nico: And your friend?

Another Ariel: Someone Ariel knows.

She reverted back and was a mermaid with blue hair and blue eyes and had blue angel wings and blue clam bra and tail.

Ariel: (GASP) Aurora!

She went and hugged her.

Ariel: My little sister! You're okay.

Aurora: Same here.

Me: Wow! She must be your sister.

Ariel: She sure is.

Yulia Yggdrasil: That's right. So we ran out of there after he went to the restroom.

Me: Ahh crapped his pants probably.

WE LAUGHED!

Sakura Knudson: (LAUGHS) That is funny.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Nico: Good job.

Gyro Man: Thanks.

Freeze Man: Now my team is next yeah.

Beelzemon Blast Mode came!

Me: WHOA! Beelzemon Blast Mode!

Qin: Cool!

Beelzemon Blast Mode: (In a girls voice) I'm ready for his too!

Nico: Bianca Beelze! Wow!

She reverted back and was a girl with black hair, green eyes, black clothes and black angel wings and had Beelzemon Blast Mode on her skirt, shirt and arm and in the middle of her forehead and had a red bandana on her other arm and had 2 deadly blasters in holsters on her hips.

Bianca Beelze: Awesome to see you Nico. I got this.

She held out her hand and formed a purple energy ball.

Bianca Beelze: (Echoing) CORONA BLASTER!

She fired it and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH! BULLSEYE!

Nico: After Digimon, I hope Gene Slammers for Yugioh monsters are next for me

Me: Now you're talking! So far we've been finding MANY of those.

Nico: You're right on that,

Windup: That is true. Bianca do you have any good memories of Nico?

Bianca Beelze: I sure do. When me and Nico went and killed an entire Sicilian Mafia drug operation.

Nico: Yep.

Me: WHOA! The Great Sicilian Takedown. That was you guys?

Nico: It sure was.

Me: Wow!

Bianca Beelze: Yep.

They hugged.

Nico: I've missed you.

Bianca Beelze: Same here.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Ah, we're here in China, and I know what we're going to do here, not only is Lincoln going to rescue the twelve girls here, but we're going to destroy Torlok from Kingdom: Shadoan and Akuro from Okami, the two evil demons enlisted by Dark Chase Young to create The Dragon Stone and The Dark Side Potion as a backup should Aggie fail to destroy Lincoln's ancestors 400 years ago, and send them straight to The Black Abyss forever.

Me: We heard the whole story yesterday, and we were absolutely horrified! So, what happened to Lincoln's ancestors 400 years ago, this was all that bastard's doing and Aggie and Morag were also just as guilty.

Nico: We were pissed off after hearing the story. Well, when Lincoln's big day comes, those three evil monsters are going to pay for all of their crimes with 1,900 years of payback and retribution!

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) Yes, 400 years of payback and retribution against Morag and Aggie McLaughlin and 1,500 years of payback and retribution against Dark Chase Young, they're not going to get away with what they've done. When the time comes, they will pay for all of their

crimes.

Gyro Man: That's for sure.

Selene Arcangela: And this is where we're going to meet up with Serena Goldorado, Gene-Slammer of Eldlich, The Mad Golden Lord, I hope we're on time.

God: (Through Lincoln's Body) (Divine Heavenly Echoing Godly Voice) We will get there on time, Selene, she's near the city of Xi'an, China, and that's also where we'll find our targets, Torlok from Kingdom: Shadoan and Akuro from Okami, and we'll destroy The Dragon Stone for good and we'll also destroy The Dark Side Potion for good as well.

We immediately got a move on and we arrived in Xi'an, China. Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long white hair, green eyes, massive angel wings, she has Eldlich, The Mad Golden Lord on her forehead, right arm, and golden yellow bikini top, golden yellow bikini, white knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, swords, light, phoenixes, and angels on the coattails, and on the back is Eldlich, The Mad Golden Lord, she has a light greatsword in her right hand, and with her are the the twelve girls.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice) Serena Goldorado, Gene-Slammer of Eldlich, The Mad Golden Lord, you made it right on time.

Serena Goldorado: Yes, I have, and not only did I get the twelve girls away from Torlok and Akuro, but look what I got.

Serena Goldorado took out The Dragon Stone and The Dark Side Potion.

Serena Goldorado: Dark Chase Young sent Torlok to retrieve The Dragon Stone after the fight against Team Dark Phoenix Storm and he ordered Akuro to create The Dark Side Potion again.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly

Voice) I knew this had him all over it. Now, to destroy these two evil artifacts forever.

Lincoln fired a massive beam of heavenly light which destroyed The Dark Side Potion forever along with the traces of Dark Chase Young's essence inside it, and then, he sent The Dragon Stone into space where it was hit by a massive beam of energy that came out of nowhere and it cracked and was destroyed forever and all of its pieces were also destroyed as well.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice) It's over, The Dragon Stone and The Dark Side Potion are destroyed forever, now to destroy its creators.

?: Lincoln Loud, you will die for what you did to Lord Yami!

?: And we will present your head to Dark Chase Young along with the heads of all of Team Loud Phoenix Storm!

We then saw our targets: Torlok from Kingdom: Shadoan, the creator of The Dragon Stone and Akuro from Okami, the creator of The Dark Side Potion, and they were out for blood!

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice) I was wondering when you two would return. But, it's too late, we've destroyed The Dragon Stone and The Dark Side Potion. WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Torlok and Akuro, and he proceeded to brutally smash them into the ground with his massive superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH!

LINCOLN SLASHED THEM WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT THEM AND BLINDED THEM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you two!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

We saw that Torlok and Akuro were a mess: Lincoln left claw marks on their bodies, and tears in their clothes.

Torlok: Damn you! DAMN YOU!

Akuro: We will never stop! Our master will finally be rid of you and we will grant him his wish!

LINCOLN SHOT THEM A HEAVENLY JUDGEMENTAL GLARE AND THAT MADE THEM SO SCARED, THEY SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT THEM DOWN WITH WHAT'S GOING TO HAPPEN TO THEIR MASTER AND THOSE TWO HAGS ALONG WITH TELLING THEM OF THEIR FATE ALONG WITH SHOOTING THEM A HEAVENLY GLARE OF JUDGEMENT AT THEM TOO!

Eli: They're done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST GOT YOURSELVES A ONE-WAY TRAIN RIDE TO PRISON!", "YOU FUCKING BASTARDS! HOPE YOU ALL SUFFER FOR ETERNITY IN THE BLACK ABYSS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Torlok and Akuro.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to them.

Luna: And what Lincoln said was true, they're doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

and transformed, and we went after Torlok and Akuro and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Torlok and Akuro lay on the ground defeated by us. Then, Lincoln morphed the tips of his eleven massive and long brown wolf tails into Cell's stingers, and he stabbed them into Torlok and Akuro, and he began absorbing and he grew stronger and assimilated their strength, skills, intellect, and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Torlok and Akuro except for their clothes and he drained their souls of energy and sent them to The Black Abyss. We cheered as we holstered our weapons and powered down and we headed back home to The World Tree Estate.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice) That is it for Torlok and Akuro, and now, we've seen the last of The Dragon Stone and The Dark Side Potion.

Me: With them destroyed, they won't ever trouble anyone ever again!

Nico: And we've pissed off Dark Chase Young, Morag, and Aggie.

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice) That is the result that we've been wanting to achieve. Now, to take my leave, until we meet again.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue.

Eli: Lincoln, you just...!

Lincoln: I know, and Our Lord explained everything, right?

Me: He did.

Lincoln: I knew this day would come though, but now, you guys know yet another side to me, and I'm finally rid of Akuro and Torlok and we destroyed The Dragon Stone and Dark Side Potion forever. (To Serena Goldorado) And it's so good to see you again, Serena.

Serena Goldorado: You too, Lincoln, it's been seven years since we last met.

Suddenly, Serena Goldorado had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Serena Goldorado was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Serena Goldorado: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Serena Goldorado and hugged her, and Serena Goldorado is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer

vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serena Goldorado: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you

can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Serena Goldorado, Gene-Slammer of Eldlich, The Mad Golden Lord, she's Lincoln's Guardian Angel from China and classmate in Math, and she's also the twin sister of Tyris Flare. She's an Amazon, but with white hair and a golden bikini. She protected Lincoln from his enemies with her skills and magic. Her great grandmother was one of Dark Chase Young's fallen warriors, but thankfully, before she left she gave Serena a notebook revealing everything Dark Chase Young has done. Serena swore that she would protect Lincoln no matter what and she even used her magic to prevent any memory loss done to Lincoln and the girls in his harem plus his Guardian Angels. she even made a curse so powerful it said to instantly destroy any who are completely black hearted and irredeemable. The curse was called Eternal Black Damnation. To show his thanks for always protecting him, Lincoln kissed Serena on the lips, and he even promised that when he comes of age, he will marry Serena along with the rest of his harem. She hates all of Lincoln's enemies with a blazing passion and outright loathed Dark Chase Young and she wants nothing more than to destroy him.

Nico: We heard the revelation yesterday, and not only were all of us pissed off, but Lincoln was super pissed off to the Nth Degree. Now that he knew that Dark Chase Young tried to kill his ancestors 400 years ago, he's gonna make him, Morag, and Aggie pay with their lives.

Serena Goldorado: I knew that revelation would come out soon one day, and I also want to get our great grandmother back.

Tyris Flare: And we will, Serena. But, it will not be easy.

Lincoln: Dark Chase Young turned her into one of his fallen warriors long ago, and you also have the notebook revealing everything Dark Chase Young has done, right?

Serena Goldorado got out the notebook and when we read its pages and saw everything Dark Chase Young had done, we were beyond pissed!

Me: That son of a bitch!

Nico: He's going down hard!

Lincoln: He and Morag and Aggie both, Nico. They got 1,900 years of retribution and payback coming to them, and I'll make sure they pay with their lives, and I'll be needing your help to free your great grandmother from Dark Chase Young without getting his attention, Serena.

Serena Goldorado: You don't need to ask twice, I'm already on it.

Rosa Espada De Fuego: I knew my cousin was going to have a plan made for this.

Tyris Flare: Once our great grandmother's back, we'll properly introduce you to her, Lincoln.

Lincoln: Of course, Tyris, and she's going to have a lot of catching up to do once we get her back, and now that you're here, Serena.

Lincoln with his massive muscular arms still wrapped around Serena Goldorado's waist leaned his head down to the right side of Serena Goldorado's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Serena Goldorado: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Goldorado with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Serena Goldorado: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Serena Goldorado.

Serena Goldorado had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Serena Goldorado's waist, and he leaned down to her face and kissed her on the lips, and with Serena Goldorado's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Cordelia Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Serena Goldorado: (In Heaven) My God. Oh, Lincoln, the twelve girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The twelve girls are Angie Franks from Angie Girl, Charlotte Montbarn from Charlotte of the Young Grass, Yurine from Karas, Kaori Doumoto and Miki Tsujiwaki from Hungry Heart: Wild Striker, and Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji from Big Magnum Harimoto Sensei.

Lincoln: Oh whoa, it's Angie Franks from Angie Girl, Charlotte Montbarn from Charlotte of the Young Grass, Yurine from Karas, Kaori Doumoto and Miki Tsujiwaki from Hungry Heart: Wild Striker, and Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji from Big Magnum Harimoto Sensei.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Angie Franks: Yes, we're okay, thanks to you.

Then, when Angie Franks and the other eleven girls saw who it was that saved them from Torlok and Akuro, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag

Akira Koduki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Azusa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Angie Franks, Charlotte Montbarn, Yurine from Karas, Kaori Doumoto, Miki Tsujiwaki, Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you really trashed Torlok and Akuro, and you also destroyed The Dragon Stone and The Dark Side Potion forever, good riddance.

Lincoln: Yep, that's two more of my most dangerous enemies taken care of.

Nico: That's for sure, you really smashed them hard into the ground, Lincoln.

Me: Those monsters got what was coming to them.

Eli: With The Dragon Stone and The Dark Side Potion destroyed along with its creators, now you won't have any trouble with those two artifacts.

Lincoln: Yep, but at least, it'll make things much smoother.

Lori: When we finally get rid of Morag, Aggie, and Dark Chase Young once and for all.

Lynn: Those insane witches deserve what's coming to them.

Lola: That's right, what a bunch of clods, but Dark Chase Young, he's worse than a clod, he's an absolute monster.

Lisa: He's absolutely reprehensible!

Luan: He deserves to die, and when Lincoln's big day mission comes, that's exactly what's going to happen to those three.

Caleb Maxwell: We'll get everyone ready for that big day, and everyone's already screaming out for those bastards' blood to be spilled.

Me: Wow! (Realizes something) Wait a second, Caleb, did you just...?!

Cage Blunt: He did, he told everyone of what those three have done, and now, things are going to get really ugly.

Travis Tackett: Yep, it's gonna get messy.

James Blunt: But, it's well-deserved, those monsters deserve to die.

Me: That's for sure.

After Lincoln and all of us destroyed Torlok and Akuro and sent them to The Black Abyss along with destroying The Dragon Stone and The Dark Side Potion, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Serena Goldorado saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Serena Goldorado: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Serena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Serena Goldorado: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Serena Goldorado: I knew it was only a matter of time before he told

everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln got a DM on his phone as he put the weights down, and unlocked his phone and went to the messages and saw the DM.

Me: What's up, Lincoln?

Lincoln: Someone's sent me this message. Take a look.

?: Greetings, Master Lincoln. If you have any spare time, I have something to ask of you, along with Alexandrina, Anby, Belle, Corin, Ellen, Grace, Jane, Koleda, Lucy, Miyabi, Nekomiya, Nicole, Piper, Qingyi, Soukaku, and Zhu Yuan. Come to New Eridu and I shall await you there.

Alexandrina: (GASPS) I know who sent this message.

Belle: There's no doubt about it, that was Von Lycaon.

Nicole: I knew it. He's a Wolf Theiran and one of the members of Victoria Housekeeping Corporation. Alexandrina, Corin, and Ellen are also members of this organization. Their job is of course providing their services to some of the prominent families in New Eridu. Von Lycaon is the attendant of one of Bella's friends, Lilac, and the members of the Victoria Housekeeping appears to be based on western horror tropes in addition to housekeeping elements: Corin - Frankenstein and mechanically powered saw, Ellen - Sharks such as the Jaws series and huge scissors, Von Lycaon -

Werewolves, and Rina - Ghosts and haunted dolls/puppets.

Serena Goldorado: I wonder what Lycaon has to tell us.

Lincoln: Only one way to find out.

We immediately got a shower and went straight to New Eridu which'd suddenly merged with Gotham Royal York.

Nico: Wow, so New Eridu has merged with Gotham Royal York, awesome.

Bella: This must've happened after we got rescued by Lincoln the other day, if we're meeting with Lycaon, that means, my brother, Wise, is here too.

Lincoln: I hope your brother's alright, and I hope he's cool with you being in my harem, Bella.

Nekomiya: Of course he is, we told him about you the other day, and he's also thinking about the wedding about to be planned for you and all of us.

Suddenly, we heard the sound of footsteps.

?: Ah, you arrived on time, you're quite punctual.

Then, we saw a 6'6" tall white wolf dressed in Victorian style clothes and tech-armored boots and he had a black leather eyepatch covering his right eye and he has a red left eye, and he carried with him an air of poise and elegance in his gesture, but he had a primal ferocity hidden within, it was Von Lycaon.

Lincoln: Ah, you must be Von Lycaon. (Gentlemanly bow) It's an honor to meet you.

Von Lycaon: (Returns the bow) And it's an honor to meet you and all of Team Loud Phoenix Storm, Master Lincoln.

Nicole: When Lincoln showed us the DM you sent, Alexandrina and the others knew it was you: the polite manners of someone from Victoria Housekeeping Co.

Then, Wise showed up.

Wise: That's right.

Bella: Wise, you're here too? Then, this means something's up.

Von Lycaon: Yes, there is. Apparently, there have been reports of a lioness prowling in New Eridu and the citizens are in a panic. I feared this was one of Dark Chase Young's fallen warriors, but she had a gentle nature to her.

Serena Goldorado: If I may interject, I think what you saw, that was our great grandmother.

Me: What was your great grandmother's name?

Lincoln: Selina Flare, one of the greatest Amazon warriors and someone whom Tyris and Serena had loved dearly. But, how? There's no way she was able to escape from him.

Tyris Flare: I have a feeling that God must've found a way to free her and get her away from that vile monster, but she wound up here.

Wise: We'd heard about what he did to you and your family, Lincoln, he really is a monster.

Lincoln: It's not just me and my family he affected, Wise, he'd inflicted untold pain and suffering to a whole lot of people for 1,500 years.

Tyris Flare: Now that we know that our great grandmother is here, we need to free her.

Von Lycaon: Yes, I'm also aware that you also have the power to purify and cleanse those who'd been affected by evil, and I believe you intend to do just that. But, how are we going to keep the panic to a minimum?

Lincoln took out his Flute of Ogma and he played a beautiful Celtic melody which not only caused the public to calm down, but also, lured out Selina Flare and he'd brought her here to us, and then, she suddenly fell asleep.

Wise: That was some impressive flute playing.

Me: They said that music has charms to soothe the savage beast, and he did just that.

Serena Goldorado: Now, it's our turn. Everyone, step back.

Lincoln and Serena Goldorado chanted an incantation, and suddenly, a magic circle in golden yellow energy formed beneath the feet of Selina Flare, and she was suddenly surrounded by a golden yellow energy aura, and finally, waves of magic flooded her body, and when it was done, she was restored to normal: her original human form was a human with long red hair like Tyris Flare and she also became much younger as her strength had returned to when she was in her younger days.

Serena Goldorado: Great Grandmother? Are you okay?

Suddenly, she opened her eyes, and they were a beautiful emerald green.

Selina Flare: Serena? Tyris? Is that...?

Tyris Flare: (Smiles) Yes, it's us.

She hugged her great granddaughters. Then, she saw Lincoln.

Selina Flare: You..., you're the one my great granddaughters have spoken about: Lincoln Loud, the descendant of the 17th Century Duke of Loch Loud, Lachlan McLoud.

Lincoln: Yes, that is correct. I know, I was human, but I was turned into a Vampire-Werewolf Hybrid by two of my Guardian Angels.

Selina Flare: I know, and my granddaughters are indeed fortunate to have met a strong, brave, and courageous man as you, and also, as their future husband. Tyris, there's also some bad news that I have to tell you, our old enemy, Death Adder, has returned from the dead and it was at the hands of Morgana Midnight Sparkle.

WE GASPED!

Serena Goldorado: Death Adder's returned, that monster!

Rosa Espada De Fuego: Of all the evil...! (GROWLS)

Lincoln: There is seriously no line that she-demon is willing to cross.

Tyris Flare: Well, if that's how she wants to play it, we'll kill him yet again.

Lincoln: Actually, Tyris, I have a much...better idea. I'm going to condemn him to eternal servitude in The Masters of Evil after I strip him of all his powers and immense superhuman strength, that is, and he still hates me for what I did in killing him in the past. So, I'll add in more karma and pain to him in the process.

Nicole: Is he...?

Von Lycaon: I can tell he's serious. A person's eyes reflect their true nature: Lincoln's a calm, warm, kind, and friendly person, but when someone threatens those he cares deeply about, he turns into an aggressive beast and he will not hesitate to hurt them, and those who are beyond any redemption or cannot be saved wind up dead.

We then returned home and we welcomed Wise, Von Lycaon, and the others into the team.

Von Lycaon: Your home truly is a warm and welcoming place, and the place is also completely clean as well.

Lincoln: We always clean the place and keep everything clean here.

Me: That's right, and the second we welcome new members to the team, your rooms are already made for you and matches their personality.

Von Lycaon: Interesting.

We got a shower, and then, Lincoln, Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor are heading to a beach in France.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Katie Lowery: Wow, we're here in a beach in France, it sure is beautiful.

Lincoln: It sure is, Katie, and it's perfect for our first date, shall we?

Lincoln, Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Rei Nishina: (Swooning) What a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor and hugged them in their abnormally massive and powerful muscular arms, and Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor and Lincoln's harem placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at France, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor are now in your harem, Linky.

Katie Lowery, Rei Nishina, Ayano Uemura, Ms. Betty Rosbe, Fem Cyrax, and Fem Sektor showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Ayano Uemura: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Nico: No kidding!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the final showdown with that sea witch, Ursula, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Melody: What are we watching?

William: Let me guess. Does it involve beer?

Poromon: (LAUGHS) Nope. We're watching these.

He pulled out the 3 Little Mermaid Movies!

Me: Ooh! The Little Mermaid Trilogy!

Ariel: You're going to see my life story Melody.

Eli: This will be fun.

Lola: I'll make us popcorn.

Lola did so. We got to watching The Little Mermaid: Ariel's Beginning

---

Many years before the events of the original film and its sequel, King Triton and his wife, Queen Athena, rule over the underwater kingdom of Atlantica, filled with music and laughter. They have seven young daughters: Attina, Alana, Adella, Aquata, Arista, Andrina, and the youngest of whom is Ariel. One day, while the merpeople relax in a lagoon above the surface, King Triton gifts Queen Athena a music box. However, the merfolk flee at the approach of a pirate ship. Everyone escapes except Queen Athena, who, while trying to recover the music box, is killed when the ship crashes into the lagoon. Devastated by his wife's death, Triton, having become bitter of music, throws the music box away and permanently bans music from Atlantica.

Ten years later, Ariel and her sisters live under a strict routine maintained by their evil governess, Marina Del Rey and her kindly assistant, Benjamin the manatee. Marina hates being the girls' governess and longs to be King Triton's attaché, a job currently filled by Sebastian the crab. Ariel is frustrated by their current lifestyle, which brings her into arguments with her father. One day, Ariel encounters Flounder, a young tropical fish whom she later follows to an underground music club. She is overjoyed by the presence of music and is shocked when she sees Sebastian performing there. When her presence is revealed, the entire band stops playing and hides, believing Ariel will tell her father about them. Ariel sings a song explaining her love of music and the remembrance of her mother and is then accepted as a member of the club after swearing an oath of secrecy.

Ariel returns to the palace and her sisters confront her over her disappearance, she explains where she was and the following night the girls go to the club to have fun. Marina finds them and she later reports their activities to King Triton, who destroys the club with his trident. Sebastian, Flounder, and the band are sent to prison, while Marina is given Sebastian's position, which means she will change the rules of Atlantica the next morning. The girls are confined to the palace as punishment. Ariel angrily retorts that this is not what her mother would have wanted.

That night, Ariel frees her friends and leaves Atlantica. Sebastian leads them to a deserted place far away from the palace where Ariel finds Queen Athena's music box, as Sebastian hoped. Ariel, Flounder, and Sebastian decide to return to Atlantica, stop Marina and Benjamin from changing the laws, and bring the music box to King Triton, hoping that it will change his mind, as he has not remembered how to be happy after Queen Athena's death. Meanwhile, King Triton is informed that Ariel is missing and he orders his guards to find her. Marina, wanting to retain her position, releases her electric eels to hunt down and eliminate Ariel and Sebastian.

Ariel and her friends are confronted by Marina on their way back and a struggle ensues. Ariel's friends defeat Marina's eels, just as King Triton arrives. Marina barrels toward Sebastian and tries to kill him, but Ariel blocks her way, getting hit in the process, and falls, apparently dead. King Triton witnesses this and blames himself. He, having a change of heart and making his bitterness of music go away, sings to Ariel and she revives; the two of them reconcile. After that, music is soon restored to Atlantica after ten years, Marina and Benjamin are imprisoned in the dungeon by King Triton as punishment for their crimes, Sebastian is appointed Atlantica's first official court composer, and everyone celebrates.

We got done with that movie and it was awesome!

Ariel: That was what happened to mom and all that.

Me: And we know who is to blame for that.

Next we watched The Little Mermaid from 1989.

Under the Atlantic Ocean, in the kingdom of Atlantica, Ariel, a mermaid dissatisfied with her life, is fascinated by the human world. With her best friend Flounder, Ariel visits Scuttle, a seagull who gives inaccurate information about humans, and collects human artifacts in her grotto. However, her father King Triton, the ruler of Atlantica, says contact between merpeople and humans is forbidden. One night, Ariel, Flounder, and Sebastian, a crab who serves as Triton's adviser and court composer, travel to the surface to watch a birthday celebration for Prince Eric. Ariel falls in love with Eric at first sight. A storm wrecks the ship and knocks Eric overboard. Ariel rescues Eric and brings him to shore. She sings to him, but leaves just as he regains consciousness to avoid being discovered. Discovering a change in Ariel's behavior, Triton questions Sebastian and learns of her love for Eric. Frustrated, Triton travels to Ariel's grotto and destroys her collection of artifacts in a misguided attempt to protect her. After a remorseful Triton leaves, two eels named Flotsam and Jetsam convince Ariel to visit Ursula the sea witch.

Ursula makes a deal with Ariel to transform her into a human for three days in exchange for Ariel's voice, which Ursula puts in a nautilus shell. Within these three days, if Ariel receives a "true love's kiss", she will remain a human permanently. Otherwise, she will transform back into a mermaid and belong to Ursula. After accepting, Ariel is given human legs and taken to the surface by Flounder and Sebastian. Eric finds Ariel on the beach and takes her to his castle, unaware that she is the one who rescued him earlier. Ariel spends time with Eric, and at the end of the second day, they almost kiss but are thwarted by Flotsam and Jetsam. Furious at Ariel's close success, Ursula disguises herself as a young woman named Vanessa and appears onshore singing with Ariel's voice. Eric recognizes the song, and Ursula casts a hypnotic enchantment that makes him forget about Ariel.

The next day, Ariel discovers that Eric will be married to Vanessa. Scuttle discovers Vanessa's true identity and informs Ariel, who pursues the wedding barge. Sebastian informs Triton, and Scuttle disrupts the wedding with the help of various sea animals. In the chaos, Ursula's shell is destroyed, restoring Ariel's voice and breaking the enchantment over Eric. Realizing that Ariel is the girl who saved his life, Eric rushes to kiss her, but the sun sets and Ariel transforms back into a mermaid. Turning back into her true form, Ursula kidnaps Ariel. Triton confronts Ursula and demands Ariel's release, but the deal is inviolable. At Ursula's urging, Triton agrees to take Ariel's place as Ursula's prisoner, giving up his trident. Ariel is released as Triton transforms into a polyp and loses his authority over Atlantica. Ursula declares herself the Queen of the Seven Seas, but before she can use the trident, Eric appears with a harpoon. Ursula attempts to kill Eric, but Ariel intervenes, causing Ursula to inadvertently kill Flotsam and Jetsam. Enraged, Ursula uses the trident to grow in size.

Ariel and Eric reunite on the surface just before a gigantic Ursula separates them. She then gains full control of the ocean, creating a storm and bringing sunken ships to the surface. Just as Ariel is about to be killed, Eric commandeers a wrecked ship and impales Ursula with its splintered bowsprit. With Ursula dead, Triton and the other polyps in her garden revert to their original forms. Realizing that Ariel truly loves Eric, Triton turns her into a human and approves her marriage to Eric. Ariel and Eric marry on a ship and depart, with all of Ariel's friends and family watching them as well.

Eli: That was how we destroyed Ursula the first time.

Melody: Wow!

Me: And here is your origin story.

We watched The Little Mermaid II: Return To the Sea.

Ariel and Eric celebrate the birth of their daughter Melody on a ship at sea. Ariel's father King Triton presents Melody with a magic locket. The party is interrupted by Ursula's sister Morgana, who threatens to have Melody fed to her pet tiger shark, Undertow, unless Triton surrenders his trident to her as part of her plan to avenge Ursula and take over the ocean. Ariel and Eric work together to foil Morgana's plan, and Triton shrinks Undertow to the size of a piranha. Morgana escapes, eluding the attempts of King Triton's forces to capture her and declaring that she will someday exact her revenge on both Ariel and Triton and avenge Ursula's death.

Fearing Morgana and remembering Ursula, Ariel decides that, until Morgana is captured, they will have to withhold all knowledge of the sea world and her heritage from Melody to protect her. Triton tosses the locket into the ocean, and a massive wall is built to separate the royal castle from the sea. Triton assigns Sebastian to watch over Melody.

Twelve years later, Melody remains unaware of her mother's mermaid heritage and is forbidden from going into the sea. However, she sneaks out of the castle regularly to swim, and one day finds the locket. Seeing her name on the locket, Melody questions her mother about it, but Ariel forbids her to go into the sea. Frustrated with her mother's refusal to answer her questions, Melody steals a small boat and sails away from home. Melody is discovered by Undertow, who leads her to Morgana. A desperate Sebastian tells Ariel and Eric Melody went out to the sea. Meanwhile, Melody meets Morgana, who reveals that Melody's background is marine, and uses the remains of Ursula's magic to transform Melody into a mermaid. Triton prepares search parties and is convinced by Ariel and Eric to use his trident to transform Ariel back into a mermaid in order to help in the search for Melody. Ariel searches the sea for Melody, regretting not sharing her heritage with her, while Melody explores her newfound abilities as a mermaid, and has a strong feeling that she was meant to be part of the sea.

Later, Morgana tells Melody she can only make the spell permanent if she retrieves Triton's trident. Melody decides to get the trident, and during her search befriends Tip and Dash, a penguin and walrus duo who join her. After Melody steals the trident, Ariel implores her not to give Morgana the trident. Frustrated by Ariel's decision to lie to her, Melody instead gives the trident to Morgana, who reveals her true intentions and traps Melody in a cave by sealing the entrance with a thick layer of ice. Soon afterward, Morgana's spell on Melody wears off, causing her to revert into a human and nearly drown. Tip and Dash manage to free her and drag her to the shore.

Morgana uses the trident's magic to lord over the ocean, rising to the surface to gloat. Scuttle, Triton, Sebastian, and Eric arrive, and a battle ensues against Morgana and her minions. Melody grabs the trident and throws it back to Triton, who encases Morgana in a block of ice, which sinks underwater. Melody reunites with her family, and Triton offers his granddaughter to become a mermaid permanently. Melody instead uses the trident to destroy the wall separating her home from the sea, reuniting the humans and the merpeople.

When it was done we cheered.

Me: Always fun!

Ariel: (to Melody) I'm sorry I hid the ocean from you, Melody.

Melody: You were just doing what you could to protect me.

Me: Yeah.

Hook: I laughed at the Sebastion vs Cook parts

Me: (LAUGHS) Those were funny!

Nico: Yeah!

Andrina: Those were fun times though.

Me: They sure were.

Laney: Yeah. And today we made it really clear that we're going to avenge all those that Ursula and Morgana hurt.

Nico: We sure did.

Xenia: Yep.

Melody: But that was awesome.

Me: You had a lot of fun Melody.

Ratchet: (to Ariel) I hope you're not offended that fish are eaten on land.

Me: Yeah we had to hide that fact from you for a reason.

Ariel: I understand and I was at first but I know you were just doing what you could to protect me.

Nico: Yeah.

Ariel: Thank you guys.

Me: You're welcome.

Nico: One thing is for sure though, we're not going to let Ursula get away with all the pain she caused to so many people both humans and merfolk alike.

Nicole: That is for sure. Also she affected the King Ohgers world too.

Me: Yeah. Oh Speaking of Which, for the main mission, I've invited the King Ohgers to come help us since Ursula attacked Chikyu before.

The King Ohgers came.

Oceanus Shenron: Thanks for coming, Hymeno.

Hymeno: My pleasure. No one attacks my Kingdom and gets away with it

Me: That is for sure.

Poromon: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than Ursula the Sea Witch, she's returned and she's on the ocean planet Oceana, and to make matters worse, she's allied with the evil Space Wizard, Galiel, to kill Princess Neri and also take over Atlantica as well! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: That sea witch is back! I knew she would come crawling out again!

Lincoln: And she's also allied with an old enemy of Olivia Oceania as well! The time's arrived!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Ursula the Sea Witch, she's returned and she's on the ocean planet Oceana, and to make matters worse, she's allied with the evil Space Wizard, Galiel, to kill Princess Neri and also take over Atlantica as well!

EVERYONE GASPED!

Varie: That rotten sea hag! I knew she'd be back!

J.D. 2: Same with that bastard, Galiel!

Olivia Oceania: I knew that old sea hag would return, but also, my hated enemy, The Space Wizard, Galiel! That's the last straw, this time, Galiel, is going to be banished to The Black Abyss forever for all of his crimes!

Eli: Same with Ursula! This is where we avenge Atlantica's honor along with the honor of every last mermaid in the world! She's going to die here and now!

Merista Atlantica: That's right!

Queen Athena: We'll make her pay for what she's done, Merista.

King Triton: Indeed. So, those two monsters are on Oceana, and there's no doubt they want to kill her, for Galeil, he wants to destroy her to take over the world, but for Ursula, she still desires to rule Atlantica, and she wants to kill her to break me. We need to head to Oceana at once, we cannot allow the two monsters to run free any longer.

Nico: Just what I was about to say. Let's get going!

Lincoln: Those two monsters aren't getting away with this, this is where they die here and now!

J.D. 2: Hang on Neri we're coming.

Me: Yep.

The previous group came.

Robo Roxy: Can me, Shendu, Selene, Amora, Gentleman Ghost, Evil Green Ranger, Artie Ziff, Mammoth, King Hiss and Toyman go with you guys?

Nico: Yes you all can come with.

Olivia Oceania: Ursula is on my home planet Oceania and we're going there to kill both her and the evil Space wizard Galiel.

Amora: Oh man! I've heard of Galiel! He is a monster.

Me: I was told a lot about him. He was evil to the core.

Qin: Yeah.

Me: Yep.

Sasha: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well now we are going to meet Yugioh Monster gene-slammers next.

Me: COOL!

Eli: Awesome!

Me: With over 15,000+ cards and the number still growing it's gonna take a while.

Nico: Yep. Lets start with Tri-Horned Dragon.

Me: OOH! That's gonna be awesome.

Xenia: Yeah!

Me: Lets get a move on then. Also we still have the last of the Midnight Princesses still out there too. The last one to take down before Morgana Midnight Sparkle.

Mina Midnight Sparkle: And save my friends from her evil.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity, and she's coming after us on Oceana. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the fourteenth of The Midnight Princesses, Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

Caitlin Lusignan: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by The Moonlight of Harmony, but first, we got to deal with those bastards.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to Oceana and rescue Princess Neri.

Lincoln: And bring an end to Ursula and Galiel once and for all, and once we get done with those two monsters, you're next, Marianne Midnight Moonslayer.

Caitlin Lusignan: The suffering you've caused all those years ago can never be forgiven, Marianne, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Oceana and rescue Princess Neri and destroy Ursula and Galiel and make them pay for everything they've done, and once we got done with them forever, Caitlin Lusignan and Lincoln are going to take out Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

We went to the ship and we were off to Oceana

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12512.6: The U.S.S. Valorous Phoenix is en route to the distant planet of Oceana, home of the Sister of J.D.'s Ebonwu Squadron self, Neri. And our mission is to destroy both Galiel the Evil Space Wizard and Ursula.

Qin: This is gonna be awesome.

Olivia Oceania: You should see what my home planet is like. It's a beautiful ocean planet and the ocean goes on forever. But the view of the planets 4 moons is amazing and breathtaking.

Varie: I can tell. I've been having some dreams about it and it was what lead to me finding out about it.

Me: That is amazing.

Qin: It sure is.

Shendu: Are there any Albacore there?

Olivia Oceania: It has a lot of the fish and sea creatures that Earth does. And some of the creatures we are very unfamiliar with.

Nico: Wow! That is amazing.

Olivia Oceania: It sure is. Also Neri has been to Earth before. It was a long time ago. But I can't remember the reason why she came to Earth.

Valon: (Australian Accent) Boy mates that brings back memories. I remember watching the show Ocean Girl back when I was a wee nipper. It was in my childhood before Dartz, you know.

Me: I think I know what you mean Valon. But that is cool!

Nico: It sure is.

Laney: I had no idea. That is cool.

Nico: What can you tell us about Galiel?

Olivia Oceania: Well Galiel is a powerhungry space wizard. He wants to steal all of Oceana's Life Crystals so that he can achieve eternal life and rule the entire universe forever.

Me: Oh man. We can't let that happen.

Nico: Yeah. Not if Team Loud Phoenix Storm has anything to say about it.

J.D. 2: That is for sure. Also my sister was chosen as part of an ancient prophecy that is said to bring the death of Galiel.

Nico: Wow! That is incredible!

Me: I agree.

Harley Quinn: Let's call Ghost.

Me: Good idea.

We did so.

Ghost arrived.

Ghost: I'm here guys.

Me: Awesome!

Hymeno: I'm really looking forward to this one.

Gira: Me too.

Yanma: We all are.

Me: We sure are. It'll be both interesting and awesome.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Oceana! It was an ocean planet with 4 moons around it.

Me: Wow!

Gentleman Ghost: We're here

Olivia Oceania: There it is guys. Planet Oceana.

Nico: It's beautiful.

Lola: It sure is.

Nico: Lets land.

We got to landing and we landed the ship in the water and we were in front of the castle of Oceana.

We got out.

Me: Wow!

J.D. 2: We're here: Oceana, the ocean planet.

Me: Wow, so this is Oceana, it's beautiful.

Varie: Just like what I saw in my dream.

Nico: It's amazing.

Qin: It sure is.

Nico: Where's Neri now?

Suddenly, we saw a figure swimming toward us, it was Princess Neri. She was a girl with purple hair, purple eyes and purple clothes and was a great swimmer.

Olivia Oceania: Princess Neri.

Princess Neri: Olivia, thank goodness you're here.

They hugged. Suddenly, Princess Neri saw my Ebonwu Squadron self.

Princess Neri: J.D., is that..?

J.D. 2 hugged Princess Neri, and she hugged him back.

J.D. 2: Yes, it's me, sis.

Princess Neri: I'm so happy to see you brother. (Sees us) Team Loud Phoenix Storm. What an honor.

Me: You too Neri. It's a pleasure to meet you.

Nico: Same here.

Princess Neri: It's a pleasure you're here.

Me: We came to destroy Galiel and Ursula. Ursula is here on your world.

Princess Neri: I know. But first my father is acting strange. He's possessed by Galiel.

WE GASPED!

Me: Leave this to me. I know just what to do to help him out.

Nico: Sorry we kept you waiting. Lincoln told us everything, Galiel's back along with that treacherous sea hag, Ursula, and he still wants to kill you to take over the universe and Ursula still wants to take over all of Atlantica, but we're not going to let them.

Me: He's right, you stay close to us from now on.

Varie: You're in danger as long as those two are still running loose.

Lincoln: But, now that we got here right on time, it's time we make those two monsters pay for all of their sins.

Me: We also got the last member of the Midnight Princesses here too. We'll explain along the way.

Princess Neri: Follow me. Hurry!

We followed Neri as she dove into the water and we followed.

Princess Neri: My father is in trouble. We have to hurry.

Me: Lead the way to him.

We followed her into the castle.

We saw the king and he was looking out the window to the sea.

We saw him with his back towards us.

Nico: Your majesty?

King Nemon: You are not welcome here Team Loud Phoenix Storm!

Me: King Nemon, you are not well. You are being possessed by Galiel!

He went at me.

I held my hand out and held him in place with my power and a white light came from my hand.

Me: Too long have you stayed in the shadows. I will free you!

Galiel: (Speaking through King Nemon) If I go Nemon dies!

Me: I think not! You will not kill him as long as we are present!

I had a light form around him.

King Nemon: Oceana is mine!

Me: BEGONE!

He went at me and I had a HUGE ENERGY surge out of him and then Galiel felt the ENORMOUS FORCE of my power and was blasted out of his capsule on his ship! He left Nemon's body and was back to normal!

King Nemon: What? What happened?

Princess Neri: Father?

King Nemon: Neri? What happened?

J.D. 2: Your majesty are you okay?

King Nemon: J.D.? What happened? But how are you here?

J.D. 2: It's a very complicated story.

King Nemon: What happened?

Me: Well we have a lot to tell you.

Nico: It's a long story.

King Nemon: Tell me everything.

We did so.

King Nemon: So Galiel possessed me and made me do all that against my will.

Me: Yes he did. We came all the way from Earth to reunite my

Ebonwu Squadron self here with Neri and also destroy Galiel as well as Ursula the Sea Witch. She is here on Oceana with Galiel and we came to help destroy them both.

King Nemon: We are forever grateful to you all to come in our time of need.

Princess Neri: We sure are.

Eli: We're glad we can help.

Qin: Yeah.

Barbossa: Ursula has done something unforgivable

Neri: I know. She was one of Super Warumono World's minions.

Nico: It's more serious than that.

Me: Yeah

Olivia Oceania: I've been filling in Neri on what's been happening on Earth for her.

Nico: Wow!

Me: We found out that Ursula hired Davy Jones to kill Ariel's mother Athena.

Eli: It's true.

They gasped!

King Nemon: Oh my! Eli, Ariel, I'm so sorry!

Princess Neri: That is awful!

Me: It was.

Hymeno: Also Ursula attacked my kingdom on my home planet, Chikyu.

Lana: The King Ohgers are part of a future mission we have coming up.

Starfire: It's true.

Artie Ziff: Ursula was behind all the tragedies in Ariel's life

Me: Yeah. All because she wanted power. She was going to stop at nothing to usurp the throne of Atlantica.

Ariel: It's true.

Melody: Now we are going to get justice.

Qin: That's right.

Princess Neri: You all can do it.

Jeremie: Yes we can.

Me: We defeated Ursula before and we can do so again.

Nico: Yep.

Princess Neri: I will gladly help you. As well as my brother.

J.D. 2: I am honored to have you with us sis.

Me: We all are.

Cut Man: Gaon has a score to settle with her too

Gaon: Yeah it's for what happened on our battle we had with her on Super Warumono World.

Camie: Yeah.

King Nemon: I see.

But then we heard the sound of divine singing.

Me: Listen to that.

Lola: Sounds like the hypnotic song of the siren.

Scotsman: (Scottish Accent) Sounds like someone stepping on a cat. Sounds like someone stepping on a lot of cats.

King Hiss: Is someone stepping on Gatomon?

Me: I don't think Gatomon would like that.

Gatomon: No you're right and I am here in Kari's arms.

Me: That's good.

Lincoln: I know what that singing is. It's Ariel's Akuma. Her name is Darksiren. The Hypothetical Akuma of Ariel and a master of the powers of the Dark Side of the legend of the Mermaid and a deadly master of darkness. She was made because of Ursula revealing that she hired Davy Jones to kill Athena and vowed to kill Ursula and avenge her mother!

WE GASPED!

Me: Whoa!

Lincoln showed us a sketch and she was a mermaid with black hair and had black angel wings and a black tail!

Me: WHOA! She looks scary! So we are both after the same thing.

Princess Neri: That is very good.

Me: Yep. Lincoln is very artistic in this.

Qin: Yeah.

Flywheels: She's probably swimming around here

Me: Maybe.

Eli: I sense her outside.

We looked outside and saw a figure swimming around and we saw that it was DARKSIREN!

Me: WHOA! There she is!

Qin: Wow!

Eli: Amazing!

King Nemon: I'll open the pool hatch.

He did so and a hatch opened in the floor. Then she came swimming in.

Darksiren: Thanks for letting me in.

Eli: Ariel? Sis? Is that you?

Darksiren: Yes bro it's me.

Me: At least you still know Eli.

Princess Neri: We heard about what happened to Athena and were sorry.

Me: Looks like we both are after her.

Darksiren: We sure are.

Toyman: You need to calm down.

Melody: Yeah mom this isn't you.

Darksiren: I know my darling Melody. But I need justice.

Me: And I promise we will get it for you, Athena, Melody and everyone in Atlantica.

Princess Neri: That we can be sure of.

Me: Sorry we have to fight though.

I fired waves of water and drenched her.

Ghost charged at her And kicked her.

Me: YEAH!

Darksiren: My turn.

She fired dark water and we dodged it.

But then a wave of leaves flew in and slashed her all over.

Me: What the?

We turned and saw a Leafeon!

Me: Whoa! A Leafeon.

Nico: Underwater?!

Me: I guess it doesn't matter the environment.

Princess Neri: I guess not.

Varie: Yeah.

Leaf (G5 MLP): Lets see if I know this one.

She used Telepathy and gasped!

Leaf (G5 MLP): That's my sister Sycamore Elm!

Princess Neri: Oh man! I was told by Olivia about what as going on because of Dark Gale. That was terrible.

Me: It was! (To Darksiren) We'll be right back.

Darksiren: Okay.

Me and Leaf went up to her.

Leaf (G5 MLP): Sycamore it's me Leaf!

All she did was use Frenzy Plant and grew huge plants that went at us.

We dodged them.

Me: WHOA! Okay then.

I fired waves of energy and fire and Leaf fired waves of leaves and grass and we blasted her all over.

Me: Now this.

I snapped my fingers and she was a girl with green hair, green eyes, had leaf angel wings and had Leafeon in the middle of her forehead and had a leaf cutie mark on her arm.

We caught her.

Me: Wow!

She woke up.

Sycamore Elm: (Groan) What? What happened?

Leaf (G5 MLP): Sycamore?

Sycamore Elm: Leaf? (GASP) It is you!

She hugged her!

Sycamore Elm: Where am I?

Me: You're on the Ocean planet of Oceana, lightyears from Earth. You were turned into a Leafeon by Dark Gale.

Sycamore Elm: (GASP) I remember!

She was wearing a green suit and was injected. Then she turned into leaves and flew out and blasted a hole in the hideout and ran.

FLASHBACK ENDS

Sycamore Elm: That was awful.

Me: Well Dark Gale is now officially destroyed.

Leaf (G5 MLP): It's true.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her green clothes and a green leaf scythe.

Sycamore Elm: Wow I look great!

Me: You sure do.

Leaf (G5 MLP): We're also in the middle of a battle.

Sycamore Elm: Lets go then.

Bomb Man: Time to get explosive!

He threw bombs and blasted Darksiren.

Sycamore Elm: Like old times?

Leaf (G5 MLP): You know it!

Sycamore Elm and Leaf: NATURE LEAF STORM BLAST!

They fired leaves and blasted her down and knocked her out.

Me: Yeah!

Princess Neri: That was amazing!

Nico: It sure was.

Me: Yep.

Nico: What's your role in Sonya's team?

Sycamore Elm: I am the leaf master and nature master of the team and use nature and flowers to take down our enemies.

Nico: Cool!

Sycamore Elm: Yep and outside the team I'm a gardener and grow amazing plants.

Nico: Nice!

Qin: Yep.

Mammoth: How can you breathe underwater though?

Sycamore Elm: I don't know.

Princess Neri: Must be because of your powers.

Sycamore Elm: Maybe.

Camie: Well now we can go after Ursula and Galiel.

Eli: I sense them coming. 2,000 yards and closing.

Me: Then lets get going and destroy them!

?: Not before we destroy all of you!

We then saw our next target: Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

Caitlin Lusignan: If it isn't Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity.

Marianne Midnight Moonslayer: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Marianne. You all sought to destroy the world, and we weren't going to let that happen.

Marianne Midnight Moonslayer: (ENRAGED DEMONIC SCREAM) I HOPE THAT URSULA AND GALIEL DESTROY ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Moonslayer: Marianne stop this madness!

Marianne Midnight Moonslayer: Mina! You're alive!

Mina Midnight Sparkle: I sure am. (Flies up to her) Marianne this isn't you. Morgana is using you and she is only going to kill you when she is done. Don't do tihis.

Marianne Midnight Moonslayer: (Crying) I'm sorry Mina. (CLUTCHES HEAD) (SCREAMS)

Marianne Midnight Moonslayer disappeared in a tornado of red darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Marianne!

Caitlin Lusignan: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and destroy Galiel and Ursula forever and make those two pay for their crimes.

Nico: Right.

Caitlin Lusignan: And from what we saw, Marianne's also going to summon her army of demons as well: The Dark Moon Fire Magic Insanity Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down and put a permanent end to Ursula and Galiel for good, along with Marianne's army of Dark Moon Fire Magic Insanity Demons.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down Ursula and Galiel is on!

Me: Yeah!

Nico: Let's tear them apart!

Air Man: I think they sent sharks after us. Look!

We saw Glut and his henchman Sharks!

Eli: It's Glut and his sharks!

Lola: Uh oh!

Camie: Okay time for some shark pain!

We dove into the water and Lincoln fired waves of energy and blasted them away.

Me: That did it.

Eli: Lets do it!

Nico: Entrance time!

WE PROCEEDED TOWARDS THE FINAL SHOWDOWN AGAINST URSULA AND GALIEL, AND THIS TIME, WE'RE GONNA MAKE SURE THAT THE STAYS DEAD AND GONE FOREVER!

Ursula and Galiel were coming.

Ursula: Soon, all of Atlantica and its riches will soon be mine! (LAUGHING MALEVOLENTLY)

Galiel: And soon, I'll be rid of that miserable little brat and the entire universe will bow before me!

Suddenly, massive waves of water came out of nowhere and they attacked Ursula and Galiel with such ferocity and power and they were absolutely soaked, and many mermaids came out and they attacked Ursula and Galiel by slapping them with their tails. Then, the mermaids converged and a massive explosion of water and fire erupted out of nowhere and a phoenix cry and Thunderbird screech was heard, and we appeared.

J.D. 2: Galiel, I should've known you'd return one day!

Olivia Oceania: You've crossed many lines in the past in your pursuit of power, but to also make an alliance with that old sea hag, Ursula. Now, you've really crossed it big time!

Eli: I always knew you'd come back again, you miserable powerhungry black-hearted cold-blooded murderous old sea hag! Now, now I'm going to really make sure that you die here and now, and this time, you're never coming back!

Varie: That's for sure, and as for you, Galiel, your crimes have plagued the universe for far too long, you're going to suffer the very same fate as Ursula.

Galiel: You! You're gonna pay for getting in my way!

Ursula: Soon, Atlantica will finally be mine! Now, you will all die!

Suddenly, we saw a massive army of demons arise and they bore the mark of Marianne Midnight Moonslayer.

Lincoln: So, Marianne's sent her army of Dark Moon Fire Magic Insanity demons, huh?

Lincoln fired magic draining blasts that hit Marianne Midnight Moonslayer's Dark Moon Fire Magic Insanity Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them leaving Galiel and Ursula alone and they were enraged.

She held up a contract.

I fired a blast of energy and it completely destroyed the contract!

Ursula: WHAT!? IMPOSSIBLE!

Me: We're not the same as we were when we fought before! We're more powerful and stronger than ever!

Slugfest: This is probably the worst thing you ever did!

Ursula gasped seeing Athena!

Ursula: WHAT!? But how!? I killed you!

Princess Neri: You got it!

Me: Lets end this!

I fired waves of energy and blasted Ursula all over!

Me: Too bad your little poopsies aren't coming to help you!

SUDDENLY, WE FELT SOMETHING WAS ABOUT TO HAPPEN AS ELI'S ENERGY AND POWER BEGAN RISING ASTRONOMICALLY!

Suddenly, Eli's blue eyes turned neon blue and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, Chakra, elemental forces, mythical beasts, seraphim angels, phoenixes, and angels, and we felt his power rising like crazy.

Eli: You...! So, all this time, it was you! You hired that bastard to kill Queen Athena and all for your desire for power! You tore King Triton's soul along with the soul of his entire family apart because of it! (SUDDENLY STARTING TO GET REALLY PISSED OFF AS HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE EVEN MORE) You caused so much pain and suffering to all those in your path and you caused Ariel, her sisters, and King Triton the worst kind of pain that anyone could ever imagine, and you don't even care..., (NEON BLUE EYES TURN NEON RED WITH HATRED AND RAGE WITH TEARS OF BLOOD COMING OUT) THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU, URSULA! YOU'VE LIVED FOR FAR TOO LONG, AND NOW, I WILL SEE TO

IT THAT YOU FINALLY DIE A HORRIBLE, BLOODY, GRUESOME, EXTREMELY SLOW, AGONIZING, AND PAINFUL DEATH FOR WHAT YOU DID! (WOLF ROAR OF DEMONIC RAGE)

WE GASPED IN PURE SHOCK AND HORROR: ELI WAS NOW PISSED OFF SIX WAYS TILL SUNDAY DUE TO THE CONFESSION OF URSULA!

Princess Eri: What the?! What's about to happen to Eli?

J.D. 2: Eli despised Davy Jones for murdering Queen Athena and he hated Ursula for all the suffering she's caused. But, now that he found out that Ursula was the mastermind behind Queen Athena's murder, he's about to take brutal revenge on her.

J.D. 3: And it's going to get ugly.

Nico: Big time.

Me: EVERYONE, HIT THE FUCKING DECK! HE'S GONNA BLOW!

We immediately ran for cover, and Ursula tried to run, but Robin Hood appeared and fired arrows that hit Ursula's arms and tentacles and Galiel's arms and pinned them to a rock.

Robin Hood: We can't have you running off now, can we?

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ELI WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO POWERFUL RAINBOW FIRE SERAPHIM ANGELS, RAINBOW FIRE MYTHICAL BEASTS, RAINBOW FIRE PHOENIX, AND RAINBOW FIRE ANGEL, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE SERAPHIM ANGELS, RAINBOW FIRE MYTHICAL BEASTS, RAINBOW FIRE PHOENIX, AND RAINBOW FIRE ANGEL WENT BACK TO OCEANA AND ELI GAINED AN

INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Eli let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and eleven other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned remained the same, his long brown hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind my head remained the same, and he let out a loud howl.

Morgana Midnight Sparkle: (ENRAGED SCREAM) Damn you all! I will destroy all of you if it's the last thing I ever do!

Morgana Midnight Sparkle fled, but Lincoln caught her presence.

King Triton: Hold on, Eli, we're also joining in as well. Ursula, this is the last time you're going to rise again to cause us trouble, this is where you die here and now!

Lincoln: Well, well, well, who do we have here?!

Future Me: Sebastian, I should've known you'd also be here. When blood is in the air, you just don't know when to stay away, do you?

J.D. 2: I always knew you wouldn't stay away, you're like a leech drawn by the smell of blood in the air and drawn to chaos and madness, we can't stand parasites like you, it's no wonder you were that despised by your world's Team Loud Phoenix Storm.

Future Nico: You're right about that, we all despised him for what he'd done in the past, and we all wanted nothing more than to kill him and make him pay.

Future Sebastian: We'll see about that, you monkey-faced freak! Prepare to join the rest of your dead race in Hell! (LAUGHING INSANELY)

Lincoln: (Smirks) Oh really? You won't be saying that after this! (SNAPS FINGERS)

Lincoln snapped his fingers and heavenly lights shined down, and we saw many figures descend, they were my Future self's versions of the Saiyans and they were restored to life, and that caused Future Sebastian to turn white as a ghost and he went insane!

King Vegeta: (Smirks) What's wrong, you look like you've seen a ghost.

Future Sebastian: YOU...! YOU...! (DEMONIC VOICE) SHUT UP! DIE!

Lincoln blasted Future Sebastian with beams of heavenly light and they hurt him bad as he screamed in agonizing pain, and he let out a demonic shriek as he fled back to the darkness.

Nico, Qin, and Nico's Friends: That's right, bitch! Fuck you!

Future Nico: (Smirks) My words exactly, whenever we sent that psycho running for his life, that's what we always say to him.

Me: Well, he'll get his very soon, if he ever shows his bloodsoaked hide again.

We were amazed by the transformations of Ariel, Queen Athena, King Triton, Merista Atlantica, Aquata, Andrina, Arista, Attina, Adela, and Alana, and when Lincoln saw Aquata, Andrina, Arista, Attina, Adela, Alana, and Merista Atlantica, he had an atomic red blush on his muzzle and cheeks, hearts in his eyes, and his wolf nose was gushing out blood. But, when Ursula and Galiel saw it, especially Ursula, their faces and bodies turned white with fear.

Ursula: NO! NOOOO!

Galiel: IMPOSSIBLE!

Lincoln saw that Ursula and Galiel were trying to run, and in order to prevent them from running off like cowards, he fired a powerful barrage of rainbow, white, golden yellow, and blue energy blasts, aura energy, white and blue heavenly flames, mythological animals, mythical beasts, and elemental forces which hit Ursula and Galiel and sent them flying into a wall, they got back out, but now, they were super pissed off!

This is where you die here and now!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF URSULA AND GALIEL TO NO END! NOW, THE BATTLE TO AVENGE THE HONOR OF ATLANTICA AND ALL MERMAIDS WAS ON!

Lincoln, King Triton, Melody, Eric, Ariel, Ariel's Sisters, Athena, Eli, Merista Atlantica, Crash Bandicoot, Red Savarin, Nico, and I and the rest of us went after Ursula and Galiel, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Ursula and Galiel and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, King Triton, Melody, Eric, Ariel, Ariel's Sisters, Athena, Eli, Merista Atlantica, Crash Bandicoot, Red Savarin, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Ursula and Galiel even angrier than ever.

Lori: (Spots The Monitor Orb in Ursula's forehead) There's the Monitor Orb. If you would, Lincoln.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit the Monitor Orb embedded in Ursula's forehead, and not only did we gain a massive power boost, but she screamed in agonizing pain as she clutched her head in pain.

Caleb Maxwell: That'll teach you, bitch.

Rarity: All of us are darlings.

Sapphire Ocean: That is for sure. She had it coming.
